TENCENT CLOUD TERMS OF SERVICE

Welcome, and thank you for your interest in the online services collectively known as Tencent Cloud, along with any related websites, networks, applications, software and other services and related documentation provided by Tencent (collectively, the “**Services**”). These Terms of Service are a legally binding contract between you and Tencent regarding your use of the Services. For the purposes of these Terms of Service, “**Tencent**,” “**we**,” “**our**,” and “**us**” refer to the applicable Tencent contracting entity set forth in Section 3. “**Affiliate**” or “**Affiliates**” means any entity that directly or indirectly Controls, is Controlled by, or is directly or indirectly under common Control with a party, where “**Control**” means control of greater than fifty percent of the voting rights or equity interests of a party or by way of contract, management agreement, voting trust, or otherwise.

PLEASE READ THE FOLLOWING TERMS CAREFULLY.

BY CLICKING “I ACCEPT,” OR BY DOWNLOADING, INSTALLING, OR OTHERWISE ACCESSING OR USING THE SERVICES, YOU AGREE THAT YOU HAVE READ AND UNDERSTOOD, AND, AS A CONDITION TO YOUR USE OF THE SERVICES, YOU AGREE TO BE BOUND BY, THE FOLLOWING TERMS AND CONDITIONS, INCLUDING the then-current additional terms applicable to the Services posted online [here](#), which includes the Data Processing and Security Agreement, Acceptable Use Policy, Copyright Policy, the PRC Service Region Terms, the North America Terms, the EEA Consumer Terms, the Germany Terms, the South Korea Terms, any Service-specific terms, the Service Level Agreement, and any other region-specific terms (collectively, “Additional Terms**,” and together with these Terms of Service, the “**Terms**”).** The Additional Terms do not include the Privacy Policy or the Cookies Policy (both of which are also available at [here](#)). Please see our Privacy Policy, Cookies Policy and Data Processing and Security Agreement for further information regarding our use of your Personal Data (as defined in the Data Processing and Security Agreement) submitted to or via the Services. If you are not eligible, or do not agree to the Terms, then you do not have Tencent’s permission to use the Services. YOUR USE OF THE SERVICES, AND TENCENT’S PROVISION OF THE SERVICES TO YOU, CONSTITUTES AN AGREEMENT BY TENCENT AND BY YOU TO BE BOUND BY THESE TERMS.

1. THE SERVICES AND APPLICATIONS.

The Services are further described [here](#) and include: (a) the documentation for the Services (as may be updated from time to time) in the form generally made available by Tencent to its customers for use with the Services; (b) the APIs, mobile applications, and Software provided by Tencent in connection with the Services; and (c) any additional services purchased by you. The Services may allow you to create applications using the Services or run applications

on the Services, including any source code written by or on behalf of you to be used with the Services or otherwise hosted on Tencent Cloud (“**Applications**”).

2.ELIGIBILITY

You must be at least 14 years old to use the Services. By agreeing to these Terms, you represent and warrant to us that: (a) you are at least 14 years old; (b) you have not previously been suspended or removed from the Services; and (c) your registration and your use of the Services is in compliance with any and all applicable laws and regulations. If you are an entity, organization, or company, the individual accepting these Terms on your behalf represents and warrants that they have authority to bind you to these Terms and you agree to be bound by these Terms.

3.CONTRACTING ENTITY; GOVERNING LAW

(a)The country specified in your registration information determines: (i) the Tencent entity with which you are contracting under these Terms; and (ii) the governing law that applies to these Terms and your use of the Services, as set forth in the table below. Notwithstanding anything to the contrary under these Terms, you acknowledge and agree that Services may be provided by one of our Affiliates to the extent deemed appropriate by us, for example, where required to comply with applicable laws and regulations or in accordance with Tencent’s internal structuring of its operations in the applicable region. In particular, when the Services are provided in the PRC region, you acknowledge and agree that, in compliance with applicable PRC laws and regulations, the Services will be provided by Tencent Cloud Computing (Beijing) Co., Ltd.. “**PRC**” means the People’s Republic of China, and for the purpose of these Terms only, does not include the Hong Kong Special Administrative Region, Macau Special Administrative Region, and Taiwan.

Your Location	Tencent Contracting Entity	Governing Law
European Economic Area, United Kingdom, and Switzerland	Tencent Cloud Europe B.V., a Dutch registered company located at Buitenveldertselaan 1-5, 1082 VA, Amsterdam, the Netherlands	England and Wales
North America	Tencent Cloud LLC, a Delaware registered company located at Claremont 2747 Park Blvd, Palo Alto, CA 94306.	California, USA
South Korea	Tencent Korea Yuhan Hoesa, a Korean registered company located at 152, Taeheran-ro, Gangnam-gu (Gangnam Finance Center, Yeoksam-dong), Seoul, Korea	South Korea
Rest of the world	Aceville Pte Ltd, a Singapore registered company located at 30 Raffles Place, #12-01, Oxley @ Raffles, Singapore 048622.	Singapore

(b) The country specified in your registration information may cause additional or different terms to apply, as follows. For example, if your use of the Services is subject to consumer protection regulations as determined under applicable laws, additional terms apply, as set forth in the EEA Consumer Terms, Germany Terms, South Korea Terms and other region specific terms. If the country specified in your registration information is in North America, you shall be subject

to the North America Terms below. If you wish to use the Services in the PRC region, you shall be subject to the terms of the PRC Service Region Terms. In addition to the above, additional or different terms may apply to your use based on applicable local laws.

4. USE OF SERVICES

(a) Accounts and Registration. When you register for a Tencent Cloud account authorized to access the Services (“**Account**”), you may be required to provide us with some information, such as your name, postal address, email address, and/or other contact information. You agree that the information you provide to us is accurate and that you will keep it accurate and up-to-date at all times. Where the option is available, you may also register for an Account through a third party platform account. You agree that you shall additionally comply with any applicable terms and conditions of that third party platform. You are responsible for safeguarding any and all Account details and access credentials, and you shall be responsible for any use of the Account or Services and all activities that occur under your Account, regardless of whether the activities are authorized or undertaken by you, your employees or a third party (including your contractors, agents and/or End Users), and including in circumstances due to your failure to properly safeguard such Account details and access credentials. Except to the extent caused by our breach of these Terms, Tencent and its Affiliates are not responsible for any unauthorized access to your account. Any breach of these Terms or any use of your Account by anyone will be treated as if the breach or use had been carried out by you, and will not relieve you of your obligations to us. We may deny you the right to create an account.

(b) License. Any entities or individuals that access the Services under your Account or an Application are referred to in these Terms as “**End Users**”. You shall and shall ensure that your authorized End Users access and use the Services in accordance with these Terms during the Term (defined below in Section 9). Such Services shall be provided during the Term. You and your authorized End Users shall only access the Services via your Account and the use of any Services shall be subject to these Terms. If you become aware of any unauthorized use of your Account or the password for your Account, you will notify Tencent immediately. If you are an entity, organization, or company, you will ensure your employees and contractors access the Services through your Account. Tencent may provide downloadable tools, software development kits, sample code, APIs, or other computer software including those provided in connection with the Services or with the use of your Account (and any periodic updates thereto from time to time) (“**Software**”). You acknowledge that Tencent or its licensors own all rights, titles and interest in and to the Services and the Software. Subject to your and your authorized End Users’ compliance with these Terms, Tencent grants, or shall procure the grant, to you and your authorized End Users a limited, non-exclusive, non-transferable, non-sublicensable and revocable license to use the Software in a manner not exceeding any applicable usage limitation or term, and within the designated territory for use or receipt of Services, and only in connection with the Services. To the extent that any Software comes with an end user license agreement, terms of service or other similar agreement governing the use of such Software, you agree that you will, and ensure your End Users, strictly comply with such agreement. Other than as specified in the foregoing, no other rights are granted to you under these Terms to use the Services (including any Software offered in connection therewith).

(c) Service Regions. Certain Services allow you to select a geographically defined service region in which User Data (as defined below) is stored in order to provide the Services (a “**Service Region**”). Where a Service Region applies,

Tencent will, upon your request, store User Data in the Service Region you select when User Data is being used for the provision of those Services.

(d) Suspension of Services. If you become aware or reasonably suspect that any Application (including an End User's use of an Application) or User Data violates these Terms, you will immediately suspend the Application, remove the User Data, and suspend access by End Users. If you fail to take such action, Tencent may suspend or disable the Application and your Account until that violation is remediated to Tencent's satisfaction. In the event that Tencent determines at its sole discretion that your or your End User's use of the Services could: (i) disrupt the Services; (ii) disrupt use of the Services by a third party; (iii) disrupt the Tencent network or servers used to provide the Services; (iv) allow unauthorized third party access to the Services; or (v) otherwise pose a security risk or threat or result in any legal or regulatory liability to Tencent, then Tencent or its Affiliates may immediately and without prior notice to you, restrict or suspend your Account or the offending Application or End User account, to the extent required to address such concern. You agree that you are responsible for all Fees incurred or payable during such period of restricted or suspended use.

(e) Service Modification or Discontinuation. Tencent may discontinue or make any changes to the Services (or any portion thereof) at any time without incurring liability to you. Tencent may choose to, without limitation, discontinue, limit, restrict, change or remove the Services, any Service component, or availability of the Services (or any portion or component thereof) in any specific Service Region, territory or industry sector or field of business. If Tencent discontinues or makes any changes to the Services that would materially decrease the functionality of those Services, Tencent will use commercially reasonable efforts to inform you of the change with reasonable advance notice before it goes into effect, provided that you have subscribed to be informed about those changes. Tencent may make the change, and will not be obligated to provide notice, if the discontinuation or change is necessary to address an emergency or threat to the security or integrity of the Services or Tencent, comply with or respond to litigation, address Intellectual Property Rights concerns, or comply with the law or government requests. Tencent may provide periodic updates to the Software or Services from time to time ("**Updates**"). Tencent may also make new features or functionality available from time to time through the Services and add new services to the Services from time to time (by adding them at the URL set forth under that definition), the use of which may be contingent upon your agreement to additional requirements.

(f) Security and Privacy. Tencent's security and privacy practices are available in the Additional Terms, the Privacy Policy and the Cookies Policy. You shall configure and use the Services in a way that meets your security requirements.

(g) Third Party Applications. You are solely responsible for any software, tools or applications used by you in connection with your use of the Services ("**Third Party Software**"), including third party software made available or offered in connection with the Services. Tencent is not responsible for and is not liable for any damages or losses arising from the use of the Third Party Software, and Tencent does not endorse, support or guarantee the quality, reliability, or suitability of any Third Party Software. You agree that the use and making available of any Third Party Software is at your own risk. You shall comply with and ensure that your End Users comply with any terms and conditions applicable to Third Party Software. Tencent does not provide any technical support for any Third Party Software.

(h) Access to Your Device. In order for Tencent to provide the Services, Tencent may require access to and use of a device you own or control. For example, Tencent may need access to a device's processor and storage to complete a Software installation. Tencent may provide further information regarding how Tencent Cloud accesses the relevant device within Tencent Cloud. You agree to facilitate and/or give Tencent access to the device for these purposes, and you acknowledge that if you do not provide access, Tencent may not be able to provide you with the Services (or certain features within the Services). You acknowledge that Tencent may use or access Personal Data within the device in the course of providing Tencent Cloud, as set out further in the Privacy Policy. To the extent the Data Processing and Security Agreement applies to the use or access of that Personal Data, you agree that Tencent may use or access that Personal Data in accordance with the Data Processing and Security Agreement.

5. FEES AND PAYMENTS

(a) You may, from time to time, be required to make payments to us as part of your use of the Services (“**Fees**”). Except as otherwise set forth in any region-specific or Service specific terms, all Fees are non-refundable and exclusive of any Taxes. You agree that you are solely responsible for payment of all Fees and Taxes associated with any such payments. All payments made by you shall be made free and clear of and without deduction for any tax, set-off, withholding or counterclaim. To the extent that you are required by applicable law to make such a deduction or withholding of tax, you shall provide us with an official tax receipt or other appropriate supporting documentation within 30 days after payment of the deduction or withholding tax and increase the amount paid to us to the extent necessary to ensure that we receive a sum equal to the amount we would have received had no such deduction or withholding been made. “**Taxes**” means any duties, customs fees, or taxes (other than Tencent’s income tax) associated with the purchase of the Services, including any related penalties, interest or other additions thereto.

(b) At the time you create an Account or otherwise sign up for the Services, you may be asked to provide a credit card, and thereafter may be able to link alternative means of payment to your Account (each a “**Payment Method**”). You agree that (subject to applicable laws and regulations): (i) you authorize us to: (1) save your chosen Payment Method's information (e.g., credit card information) on our systems or that of our payment processor; and (2) periodically bill your chosen Payment Method for Services consumed during the prior month or pursuant to an alternative payment structure we agree to; and (ii) if any payment made via your chosen Payment Method is rejected, denied, not received by us or returned unpaid for any reason: (1) we may restrict, suspend or terminate your or your End User’s access to the Services (in each case in whole or in part) until your payment is properly processed; (2) charges will continue to be incurred and you are liable to us for any Fees, costs, expenses or other amounts we incur arising from such rejection, denial or return (and we may charge you for such amounts); and (3) we may charge late fees up to the maximum amount permissible under law. We will present you with an invoice on or about the second day of a given month for Services consumed during the prior month and will charge your Payment Method at the time we issue your invoice.

(c) Your card issuer may charge you an online handling fee or processing fee in connection with your payment of Fees. We are not responsible for this fee.

(d) To the extent permitted under applicable laws, Tencent may increase or introduce new Fees and charges for any existing Services at any time after prior notice. Any new or changed charges will apply to the Services as of the date specified in the relevant notice, or if no such date is specified then with immediate effect.

(e) If you and Tencent agree to other payment terms or Payment Methods in writing (including email), then those alternative provisions shall apply in the event of a conflict with this Section.

(f) You shall provide such assistance, including any information, as is required by Tencent in order to determine and validate the extent to which Tencent is legally obliged to collect Taxes from you.

6. TECHNICAL SUPPORT AND SERVICE LEVELS

(a) SLAs. Tencent will use commercially reasonable efforts to provide any related Services in accordance with the relevant and then-current service level agreement(s) (“**SLA**”), if any, set forth in the Additional Terms. The parties acknowledge and agree that, regardless of anything to the contrary in these Terms, your sole and exclusive remedy for a breach of an SLA is the receipt of any applicable service credits as set forth and pursuant to the applicable SLA.

(b) Support for Services. Except to the extent required by applicable laws with respect to consumers, Tencent is under no obligation to provide technical support or other services unless you have purchased support services. You acknowledge and agree that technical support or other services may require you to pay additional costs and other Fees.

(c) Support for Applications. You are responsible for the operation, integration and technical support of your Applications.

7. YOUR OBLIGATIONS

(a) Compliance. You are solely responsible for your Applications and User Data and for making sure your Applications and User Data comply with these Terms (including the Additional Terms) and that use of the same in connection with the Services complies with applicable laws. Tencent reserves the right to review all Applications to ensure your compliance with these Terms. You acknowledge and agree that you are responsible for all use of the Services by End Users, End Users’ access to Applications and User Data, activities under Accounts, and for otherwise ensuring that each End User complies with these Terms.

(b) Privacy. You acknowledge and agree that you are solely responsible for the processing of any Personal Data in respect of End Users and any persons whose Personal Data is contained in the User Data, and shall protect the privacy of the End Users and such persons, and shall comply with all applicable laws and regulations in respect of the same (including by making such disclosures, and obtaining such consents, as are necessary to ensure the Personal Data of End Users or any persons whose Personal Data is contained in User Data may be processed by the Services). You shall be solely responsible for any access, monitoring, use, or disclosure of Personal Data submitted by End Users through the Services. To the extent any Personal Data is contained in any User Data and we process such User Data as a Processor (as defined in the Data Processing and Security Agreement) on your behalf, the parties agree that the processing of such Personal Data shall be undertaken in accordance with the Data Processing and Security Agreement. You agree that you shall not make available any User Data for processing in the Services unless lawfully permitted to do so.

(c) Restrictions. You will not, and will not allow your Affiliates, employees, and contractors and any third parties under your control, management, supervision, or otherwise to: (i) copy, modify, create a derivative work of, reverse engineer, decompile, translate, disassemble, or otherwise attempt to extract any or all of the source code of the Services (except to the extent such a restriction is expressly prohibited by applicable law, and where you are permitted by law to so reverse engineer, you will contact Tencent to obtain the desired information prior to such reverse engineering); (ii) use

the Services for the operation of nuclear facilities, air traffic control, or life support systems, where the use or failure of the Services could lead to death, personal injury, or environmental damage; (iii) use the Services as benchmarking or in any manner that is competitive with the Services; (iv) sublicense, resell, or distribute any or all of the Services separate from any integrated Application; or (v) access the Services in a manner intended to avoid incurring Fees or otherwise avoiding usage limitations. To the extent you choose a Service Region that includes the United States, you will not, and will not allow your Affiliates, employees, and contractors and any third parties under your control, management, supervision, or otherwise to: (i) process or store any User Data that is subject to the International Traffic in Arms Regulations maintained by the United States Department of State; and/or (ii) process or store any User Data that is subject to the Health Insurance Portability and Accountability Act of 1996 as it may be amended from time to time, or any regulations issued under it.

(d) Your Disclosures to End Users. You represent and warrant that you require End Users to acknowledge a privacy notice before End Users can access our features and functionalities or User Data is otherwise processed by the Services, and such privacy notice: (i) is prominently displayed and easily accessible to End Users at all times; (ii) notifies users that you use the Services; (iii) clearly and comprehensively explains to End Users what User Data we process and how we process the same (if and to the extent the specific Service(s) you are using involves the processing of User Data by us as envisaged in our Privacy Policy (as updated from time to time) and/or relevant Modules under the Privacy Policy (as updated from time to time)); (iv) clearly and comprehensively explains to End Users what User Data you access, collect, store and otherwise use, including User Data as disclosed in the Data Processing and Security Agreement (as updated from time to time) and/or the relevant Modules under the Data Processing and Security Agreement (as updated from time to time) for the specific Service(s) you are using; (v) clearly and comprehensively explains how you share User Data to us, to enable us to provide the Services and process such data in accordance with the Terms, Privacy Policy and Data Processing and Security Agreement (as updated from time to time); and (vii) otherwise complies with any requirements prescribed by Data Protection Laws.

