Getting Started

Last updated : 2021-03-31 15:23:07

Step 1. Sign-up and Login

Log in at [Tencent Cloud's official website](#). If you don't have an account yet, please sign up as instructed in [Sign up for a Tencent Cloud Account](#).

Step 2. Online Application

Go to the overview page of Tencent Cloud Conference, click Apply Now, fill out the application form, and click **Submit** to complete the online application.

Step 3. Application Review

After receiving your application, we will review it and contact you to confirm your preliminary needs and arrange business negotiation.

Step 4. Needs Confirmation

After the preliminary needs review and business negotiation are completed, we will confirm the conference or event scale, function requirements, etc. with you.

Step 5. Service Purchase

Based on the scale and function requirements, we will provide a quote and plan and sign a contract with you.

Step 6. Deployment and Configuration

We will create and provide relevant accounts for you.

Step 7. Service Acceptance

You can log in to the platform and start creating and using the services.
