FAQs

Last updated : 2023-09-22 16:35:52

Can I deploy the CDZ in my own data center?

Yes. You can deploy the CDZ in your own or rented IDC.

What do I need to prepare for using a CDZ?

Tencent Cloud provides network devices, servers, software, and cloud products required for CDZs. For the infrastructure (server rooms, server racks, and all devices for air-conditioning, fire protection, humidity control, waterproofing and power supply), you can use your own resources, or let Tencent Cloud deal with it.

Is the user experience of CDZs the same as public AZs?

Yes. A CDZ is only visible to its owner. All related operations are similar to Tencent Cloud public AZs.

Will the latest Tencent Cloud technologies and cloud product capabilities be available in CDZs?

Yes. The latest Tencent Cloud technologies and cloud product capabilities will be synched to CDZs.

What Tencent Cloud Products are available in CDZs?

All Tencent Cloud Products are available in CDZs.