(e) Consent from End Users. You represent and warrant that you have obtained any necessary consents from End Users in accordance with, and such consents are obtained in the manner, if any, prescribed by, applicable laws (including Data Protection Laws) to enable your, our, our Affiliates' and our Sub-Processors' processing of User Data in accordance with applicable laws (including Data Protection Laws), including but not limited to: (i) freely given, specific, informed, explicit, and unambiguous consents from End Users to the extent you integrate our Services or we otherwise store, access or collect information directly or indirectly on or from End User's devices; and (ii) freely given, specific, informed, explicit, and unambiguous consents from End Users to the extent our Privacy Policy (as updated from time to time) and/or relevant Module under the Privacy Policy (as updated from time to time) stipulates that the legal basis of processing any End User's Personal Data is consent.

8. INTELLECTUAL PROPERTY RIGHTS AND USER DATA

(a) Tencent Cloud Intellectual Property Rights. You agree that all Intellectual Property Rights in and to the Services, as between you and Tencent, will be owned by Tencent, or Tencent's licensors, as the case may be. Except as expressly set forth in these Terms and to the extent permissible under applicable law, Tencent does not grant to you any licenses or other rights, implied or otherwise, in or to Tencent's Intellectual Property Rights. **“Intellectual Property**

Rights” means all current and future worldwide rights under patent, copyright, trade secret, trademark, or moral rights laws, and other similar rights.

(b) Tencent Confidential Information. “**Tencent Confidential Information**” means information that Tencent (or an Affiliate) discloses to you under these Terms, and that is marked as confidential or should reasonably be considered confidential based on the nature of the information and the circumstances of its disclosure. You will not disclose Tencent Confidential Information except to those of your Affiliates, employees, and contractors who need to know the Tencent Confidential Information for the purposes of exercising your rights and performing your obligations under these Terms, and who have agreed in writing to confidentiality obligations that are at least as protective as these Terms. You will, and will take appropriate measures to, ensure that your Affiliates, employees, and contractors: (i) take at least reasonable care to protect the confidentiality of the Tencent Confidential Information; and (ii) do not use the Tencent Confidential Information for any purpose other than to exercise your rights and perform your obligations under these Terms. However, you may also disclose Tencent Confidential Information to the extent required by applicable laws, regulations, or government orders, provided that you use commercially reasonable efforts, if legally permitted, to: (i) promptly notify Tencent of those disclosure requirements before disclosing the Tencent Confidential Information; and (ii) provide to Tencent any information reasonably requested to assist Tencent in seeking a protective order or other confidential treatment for that Tencent Confidential Information.

(c) Feedback. If you provide Tencent or its Affiliates with any suggestions, ideas, comments, or other feedback about the Services (“**Feedback**”), Tencent and its Affiliates may use and otherwise exploit that Feedback without restriction and without obligation to you.

(d) User Data.

(i) “**User Data**” means any data, information, media or other content submitted by or on behalf of you or your End Users to the Services, including but not limited to any Personal Data, but excluding any data provided to Tencent or its Affiliates as part of your general Account.

(ii) You hereby grant to Tencent a non-exclusive, sublicensable license to access, copy, and use User Data to provide the Services, and/or otherwise use such User Data in accordance with these Terms.

(iii) You acknowledge and agree that Tencent may disclose User Data to third parties with or without notice to you: (1) to comply with applicable laws or protect Tencent’s rights; or (2) to comply with court orders, a lawful government or law enforcement request, or other legal processes. Tencent may also block or remove User Data as required by applicable laws, in which case Tencent will make reasonable commercial efforts to promptly notify you if legally permissible.

(iv) You are solely responsible for maintaining and backing up User Data. You represent and warrant that: (1) you have all rights required to provide User Data to Tencent, for Tencent to use the User Data as provided for in these Terms, and for you to use in connection with your use of the Services; and (2) User Data, and your use of User Data through the Services does not violate any laws or rights of any person. You retain any Intellectual Property Rights you may have in User Data.

9. TERM AND TERMINATION; SUSPENSION

(a) Term. These Terms will commence when you accept these Terms or first download, install, access, or use the Services and continue until terminated as set forth below (“**Term**”).

(b) Termination, Suspension and/or Modification by Tencent. To the extent permitted under applicable laws, Tencent may, at its sole discretion, terminate these Terms, or suspend, modify, restrict or terminate your access to or use of the Services or any aspect of the Services, in whole or in part, or with respect to a Service Region or territory immediately upon written notice to you if:

- (i) you violate any provisions of these Terms;
- (ii) you have not paid any Fees or other amounts owed by you to Tencent within 30 days after the applicable due date;
- (iii) Tencent reasonably believes that you or an End User have violated any applicable laws, or engaged in any fraudulent or deceptive activity, in connection with the use of the Services;
- (iv) you enter into liquidation, administrative receivership, bankruptcy or make any voluntary agreement with your creditors or are unable to pay your debts as they fall due;
- (v) Tencent is required to by applicable laws, court orders or requirements imposed by government bodies, or if Tencent otherwise determines that it is reasonable to do so in order to ensure that Tencent does not violate or risk violation of the same; or
- (vi) any current or future regulatory or other requirement (1) subjects Tencent to an obligation not generally applicable to businesses operating in a Service Region; (2) would result in difficulty for Tencent to continue offering the affected Service(s); or (3) Tencent reasonably believes may conflict with these Terms or the Services.

(c) Termination by you. You may terminate your Account and these Terms at any time by following the instructions provided within the Services. Except as set forth in any region-specific terms or Service-specific terms, if you terminate your Account and these Terms, you are not entitled to a refund of any Fees paid to Tencent.

(d) No Liability for Termination. Except as expressly required by law, if either party terminates these Terms in accordance with the foregoing, neither party will be liable to the other because of the termination, for expenditures or commitments made in connection with these Terms or damages caused by the loss of prospective profits or anticipated sales. Termination will not, however, relieve either party of obligations incurred prior to the effective date of the termination.

(e) Effects of Suspension. If Tencent restricts or suspends your access to any or all of the Services, or otherwise modifies the Services under these Terms: (i) where Services are suspended, you remain responsible for all Fees accrued through the date of suspension (including where the charges were incurred before suspension date but performance of the relevant obligations were after the suspension date); (ii) you remain responsible for any applicable charges for any part of the Services (including any modified portions thereto) to which you have access; and (iii) you will not be entitled to any service credits under any applicable SLA for any period of suspension, modification or restriction.

(f) Effects of Termination.

(i) Upon termination or expiration of these Terms: (1) you will pay Tencent any Fees or other amounts owed under these Terms within 30 days of termination or expiration; (2) you will delete the Software and remove from the Services any Application and User Data; (3) your rights under these Terms shall immediately cease; and (4) upon Tencent's request, you will use commercially reasonable efforts to return or destroy all Tencent Confidential Information. Tencent has no obligation to make accessible to you any User Data after the termination of these Terms.

(ii) In addition, the following provisions will survive any termination of these Terms: Sections 1, 3, 5, 7, 8, 9(d), (e), (f), 10, 11, 12 and 13.

10. DISCLAIMER

Disclaimer of Warranties. TO THE MAXIMUM EXTENT PERMISSIBLE UNDER APPLICABLE LAWS, THE SERVICE AND SOFTWARE ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, AND NEITHER TENCENT NOR ANY OF ITS LICENSORS OR AFFILIATES, PROVIDERS OR DISTRIBUTORS, MAKE, AND TENCENT HEREBY DISCLAIMS ON BEHALF OF ITSELF AND SUCH PERSONS, ANY REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, REGARDING TENCENT CLOUD, ANY OTHER SOFTWARE OR SERVICES, OR ANY MEDIA OR OTHER CONTENT SUBMITTED, UPLOADED, STORED, TRANSMITTED OR DISPLAYED BY OR THROUGH THE SERVICES, INCLUDING ANY REPRESENTATION, WARRANTY OR UNDERTAKING:

- (a) THAT THE SERVICES OR SOFTWARE WILL BE UNINTERRUPTED, SECURE, OR ERROR-FREE OR FREE FROM VIRUSES OR OTHER HARMFUL COMPONENTS;
- (b) ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE;
- (c) THAT USER DATA WILL NOT BE SUBJECT TO LOSS OR DAMAGE;
- (d) OF NON-INFRINGEMENT;
- (e) THAT THE SERVICES OR SOFTWARE WILL BE SECURE OR COMPATIBLE WITH YOUR OR YOUR END USERS' NETWORKS, SYSTEMS, APPLICATIONS, HARDWARE, OR DEVICES; OR
- (f) THAT THE SERVICES WILL BE OF MERCHANTABLE OR SATISFACTORY QUALITY OR FIT FOR ANY PARTICULAR PURPOSE. FOR THE AVOIDANCE OF DOUBT, THE SERVICES ARE NOT DESIGNED OR INTENDED FOR HIGH RISK ACTIVITIES.

11. LIMITATION OF LIABILITY; INDEMNIFICATION

(a) Cap on Liability. SUBJECT TO SECTION 11(C) BELOW, TO THE MAXIMUM EXTENT PERMISSIBLE UNDER APPLICABLE LAWS, THE TOTAL AGGREGATE LIABILITY OF TENCENT AND ITS AFFILIATES, ON THE ONE HAND, AND YOU ON THE OTHER, FOR ALL CLAIMS ARISING IN CONNECTION WITH THESE TERMS, THE SERVICES, AND THE SOFTWARE, UNDER ANY CAUSE OF ACTION OR THEORY OF LIABILITY, AND EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE, WILL BE LIMITED TO THE TOTAL FEES THAT YOU HAVE PAID TO TENCENT UNDER THESE TERMS IN THE 12 MONTHS IMMEDIATELY PRECEDING THE DATE THAT EVENT GIVING RISE TO THE LIABILITY FIRST OCCURRED. HOWEVER, NOTHING LIMITS OR EXCLUDES EITHER PARTY'S LIABILITY FOR ANY MATTERS FOR WHICH LIABILITY CANNOT BE LIMITED OR EXCLUDED UNDER APPLICABLE LAWS.

(b) Disclaimer of Damages. TO THE MAXIMUM EXTENT PERMISSIBLE UNDER APPLICABLE LAWS, NEITHER TENCENT, NOR ITS AFFILIATES OR THEIR LICENSORS WILL BE LIABLE TO YOU UNDER ANY CAUSE OF ACTION OR THEORY OF LIABILITY, EVEN IF ADVISED OF THE POSSIBILITY OF THOSE DAMAGES, FOR: (i) INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES; (ii) UNAVAILABILITY OF THE SERVICES (EXCEPT AS PROVIDED UNDER SECTION 6(a)); (iii) YOUR APPLICATIONS OR INTELLECTUAL PROPERTY RIGHTS; OR (iv) LOSS OF DATA, LOST PROFIT, GOODWILL, REVENUE, CUSTOMERS OR OPPORTUNITIES; IN EACH CASE, RELATING TO THE SERVICES AND THESE TERMS.

(c) Unlimited Liabilities. NOTHING IN THESE TERMS EXCLUDES OR LIMITS YOUR LIABILITY FOR:

- (i) YOUR PAYMENT OBLIGATIONS UNDER THESE TERMS;
- (ii) YOUR INDEMNIFICATION OBLIGATIONS UNDER SECTION 11(F);
- (iii) YOUR INFRINGEMENT OF OUR, OUR AFFILIATE'S OR LICENSOR'S INTELLECTUAL PROPERTY RIGHTS; OR
- (iv) ANY FRAUDULENT ACTIVITIES OR FRAUDULENT MISREPRESENTATION.

(d) Disclaimer of Certain Liabilities. Without limiting Section 11(a) or 11(b), if the Services are interrupted for any of the reasons set forth below, Tencent disclaims liability for any loss or damage to the extent caused by the following:

- (i) causes attributable to infrastructure operators, including but not limited to technical adjustments made by telecommunications operators, damage to telecommunications/power lines, installation, modification or maintenance of telecommunications networks/power resources by telecommunications/power operators;
- (ii) your use of the Services in a manner not authorized by Tencent;
- (iii) improper operation by you or failures in your computer software, systems, hardware, or telecommunications lines; or
- (iv) any other circumstances not attributable to the fault of, outside the control of, or not reasonably foreseeable by, Tencent.

(e) Tencent Indemnification.

(i) Tencent will defend or, at its option, settle any third party claim, allegation, suit or proceeding (“**Claim**”) brought against you alleging that the use of the Services by you in accordance with these Terms infringes a third party patent or copyright. Tencent will have sole control of the defense or settlement negotiations, and Tencent agrees to pay, subject to the limitations set forth in these Terms, any final judgment entered against you and any amounts agreed to in settlement by Tencent as a result of such infringement in any Claim defended by Tencent; provided that you provide Tencent with: (1) prompt written notice of the Claim; (2) sole control over the defense and settlement of the Claim; and (3) all reasonably requested information and assistance, to settle or defend the Claim.

(ii) In the event that any Claim is brought or, in Tencent's opinion, likely to be brought, Tencent may, at its sole option and expense: (1) procure for you the right to continue to use the applicable Services; (2) modify the Services, or replace the Services with non-infringing software or services that do not materially impair the functionality of the Services; or (3) if neither of the foregoing is feasible on commercially reasonable terms, terminate these Terms and notify you to discontinue to use the applicable Services.

(iii) Tencent will have no obligation to you under this Section 11(e) to the extent a Claim arises from: (1) your breach of these Terms; (2) User Data; (3) use of the Software or Services in combination with any products, services, data, software, hardware or business processes not provided by Tencent, if the alleged infringement is based on that combination; (4) use of non-current or unsupported versions of the Services or Software; (5) modifications to the Software or Services by anyone other than Tencent or its Affiliates; (6) any necessary implementation of an industry standard or protocol or compliance with any applicable laws and regulations; or (7) liability arising from your or any End User's use of the Services after Tencent has notified you to discontinue such use.

(iv) THIS SECTION 11 STATES THE ENTIRE LIABILITY OF TENCENT, AND YOUR SOLE AND EXCLUSIVE REMEDY, WITH RESPECT TO ANY CLAIM OF INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL

PROPERTY RIGHTS WITH RESPECT TO THE SERVICES.

(f) Your Indemnification.

(i) You will defend, indemnify and hold harmless Tencent, its Affiliates, and each of their respective agents, licensors, employees, officers and directors from and against any Claims to the extent they arise out of or in relation to:

your Application, product, service or User Data, including without limitation, their alleged infringement or misappropriation of the Intellectual Property Rights of any third party;

you or your End Users' use of the Services or Software, including without limitation any (A) alleged violation of Data Protection Laws (as defined in the Data Processing and Security Agreement) by you, your End User(s), Tencent, or its Affiliate(s) in connection with such use; (B) alleged violation of any other applicable laws and regulations by you, your End Users, Tencent, or its Affiliates in connection with such use; (C) alleged violation of third party rights by you, your End Users, Tencent, or its Affiliates; and/or (D) such use that would constitute a violation of these Terms; and/or the use of any products, services, data, software, hardware or business processes not provided by or on behalf of Tencent or its Affiliates.

(ii) Tencent will provide you with: (1) prompt written notice of any Claims; and (2) reasonable assistance, at your expense, to defend or settle the Claim. Tencent and its Affiliates retain the right to appoint additional counsel of their choice to participate in defending or settling the Claims, in which case the counsel retained by you will consult with the counsel appointed by Tencent or its Affiliates and will give them the opportunity to provide comments on defense and settlement strategies.

(iii) TAt your option, you may settle any such Claims, provided that any settlement requiring Tencent or its Affiliates or their agents, licensors, employees, officers or directors to admit liability, pay money, or take or refrain from taking any action will require Tencent's or the Affiliate's prior written consent (not to be unreasonably withheld, conditioned, or delayed).

(iv) Without limiting the foregoing, you agree to pay any final judgment entered against Tencent or its Affiliates or their licensors, employees, officers and directors including without limitation any damages, costs, penalties, fees, disgorgement, restitution, and interest, or in the event of settlement, any settlement amounts agreed to by you, as a result of those Claims. You also agree to reimburse us for any costs and reasonable attorney's fees spent responding to any third-party subpoena, legal order or other processes associated with such Claims.

(g) Independent Allocations of Risk. EACH PROVISION OF THESE TERMS THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF DAMAGES IS INTENDED TO ALLOCATE THE RISKS OF THESE TERMS BETWEEN YOU AND TENCENT. THIS ALLOCATION IS REFLECTED IN THE FEES CHARGED BY TENCENT TO YOU AND IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN YOU AND TENCENT. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THESE TERMS, AND EACH OF THESE PROVISIONS WILL APPLY EVEN IF THE LIMITED REMEDIES IN THESE TERMS HAVE FAILED OF THEIR ESSENTIAL PURPOSE.

