Purchase Guide

Last updated : 2022-03-31 17:02:20

Prerequisites

Before activating Cloud Workload Protection (CWP), you need to [sign up for a Tencent Cloud account](#) and [verify your identity](#). If you have not completed identification, you cannot purchase a CWP instance for the Chinese mainland.

Purchase Method

CWP is available in Basic and Pro editions. For more information on the overview of features in different editions and comparison between them, please see [Feature Description and Edition Comparison](#).

- Basic edition
The Basic edition is free of charge. After creating a CVM instance, install and configure CWP agent as instructed in [Getting Started](#) and then you can use it for free.
- Pro edition
Pro edition is coming soon.

Billing Mode

- **Basic edition**
The Basic edition is free of charge. After creating a CVM instance, install and configure CWP agent as instructed in [Getting Started](#) and then you can use it for free.
