UGSV Policy
Privacy Policy

Last updated：2022-12-29 15:55:20

1. INTRODUCTION

This Module applies if you use User Generated Short Video SDK ("**Feature**"). This Module is incorporated into the privacy policy located at ("Privacy Policy"). Terms used but not defined in this Module shall have the meaning given to them in the Privacy Policy. In the event of any conflict between the Privacy Policy and this Module, this Module shall apply to the extent of the inconsistency.

2. CONTROLLERSHIP

The controller of the personal information described in this Module is as specified in the Privacy Policy.

3. AVAILABILITY

This Feature is available to users globally.

4. HOW WE USE PERSONAL INFORMATION

We will use the information in the following ways and in accordance with the following legal bases:

Personal Information	Use	Legal Basis
End User Network and Device Information: connection/WiFi status, system properties, device model, operating system, device screen status (horizontal or vertical), user IP	We use this information to provide the Feature to you, to ensure that the Feature functions as required, and for troubleshooting. Please note that this data is stored in our Cloud Log Service (CLS) and TencentDB for MySQL (MySQL) features, and backed up in our MySQL feature.	We process this information as it is necessary for us to perform our contract with you to provide the Feature.

©2013-2022 Tencent Cloud. All rights reserved.

Personal Information	Use	Legal Basis
Operation Data: • your console configuration information (information of your Tencent Cloud console configuration); • log files of your backend; • your dashboard information (such as information relating to your network fluctuations and audio/video quality issues); • log data of the use of the SDK (such as whether the SDK is running normally, and the occurrence of lag); • customer SDK version number; • end users OS type	We use this information for troubleshooting, and operation and maintenance analysis. Please note that this data is stored in our CLS and MySQL features, and backed up in our MySQL feature.	We process this information as it is necessary for us to perform our contract with you to provide the Feature.

5. HOW WE STORE AND SHARE PERSONAL INFORMATION

As specified in the Privacy Policy, including Aceville Pte. Ltd.

6. DATA RETENTION

We will retain personal information in accordance with the following:

Personal Information	Retention Policy
End User Network and Device Information	Stored for 14 days. Under special circumstances (such as in the event of your account being attacked or hacked), we will delete this data sooner.
Operation Data	Stored for 14 days. Under special circumstances (such as in the event of your account being attacked or hacked), we will delete this data sooner.

Data Processing And Security Agreement

Last updated：2022-12-29 15:55:07

1. BACKGROUND

This Module applies if you use User Generated Short Video SDK ("**Feature**"). This Module is incorporated into the Data Processing and Security Agreement located at ("DPSA"). Terms used but not defined in this Module shall have the meaning given to them in the DPSA. In the event of any conflict between the DPSA and this Module, this Module shall apply to the extent of the inconsistency.

2. PROCESSING

We will process the following data in connection with the Feature:

Personal Information	Use
Customer License Data (provided by you): data to enable you to unlock access to the SDK, namely package name, bundle ID, APPID, license URL, license key	We use this information for the purposes of providing the Feature to you, including troubleshooting. Please note that this data is stored in our Cloud Log Service (CLS) and TencentDB for MySQL (MySQL) features, and backed up in our MySQL feature.

Please note that we do not collect, process, store or otherwise have access to the end user's facial data or short videos/content generated using this Feature ("**UGC Content**"). UGC Content is processed by you and/or your product, service or platform (as applicable) that integrates the Feature.

3. SERVICE REGION

As specified in the DPSA.

4. SUB-PROCESSORS

As specified in the DPSA, including Aceville Pte. Ltd.

©2013-2022 Tencent Cloud. All rights reserved.

5. DATA RETENTION

We will store personal data processed in connection with the Feature as follows:

Personal Information	Retention Policy
Customer License Data	We retain such data until you log off your Tencent Cloud account. Otherwise, if you request deletion of this data, we will delete such data immediately.

You can request deletion of such personal data in accordance with the DPSA.

6. SPECIAL CONDITIONS

You must ensure that this Feature is only used by end users who are of at least the minimum age at which an individual can consent to the processing of their personal data. This may be different depending on the jurisdiction in which an end user is located.

You represent, warrant and undertake that you (i) are solely responsible for your use of the Feature and UGC Content (including compliance with respect to UGC Content), (ii) shall not transfer any UGC Content to Tencent in connection with our provision of the Feature, and (iii) have and will only use the Feature and/or integrate the Feature in your product, service or platform (as applicable) in compliance with applicable laws.

You represent, warrant and undertake that you shall obtain and maintain all necessary consents from data subjects in respect of the processing of their personal data (as applicable) in respect of the Feature (including for the purposes of providing the Feature), in accordance with applicable laws and so as to enable us to comply with applicable laws. You agree you will indemnify and hold Tencent harmless from and against all claims, liabilities, costs, expenses, loss or damage (including consequential losses, loss of profit and loss of reputation and all interest, penalties and legal and other professional costs and expenses) incurred by Tencent arising directly or indirectly from a breach of this requirement.