12. TRADE COMPLIANCE

(a) Your Status. You represent and warrant that neither you, nor any of your officers, directors, shareholders, agents or employees, are:

- (i) listed in any list of designated persons maintained by any authority with jurisdiction over you (any person so listed being a “**Restricted Person**”);
- (ii) organized under the laws of, operating from or located or resident in a country or territory that is the target of comprehensive sanctions (as of the date of last update of these Terms, including Iran, Cuba, North Korea, Syria, the Crimea/Sevastopol region and the so-called Donetsk and Luhansk People’s Republics (collectively, “**Sanctioned Territories**”)); or
- (iii) controlled or owned 50 percent or more (directly or indirectly) in the aggregate, by one or more Restricted Persons.
- (b) Sanctions Event. If you become a Restricted Person or controlled or owned by 50% or more (directly or indirectly) in the aggregate, by one or more Restricted Person; if provision of or use of the Services becomes otherwise restricted or prohibited as a consequence of the imposition of sanctions or by operation of Trade Laws (as defined below); or if Tencent reasonably believes that you are in violation of Trade Laws or are engaging in activities that would risk placing Tencent in breach of any Trade Laws (a “**Sanctions Event**”), Tencent shall not be obliged to perform any of its obligations under these Terms or continue to provide the Services and shall be entitled, in its sole discretion, to terminate these Terms and the provision of the Services with immediate effect. Tencent is also entitled to take any other remedial actions at the discretion of Tencent.
- (c) Trade Compliance. In connection with your use of the Services, you will comply with all applicable export controls and economic sanctions laws and regulations (collectively, “**Trade Laws**”). You agree not to engage in any activities in connection with the use of the Services that would violate Trade Laws or that would risk placing Tencent in breach of any Trade Laws. You are solely responsible for compliance with Trade Laws related to the manner in which you choose to use the Services, including: (i) your transfer and processing of User Data; (ii) the provision of User Data to End Users; and (iii) specifying the Service Region in which any of the foregoing occur. For the avoidance of doubt, these Terms require you to, and you are solely responsible for complying with Trade Laws in the use of the Services by you and your End Users.

13. GENERAL

- (a) Independent Contractors. The relationship of the parties established by these Terms is that of independent contractors, and nothing contained in these Terms should be construed to give either party the power to: (i) act as an agent; or (ii) direct or control the day-to-day activities of the other. Financial and other obligations associated with each party’s business are the sole responsibility of that party and neither party has authority to bind the other party.
- (b) Non-Assignability and Binding Effect. Neither party may assign or otherwise transfer, by operation of law or otherwise, its rights or obligations under these Terms without the prior written consent of the other party, except that Tencent may freely assign or otherwise transfer these Terms without your consent: (i) in connection with a merger, acquisition or sale of all or substantially all of Tencent’s assets; or (ii) to any Affiliate or as part of a corporate reorganization. Upon such assignment or transfer taking effect, the successor or permitted assigns (as the case may be) shall assume assignor/transferor’s liability and assignor/transferor is released from the same. Any attempted assignment or transfer in violation of the foregoing restriction will be void. Subject to the foregoing, these Terms will be binding upon and inure to the benefit of the parties and their successors and permitted assigns.
- (c) Consent to Electronic Communications. By using the Services, you consent to receiving certain electronic communications from us as further described in our Privacy Policy. Please read our Privacy Policy to learn more about

our electronic communications practices. You agree that any notices, agreements, disclosures, or other communications that we send to you electronically, whether by e-mail, through the Services platform, or otherwise, will satisfy any legal communication requirements, including that those communications be in writing.

(d) Force Majeure. If the performance of these Terms is prevented, delayed, hindered or restricted, or Tencent breaches these Terms due to an event of force majeure, including but not limited to: (i) natural disasters; (ii) acts of government; (iii) promulgation or change of laws, regulations or policies (including Trade Laws, sanctions, restrictive measures or regulations); (iv) strikes or unrest; or (v) any significant change of circumstances (including changes in applicable laws which would render provision of Services potentially illegal or different from that contemplated by the parties at time of the acceptance of these Terms or first download, install, access, or use the Services), foreseeable or otherwise, in no case shall Tencent be liable for the breach of these Terms, or be otherwise liable for any such failure or delay in the performance of such obligations. If any of the abovementioned events persists for more than 15 calendar days, Tencent may terminate these Terms, without assuming any liability, by immediate written notice to you.

(e) Governing Law and Dispute Resolution. Except as provided in the North America Terms, EEA Consumer Terms, PRC Service Region Terms, Germany Terms, South Korea Terms or other region-specific or Service-specific terms, any claims for equitable relief may be brought in any court of competent jurisdiction even if the parties have chosen an exclusive venue below. These Terms are governed by the jurisdiction set forth in Section 3. Unless the North America Terms, EEA Consumer Terms, PRC Service Region Terms, Germany Terms South Korea Terms or other region-specific or Service-specific terms specify otherwise, all claims arising out of or relating to these Terms or the Services, will be resolved by arbitration administered by the Singapore International Arbitration Centre in accordance with the Arbitration Rules of the Singapore International Arbitration Centre in force when the notice of arbitration is submitted. The seat of the arbitration will be Singapore and the language will be English. All proceedings will be confidential and there will be one arbitrator only.

(f) Waiver and Severability. The waiver by either party of any breach of these Terms does not waive any other breach. Neither party will be treated as having waived any rights by not exercising (or delaying the exercise of) any rights under these Terms. If any part of these Terms is unenforceable, the remaining portions of these Terms will remain in full force and effect.

(g) No Third-Party Beneficiaries. These Terms are not intended to confer any benefits on any third party except to the extent that it expressly states that it does. End Users are not third party beneficiaries to these Terms.

(h) Entire Agreement. These Terms and the Additional Terms are the final and complete expression of all agreements between you and Tencent regarding their subject matter and supersede all prior oral and written agreements regarding these matters. The Additional Terms referred to in these Terms are incorporated by this reference. In the event of any conflict between the Terms and the Additional Terms, the inconsistency shall be resolved by giving preference to the following in the order that they are listed: (i) the Data Processing and Security Agreement (which shall govern with respect to processing of Personal Data as applicable to the relevant Services); (ii) these Terms; and (iii) the Additional Terms, provided, however, that the terms and conditions of the PRC Service Region Terms, the North America Terms, the EEA Consumer Terms, Germany Terms, South Korea Terms or other region-specific terms will govern with respect to the Services, if applicable. Tencent shall not be bound by any term which is different from, modifies or otherwise in addition to the terms of these Terms, unless modified in accordance with these Terms, or

otherwise agreed in writing. Where applicable, if you enter into a separate service agreement with Tencent in respect of the Services, and where expressly provided by that service agreement, the terms of the service agreement shall prevail to the extent that there is any conflict or inconsistency between the terms of that service agreement and these Terms. Without limiting the foregoing, the parties agree that any terms and conditions in any customer-issued purchasing forms, request for proposal, vendor questionnaire or similar shall not apply and Tencent disclaims the same.

(i) Modification of these Terms, the Privacy Policy and the Cookies Policy. Tencent may amend these Terms, including the Additional Terms, from time to time by posting updated versions to the Tencent Cloud site. Unless specifically provided in these Terms or the Additional Terms, or otherwise indicated by Tencent, the amended terms will take effect within 30 calendar days after they are posted. Notwithstanding the foregoing, any changes relating to Tencent's Services or product functionalities shall take effect immediately. Tencent will use reasonable efforts to notify you of the changes, but you are responsible for periodically checking these Terms, including the Additional Terms, for any modifications. Your continued use of the Services constitutes your acceptance of any amended Terms. Amended terms are not applicable retroactively.

(j) Language. All communications and notices in relation to these Terms shall be made or given in either English or Chinese. Notwithstanding the foregoing, to the extent any translations of these Terms are made, the English version shall prevail.

(k) Publicity. You agree that Tencent may refer to you as a customer of Tencent and use your name and logo in Tencent's marketing materials and websites. Except as otherwise permitted by law, you shall not issue any press release or make any other public communication with respect to these Terms, or the fact that Tencent is providing Services for you. You shall not use Tencent's trademarks, service marks, service or trade names, logos ("**Tencent Marks**"); or identify Tencent as a supplier of the Services without prior written consent of Tencent. Notwithstanding the permission granted, unless otherwise agreed by Tencent in writing, your limited permission to identify Tencent for such purposes and for the use of Tencent's Marks shall terminate as soon as these Terms expire or are terminated, whichever is sooner. Your use of the Tencent Marks shall be subject to any terms, conditions, or guidelines that Tencent may issue from time to time.

(l) Notice. Any notice required or permitted to be given under these Terms will be effective if it is in writing and sent by certified or registered mail, or insured courier, return receipt requested, to the appropriate party at the address set forth above (in the case of Tencent) and any address registered with us (in your case) and with the appropriate postage affixed. Either party may change its address for receipt of notice by notice to the other party in accordance with this Section. Notwithstanding the foregoing, any notices, communications, or disclosures sent electronically by Tencent through email, the platform for the Services or otherwise, shall be deemed a valid and binding notice required or permitted to be given under these Terms.

TENCENT CLOUD PRC SERVICE REGION TERMS

To the extent you wish to receive Services under the Tencent Cloud Terms of Service (" **Terms**") for which the PRC is the Service Region, such Services shall be provided by Tencent Cloud Computing (Beijing) Co., Ltd. ("**Tencent Cloud Beijing**") and subject to the terms of these PRC Service Region Terms as well as any applicable PRC laws and regulations. Any terms used but not defined in these PRC Service Region Terms have the meaning given to them in the Terms.

1. You hereby acknowledge and agree that (a) whilst Tencent Cloud Beijing shall provide the Services hereunder in accordance with these Terms and PRC Service Region Terms, it will not otherwise be responsible for your product, service, content and data used in connection with the Services; and (b) you have obtained, and shall maintain for the term of the Terms all applicable and valid regulatory, legal, and/or governmental licenses, filings, recordings, approvals, permits, etc. as may be required by any applicable PRC laws and regulations for the use of the Services and for your business operations using the Services in the PRC Region.

2. Prohibited Conduct. When using Services in the PRC, you must comply with all applicable PRC laws, regulations, rules and policies, and safeguard cybersecurity. You must not engage in, or facilitate, any activities that constitute a violation of such applicable laws, regulations, rules and policies, including but not limited to:

(a) activities that contravene the Basic Principles of the Constitution of the PRC; jeopardize national security, reputation or interests; incite subversion of state power; overthrow the socialist system; incite division of state and sabotage national unity; advocate terrorism or extremism; incite ethnic hatred or discrimination; undermine the national religion policy; and/or promote cults or feudal superstition;

(b) deceptive, false or misleading practices, or practices that infringe the intellectual property rights or legitimate rights and interests of others, such as using "private servers" or "plug-ins";

(c) posting, publishing or dissemination of spam or unlawful content that disrupt national order, jeopardize national security, or advocate for feudal superstitions, obscenity, pornography or vulgarity;

(d) violation of operating rules relating to networks, devices or services linked to the Tencent Cloud network; unlawful or unauthorized access, misappropriation, interference or surveillance;

(e) any actual or attempted sabotage of network security, including but not limited to performing malicious scanning of websites and servers, hacking into a system, or unlawfully accessing data by using viruses, Trojans or malicious codes, phishing and so forth;

(f) any actual or attempted modification of system configuration set by Tencent or any actual or attempted sabotage of system security; using technological means to undermine or disrupt the operation or others' use of the Services; any actual or attempted disruption of the normal operation of any products of Tencent or any part or functions thereof in any way, or the production, posting or dissemination of such tools or methods;

(g) you being frequently attacked (including but not limited to DDoS attacks) as a result of the provision of the Services, including but not limited to "DNS resolution", "security services", "domain name proxy" and "reverse proxy", and failing to correct your practices in a timely manner, or failing to eliminate the effects as requested by Tencent, thereby causing an impact on the Services platform or on others;

(h) activities violating the "Seven Bottom Lines", where the "Seven Bottom Lines" refers to the baseline standards in the following seven areas: laws and regulations, socialist system, national interests, citizens' legitimate rights and

interests, national order, moral risks, and information veracity, as promulgated by the competent authorities, and which may be updated or amended from time to time; and

(i) any other illegal or non-compliant practices, including but not limited to illegal activities such as gambling, violence, murder, terrorism, instigating crime, defamation, abuse, disruption of internet security and order, etc.

3. Your Information.

(a) You shall provide truthful, legitimate and valid information (the "Information") in accordance with the registration procedures for the Services, including but not limited to your name, contact, email, telephone number, mailing address, industrial and commercial registration documents and so forth. If any change occurs to the Information, you shall promptly notify Tencent of such change.

(b) To ensure account and transaction security, Tencent shall be entitled to require you to carry out real-name authentication at any time, and you shall cooperate accordingly. You agree that Tencent Cloud may authenticate your Information with third parties, and you authorize Tencent to obtain all necessary information relating to your use of the Services.

(c) In order to reasonably protect your interests and those of your users and other right holders, Tencent shall be entitled to put in place processes and systems specifically devoted to dealing with infringement and complaints, and you shall comply with such processes and systems. If Tencent receives a complaint or report from a third party against you, Tencent shall be entitled to disclose your information (including but not limited to your registered name, identification, contacts, telephone number and so forth) to the complainant as necessary and may urge you to consult with the complainant, with a view to promptly resolving such complaint or dispute and protecting the legitimate rights and interests of all parties concerned. You shall extend your cooperation; failure to do so may affect your use of the Services.

4. Security. You will not install or use any pirated software on the Services and must take security measures to protect your computer information systems as required under applicable PRC laws, regulations or rules, including but not limited to installing any required State-approved security products specifically designed for computer information systems.

5. Remedies. If Tencent discovers, on its own or based on information provided by competent authorities or complaints filed by rights holders, that you have violated applicable PRC laws, regulations or rules, or breached the Terms, including these PRC Service Region Terms, Tencent will be entitled to take any one or more of the following actions at its own discretion:

(a) demand that you immediately remove or modify the content in question;

(b) immediately remove or block the content in question or disable the links in question;

(c) restrict or suspend the provision of the Services to you (including but not limited to directly taking your services offline and withdrawing the relevant resources or setting restrictions on your operations under your Account(s));

(d) in case of serious violations or breaches, Tencent will have the right to terminate the provision of Services to you and terminate the Terms (including but not limited to directly taking all of your services offline and withdrawing the relevant resources). The Fees already paid by you for any unused service period will be credited to Tencent as liquidated damages; and

(e) pursuing other liabilities against you in accordance with any applicable PRC laws and regulations.

Tencent shall not be responsible or held liable for any damages or losses, including but without limitation to the suspension of your business operations, deletion of data, etc., arising from the actions taken by Tencent hereunder due to your breach of these Terms and PRC Service Region Terms. You shall indemnify and hold harmless Tencent, its Affiliates, and each of their respective licensors, employees, officers and directors in respect of any damages or losses arising as a result of your breach of these Terms and PRC Service Region Terms.

6. Cooperation with Authorities. In accordance with any applicable PRC laws or regulations, or otherwise in compliance with the inquiry, request, order, or direction of any PRC governmental authorities, regulators, judicial, administrative or other competent authorities, and notwithstanding any confidentiality obligations or non-disclosure obligations whether set forth in these Terms or otherwise, Tencent will be entitled to render cooperation to the aforementioned authorities and regulators in respect of any inquiries, investigations, proceedings or otherwise, including providing the relevant information to such regulators and authorities, to facilitate the resolution of complaints and disputes in a timely manner and protect the legitimate rights and interests of all parties concerned.

7. Governing Law. The provisions of Section 13(e) and the provisions of Section 3 concerning governing law of the Terms are hereby deleted and restated as follows:

The formation, validity, performance and interpretation of, and dispute resolution in relation to, these Terms will be governed by the laws of the PRC (excluding the conflicts of law provisions). In the event of any dispute arising out of these Terms, the parties will first attempt to resolve the dispute through mutual consultation in good faith; if the parties fail to resolve the dispute through such consultation, either party may refer the dispute or conflict to the People's Court in Nanshan District, Shenzhen.

TENCENT CLOUD NORTH AMERICA TERMS

To the extent you wish to receive Services under the Tencent Cloud Terms of Service (“**Terms**”) and the country specified in your registration information is in North America, you shall be subject to the terms of these North America Terms. Any terms used but not defined in these North America Terms have the meaning given to them in the Terms.

1. Dispute Resolution and Arbitration

(a) Except for the right of either party to apply to any court of competent jurisdiction for a temporary restraining order, a preliminary injunction, or other equitable relief to preserve the status quo or prevent irreparable harm, any dispute, controversy or claim arising in any way out of or in connection with the Terms, including the existence, validity, interpretation, performance, breach or termination of the Terms, or any dispute regarding pre-contractual or non-contractual rights or obligations arising out of or relating to it (“**Dispute**”) will be referred to and finally resolved by binding arbitration. Arbitration is less formal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, may allow for more limited discovery than in court, and can be subject to very limited review by courts. Arbitrators can award the same damages and relief that a court can award. This agreement to arbitrate disputes includes all claims arising out of or relating to any aspect of these Terms, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, and regardless of whether a claim arises during or after the termination of these Terms. YOU UNDERSTAND AND AGREE THAT, BY ENTERING INTO THESE TERMS, YOU

AND TENCENT ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION.

(b) Any arbitration between you and Tencent will be administered by the American Arbitration Association (“**AAA**”) under its rules in force when the Notice of Arbitration is submitted in accordance with those Rules (“**Rules**”), which Rules are deemed to be incorporated by reference into this clause and as may be amended by the rest of this clause. The Rules and filing forms are available online at www.adr.org or by calling the AAA at 1-800-778-7879. The Federal Arbitration Act and federal arbitration law apply to the Terms. All arbitration proceedings between the parties will be confidential unless otherwise agreed by the parties in writing.

(c) Tencent will reimburse you for your payment of the filing fee, unless your claim is for more than \$10,000, in which case the payment of any fees will be decided by the Rules. Any arbitration hearing will take place at a location to be agreed upon in Santa Clara County, California, but if the claim is for \$10,000 or less, you may choose whether the arbitration will be conducted: (a) solely on the basis of documents submitted to the arbitrator; (b) through a non-appearance based telephone hearing; or (c) by an in-person hearing as established by the Rules in the county (or parish) of the address of your registration information. The arbitration tribunal will consist of three arbitrators to be appointed in accordance with the Rules. Arbitration will be conducted in English. Judgment upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction.

(d) YOU AND TENCENT AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING. Further, unless both you and Tencent agree otherwise, the arbitrator may not consolidate more than one person’s claims, and may not otherwise preside over any form of a representative or class proceeding.

