Last updated : 2020-06-15 10:46:11

### 1.BACKGROUND

This Module applies if you use the Mobile Tencent Protect Service (“**Feature**”). This Module is incorporated into the Data Processing and Security Agreement located at “**DPSA**”. Terms used but not defined in this Module shall have the meaning given to them in the DPSA. In the event of any conflict between the DPSA and this Module, this Module shall apply to the extent of the inconsistency.

### 2.PROCESSING

We will process the following data in connection with the feature:

Personal Information	Use
End User Personal Data (game account, host file, in-game screen; system version, network type, brand, CPU architecture, ROM, unique identifier, screen resolution, system boot time, country code and language, remaining memory, remaining built-in / external storage space; whether root or simulator running, application cache directory, application package name, process name, application version, startup time)	We use this information in order to provide the Feature in accordance with your instructions.

### 3.SERVICE REGION

As specified in the DPSA. We will also store personal data processed in connection with the Feature in Singapore and the People’s Republic of China.

## 4.SUB-PROCESSORS

As specified in the DPSA.

## 5.DATA RETENTION

We will store personal data processed in connection with the Feature for a period of 90 days from the date of collection. You can request deletion of such personal data in accordance with the DPSA.

# Privacy Policy

Last updated : 2021-06-22 11:13:44

## 1.Introduction

This Module applies if you use the Anti-Cheat Expert Service (“**Feature**”). This Module is incorporated into the privacy policy located at “**Privacy Policy**”. Terms used but not defined in this Module shall have the meaning given to them in the Privacy Policy. In the event of any conflict between the Privacy Policy and this Module, this Module shall apply to the extent of the inconsistency.

## 2.Controllers

The controller of the personal information described in this Module is as specified in the Privacy Policy.

## 3.Availability

This Feature is available globally.

## 4.How We Use Personal Information

We will use the information in the following ways and in accordance with the following legal bases:

Personal Information	Use	Legal Basis
Management Data	We maintain a log of management data to deliver statistics to help you manage the Feature and to improve our services.	We process this information as it's necessary for us to perform our contract with you to provide and improve the Service for you.

## 5.How We Store Personal Information

As specified in the Privacy Policy. We will also store personal data processed in connection with the Feature in Singapore and the People's Republic of China.

## 6.How We Share Personal Information

As specified in the Privacy Policy.

## 7.Data Retention

We will retain personal information in accordance with the following:

Personal Information	Retention Policy
Management Data	Stored for 90 days and then automatically deleted.
