## Purchase Methods

Last updated : 2024-03-21 15:04:50

Edge Zone is currently not available for online self-purchase. If your business scenario requires this product, please contact the business manager for application.

### Notes

Edge Zone does not involve a Service Level Agreement. You only need to pay attention to the Service Level Agreement provided by the product.

During the trial application review, whether your business scenario matches the product application scenario will be an important accessing condition. Please describe your business scenario and the reasons for expecting to use this product in detail in the application.

After the trial application period ends, this product will be officially sold. Announcements will be made in the [Product & Feature Updates](#) . Any changes in pricing will also be notified in advance through various channels. Please stay tuned for relevant information.

For more details about this product, please [Contact Us](#) for support.

# Instance Pricing Overview

Last updated : 2024-08-07 16:32:38

For details about billing modes, see [CVM Billing Modes](#). Currently, Edge Zone only supports pay-as-you-go and monthly billing modes.

Instances in the Edge Zone are priced uniformly. The unit prices of different availability zones and instance families are the same. Specific prices (excluding tax) are shown in the table below:

Category	Pay-as-You-Go (USD/Hour)	Monthly Subscription Price (USD/Month)
Core (C)	0.0133	7.36
Memory (GB)	0.00665	3.68
SSD local disk (GB)	0.0000923	0.05385

## Example:

For instance, if you purchase a standard type instance with 32C64G, a local system disk of 50GB, and a local data disk of 300GB, the price calculation is as follows:

**Pay-as-You-Go:**  $0.0133 \times 32 + 0.00665 \times 64 + 0.0000923 \times (50 + 300) = 0.883505$  USD/Hour.

**Monthly Subscription:**  $7.36 \times 32 + 3.68 \times 64 + 0.05385 \times (50 + 300) = 489.8875$  USD/Month.