2. Third Party Connectivity Services

The Services provided to you may include broadband data connectivity services that connect your location(s) to Tencent Cloud (the “Third Party Connectivity Services”). Tencent acts as a network manager and obtains the Third Party Connectivity Services on your behalf as an element of the Services you receive. The Third Party Connectivity Services are provided by one or more broadband service provider(s) subject to the terms and conditions of such provider(s). The Third Party Connectivity Services are subject to certain performance limitations that impact your use of the same. You may contact Tencent at cloudlegalnotices@tencent.com to obtain additional information about the Third Party Connectivity Services that are being used as an element of your Services, including the provider(s)’ network practices, performance characteristics, and applicable commercial terms. Tencent passes through any costs for the Third Party Connectivity Services from the provider(s) to you and may charge a network manager fee as part of the Services offered.

TENCENT CLOUD EUROPEAN ECONOMIC AREA AND SWITZERLAND (“EEA”) CONSUMER TERMS

If you are not a business user and you are purchasing the Services for personal use, to the extent you wish to receive Services under the Tencent Cloud Terms of Service (“**Terms**”) and the country specified in your registration information is in the EEA, such Services shall be subject to the terms of these EEA Consumer Terms. Any terms used but not defined in these EEA Consumer Terms have the meaning given to them in the Terms.

1.Governing Law

These terms shall be governed by English law, except that (if you are a consumer and not a business user) and if you live in a country (which, for these purposes, includes Scotland or Northern Ireland) of the European Union other than England, there may be certain mandatory applicable laws of your country which apply for your benefit and protection in addition to or instead of certain provisions of English law and those mandatory laws will apply.

You agree that any dispute between you and us regarding these terms or the Services will only be dealt with by the English courts, except that if you are a consumer and not a business user) and if you live in a country (which, for these purposes, includes Scotland or Northern Ireland of the European Union other than England, you can choose to bring legal proceedings either in your country or in England, but if we bring legal proceedings, we may only do so in your country. If you are a consumer within the EEA, to the extent there is any conflict, this provision shall take precedence over any term in the front-end of these Terms.

If you reside in EEA you may also have recourse to a mediation procedure body designated by us or an alternative dispute resolution process. The European Commission provides consumers with an online dispute settlement platform accessible at the following address: <http://ec.europa.eu/consumers/odr/>.

2.Cancellation Right

You normally have the right to cancel the Services within 14 days after the date the Services start being provided. However, you acknowledge that we start provision of the Services immediately following acceptance of your selection of the Services (which, by selecting the Service, you request us to do) and that you will have no right to change your mind and cancel under the Consumer Contracts Regulations once the Services have been fully carried out. If you cancel before the Services have been fully carried out (and within the 14-day period) then the charge you pay us (and which we will deduct from any refund otherwise due to you) will be proportionate to the Services that have been used by the time you cancel, and will not exceed our reasonable costs of providing the Services up until that point.

To cancel the Services, you must clearly inform us, preferably:

by contacting customer service by submitting a work order through the console at

<https://console.tencentcloud.com/workorder/category>, giving us your name, address, and account information; or

Nothing in this section affects your legal rights.

3.Our refunds policy

If you cancel the Services within the 14-day cooling-off period (see above), we will process any refund due to you as soon as possible and, in any case, within 14 days after you notify us of cancellation.

If you received any promotional or other discount when you paid, any refund will only reflect the amount you actually paid.

Refunds are made using the same method originally used by you to pay for your purchase, unless agreed otherwise.

4.Defective Services

If any Services you order are defective (in other words, they do not comply with the requirements of these Terms), you may have one or more legal remedies available to you, depending on when you make us aware of the problem, in accordance with your legal rights. If you believe the Services are defective, you should inform us as soon as possible by contacting customer service by submitting a work order through the console at <https://console.tencentcloud.com/workorder/category>, giving your name, address and account information. Nothing in this section affects your legal rights.

5. France Specific Terms

If you are a consumer residing in France, please note that the exclusion and limitation of liability provisions included in Sections 11(a) and 11(b) of the Terms above, will not apply to you.

TENCENT CLOUD GERMANY TERMS

To the extent you wish to receive Services under the Tencent Cloud Terms of Service (“**Terms**”) and the country specified in your registration information is in Germany, you shall be subject to the terms of these Germany Terms, which prevail over the general Tencent Cloud Terms of Service in case of any contradictions. Any Terms used but not defined in these Germany Terms have the meaning given to them in the Terms.

- 1. Privacy Policy.** Our Privacy Policy does not form part of the Terms. It only serves for informational purposes and provides information on how we process personal data within the scope of the Services.
- 2. Changes to the Service and/or the Terms.** We reserve the right to change the Service and/or the Terms. We will notify you of the changed conditions by email at least six (6) weeks before their effective date and will indicate the intended application of these new Terms. If you do not object to the application of the new Terms within this period of time or if you continue to use the Services after the changed Terms have entered into force, the new Terms will be considered to have been accepted. We will notify you of the importance of the six (6) week period, the right to object, and the legal consequences of silence. If you do not accept the new Service and/or Terms, which are essential for the continued provision of our Services, we may terminate our contractual relationship with you.
- 3. Third Party Software.** No terms and conditions applicable to Third Party Software form part of the Terms. You are not bound by any terms and conditions applicable to Third Party Software by these Terms.
- 4. Limitation of Liability, Indemnification.** Notwithstanding Section 11 of the Tencent Cloud Terms of Service, the following applies to you:
 - (a) For damages with respect to injury to health, body or life caused by Tencent, Tencent’s representatives or Tencent’s agents in the performance of the contractual obligations, we are fully liable.
 - (b) Tencent is fully liable for damages caused wilfully or by gross negligence by Tencent, Tencent’s representatives or Tencent’s agents in the performance of the contractual obligations. The same applies to damages which result from the absence of a quality which was guaranteed by Tencent or to damages which result from malicious action.
 - (c) If damages, except for such cases covered by Sections 4(a), 4(b) or 4(d), with respect to a breach of a contractual core duty are caused by slight negligence, Tencent is liable only for the amount of the total fees that you have paid to Tencent under these terms in the twelve (12) months immediately preceding the date that event giving rise to the

liability first occurred. Contractual core duties, generally, are such duties whose accomplishment enables proper performance of an agreement in the first place and whose performance a contractual party regularly may rely on.

(d) Tencent's liability based on the German Product Liability Act remains unaffected.

(e) Any further liability of Tencent is excluded.

(f) The limitation period for claims for damages against Tencent expires after one (1) year, except for such cases covered by sections 4(a), 4(b), or 4(d).

5. Inapplicable Clauses. The following Section of the Tencent Cloud Terms of Service do not apply to you: Section 9(b)(iv), Section 9(d), Section 10, and Section 13(g).

6. Consent to Electronic Communications. Notwithstanding Section 13(c) of the Tencent Cloud Terms of Service, we will ask you for a separate consent to receiving certain electronic communications from us.

7. Term and Termination. Irrespective of Section 9 of the Tencent Cloud Terms of Service, Tencent may terminate the Terms at any time and for any and no reason upon providing to you 30 days' written notice.

8. Governing Law. Notwithstanding Section 3(a) of the Tencent Cloud Terms of Service, if you use our Services as a consumer, the governing law that applies to the Terms is German law.

TENCENT CLOUD SOUTH KOREA TERMS

To the extent you wish to receive Services under the Tencent Cloud Terms of Service (“**Terms**”) and the country specified in your registration information is South Korea, you shall be subject to the terms of these South Korea Terms, which prevail over the general Tencent Cloud Terms of Service in case of any conflict or inconsistency. Any terms used but not defined in these South Korea Terms have the meaning given to them in the Terms.

1. Eligibility

Section 2 concerning eligibility of Terms is hereby restated as follows:

You must be at least 19 years old to use the Services. By agreeing to these Terms (including South Korea Terms, hereinafter the same), you represent and warrant to us that: (a) you are at least 19 years old; (b) you have not previously been suspended or removed from the Services; and (c) your registration and your use of the Services is in compliance with any and all applicable laws and regulations. If you are an entity, organization or company, the individual accepting these Terms on your behalf represents and warrants that they have authority to bind you to these Terms and you agree to be bound by these Terms.

2. Changes on Services or Fees

If Tencent changes the Services or Fees, Tencent will specify the reason for the change, the content of the Services or Fees to be changed, and the date of provision, etc., and post such information on the initial screen of the Service at least 7 days prior to the date of implementation of such change. However, if the change in Service or Fees is unfavorable or material to you, we will notify you at least 30 days in advance and obtain consent from you with respect to the change.

3. Cancellation

- (a) If you are an end-user of the Services and a consumer under Act on the Consumer Protection in Electronic Commerce, etc., you may cancel the Services within 7 days after the date of commencement of the Services. However, notwithstanding the above, if the contents of the Services are different from the contents displayed or advertised by Tencent, or if the contents are performed differently from contents specified in the Terms and other agreements related to the Services, you may cancel the Services within three months after the date of commencement of the Services, or within 30 days after the date you knew or could have known such fact.
- (b) You may not cancel the Services against Tencent's intention if the Services that Tencent has provided are temporary or with only partial functions.
- (c) In order to cancel the Services, you must clearly inform us, preferably by contacting customer service by submitting a work order through the console at <https://console.tencentcloud.com/workorder/category>, giving us your name, address, and account information.
- (d) Cancellation will take effect from the date of sending your intention to cancel.
- (e) If you cancel, Tencent will delete and terminate your Service without delay and refund Fees within 3 days after the date of deletion/termination.
- (f) In the event that Tencent delays the refund in paragraph (e), Tencent will pay you the delayed interest calculated by multiplying the delayed period by the interest rate prescribed by the Act on the Consumer Protection in Electronic Commerce, Etc. and the Enforcement Decree.
- (g) Tencent will request the business operator who provided the Payment Method used to pay the Fees to suspend or cancel the charge for the Fees without delay. However, if Tencent has already received Fees from the payment company, it will be refunded to the payment company and notify to you.
- (h) If you have used some of the Services, Tencent is entitled to make a claim against you for an amount equivalent to the benefits you have obtained by using the Services or the cost of supplying the Services for you.
- (i) Tencent may not claim a penalty or compensation for damages on the grounds of cancellation.

4. Modification of the Terms

If Tencent intends to amend the Terms, Tencent will post the updated version on the Tencent Cloud website. Updated versions will be effective no earlier than 7 days after the date of posting. Your continued use of the Services after the effective date of the updated Terms constitutes your acceptance of any amended Terms. However, if the modification in the Terms is unfavorable or material to you, we will notify you at least 30 days in advance and obtain consent from you with respect to the modification.

5. Governing Law

Notwithstanding Section 3(a) of the Terms, if you use our Services as an end-user or consumer, the governing law that applies to the Terms will be Korean Law.

特定司法管辖区附录

某些司法管辖区的相关附加条款刊载于本隐私政策附录中。如果您是所列司法管辖区的普通居民，则该等司法管辖区的相关条款适用于您。如果附录与本隐私政策发生冲突，则仅在相关地区适用相关附录的规定。除非相关附录另有规定，否则除该等附录的具体规定外，本隐私政策的规定也适用于该区域，且本隐私政策的条款将不予修改。

模块

如果您使用特定功能（定义见相关模块），则本隐私政策[模块](#)部分所述的模块将适用并构成本隐私政策的一部分。您确认，我们将按照适用模块的规定收集、处理、使用和存储您的个人信息。欲知更多信息，请参阅下文[模块](#)。

简介

您使用腾讯云网站和云服务（包括 <https://tencentcloud.io> 和 <https://www.tencentcloud.com>）（简称“**服务**”）或您就服务与我们互动，即表示您同意我们关于您个人信息的规则和政策，且您明确同意我们按照本隐私政策的规定收集、处理、使用和存储您的个人信息。

如果您不同意本隐私政策，则不得使用服务。

我们会保存您提供给我们的个人信息，以设置和管理您的帐户和服务，以及与您使用服务相关的个人信息（“**管理信息**”）。我们是管理信息的数据控制方。本隐私政策述明了您对您管理信息的选择和我们的做法。

我们还会保存您在使用服务时提交、上传、传输或显示的数据（“**内容**”），我们仅出于提供服务的目的存储此类数据。有关我们内容存储的条款刊载于我们的[服务条款](#)和[数据处理和安全附录](#)中。您是内容的数据控制方，且您的用户或第三方提出的有关内容的数据处理过程的问题应该首先向您提出。在任何时候，我们都是您的服务提供商并代表您处理数据。您随时都可以提取内容。

如果您位于欧洲经济区或瑞士，则根据《一般数据保护条例》，您个人信息的数据控制方为 Tencent Cloud Europe B.V.（一家在荷兰注册的公司，注册地址位于 Atrium building, 8th floor, Strawinskylaan 3127, 1077 ZX Amsterdam, the Netherlands）。如果您位于欧洲经济区或瑞士境外，则您个人信息的数据控制方为[服务条款](#)中所述的与您签约的实体。在不同情况下，相关实体在本政策中称为“**腾讯**”、“**我们**”和“**我方**”。

您可以通过 cloudlegalnotices@tencent.com 与我们的数据保护官联系。

第 1 节：我们作为数据控制方的情况

我们收集和处理的个人信息类型

我们将收集和使用以下有关您的信息：

您给我们提供的信息。 当您对我们的服务进行查询、使用我们的服务，或通过电话、电子邮件或其他方式与我们联系时，您可能会向我们提供有关您的信息。其中包括您在注册我们的服务（或对于企业客户，作为公司的业务代表注册服务）时提供的信息，例如您的姓名、用户名、电子邮件地址、地址、IP 地址、APPID、UIN、设备 ID、腾讯云 ID、带照片的身份证件、信用卡信息、电话号码以及其他有助于我们帮您注册使用我们服务的其他信息。

我们在您使用我们的服务时收集的有关您的信息。 当您通过腾讯云门户网站使用我们的服务时，我们会自动向您收集某些信息，包括 IP 地址、用户代理和设备 ID，以及与您使用我们服务有关的信息，例如您的访问日志、网站访问请求、上传和下载等。

我们从第三方获得的信息。 腾讯云允许用户帐户的管理员确定访问权限。这样，您服务的管理员（可能是您）可以添加有权通过该帐户访问服务的其他人的电子邮件地址。如果您是帐户的管理员，则您确认并向我们保证，您已获得有关个人的同意，以便出于此目的提供他们的电子邮件地址。

我们也会在您每次与腾讯互动（例如您通过电子邮件与我们沟通、激活新服务或在我们的网站上填写表格）时收集和存储您的信息。我们还会存储有关您所购服务的信息，例如激活码、购买日期以及与任何支持问题有关的信息。

Cookie

我们使用 Cookie 和其他类似技术（例如，网络信标、Flash Cookie 等，统称“Cookie”）来提高您使用服务的体验。Cookie 是存储在您设备上的小文件，通过 Cookie，我们可以提供某些功能和用途。

您可选择同意安装相关的 Cookie，也可在之后选择将其禁用。您可以接受所有 Cookie，或在安装 Cookie 时指示 Web 浏览器提供通知，或通过调整计算机 Web 浏览器的相关功能来拒绝接受所有 Cookie。但是，如果您拒绝安装 Cookie，腾讯云可能无法向您提供某些服务。

有关我们使用的 Cookie 的更多信息，请参阅我们的 [Cookie 政策](#)。

儿童

本服务并非为儿童而设。儿童不得出于任何目的使用本服务。我们不会有意允许未满 14 岁的任何人士注册我们的服务和/或提供任何个人身份信息。如果您未满 14 岁，请不要注册使用我们的服务，也不要通过服务提供有关您的任何信息。

如收集或使用个人信息的目的已经实现，或处理个人信息的时间期限已届满，则个人信息将以不可逆的方式被销毁。存储在电子文件中的个人信息将通过技术手段以不可逆转的方式安全删除，打印信息将通过粉碎或焚烧的方式销毁。此外，在以下情况下，我们将在 10 天删除您的个人信息：(i) 您要求删除您的个人信息；(ii) 您删除您的帐户后；和/或 (iii) 当有任何个人信息遗留在不完整注册的帐户中时。

如果处理和保留期限已经终止，但由于其他原因（包括适用法律规定的目的）需要继续保留个人信息，则相关个人信息将与其他类型的个人信息分开存储和维护。

您的权利

本节（“您的权利”）适用于位于欧洲经济区的用户。标题为“访问、更正和删除”的小节也适用于位于日本和韩国以及澳门特别行政区的用户。

您对我们持有的关于您的个人信息拥有若干权利。其中有些权利只适用于特定情况，如下详述。我们也规定了如何行使这些权利。请注意，我们将要求您在响应任何行使您权利的请求之前验证您的身份。除非适用法律另行许可，否则我们必须响应您行使这些权利的请求，不得无故拖延，至少要在一个月内响应（但在特定情况下可以再延长两个月）。要行使您的任何权利，请点击[此处](#)填写申请表。

访问、更正和删除

您可以随时点击[此处](#)访问、更正和删除您在帐户门户中的某些数据。如果您认为我们还处理了其他有关您的个人信息，或您无法更正或删除不正确的信息，您可以通过[此处](#)提出请求。您可能也有权接收某些个人信息的副本（参见下文可移植性）。

但请注意，如果我们根据数据保护法具有充分的法律依据（例如，出于法律索赔辩护或言论自由），我们可能会保留个人信息，但如果情况如此，我们会通知您。

可移植性

您有权接收我们以结构化、常用和机器可读格式向您收集的某些个人信息的副本，并有权要求我们将此类个人信息传输给另一方。相关个人信息是指您为履行我们与您签订的合同而提供的信息（例如，您的手机号码、电子邮件地址或交易数据）。您随时都可以导出内容。

如果您希望我们将个人信息传输给第三方，则可以使用[此处](#)提供的表格与我们联系。请注意，我们仅在技术上可行的情形下方能传输个人信息。

处理仅限于存储

在某些情况下，您有权要求我们停止处理我们持有的关于您的个人信息，而只能存储此类信息。但请注意，在我们停止处理个人信息后，如果按照数据保护法我们有充分的理由（例如，出于法律索赔辩护或为另一人提供保护）处理个人信息，则我们可能会再次使用有关个人信息。

