HTTPDNS Policy

Privacy Policy

Last updated : 2022-07-04 17:57:44

1. INTRODUCTION

This Module applies if you use HTTPDNS (**Feature**). This Module is incorporated into the privacy policy located at [Privacy Policy](#). Terms used but not defined in this Module shall have the meaning given to them in the Privacy Policy. In the event of any conflict between the Privacy Policy and this Module, this Module shall apply to the extent of the inconsistency.

2. CONTROLLERSHIP

The controller of the personal information described in this Module is as specified in the Privacy Policy.

3. AVAILABILITY

This Feature is available to users globally.

4. HOW WE USE PERSONAL INFORMATION

We will use the information in the following ways and in accordance with the following legal bases:

Personal Information	Use	Legal Basis
DNS Resolution Log: log timestamp, license ID, domain name, client IP, resolution record	<p>We use this information:</p> <ul style="list-style-type: none">to ensure the Feature functions as required, and to ensure that bugs are detected and remediated;to answer your queries regarding the resolution amount; andto calculate resolution volume statistics (for billing purposes). <p>Please note that this data is stored in our Cloud Object Storage (COS) and TencentDB for MySQL feature. This data is also aggregated and stored in our TencentDB for MySQL feature.</p>	We process this information as it is necessary for us to perform our contract with you to provide the Feature.

End User Device Data: network type, operator information, system properties, device model, operating system	We use this information for the purpose of analyzing and improving the quality of parsing services, by analyzing HTTPDNS anomalies and for failure recovery. Please note that this data is stored in our Tencent distributed Data Warehouse (TDW) feature.	We process this information as it is necessary for us to perform our contract with you to provide the Feature.
---	--	--

5. HOW WE STORE AND SHARE PERSONAL INFORMATION

As specified in the Privacy Policy. Additionally, your APPID and UIN will be stored in our TencentDB for MySQL feature.

6. DATA RETENTION

We will retain personal information in accordance with the following:

Personal Information	Retention Policy
DNS Resolution Log	Stored for 180 days (unless in special circumstances such as hacking of or an attack on your account, in which case we will discuss the same with you and may (if considered necessary) delete such data within 5 days of the discussion).
End User Device Data	Stored for 7 days (unless in special circumstances such as hacking of or an attack on your account, in which case we will discuss the same with you and may (if considered necessary) delete such data within 5 days of the discussion).
APPID, UIN	Stored in accordance with the retention period stated in the Privacy Policy (unless in special circumstances such as hacking of or an attack on your account, in which case we will discuss the same with you and may (if considered necessary) delete such data within 5 days of the discussion).

Data Processing And Security Agreement

Last updated : 2022-07-04 17:57:44

1. BACKGROUND

This Module applies if you use HTTPDNS (“**Feature**”). This Module is incorporated into the Data Processing and Security Agreement located at [DPSA](#). Terms used but not defined in this Module shall have the meaning given to them in the DPSA. In the event of any conflict between the DPSA and this Module, this Module shall apply to the extent of the inconsistency.

2. PROCESSING

We will process the following data in connection with the Feature:

Personal Information	Use
DNS Domain Name, App Name, App Type	We only process this data for the purposes of providing the Feature to you. Please note that this data is stored and backed up in our TencentDB for MySQL feature.

3. SERVICE REGION

As specified in the DPSA.

4. SUB-PROCESSORS

As specified in the DPSA.

5. DATA RETENTION

We will store personal data processed in connection with the Feature as follows:

Personal Information	Retention Policy
DNS Domain Name, App Name, App Type	We retain such data until you manually delete such data (unless in special circumstances such as your account being subject to a cybersecurity incident, in which case we will discuss the same with you and may (if considered necessary) delete such data within 5 days of the discussion).

You can request deletion of such personal data in accordance with the DPSA.

6. SPECIAL CONDITIONS

You must ensure that this Feature is only used by end users who are of at least the minimum age at which an individual can consent to the processing of their personal data. This may be different depending on the jurisdiction in which an end user is located.
