## 1. BACKGROUND

This Module applies if you use Penetration Test Service (“**Feature**”). This Module is incorporated into the Data Processing and Security Agreement located at [DPSA](#). Terms used but not defined in this Module shall have the meaning given to them in the DPSA. In the event of any conflict between the DPSA and this Module, this Module shall apply to the extent of the inconsistency.

## 2. PROCESSING

We will process the following data in connection with the Feature:

Personal Information	Use
IP and domain name (provided by you)	We only process this information for the purpose of providing this Feature to you.

## 3. SERVICE REGION

As specified in the DPSA.

## 4. SUB-PROCESSORS

As specified in the DPSA, including Aceville Pte. Ltd.

## 5. DATA RETENTION

We will store personal data processed in connection with the Feature as follows:

Personal Information	Retention Policy
IP and domain name	We retain such data until we have provided the final penetration test report to you, and you have confirmed your use of the Feature (for the relevant IP and domain provided by you) has completed.

You can request deletion of such personal data in accordance with the DPSA.

## 6. SPECIAL CONDITIONS

You must ensure that this Feature is only used by end users who are of at least the minimum age at which an individual can consent to the processing of their personal data. This may be different depending on the jurisdiction in which an end user is located.