拒绝权

您有权在特定情况下（例如，在您同意的情况下，将此类信息用于营销或分析等）通过在[此处](#)填写表格来反对我们处理您的个人信息。

来自我们的通信

如果您选择接收我们的直接营销，我们可能会不时向您发送消息和优惠，例如：为您预订我们网络研讨会的席位。您可以随时发送电子邮件至 cloudlegalnotices@tencent.com 联系我们，选择不接收此类通信。我们在认为有必要时（例如，当我们出于维护、安全、隐私或管理相关通信方面的原因暂时停止腾讯云时），可能会不时向您发送服务相关公告。这些与服务相关的公告并无推广性质，因此您无法选择不接收这些公告。

联系信息及投诉

欢迎对本政策提出疑问、意见和要求，请发送电子邮件至 cloudlegalnotices@tencent.com 联系我们的隐私官。如果您希望就我们处理个人信息的方式提起投诉，请首先通过 cloudlegalnotices@tencent.com 与我们的隐私官联系，我们将努力尽快处理您的请求。如果您认为我们侵犯了数据保护法，您仍然有权向居住或工作所在的欧盟国家/地区的数据保护监管当局提出申诉。

更新和更改

如果我们对本政策做出任何重大更改，我们将在此发布更新后的政策并在我们的网站上发出通知。请定期访问本页面查看本政策的任何更新或变更。

数据销毁

如收集或使用个人信息的目的已经实现，以及处理个人信息的时间期限已届满，则个人信息将以不可逆的方式被销毁。存储在电子文件中的个人信息将通过技术方法以不可逆的方式安全删除，而打印信息将通过粉碎或焚烧的方式来予以销毁。

您数据主体权利和行使此类权利的方法

您可以随时享有以下与个人信息保护相关的权利：

- (a) 请求允许检查个人信息的权利；
- (b) 个人信息有错误等时要求更正的权利；
- (c) 要求删除个人信息的权利；
- (d) 请求暂停处理个人信息的权利，

填写《PIPA 执行规则》所附表格 8 中指定的表格，并通过邮寄、电子邮件或传真提交给我们。遇到这种情况，我们会及时采取必要的措施。您也可以通过代理人行使上述权利，包括法定代理人和授权委托书。在这种情况下，数据主体需要提交《PIPA 执行规则》所附表格 11 中指定的授权书。访问或限制处理个人数据的权利可能会根据 PIPA 第 5-4 条和第 37-2 条的规定受到限制。对于更正或删除个人信息的请求，如果相关个人信息被规定为根据任何法规作为收集对象的信息，则数据主体不能请求删除该主体的个人信息。

在收到检查、更正或删除个人信息的请求或暂停处理个人信息的请求后，我们将验证请求人是否是数据主体或合法代表。

保护您的个人信息

我们采取了以下措施来保护您的个人信息。

管理措施：我们建立并实施内部隐私管理政策，包括指定隐私人员和审核程序，以确保隐私政策得到有效实施。

技术和组织措施：我们采用了多种安全技术和程序来保护您的个人信息免遭未经授权的访问、使用、修改或披露。

例如，我们实施了访问授权和控制系统，允许我们授予、更改和取消对个人信息的访问权限，以控制和限制对您个人信息的访问并记录对个人信息的访问。此外，我们使用定期更新的安全软件以及加密技术来降低个人信息在存储和传输过程中泄露的风险。

物理措施：您的个人信息存储在具有严格访问控制程序的受控设施中。

美国

本附录的条款适用于《加利福尼亚州消费者隐私法案》（经《加利福尼亚州隐私权法案》修订，下称“CCPA”）、《科罗拉多州隐私法案》、《康涅狄格州个人数据隐私和在线监控法案》、《犹他州消费者隐私法案》和《弗吉尼亚州消费者数据保护法案》（合称“美国隐私法”）中定义的美国居民。美国隐私法向某些美国居民授予关于其个人信息的特定合法权利，例如请求访问、删除和更正的权利。这些权利不是绝对的，存在某些例外情况。就本附录而言，“消费者”和“您”系指服务的用户、求职者和我们就服务与之合作的实体的代表。

请勿追踪 (DNT)

当您访问各种网站时，您的浏览器设置可能允许您发送“请勿追踪”信号、“选择退出偏好”信号或其他机制，以行使您关于收集您的个人信息的选择。像许多网站一样，我们的网站不会对这些信号做出反应，并且我们不会以任何可能依法要求我们识别选择退出偏好信号的方式使用或披露您的个人信息。

个人信息的收集、使用及披露

在过去 12 个月里，通过您对服务的使用，我们可能已收集和披露了如下类别的个人信息，包括敏感个人信息（用*表示）：

标识符，包括姓名、电子邮件地址、手机号码、IP 地址、设备标识符、腾讯云 ID、邮寄地址、政府签发的身份证件以及发送到或从设备发送的验证码。此类信息直接从消费者或设备中收集。

互联网或其他电子网络活动信息，包括用户代理或网站浏览器、有关消费者与腾讯云互动的日志元数据、腾讯云客户支持事件详情（以及与客户服务票证相关的响应步骤）。此类信息直接从消费者或设备中收集。

地理位置数据，包括从设备直接向我们提供的 IP 地址获得的位置数据。Wi-Fi 接入点数据可用于了解邮政编码级别的位置数据。此类信息直接从设备中收集。

商业信息，包括支付卡信息和交易记录（例如，激活码和购买日期等有关已购买服务的信息）。此类信息直接从消费者或设备中收集。

我们出于以下目的并按照适用模块所述的目的收集个人信息：

运营及管理服务；

与消费者交流；

改善服务；

出于安全和验证目的，包括防止和检测欺诈活动；和

对技术问题及程序错误进行处理及补救。

若要更详细了解每种个人信息的使用目的，请参阅隐私政策主体部分的[这一图表](#)我们不会出于本隐私政策规定以外的目的收集、使用、或披露您的个人信息，包括敏感的个人信息。此外，我们仅将敏感的个人信息用于美国隐私法允许的目的，或经您同意的其他目的。

我们向以下类型的实体披露个人信息：

我们公司集团的附属公司，这些公司出于运营服务的目的处理个人信息

代表我们提供的其他公司，根据合约规定，这些公司不得出于向我们提供服务以外的目的保留、使用或披露个人信息

监管机构、司法管辖区当局和执法机构

收购我们所有或几乎所有业务的实体

在过去 12 个月，我们并未以美国隐私法界定的“出售”方式出售美国居民的个人信息，也未以 CCPA 界定的“分享”方式分享加利福尼亚居民的个人信息。此外，我们并不实际知晓我们“出售”或“分享”16岁以下居民的个人信息。

美国隐私法项下的权利

如果您是美国居民，并且美国隐私法不承认适用于您或您的个人信息的豁免，您有权：

要求我们免费向您披露有关您的特定信息。如果您是加利福尼亚州居民，您可以要求我们披露以下信息：

我们所收集的关于您的个人信息的类别；

个人信息收集来源的类别；

收集关于您的个人信息的目的；

我们向其披露关于您的个人信息的第三方的类别、所披露的个人信息的类别（若适用）以及披露关于您的个人信息的目的；及

我们所收集的关于您的特定个人信息；

要求我们删除我们所收集的关于您的个人信息；

要求我们更正我们保存的有关您的不准确的个人信息的；并且当您行使您的权利时，不得因行使您的权利而受到非法歧视，包括为您提供不同级别或质量的服务或拒绝为您提供商品或服务。

我们的目标是在 45 天内完成所有经验证的申请。必要时，我们将额外延期 45 天，并附上延迟的解释。

如何行使您的权利

首先，您可能希望登录您的帐号并在那里管理您的数据。如果您是美国居民，美国隐私法适用于您，您可以通过联系 cloudlegalnotices@tencent.com 行使您对其他个人信息的权利（如有）。

只有您或经您授权代表您行事的其他人，才有权就您的个人信息提出请求。授权代理可通过提供由您授予的书面许可提出请求。在为了处理您的数据主体请求而进行的身份验证流程中，您需要登录您现有的帐户，我们可能会要求您提供其他信息（包括但不限于注册国/地区、购买的云资源以及注册的手机号码），以使您的帐户可验证。

此外，在适用的情况下，我们将向您提供有关我们的申诉流程的更多信息。当您提交请求或提起申诉时，我们仅在安全地满足您的请求或处理您的申诉所必需的范围内收集您的信息。

巴西

本节适用于位于巴西的用户：

撤回同意

在我们基于您的同意而使用您的个人信息时，您可以在符合合同或法律规定的情况下，撤回您之前对收集、使用和披露个人信息的同意。要撤销此类同意，您可以终止帐户或联系 cloudlegalnotices@tencent.com。此举可能会影响我们为您提供的服务。

家长及监护人同意

如果您未满 18 岁，则在未事先征得家长/监护人对本隐私政策的同意之前，您不应该出于任何目的使用本服务（包括为他们和代表您自己使用）。如果未征得同意，我们不会出于任何目的而故意收集任何未满 18 岁儿童的个人信息。如果您认为我们在未征得家长/监护人同意的情况下，掌握了任何未满 18 岁儿童的个人信息，请与我们的数据保护官联系，我们将立即调查（并删除）这些个人信息。

加拿大

除隐私政策本节所提供的信息外，我们还可能会在加拿大境内和境外（包括新加坡和香港）存储您的个人信息。如果您：(i) 对本隐私政策有任何疑问或意见；(ii) 希望获取有关本隐私政策的书面信息；(iii) 需要报告问题；或 (iv) 希望我们更新、修订或请求我们删除有关您的信息，请通过 cloudlegalnotices@tencent.com 联系我们的首席隐私官（或负责保护个人数据的部门）。

埃及

请注意，本服务仅面向年满 18 岁的用户。如您未满此年龄，则只有在获得父母或监护人的同意后才合格使用本服务。

如果您不同意按照本隐私政策所述方式处理您的个人信息，请不要在收到请求时提供您的信息，并停止使用服务。

使用本服务即表示您明确同意本隐私政策规定的管辖您个人信息的规则。

继续注册即表示您确认您已阅读、理解并同意本隐私政策。如果您不同意本隐私政策，则不得使用服务。

您确认，您同意对您的个人数据进行处理、存储和跨境传输。跨境传输的目的地可能是我们拥有数据库或分支机构的任何国家/地区，包括埃及境外的国家（欲知更多信息，请参阅我们收集和处理的个人信息类型）。

如果您是新用户，您有 7 天的时间将您对本隐私政策的任何异议通知我们。

作为埃及数据主体，您享有《埃及个人数据保护法》规定的某些权利。

法国

您的权利

在您死亡后处理您个人数据的指示。

您有权向我们提供关于在您身故后保存、删除及传达您的个人数据的一般或具体指示。

具体指示仅对指示内所述的个人数据处理活动有效，而是否执行该等指示须征求您的特定批准。

您可随时修改或撤回您的指示。

您可以指定某人负责执行您的指示。此人将于您身故时获告知您的指示，并有权要求我们执行该等指示。若未指定此类人员，或者除非另有规定，否则万一指定人员死亡，则他们的继承人有权获得您的指示并有权要求我们执行指示。

如果您希望作出此类指示，请通过 cloudlegalnotices@tencent.com 与我们联系。

印度

敏感个人信息

您的敏感个人信息应指密码、财务信息，如银行账户、信用卡、借记卡或其他支付工具的详细信息、生物特征数据、身心健康状况、性生活或性取向和/或医疗记录或历史，以及类似信息，但不包括在公共领域提供的信息，或根据印度法律提供的信息，包括 2005 年的《知情权法案》。

共享您的敏感个人信息

如果我们允许任何第三方收集和使用您的敏感个人信息，我们须采取合理措施，确保第三方不会进一步披露您的敏感个人信息。

年龄限制

未满 18 岁的儿童不得与我们签订在线合同或注册我们的服务。未满 18 岁的儿童必须征得家长的同意才能使用我们的服务。

撤回同意

在适用法律和法规规定的范围内，您可以通过 cloudlegalnotices@tencent.com 与我们联系，以撤回您先前为某些处理活动向我们作出的任何同意。如果处理您的个人信息需要得到您的同意，但您不同意处理或您撤回您的同意，则我们可能无法提供预期的服务。

印度尼西亚

本服务并非为儿童而设。儿童不得出于任何目的使用本服务。我们不会有意允许未满 21 岁的任何人士注册我们的服务和/或提供任何个人身份信息。如果您未满 21 岁，请不要注册使用我们的服务，也不要通过服务提供有关您的任何信息。

我们将按照腾讯云隐私政策的规定保留您的个人信息，保留期限至少五年（适用法律另有要求的除外）。

日本

同意

点击“接受”，即表示您同意将您的信息跨境传输至我们拥有数据库或分支机构的任何国家/地区，包括日本境外。

您的权利

根据《日本个人信息保护法》之规定，您可以请求我们通知您，出于何种目的而使用、披露、更正、中止使用或提供，及/或删除我们存储的有关您的任何及所有个人信息。如果您希望提出此类请求，请通过 cloudlegalnotices@tencent.com 与我们联系。

马来西亚

如果您希望使用服务，您就需要提供您的个人数据。如果您不希望提供您的个人数据，则应停止使用服务。

本隐私政策的语言

如本隐私政策的英文版本与马来语版本之间存在差异或不一致，则以英文版本为准。

家长及监护人同意

如果您未满 18 岁，请勿使用本服务。

如果您同意本隐私政策以便未成年人访问并使用服务，则您在此同意根据本隐私政策提供未成年人的个人信息，您个人接受并同意遵守本隐私政策的条款。此外，您在此同意对该未成年人的行为以及该未成年人遵守本隐私政策的情况承担责任。

数据主体权利

访问权：您有权请求访问并获取我们已收集并由我们或我们的代表处理的您个人信息之副本。我们保留按照法律规定的费率向您收取因访问个人信息而产生的费用的权利。

在处理数据访问请求时，我们可以索要某些信息，以验证请求者的身份，从而确保他/她是合法提出数据访问请求的人。

更正权：您可以要求更正您的个人信息。在处理数据更正请求时，我们可以索要某些信息，以验证请求者的身份，从而确保他/她是合法提出数据更正请求的人。

限制处理个人信息的权利：您可通过使用上面提供的详细联系信息来请求限制处理您的个人信息。但是，此举可能会影响我们向您提供本服务。

联系方式

为保障您的个人信息及处理与您的个人信息有关的投诉，我们已委任以下部门负责管理及保护您的个人信息。

我们的数据保护官，负责管理您的个人信息并确保其安全：

电话：+603-22872388

电子邮件：cloudlegalnotices@tencent.com。

菲律宾

您必须年满 18 岁方可使用本服务。

变更

如本隐私政策中所述，除非我们已通知您并获得您的同意，否则不会对您的个人信息的处理方式作出重大更改。

您的权利

您有权享有适用法律规定的以下权利：

知情权。您有权获知您的个人数据是否应被处理、正被处理或已被处理，包括是否存在自动化决策及剖析。

拒绝权。您有权拒绝我们处理您的个人信息，包括出于直接营销、自动化处理或剖析目的而进行的处理。如果您反对或拒绝作出同意，我们将不再处理您的个人数据，除非根据传票需要您的个人数据；或出于明显目的的收集和处理，包括出于履行您受约束的合同或服务所必要或与之相关的目的；或由于法律义务而收集和处理的您的个人信息。

访问权。您有权以合理的方式访问以下内容（视需要而定）：

被处理的个人信息内容；

个人信息的获取来源；

个人信息接收方的名称及地址；

此类数据的处理方式；

向接收方披露个人数据的原因（如有）；

有关自动处理的信息，这类数据（可能）将作为作出对数据主体产生重大影响或将会有影响的任何决策的唯一依据；

最近一次访问和修改有关您的个人信息的日期；及

个人信息控制方的名称、名称或身份及地址。

更正权。您有权指出个人信息中的任何错误，并让我们立即做出相应的更正，除非该请求是无理或不合理的。如果个人信息已被更正，我们应确保新信息和撤回信息的可访问性，并确保预期接收方同时收到新信息和撤回信息，但是，如一经您合理请求，我们会通知先前收到此类已处理过的个人数据的接收方或第三方，此类数据不准确及须予以更正。

删除或封锁权。您有权暂停、撤回或下令从我们的归档系统中封锁、移除或销毁您的个人信息。您可以在发现以下任何内容并提供实质性证明时行使此权利：

您的个人数据不完整、过时、虚假或非法获取；

您的个人数据被用于未经您授权的目的；

您的个人数据对于收集目的而言不再是必需的；

您撤回同意或拒绝进行处理，并且该处理没有其他法律依据或优先合法权益；

您的个人数据涉及对您不利的私人信息，除非有言论自由、表达自由、新闻自由或其他授权的正当理由；

处理是非法的；

我们侵犯了您的权利。

同意

同意本隐私政策，即表示您同意我们：

按照“[我们如何使用您的个人信息](#)”一节的规定收集和处理的您的个人信息；

根据本隐私政策的规定并出于其中所述的目的，与第三方、我们企业集团旗下公司以及收购我们或我们业务的全部或部分的第三方共享您的个人信息；和

当需要在菲律宾境外进行处理时，按照“[我们如何披露和存储您的个人信息](#)”一节的规定将您的个人信息传输至或存储在菲律宾境外的目的地。

沙特阿拉伯

您同意将您的个人信息披露、传输和输出至沙特阿拉伯境外或您提供信息的任何其他司法管辖区境外。

新加坡

我们可能会将您的个人信息存储在您所在国家/地区境内和境外，包括新加坡。如果数据被传输到欧洲经济区境外进行处理（例如，传输到中国大陆和新加坡），则根据第 2001/497/EC 号决议（在传输给控制方时）和第 2004/915/EC 号决议（在传输给处理方时），我们依靠欧盟委员会关于向第三国传输个人数据的范本合同（即标准合同条款）。

