Updating General Instance Bundles

Last updated：2024-03-14 11:40:00

Tencent Cloud Lighthouse will update the general instance bundles on March 29, 2024. Lighthouse will add the following general instance bundles, and the original bundles (including the original general and enterprise bundles) will be discontinued. You can go to the Tencent Cloud Lighthouse purchase page to make your selection as needed.

Adjustment Details

New General Bundle

The general bundles will be updated to the following bundles:

Linux bundles

Windows bundles

Bundle Type	CPU (core)	Memory (GB)	System Disk - SSD (GB)	Bandwidth (Mbps)	Monthly Data Transfer (GB)	Price (USD/Month)

Original General and Enterprise Bundle

Note:

The following original bundles will be discontinued on March 29, 2024. Instances using the discontinued bundles can still be renewed at the original price. However, users with discontinued bundles are recommended to upgrade their instance bundles. For details, see Upgrading Instance Package.

Linux bundles

Windows bundles

Bundle Type	CPU (core)	Memory (GB)	System Disk - SSD (GB)	Bandwidth (Mbps)	Monthly Data Transfer (GB)	Price (USD/Month)
General Linux	2	2	30	30	1,024	5.0
	2	2	50	30	2,048	7.0

	2	4	60	30	2,560	9.0
	2	4	80	30	3,072	11.0
	2	8	90	30	3,584	16.0
	2	8	100	30	4,096	22.0
Enterprise Linux	4	8	120	32	5,120	40.0
	4	16	150	35	6,144	60.0
	8	16	200	40	7,168	90.0
	8	32	250	45	8,192	120.0
	16	32	300	50	9,216	180.0
	16	64	350	55	10,240	235.0

Bundle Type	CPU (core)	Memory (GB)	System Disk - SSD (GB)	Bandwidth (Mbps)	Monthly Data Transfer (GB)	Price (USD/Month)
General Windows	2	2	50	30	1,024	8.5
	2	2	60	30	2,048	11.0
	2	4	70	30	2,560	15.0
	2	4	80	30	3,072	20.0
	2	8	90	30	3,584	30.0
	2	8	100	30	4,096	40.0
Enterprise Windows	4	8	120	32	5,120	70.0
	4	16	150	35	6,144	110.0
	8	16	200	40	7,168	165.0
	8	32	250	45	8,192	220.0
	16	32	300	50	9,216	325.0
	16	64	350	55	10,240	435.0

Note

The general bundles now supports the following regions: Tokyo, Silicon Valley, Frankfurt, Toronto, Seoul, Singapore, Jakarta, São Paulo, and Mumbai.

Existing Lighthouse customers are not affected by this update. You can renew at the original bundles price. For renewal instructions, see Renewing Instance.

The quota for creating instances with the general bundles is not affected by this update, remaining at 20 per region.

This document only explains the general bundles update information. For more billing information, see Billing Overview.
