Getting Started

Last updated : 2024-08-02 10:14:18

Step 1. Logging in/Signing up

Log in to the [Tencent Cloud official website](#). If you do not have an account yet, register as instructed in [registering and logging in](#).

Step 2. Trying Now

Go to the [CSC console](#) to use the CSC Free Edition. This allows you to check the security status of your cloud assets and monitor security events of the cloud security products in a unified way.

Step 3. Using CSC

Once you [upgrade to CSC Advanced edition](#), you can use the full feature set of CSC, achieving one-stop automation and visualized security operations management for cloud security.