隐私权政策中标题为“访问、更正和删除”的条款已被删除，并替换为以下条款：

您可以随时访问和更正您在帐户门户中的某些数据。如果您认为我们处理了与您有关的其他个人信息，或您无法更正不正确的信息，可以通过 cloudlegalnotices@tencent.com 联系我们以提出请求。您可能也有权接收某些个人信息的副本（参见下文可移植性）。根据新加坡法律，您无权删除您的数据，但我们可能会应要求删除您的数据。但请注意，如果我们根据数据保护法具有充分的法律依据（例如，出于法律索赔辩护或言论自由），我们可能会保留个人信息，但如果情况如此，我们会通知您。

泰国

您确认您已阅读、理解并同意本隐私政策。如果您不同意本隐私政策，则不得使用服务。

您可以在适用的泰国数据隐私法律与法规（包括泰国《个人数据保护法》）规定的范围内要求我们停止、限制使用或提供您的个人信息（此类信息由我们存储），及/或提出数据可移植性的要求。如果您希望提出此类请求，请通过 cloudlegalnotices@tencent.com 与我们联系。

我们将通过电邮通知您本隐私政策的任何变更，并让您有机会拒绝此类变更，否则变更将按照通知中的规定生效。

土耳其

我们的土耳其数据控制方代表 *Özdağıştanlı Ekici Avukatlık Ortaklığı* 须遵守土耳其《个人数据保护法》（以下简称“DPL”）及其次级法规，可通过 tencent@iptech-legal.com 与其联系。请在邮件的主题行中注明“土耳其”一词。本服务并非为儿童而设。儿童不得出于任何目的使用本服务。我们不会有意允许未满 18 岁的任何人士注册我们的服务和/或提供任何个人身份信息。如果需要处理未满 18 岁儿童的个人数据，我们会征求其父母的同意。

关于“我们如何使用您的个人信息”一节，就土耳其而言，“处理的法律依据”一栏应视为已被修订，以便在土耳其处理个人信息的目的符合第 6698 号《个人数据保护法》第 5/2 c 条和第 5/2 f 条的规定。

经您同意，您的个人数据可能会被传输并存储在土耳其或境外的服务器中。

腾讯云隐私政策中标题为“个人信息的安全性”的条款不适用于在土耳其收集的个人数据。

对于我们所持有的有关您的个人信息数据，您拥有 DPL 第 11 条规定的法律权利。作为土耳其数据主体，您有权（在适用法律和法规允许范围内）向数据控制方申请：

了解您的个人数据是否已被处理；

如果您的个人数据已被处理，则请求获得处理的相关信息；

了解处理您的个人数据的目的是否按照这一目的处理您的数据；

了解将接收个人数据的国内或国外第三方；

请求更正不完整或不准确的个人数据；

请求在《个人数据保护法》（土耳其）第 7 条规定的条件范围内删除或销毁个人数据；

拒绝同意对数据进行自动处理，并根据《个人数据保护法》（土耳其）寻求某些补救措施。

这些权利不是绝对的。

阿联酋

本服务并非为儿童而设。儿童不得出于任何目的使用本服务。我们不会有意允许未满 21 岁的任何人士注册我们的服务和/或提供任何个人身份信息。未满 21 岁的用户需要获得相关法院命令才能使用服务。

我们可以自愿报告构成阿联酋法律（例如，根据阿联酋《网络犯罪法》）项下犯罪的网络安全事件。我们可将事件报告给相关管理部门进行调查。另请注意，我们还可以向阿联酋计算机应急响应小组（以下简称“CERT”）自愿报告网络安全事件。CERT 是一个安全意识组织，提供记录事件并就阿联酋已知网络安全威胁提出意见的流程。

越南

接受本隐私政策，即表示您明确同意并授权我们按照本隐私政策的规定收集、使用、存储并处理您的个人信息，包括合法披露信息并将其传输至第三方。

就数据保护而言，我们一直保持着国际标准和最佳实践。当您的个人信息在您居留司法管辖区内或该司法管辖区以外传输时，有关传输将须符合我们所遵从的且接收方实体要求的属同一水平或更高水平的安全惯例及数据保护规定。

当我们允许任何第三方收集及使用您的个人信息时，我们须采取合理措施，以确保该等第三方不会进一步披露有关个人信息。

如执法机构、公共机构或其他司法机构和组织要求披露您的个人信息，我们将在收到该等组织的书面请求之后向其披露。

您的权利

您有权访问、更正及删除我们持有您的个人信息。您也有权撤回先前对收集、存储、处理、使用及披露您个人信息作出的同意，并有权请求我们停止将您的个人信息提供给第三方。

中国附录

如您在使用服务时，将中国大陆地区（不包含香港、澳门和台湾地区，下同）选为服务地区，本附录将适用于对您个人信息的处理；有关使用中国大陆以外地区服务的一般条件，则请参见《腾讯云国际隐私权政策》。中国大陆地区由腾讯云计算（北京）有限责任公司（在本附录中简称为“**腾讯云（中国）**”或“**我们**”）提供服务，我们将根据中国大陆地区法律法规规定及政府部门要求处理您的个人信息。

在本附录中，“服务”是指由腾讯云（中国）向服务地区选定为中国大陆地区的用户提供的腾讯云服务。

您使用服务，即表示您 (a) 应确保个人信息是您依法收集和使用的，您不会也不曾以任何方式侵犯任何个人或实体的合法权利；(b) 保证您有权使用服务对个人信息进行存储、传输、分析和分发等任何处理；(c) 理解并同意，中国可能对数据存储、出境等有相关的规定，在您使用服务存储或传输个人信息前，您应当遵照适用的中国法律法规进行充分、必要的评估、审批，确保符合相关规定；及 (d) 同意腾讯云（中国）按照本附录条款处理您的个人信息。

您的个人信息

我们可能通过以下几种方式收集您的个人信息：

- (1) 当您在使用服务时向我们主动提供或代表您授权的主体提供信息时，如：填写表格或向服务上传的相应信息。
- (2) 通过我们的员工或者合作伙伴（例如您的服务商等）代表您向我们提交您提供的信息，例如您委托特定服务商在腾讯云（中国）系统中填写、上传的您的相应信息。
- (3) 通过您与我们的互动以及您使用服务而自动收集的信息，如：我们在您登录腾讯云账户时记录您的登录时间，在您使用具体服务时记录您的操作和使用记录。

我们收集的个人信息类型：

(1) 为进行实名认证提供的个人信息。根据您所选择的实名认证类型，所收集的个人信息可能包括您的姓名、身份证、名称、营业执照、对公银行账号、通讯地址、行业信息、手机号、人脸信息及联系方式。实名认证对于判断账号归属是必要的，为了您的账号安全，请务必审慎选择认证方式，提交合法、真实、有效的信息。中国大陆地区云服务仅支持实名认证用户使用或参与，若您未认证，将无法使用中国大陆地区的服务。

(2) 您登录、使用服务及在服务中互动的相关信息，包括：操作记录，我们收集您使用服务的操作记录及相关信息，例如用户 ID、操作时间、对象信息（您所使用的产品生成的资源 ID、区域、相关腾讯云（中国）产品/服务）、IP 地址、浏览器的类型、使用的语言、设备型号、操作系统版本及仅与您使用服务有关的网页浏览/检索记录等。

合同信息，如果您需要申请线下产品交付或进行产品测试，为履行合同，我们需要收集联系人、联系方式、地址、开票信息、订单信息等信息。

其他信息，例如与服务有关的工单记录、与客户支持团队的咨询沟通记录。

收集以上信息，旨在便于我们提供服务及确保服务质量。

我们在符合相关法律法规的前提下，将向您收集的个人信息用作以下用途：

为了向您提供服务，在符合相关法律法规的前提下，我们将收集的信息用作以下用途：

- (1) 向您提供服务。
- (2) 根据您在使用服务时的指示满足您的个性化需求。例如，语言设定、位置设定、个性化的帮助服务和指示，或对您和其他用户作出其他方面的回应。
- (3) 服务优化和开发。例如，我们会响应您的需求优化服务，以改善服务质量。
- (4) 保护服务的安全性和完整性并且遵循腾讯云（中国）、其他腾讯云（中国）用户和腾讯云（中国）的合作伙伴的利益。例如，我们会将您的信息用于身份验证、安全防范、诈骗监测，以及判断您的账号安全等用途。例如，您在使用安全功能或其他类似服务时，我们会对恶意程序或病毒进行检测，或为您识别诈骗信息。例如，在处理相关纠纷、投诉时，为相关当事人提供有关信息以便更好的促进纠纷、投诉的处理、解决等。
- (5) 向您推送相关业务消息（如财务消息、产品消息、腾讯云（中国）动态等）和商业广告。例如，腾讯云国际仅在您同意的情况下，可以通过您的手机号码、电子邮箱等联系方式以短信、电话、电子邮件等任何方式向您推送商业广告，宣传、推广腾讯云（中国）服务或腾讯云（中国）平台上的其他服务。
- (6) 向您提供与您更加相关的服务。例如，基于我们对您信息的统计和分析或者其他腾讯云服务用户数据统计和分析，向您提供您可能感兴趣的类似功能或服务。
- (7) 仅在您同意的情况下，邀请您参与有关我们产品和服务的调查。
- (8) 分析腾讯云（中国）用户使用服务的数据，以形成统计类用户报告、商业分析等资料（统称“统计资料”），在腾讯云（中国）内部或外部共享、发布、展示等，我们会确保统计资料为综合、匿名化数据，不会涉及可以识别特定用户身份的信息。

除上文另有说明者外，我们处理您个人信息的法律依据是就合同而言属必要。

个人信息的转移、存储地点及保存

在未征得您同意的情况下，我们不会与任何无关的第三方共享您的个人信息，但本隐私政策中“我们如何披露和存储您的个人信息”章节中所述的例外情况除外。

我们不会对外公开披露您的个人信息，如必须公开披露时，我们会向您告知此次公开披露的目的、披露信息的类型及可能披露的敏感信息，并征得您的明示同意。

另外，根据相关法律法规及中国大陆的国家标准，以下情形中，我们可能会共享、转让、公开披露个人信息无需事先征得您的授权同意：

与国家安全、国防安全直接相关的；

与公共安全、公共卫生、重大公共利益直接相关的；

与犯罪侦查、起诉、审判和判决执行等直接相关的；

出于维护个人信息主体或其他个人的生命、财产等重大合法权益但又很难得到本人同意的；

个人信息主体自行向社会公众公开个人信息的；

从合法公开披露的信息中收集个人信息的，如合法的新闻报道、政府信息公开等渠道。

为改善您的用户体验，比如优化广告效果，我们需要向第三方伙伴等分享已匿名化或去识别化的信息，并且我们要求该等伙伴严格遵守我们关于数据隐私保护的的措施和要求，包括但不限于根据数据保护协议、承诺及相关数据处理政策进行数据处理，以避免个人身份的识别并保护隐私。

我们为服务而存储您个人信息的服务器位于中国大陆地区。

个人信息的保留

我们通常仅在为您提供服务期间保留您的信息，保存期限不会超过满足相关使用目的所必需的期限。但在下列情况下，且仅出于以下目的，我们有可能需要较长时间保留您的信息或部分信息：

遵守适用的法律法规等有关规定；

遵守法院判决、裁定或其他法律程序的要求；

遵守相关行政、司法机关或其他有权机关的要求；及

为执行相关服务协议或本声明、处理投诉/纠纷，或者是保护他人的人身和财产安全或合法权益所合理必需的。

数据主体的权利

数据处理和安全协议

最近更新时间：2024-02-04 15:37:32

如果本数据隐私和安全附录（简称“**DPSA**”）与**服务条款**（以及其中通过引用形式包含的任何文件或政策，DPSA 除外）（简称“**协议**”）之间发生任何冲突，将以本 DPSA 为准。

定义

除非另有规定，以下术语应具有下文规定的含义。本 DPSA 中使用但未作定义的术语应具有协议中规定的含义。

“**管理信息**”是指组织向腾讯云提供的用于设置和管理腾讯云所提供的组织账户和服务的个人信息，以及因组织使用腾讯云提供的服务而生成的任何个人信息；

“**内容**”是指组织使用腾讯云提供的服务提交、上传、传输或显示的任何数据，包括个人信息；

“**控制方**”是指独自或与一个或更多其他人共同控制个人数据的收集、持有、处理或使用的人，包括《加利福尼亚州消费者隐私法案》(CCPA) 中定义的任何“企业”（如适用）；

“**控制方-处理方传输条款**”是指欧盟委员会于 2010 年 2 月 5 日颁布的第 C(2010) 593 号决议中规定的标准合同条款（控制方至处理方），如下文 **(2) 控制方-处理方传输条款** 中所述；

“**数据泄露**”是指腾讯因协议而处理的个人数据的任何滥用、干扰、丢失、未经授权访问、修改或披露；

“**数据保护法**”是指适用于任何个人数据的收集、存储、处理、传输、披露和使用并不时在相关情形下适用于人或活动的的数据保护法律，包括（但不限于）美国隐私法、《指令》、《电子隐私指令》和《通用数据保护条例》；

“**数据主体**”应指 (1) 《通用数据保护条例》中定义的“数据主体”；(2) CCPA 中定义的“消费者”；或 (3) 作为个人数据主体的任何其他个人；

“**《指令》**”是指欧洲议会和欧洲理事会于 1995 年 10 月 24 日颁布的关于与个人数据处理相关的个人保护和该等数据的自由传输的第 95/46/EC 号指令；

“**《电子隐私指令》**”是指欧洲议会和理事会于 2002 年 7 月 12 日颁布的关于电子通信行业中的个人数据处理和隐私权保护的 2002/58/EC 号指令；“**EEA**”是指欧洲经济区；

“**欧盟个人数据**”是指位于欧洲经济区内的数据主体的个人数据；

“**《通用数据保护条例》**”是指欧洲议会和欧洲理事会于 2016 年 4 月 27 日颁布的关于与个人数据的处理相关的自然人保护和该等数据的自由传输的第 2016/679 号条例；

“**特定司法管辖区要求**”是指在某些司法管辖区内适用的特定个人数据处理要求，如下文 **(1) 特定司法管辖区要求** 中所述；

“**组织**”是指同意服务条款的实体。就本 DPSA（包括其附件）而言，如果与不是代表组织行事的个人签订协议，提及“组织”时应被视为提及该个人；

“**个人数据**”具有数据保护法中赋予该术语或其他类似术语的含义，腾讯根据本协议处理这些数据以提供服务；

“**处理**”是指对个人数据进行一项或多项操作，包括任何收集、使用、存储或披露，或相关数据保护法中另行定义的操作行为；

“**处理方**”是指代表一个或多个控制方处理个人数据的人，包括《加利福尼亚州消费者隐私法案》中定义的任何“服务

提供商”或“承包商”（如适用）；

“**分包处理方**”是指腾讯按照第 7.4 条不时指定的、代表腾讯处理个人数据的任何腾讯关联公司或第三方；

“**监管机构**”是指拥有关于数据保护法的有效管辖权的监管机构；

“**腾讯云**”是指向组织提供服务的实体，如在服务条款中规定；

“**腾讯云门户**”是指组织可在完成腾讯云注册后有权访问的客户门户；

“**腾讯云隐私政策**”是指[隐私政策](#)中所述且腾讯不时更新和通知组织的政策；

“**腾讯安全政策**”是指腾讯不时确定的适当、合理的技术和组织措施，以防止未经授权或意外访问、处理、删除、丢失或使用个人数据。这些措施将包括控制方-处理方传输条款中规定的措施（如适用）；

“**服务条款**”是指[服务条款](#)中所述的条款；以及

“**第三国**”是指欧洲经济区（“**EEA**”）的数据保护法范围之外的所有国家，但不包括经欧盟委员会不时认可的、能够为个人数据提供充分保护的国家。截至本协议之日，此类国家包括安道尔、阿根廷、加拿大、法罗群岛、根西岛、马恩岛、以色列、泽西岛、新西兰、瑞士和乌拉圭。

“**美国隐私法**”是指《加利福尼亚州消费者隐私法案》（经《加利福尼亚州隐私权法案》修订，下称“**CCPA**”）、《科罗拉多州隐私法案》、《康涅狄格州数据隐私法案》、《犹他州消费者隐私法案》和《弗吉尼亚州消费者数据保护法案》；

协议范围

本附录仅在您签署关于腾讯云提供的服务的[服务条款](#)后适用。本附录适用于属于内容的个人数据的处理。属于管理信息的个人数据将按照[隐私政策](#)进行处理，本附录应不适用于管理信息的处理。

个人数据处理授权

1. 双方确认，在履行协议下的义务的过程中，腾讯可能会作为提供腾讯云的一部分，因组织存储、访问和处理内容而处理相关个人数据。本 **DPSA** 旨在规定双方关于该处理的各自义务。
2. 各方向另一方保证，其将遵守因个人数据而适用于其的所有数据保护法。

控制方和处理方

腾讯和组织确认，就个人数据而言，组织是控制方，而腾讯是处理方。

服务区域

1. 在第 5.2 条的约束下，如果组织根据协议选择了服务区域，腾讯将仅在该服务区域内处理个人数据。

2. 组织确认并同意，出于运营、监管或其他原因，腾讯可能需要不时更改处理地点，前提是，在除组织首选服务区域外的地点进行任何个人数据处理都将视为协议规定的“重大变更”。

3. 组织确认并同意，服务条款中所列的腾讯签约实体可能不是保管或控制客户数据（包括个人数据）的实体，因此，该等数据可能在所选的服务区域存储和处理。如果组织提供不要求选择服务区域的信息，例如帐户相关信息，腾讯可能在任何地点处理和存储该等信息。

腾讯的义务

1. 如果腾讯代表组织处理个人数据，腾讯将：

a. 仅为开展服务之有限、特定目的，而按照组织的书面指示（其中应包括本 DPSA 的条款和通过组织的管理控制台提供的任何指示）和腾讯安全政策处理个人数据，并在无法遵守本 DPSA 或其任何条款时立即通知组织；

b. 归还或（按照组织的书面要求）安全销毁其持有的所有个人数据（包括所有备份副本），除非适用法律禁止其这样做；

c. 得知下述情况后，立即通知组织：

旨在获得或访问任何个人数据的任何法院命令或其他法律程序或任何监管机构、监管部门、官员或任何政府当局、部门或机构提出的任何请求或要求，除非适用法律禁止发出此通知；

数据泄露；

与数据保护法下的腾讯义务相关的任何重大投诉、通信或要求；以及

从组织收到关于个人数据的任何指示，并且腾讯自行判定这些指示可能违反有关司法管辖区的任何适用法律，包括任何数据保护法；

d. 确保个人数据只能由腾讯雇佣的正式授权人员访问，以及在第 8 条的约束下，只能由经正式授权且为履行腾讯在协议下的义务而需要访问个人数据的腾讯分包处理方和该等分包处理方的人员访问。

e. 确保腾讯雇佣并正式授权处理个人数据的人员承诺进行保密或负有适当的法定保密义务，并根据处理性质，确保该等个人遵守本 DPSA 下的相同数据保护义务和组织指示；

f. 遵守任何适用的特定司法管辖区要求；以及

g. 如果有关司法管辖区的法律要求，腾讯将：

在切实可行的情况下，采取适当的技术和组织安全措施，以便合理协助组织履行其义务，包括在相关司法管辖区内适当和适用的下列措施：(i) 对个人数据进行假名化或去标识化处理；(ii) 确保处理系统和服务维持机密性、完整性、可用性和韧性；(iii) 在发生物理或技术事件时，及时恢复个人数据的可用性和访问；以及 (iv) 定期测试、评价和评估技术与组织措施的有效性，以确保处理的安全性；

根据处理性质，在切实可行的情况下，通过采取适当的技术与组织措施，协助组织履行其义务，响应数据主体提出的行使数据保护法中所规定数据主体权利的请求；

协助组织确保遵守下述义务：(i) 采取适当的技术和组织安全措施；(ii) 在相关数据保护法要求进行通知和报告的情况下，向监管机构、相关数据主体或相应数据保护法要求的其他个人通知（如要求）数据泄露；和 (iii) 执行数据保护影响评估，并且如有要求，事先咨询监管机构；以及

在获悉腾讯根据或因为本 DPSA 处理的个人数据被不当、未经授权或非法访问、使用或披露后，立即以书面形式通知组织。腾讯应有义务向组织提供所有合理必要的信息，以便组织遵守数据保护法规定的义务。

2. 如果腾讯认为组织的指示违反了数据保护法，其应通知组织。

组织的义务

1. 组织向腾讯陈述、保证并承诺，在整个期限内：

a. 个人数据已经并将按照数据保护法收集；

b. 组织向腾讯作出的所有指示均符合数据保护法；和

c. 向腾讯传输个人数据、腾讯按照组织的指示处理个人数据（如果腾讯作为该等个人数据的数据处理方）或接收和使用个人数据（如果腾讯作为该等个人数据的数据控制方）以及根据本 DPSA 的规定处理和使用个人数据均已获得相关数据主体同意（如果法律要求）并以其他方式被数据保护法所允许。

2. 组织同意，在腾讯要求时，将向腾讯赔偿由于组织直接或间接违反本条规定而导致腾讯遭受或发生的所有索赔、责任、成本、费用、损失或损害（包括附带损失、利润损失和声誉损失以及所有利息、罚金、法律和其他专业成本和费用），确保腾讯免受其损害。

3. 如果腾讯面临因违反与根据本 DPSA 处理的个人数据相关的数据保护法而引起或与之相关的实际或潜在索赔，组织将立即提供腾讯合理要求且与该索赔的辩护相关的所有材料和信息。

4. 如果组织得知与协议相关的任何实际或疑似数据泄露，组织应：

a. 在 30 天内采取合理的措施进行评估，以确定数据泄露根据数据保护法是否应通知，并立即以书面形式向腾讯通知评估结果；

b. 如果组织通知腾讯其认为根据数据保护法应当通知该数据泄露，则：

组织应编制数据保护法要求的与任何数据泄露相关的通知声明（简称“通知声明”）草稿，并在向有关数据保护监管机构、数据主体或任何其他个人披露之前，向腾讯提供通知声明草稿以供其审批。

腾讯应以书面形式向组织通知：

腾讯合理要求对通知声明草稿进行的任何更改，并且组织应在通知声明草稿中包含所有这些变更；或

腾讯批准通知声明草稿；和

腾讯批准通知声明草稿后，组织必须向有关数据保护监管机构、数据主体和数据保护法要求的任何其他个人提供经批准的通知声明；和

未经腾讯事先书面同意，不得发布关于任何疑似或实际数据泄露的任何公开声明或披露，而且必须确保其关联公司及其各自人员不这样做。

分包处理方的指定

1. 腾讯可授权任何分包处理方代表其处理个人数据，前提是，如果数据保护法要求，腾讯应与分包处理方签订书面协议，其中应包含基本上与本 DPSA 中所包含之条款相同的条款。组织特此向腾讯授予一般书面权限，以允许在遵守本第 8 条要求的前提下雇佣在腾讯云[第三方](#)处列出的分包处理方。

2. 如果腾讯处理个人数据时须遵守的数据保护法要求发送通知，则腾讯应通过电子邮件（和腾讯云门户）向组织通知涉及分包处理方增加或更换的任何预期变更。在此情况下，组织将在收到通知之日起十四 (14) 日内批准或拒绝此

类变更。如果组织未做出回应，则应被视为已接受分包处理方。如果组织拒绝更换分包处理方，腾讯可在向组织发出书面通知后终止协议且立即生效。

3. 如果腾讯雇佣分包处理方代表组织执行特定处理活动，并且该分包处理方未能履行其数据保护义务，腾讯仍将根据数据保护法完全对组织负责，履行该分包处理方的义务。

特定司法管辖区要求

欧洲

1. 腾讯同意，其不会在第三国处理欧盟个人数据，除非腾讯遵守控制方-处理方传输条款中规定的的数据输入方义务。
2. 如果控制方-处理方传输条款与本 DPISA 其余部分之间有任何冲突，则就任何欧盟个人数据而言，将以控制方-处理方传输条款为准。
3. 就控制方-处理方传输条款而言，将适用以下附加规定：
 - a. 双方同意遵守控制方-处理方传输条款，不需要做任何修改；
 - b. 组织和腾讯的名称与地址将被视为纳入控制方-处理方传输条款并用于履行控制方-处理方传输条款；
 - c. 组织是控制方-处理方传输条款中定义的数据输出方，腾讯或腾讯的相应关联公司是控制方-处理方传输条款中定义的数据输入方；并且
 - d. 各方签署本 DPISA 将被视为签署控制方-处理方传输条款中所包含条款。
4. 如果任何司法管辖区的法律或监管程序要求，双方将作为单独文件签署或重新签署控制方-处理方传输条款中所包含的条款，该单独文件中应规定以可能要求的方式拟进行的个人数据传输。

韩国

1. 如果腾讯安全政策不足以遵守韩国隐私法律和法规下的适用要求，腾讯将不时采取额外措施来遵守该等要求（如适用于个人数据的国外接收人），包括下列法律法规：
 - a. 促进信息与通信网络利用和信息保护法（简称“**ICT 网络法案**”）第 28 和 63 条；
 - b. 根据 ICT 网络法颁布的执行令第 15 和 67 条；
 - c. 个人信息保护技术和管理措施指南（由韩国通信委员会发布）；
 - d. 个人信息保护法（“**PIPA**”）第 29 条；
 - e. 根据 PIPA 颁布的执行令第 30 条；以及
 - f. 个人信息安全保护措施指南（由行政安全部发布），以及上述法规的不时修订和/或补充。
2. 腾讯将：
 - a. 仅为了执行委托的工作且在该工作的范围内使用个人数据；
 - b. 同意接受组织对腾讯处理个人数据进行的培训和监督；以及
 - c. 同意接受有关监管机构的监督和审查。
3. 对于因违反腾讯在本 DPISA 或适用法律下的义务而造成的一切损害、责任、成本和费用，腾讯将向组织及任何相关数据主体进行赔偿。

美国隐私法

1. 在适用的美国隐私法要求的范围内，经提出或发出合理的书面要求或通知：

- a. 组织可采取合理、适当的措施确保腾讯使用个人数据的方式符合组织在适用的美国隐私法项下的义务；
 - b. 如组织合理认为腾讯使用个人数据的行为违反了适用的美国隐私法，组织可采取合理、适当的措施制止和补救该等未经授权的使用；
 - c. 腾讯应向组织提供腾讯掌握的、为证明腾讯遵守其在美国隐私法项下的义务而所需的信息。
 - d. 腾讯应允许组织或组织的指定审计师就腾讯遵守其在适用的美国隐私法项下的义务的情况进行合理的年度评估并予以配合，相关费用由组织承担，且只有在双方就评估范围达成一致意见后方可进行评估。或者，腾讯可安排合格的独立审计师评估腾讯为支持其履行在适用的美国隐私法项下的义务而实施的政策以及技术和组织措施，审计师应采用适当且公认的控制标准或框架和评估程序进行该等评估。一经合理要求，腾讯应向组织提供相关评估报告。
2. 考虑到数据处理的背景，双方应采取适当的技术和组织措施，以保证与风险相适应的安全水平，并在双方之间明确划分实施该等措施的责任。在适用的美国隐私法要求的范围内，腾讯应提供与该等法律要求的力度同等的隐私保护。
3. 禁止腾讯做出以下任何行为：
- a. 出售和共享个人数据；
 - b. 为开展服务之特定目的以外的任何目的保留、使用或披露个人数据；
 - c. 在腾讯与组织的直接业务关系范围外保留、使用或披露个人数据；
 - d. 将从组织处或代表组织收到的个人数据与可能从腾讯与个人数据所涉及的个人单独互动过程中或从任何其他来源收集的任何个人数据合并，但美国隐私法允许的除外。就本美国隐私法条款而言，“出售”和“共享”及其他类似措辞应具有美国隐私法中规定的含义。

澳门

1. 在将腾讯指定为处理方以及指定分包处理方（在本协议允许的范围和程度内）时，组织应通知当地数据保护办公室（GPDP - Gabinete para a Protecção de Dados Pessoais）。
2. 腾讯有权合理要求组织提供符合相关澳门数据保护法下的指示的证据，包括上面第 1 节规定的通知。
3. 在处理敏感数据时（如《澳门数据保护法》（第 8/2005 号法）第 7 条所定义），组织应以书面形式明确通知腾讯，并确保遵守《澳门数据保护法》下针对该等数据处理规定的特定要求。

控制方-处理方传输条款

就关于将个人数据传输到无法提供充分数据保护的第三国处理方第 95/46/EC 号指令第 26(2) 条而言：

数据输出组织的名称：这是指签订协议的组织或个人（如果与不是代表组织行事的个人签订协议）。

（简称“**数据输出方**”）

与

数据输入组织的名称：服务条款第 1.2 节规定的签约实体。

（简称“**数据输入方**”）

单独称为“**一方**”；合称为“**双方**”，

已就以下合同条款（简称“**《合同条款》**”）达成一致，以在数据输出方将附件 1 所述的个人数据传输给数据输入方的过程中充分保障个人隐私及基本权利和自由。

定义

就《合同条款》而言：

- a. “个人数据”、“特殊类别的数据”、“处理/正在处理”、“控制方”、“处理方”、“数据主体”和“监管机构”将具有欧洲议会和欧洲理事会于 1995 年 10 月 24 日针对个人数据的处理和该等数据的自由传输而颁布的旨在保护个人数据的第 95/46/EC 号指令赋予的含义；
- b. “数据输出方”是指传输个人数据的控制方；
- c. “数据输入方”是指同意从数据输出方接收个人数据以在传输后代表数据输出方并根据数据输出方的指示和《合同条款》中的规定处理此类数据的处理方，并且该处理方不受第三国体制的约束，可确保提供第 95/46/EC 号指令第 25(1) 条中规定的充分保护；
- d. “分包处理方”是指数据输入方或数据输入方的任何其他分包处理方聘用的任何处理方，该处理方同意从数据输入方或数据输入方的任何其他分包处理方接收个人数据，以在传输后代表数据输出方并根据数据输出方的指示和《合同条款》中的规定以及书面分包合同的条款对此类数据执行处理活动；
- e. “适用数据保护法”是指在数据输出方成立地点所在的成员国境内，适用于数据控制方的、保护与处理个人数据相关的个人基本权利和自由（特别是个人隐私权）的法律；
- f. “技术和组织安全措施”是指用于保护个人数据的措施，通过这些措施，可以防止个人数据遭到意外或非法破坏或意外丢失、修改、未经授权的披露或访问（特别是在处理活动涉及到通过网络传输数据时）以及所有其他非法形式的处理活动。

传输的具体内容

传输的具体内容，特别是特殊类别的个人数据，将在适用时在附件 1 中进行说明，该内容构成《合同条款》不可缺少的一部分。

第三方受益人条款

1. 数据主体可以作为第三方受益人对数据输出方强制执行本条、第 4(b) 至 4(i) 条、第 5(a) 至 5(e) 和 5(g) 至 5(j) 条、第 6.1 和 6.2 条、第 7 条、第 8.2 条以及第 9 至 12 条。
2. 如果数据输出方在事实上已不存在或被取消法律资格，数据主体可对数据输入方强制执行本条、第 5(a) 至 5(e) 和 5(g) 条、第 6 条、第 7 条、第 8.2 条以及第 9 至 12 条，除非任何继任实体根据合同或法律规定承担数据输出方的全部法律义务，并据此接管数据输出方的权利和义务，在此情况下，数据主体可对此类实体强制执行上述条款。
3. 如果数据输出方和数据输入方在事实上均已不存在、被取消法律资格或丧失偿债能力，数据主体可对分包处理方强制执行本条、第 5(a) 至 5(e) 和 5(g) 条、第 6 条、第 7 条、第 8.2 条以及第 9 至 12 条，除非任何继任实体根据合同或法律规定承担数据输出方的全部法律义务，并据此接管数据输出方的权利和义务，在此情况下，数据主体可对此类实体强制执行上述条款。分包处理方所应承担的此类第三方责任仅限于其独自根据《合同条款》执行的处理操作。
4. 在数据主体明确希望且国内法律许可的情况下，数据主体可指定某一团体或其他机构作为其代表，双方对此无任何异议。

数据输出方的义务

数据输出方同意并保证：

- a. 个人数据的处理（包括数据传输本身）已经遵守并将继续遵守适用数据保护法的相关规定（并已在适用时通知了数据输出方所在成员国的相关机构），且不违反该国的其他相关规定；
- b. 其已要求并在整个个人数据处理服务存续期间要求数据输入方仅代表数据输出方且根据适用数据保护法以及《合同条款》对所传输的个人数据进行处理；
- c. 数据输入方将提供充分的保证以实施本协议附件 2 规定的技术和组织安全措施；
- d. 其已对适用数据保护法的要求进行评估，确认所采取的安全措施合理适当，可以防止个人数据遭到意外或非法破坏或者意外丢失、修改、未经授权的披露或访问（特别是在处理活动涉及到通过网络传输数据时）以及所有其他非法形式的处理活动，且此类措施就现有技术水平和实施成本而言，可确保达到防范数据处理以及要保护的数据特征所产生的风险所需的适当安全级别；
- e. 确保遵守相关安全措施；
- f. 如果传输涉及特殊数据类别，在数据传输之前已经或在数据传输之后将尽快通知数据主体，说明此类数据可能传输到无法提供第 95/46/EC 号指令规定的充分保护的第三国；
- g. 如果数据输出方决定继续传输或暂停数据传输，则根据第 5(b) 条和第 8.3 条的规定，将从数据输入方或任何分包处理方收到的通知转交给数据保护监管机构；
- h. 经数据主体要求，向其提供《合同条款》的一份副本（附件 2 除外）、一份安全措施摘要说明以及一份有关任何分包处理服务的合同副本（此合同须根据《合同条款》订立），除非《合同条款》或此类合同含有商业信息，在此情况下，可移除此类商业信息；
- i. 如果需进行分包处理，分包处理方应根据第 11 条执行处理活动，并为个人数据以及数据主体的权利提供至少与《合同条款》针对数据输入方规定的保护级别同等的保护；
- j. 确保遵守第 4(a) 至 4(i) 条的要求。

数据输入方的义务

数据输入方同意并保证：

- a. 仅代表数据输出方并按照数据输出方的指示以及《合同条款》的规定处理个人数据。如果出于任何原因无法遵守此规定，则数据输入方同意，就其无法遵守此规定的情况立即通知数据输出方，在这种情况下，数据输出方有权暂停数据传输和/或终止合同；
- b. 如果其无理由认为适用法律妨碍其遵守数据输出方的指示以及履行其合同义务，且在适用法律发生变更时，可能对《合同条款》下的保证和义务造成实质性不利影响，则其应在知悉此类情况后及时将此类变更通知数据输出方，在这种情况下，数据输出方有权暂停数据传输和/或终止合同；
- c. 其在处理所传输的个人数据之前已实施附件 2 规定的技术和组织安全措施；
- d. 如果出现下列情形，其将立即将相关事宜通知数据输出方：
执法机构提出任何具有法律约束力的个人数据披露要求，除非另有禁止规定（例如根据刑法，为保护执法调查的机密性而禁止此类披露）；
任何意外或非经授权访问，以及
数据主体直接提出任何要求，但此类要求并得到回应，经另行授权做出回应的情况除外；
- e. 如果数据输出方就数据输入方处理所传输的个人数据进行查询，及时对此类查询进行合理处理，并遵守监管机构就处理所传输的数据提出的建议；

- f. 经数据输出方要求，提交其数据处理设施，用以对《合同条款》规定的处理活动进行审计，此类审计将由数据输出方或数据输出方选定的检查机构实施，此类检查机构需由独立成员组成、拥有必要的专业资质并受保密义务约束，必要时，还需获得监管机构的认可；
- g. 如果数据主体无法从数据输出方获得《合同条款》或任何现有分包处理合同的副本，则经数据主体要求，为数据主体提供此类副本，除非《合同条款》或合同包含商业信息，在这种情况下，可移除此类商业信息，在提供此类副本时，不应包含附件 2，该附件将替换为一份安全措施摘要说明；
- h. 如果需进行分包处理，则其已事先通知数据输出方并获得数据输出方的书面同意；
- i. 分包处理方应根据第 11 条提供数据处理服务；
- j. 及时将根据《合同条款》订立的任何分包处理方协议副本发送给数据输出方。

责任

- 1. 双方同意，如果任何一方或分包处理方以任何方式违反第 3 条或第 11 条中规定的义务，致使任何数据主体遭受损失，则该数据主体有权从数据输出方处获得补偿，以弥补其遭受的损失。
- 2. 如果数据输入方或其分包处理方不履行其在第 3 条或第 11 条项下的义务，而数据主体因数据输出方在事实上已不存在、被取消法律资格或丧失偿债能力而无法根据第 6.1 条向数据输出方提出索赔要求，则数据输入方同意，数据主体可将数据输入方视为数据输出方，并向数据输入方发起索赔，除非任何继任实体已根据合同或法律规定承担数据输出方的全部法律义务，在这种情况下，数据主体可对此类实体强制行使其权利。数据输入方不得因分包处理方不履行其义务来逃避自身责任。
- 3. 如果分包处理方未履行其在第 3 条或第 11 条项下的义务，而数据主体因数据输出方和数据输入方在事实上均已不存在、被取消法律资格或丧失偿债能力而无法根据第 6.1 条和第 6.2 条向数据输出方或数据输入方提出索赔要求，则分包处理方同意，数据主体可将数据分包处理方视为数据输出方或数据输入方，并就数据分包处理方独自根据《合同条款》进行的处理操作向数据分包处理方发起索赔，除非任何继任实体已根据合同或法律规定承担数据输出方或数据输入方的全部法律义务，在这种情况下，数据主体可对此类实体强制行使其权利。分包处理方的责任将仅限于其独自根据《合同条款》进行的处理操作。

调解与司法管辖

- 1. 数据输入方同意，如果数据主体向其申索第三方受益人权利和/或根据《合同条款》对所遭受的损失提出补偿，数据输入方应接受数据主体的决定：
 - a. 将此类争议转交给独立个人或监管机构（如适用）进行调解；
 - b. 将此类争议转交给数据输出方所在成员国的法院。
- 2. 双方同意，数据主体所做的选择不会影响其根据国内或国际法律的其他条款规定寻求补救的实体性或程序性权利。

与监管机构合作

- 1. 如果监管机构要求备案一份本协议的副本，或者适用数据保护法要求进行此类备案，则数据输出方同意进行此类备案。

2. 双方同意，监管机构有权对数据输入方及其任何分包处理方进行审计，且此类审计的范围与条件与根据适用数据保护法对数据输出方进行的审计相同。
3. 如果存在任何适用于数据输入方或其任何分包处理方且阻止根据第 8.2 条对数据输入方或其任何分包处理方执行审计的法律，则数据输入方应及时通知数据输出方。在此类情况下，数据输出方将有权采取第 5(b) 条中规定的措施。

管制法律

《合同条款》受数据输出方所在成员国的法律管辖。

合同变更

双方承诺不会变更或修改《合同条款》。此项承诺不妨碍双方在必要时就业务相关问题添加相应条款，但前提是，《合同条款》不会与该条款冲突。

分包处理

1. 未经数据输出方事先书面同意，数据输入方不得将其根据《合同条款》代表数据输出方执行的任何处理操作进行分包。如果数据输入方经数据输出方同意将其根据《合同条款》应承担的义务进行分包，则其必须与分包处理方签署书面协议，此类协议对分包处理方规定的义务应与数据输入方根据《合同条款》应承担的义务完全相同。如果分包处理方未能根据此类书面协议履行其数据保护义务，则数据输入方将承担对数据输出方的全部责任并根据此类协议履行分包处理方的义务。
2. 数据输入方与分包处理方之间事先订立的书面合同还应载列第 3 条中规定的第三方受益人条款，如果数据主体因数据输出方或数据输入方在事实上已不存在、被取消法律资格或丧失偿债能力而无法根据第 6.1 条向数据输出方或数据输入方提出赔偿要求，并且没有任何继任实体根据合同或法律规定承担数据输出方或数据输入方的全部法律义务，则应援引此类第三方受益人条款。分包处理方所应承担的此类第三方责任仅限于其独自根据《合同条款》执行的处理操作。
3. 第 11.1 条所提及协议中有关数据保护分包处理的规定将受数据输出方所在成员国的法律管辖。
4. 数据输出方将留存一份根据《合同条款》达成的分包处理协议的清单，数据输入方应按照第 5(j) 条的规定将此类协议通知数据输出方，此类协议将至少每年更新一次。该清单将提供给数据输出方的数据保护监管机构。

个人数据处理服务终止后的义务

1. 双方同意，在数据处理服务条款终止后，数据输入方和分包处理方将按照数据输出方选择的方式，将所有已传输的个人数据及其副本退还给数据输出方，或者销毁所有此类个人数据并向数据输出方证明此类数据已被销毁，除非法律禁止数据输入方退还或销毁全部或部分已传输的个人数据。在这种情况下，数据输入方应保证其能够确保已传输的个人数据的机密性，并且不会再主动处理此类已传输的个人数据。
2. 数据输入方和分包处理方应保证，如果数据输出方和/或监管机构提出要求，其将提交相应的数据处理设施，以供对第 12.1 条提及的措施进行审计。

Customer Security Assessment Policy and Guidelines

最近更新时间：2021-08-20 17:59:25

Within the term of products and services purchased by you from Tencent Cloud, you may conduct a security assessment on the code, data, applications and components you deploy on Tencent Cloud. The security assessment includes, but is not limited to, vulnerability scans, penetration tests, stress tests and vulnerability mining (same for the full text). If you intend to proceed with the security assessment, your consent to and compliance with the following policy and guidelines (hereinafter referred to as these “Guidelines”) shall be required:

- 1.You shall not perform any security assessment on the infrastructure, platform, products or services of Tencent Cloud, including but not limited to servers, database systems and underlying applications, etc.
- 2.If you found any security vulnerability relating to the infrastructure, platform, products or services of Tencent Cloud in the course of your security assessment, please contact the Tencent Cloud security team (cloud_sec@tencent.com) immediately. You shall not disclose all or part of the information relating to such vulnerability to the public nor provide it to any third parties.
- 3.In conducting the security assessment, you shall not violate these Guidelines, nor perform the assessment beyond the scope of resources you purchase and create through your Tencent Cloud account.
- 4.If you want to carry out a stress test while conducting the security assessment, you shall be required to make an application for the test to the Tencent Cloud security team (cloud_sec@tencent.com). When making the application, a complete stress test proposal shall be submitted and such stress test shall be performed only after the application is approved. The stress test must be carried out in strict compliance with the stress test proposal during the test.
- 5.If a phishing test (i.e. sending phishing emails, phishing links and phishing documents, etc. to the users of your business) is to be included while conducting the security assessment, you shall conduct the phishing test in compliance with laws and regulations and publicly explain to such users about the act of performing the phishing test and the details of such test following the completion of the assessment so as to avoid any disputes arising from the phishing act. Please be aware that simulated phishing attacks can lead to adverse press and compromise user trust, therefore the group of persons selected for simulated phishing attacks must consent to participating in security and similar assessments. In the event of any complaints from users, disputes or other issues, you shall resolve them on your own and any consequences in connection therewith shall be solely borne by yourself.
- 6.If the procedures involving data, code and other information (including but not limited to the assessment of a disaster recovery emergency plan and destructive data or code test, etc.) are to be carried out while conducting the security assessment, you shall keep a backup of your data, code and other information properly by yourself and solely bear any consequences as a result therefrom.

7. Prior to the security assessment, you should be aware of any potential risk that may be caused by the security assessment and ensure that you have the lawful right to conduct the security assessment on the targets of such assessment. You shall solely assume all consequences and liabilities arising from the security assessment, and Tencent Cloud shall not be liable for any losses in connection with any loss of information (such as code and data) and any interruption, suspension of or impact on business operations caused by the security assessment.

8. Prior to the security assessment, you should make yourself fully familiar with and observe the provisions of applicable laws and regulations with respect to the relevant tasks, conduct the security assessment in compliance with laws and regulations and observe all requirements under these Guidelines. If you are in breach of any provisions of these Guidelines, laws and regulations and Tencent service agreements, etc., you shall solely take all responsibilities for such breach and be liable to indemnify any third parties such as Tencent Cloud or other Tencent Cloud users against any losses suffered by them arising therefrom. Further, you understand and agree that the consent given to you by Tencent Cloud with respect to the conducting of the stress test and any other security assessments does not indicate that you will be exempt from all liabilities in connection with the stress test and any other security assessments. If a security incident occurs due to your failure to perform the stress test pursuant to the stress test proposal during the test or the third parties such as Tencent Cloud and other Tencent Cloud users are affected by the securities assessments, you shall still be required to take all responsibilities in respect thereof and be liable to indemnify any third parties such as Tencent Cloud and other Tencent Cloud users against any losses suffered by them as a result thereof. Please be mindful that there are regulations in many jurisdictions that make it an offence to engage in certain computer or electronic activities that may compromise security or lead to unlawful access to information. This can include actions perceived to be pre-emptive of computer crimes, such as scanning third party systems. Therefore, you must ensure that any security assessments or penetration tests are conducted only where it is lawful and with any necessary consents from customers.

INTRODUCTION

This Acceptable Use Policy sets out rules of good behaviour applicable to your use of Tencent Cloud. By using Tencent Cloud, you agree to this Policy.

Should you have any questions about, or any person's compliance with, this Policy, please contact us at

cloudlegalenquiries@tencent.com .

Any terms used in this Policy will have the same meaning as the equivalent defined terms in the Tencent Cloud Terms of Service, unless the context requires otherwise.

PROHIBITED ACTIVITIES

You agree not to (and to not allow or cause any person (including any End Users) to) engage in any of the following prohibited activities (or encourage any person to engage in such prohibited activities) on or in relation to Tencent Cloud.

- **No breach of the Tencent Cloud Terms of Service.** You may not use Tencent Cloud in any manner or for any purpose which breaches the Tencent Cloud Terms of Service (including this Policy) or which breaches the terms of service of any other Tencent service or product.
- **No illegal, harmful or offensive use or content.** You may not use Tencent Cloud to:
 - violate any applicable laws, regulations, governmental orders or decrees;
 - engage in, promote, or encourage any illegal (or potentially illegal) activities;
 - send any unsolicited, unauthorised spam, advertising or promotional messages;
 - share or publish any other person's personally identifiable information using Tencent Cloud without their express consent;
 - create multiple accounts for disruptive or abusive purposes;

- submit, upload, store, transmit, distribute, display or otherwise make available any content (whether displayed publicly or not) which in fact or in our reasonable opinion:
- violates any applicable laws or regulations;
 - infringes our rights or any third party's rights – including any intellectual property rights, contractual rights, confidentiality rights or privacy rights;
 - creates a risk of loss or damage to any person or property;
 - is fraudulent, false, misleading or deceptive;
 - harms or exploits, or may harm or exploit any person (whether adult or minor) in any way, including via bullying or harassment, or threats, support, or encouragement of violence;
 - is hateful, harassing, abusive, promoting bigotry, racially or ethnically offensive, defamatory, humiliating to other people (publicly or otherwise), threatening, profane or otherwise objectionable;
 - promotes or encourages self-harming; or
 - is pornographic, sexually explicit, violent or otherwise of a mature nature; or
- impersonate any person or misrepresent your affiliation with any person or entity in registering or using an account (including by creating a misrepresentative account name or accessing another user's account) or in making any communications or sharing or publishing any content or information using Tencent Cloud.
- **No security breach or network abuse.** You may not use Tencent Cloud to:
 - interfere with, or attempt to interfere with, any user's or any other party's access to Tencent Cloud;
 - disable, interfere with or circumvent any parts of Tencent Cloud;
 - intentionally distribute viruses, worms, Trojan horses, corrupted files or other malicious code or items;
 - probe or test the vulnerability of, or otherwise circumvent (or attempt to circumvent) any security features on, Tencent Cloud, our Systems or other users' Systems. "**Systems**" means any network, computer or telecommunication systems;
 - decompile, reverse compile or reverse engineer any of Tencent Cloud Software, or seek to do any of the foregoing, except to the extent that applicable laws and regulations do not allow us to prevent you from doing this;
 - interfere with our, any user's or any other party's Systems – including via unauthorised access; interception of data or connections; falsifying the origin of your data or connections; or attacking any Systems in an unauthorised manner (including by "Denial of Service" attacks or broadcast attacks); or

- operating any Systems or services on (or that connect to) Tencent Cloud that are prohibited by us, at our sole discretion.

RESTRICTIONS ON YOUR USE OF TENCENT CLOUD SOFTWARE

You may not, and you may not permit any other person (including any End Users) to (except where we expressly permit you to do so):

- sub-license, rent, lease or sell Tencent Cloud Software;
- use Tencent Cloud Software to gain unauthorised access to any system, account or data;
- directly or indirectly charge others for use or access to Tencent Cloud Software;
- directly or indirectly suggest our support or endorsement of any product, service or content (including any personal web site);
- make Tencent Cloud Software publicly available or available on any network for copying, download or use by any person or persons;
- remove, obscure or modify any copyright, trade mark or other proprietary rights notice, marks or indications found in or on Tencent Cloud Software;
- misrepresent the source or ownership of Tencent Cloud Software;
- copy, reproduce, adapt, modify, translate or create derivate works from Tencent Cloud Software, lend, hire, rent, perform, sub-license, make available to the public, broadcast, distribute, transmit or otherwise use any Licensed Item in whole or in part, or attempt to do any of the foregoing;
- attempt to disrupt or interfere with Tencent Cloud Software, including manipulating the legitimate operation of Tencent Cloud Software;
- use cheats, exploits, automation software or any unauthorised third party software designed to modify or interfere with Tencent Cloud Software;
- disrupt or overburden any computer or server used to offer or support Tencent Cloud Software, or other users' use of Tencent Cloud Software; or
- develop any plug-ins, external components, compatibles or interconnection elements or other technology that inter-operate with Tencent Cloud Software, except where we expressly permit you to do so via Tencent Cloud Software. Where we have granted you such express permission, such use by you of the Tencent Cloud Software will be subject to the Tencent Cloud Terms of Service and any Additional Terms as notified by us to you.
- Please note that there may be technological measures in Tencent Cloud Software that are designed to prevent unlicensed or unauthorised use of Tencent Cloud Software or use of Tencent Cloud Software in breach of this Policy. You agree that we may use these measures and that you will not seek to disable or circumvent them in any way.

PROHIBITED USERS

In addition to any prohibitions as set out in the Tencent Cloud Terms of Use, you may not register for or use Tencent Cloud if:

- you are less than 13 years of age; or
- we have previously terminated your account and advised you that you may no longer use Tencent Cloud or any of our other services.

BREACH OF THIS POLICY OR MISUSE OF TENCENT CLOUD

We reserve the right, but are not obliged, to investigate any alleged breach of this Policy or misuse of Tencent Cloud. We may terminate any user's use of or access to Tencent Cloud in accordance with the Tencent Cloud Terms of Service. In addition, and to the extent not already allowed by the Tencent Cloud Terms of Service, we may report any activity that violates (or may violate) any applicable laws or regulations to appropriate law enforcement or regulatory authorities or other appropriate third parties, and cooperate with such authorities or third parties in any related investigations. Such cooperation may include disclosing:

- Your Content in accordance with the Tencent Cloud Terms of Service;
- any Tencent Cloud-related information that relates to the alleged breach of this Policy or misuse of Tencent Cloud; and/or
- any other information or materials as allowed by the Tencent Cloud Terms of Service.

著作权政策

最近更新时间：2023-01-13 18:03:25

Tencent Cloud respects the intellectual property rights of others and requires that you do the same when using Tencent Cloud. The [Tencent Cloud Terms of Service](#) (including the [Tencent Cloud Acceptable Use Policy](#)) prohibit you from using Tencent Cloud to infringe the copyrights of any third parties.

If you wish to report any content or material that infringe your intellectual property rights has been uploaded to a Tencent Cloud service, please report the alleged infringement by filling in the [Tencent Cloud International Portal Copyright Complaint Form](#). This will enable us to investigate your infringement complaint quickly and efficiently.

Tencent Cloud will also respond to copyright notifications submitted in accordance with our DMCA-based [Notification Policy](#). If we receive a valid copyright notice related to material uploaded by you, we will forward you a copy of the notice and we may take steps to remove or disable access to the allegedly infringing material, which may include suspending your access to Tencent Cloud. If we receive a valid copyright notice related to material uploaded to your Application by your End User, then we will forward you a copy of the notice and you must act promptly to: (i) forward the notice to the End User responsible for uploading the material and (ii) remove or disable access to the allegedly infringing material . If you fail to respond to any takedown notice promptly, or if we otherwise determine that it is necessary for us to remove or disable access to the allegedly infringing material in order to satisfy legal requirements, then we may take steps to remove or disable access to your Application in its entirety and/or suspend your access to Tencent Cloud. If you believe that the notice is incorrect or that you have the right to use the material at issue, you (or your End User responsible for uploading the material), may respond to the notifying party directly and/or send a counter-notice to Tencent Cloud under Section 512(g)(3) of the Digital Millennium Copyright Act (“DMCA”). If Tencent Cloud determines that you or your End Users, have repeatedly infringed the copyrights of others or repeatedly failed to respond to valid takedown requests in a timely manner, we may terminate your account in appropriate circumstances. Please see our [Notification Policy](#) for more information.

通知政策

最近更新时间：2023-01-13 18:06:06

Tencent Cloud has adopted the following general policy toward copyright infringement in accordance with the Digital Millennium Copyright Act (<https://www.copyright.gov/legislation/dmca.pdf>) ("DMCA").

Procedure for Reporting Copyright Infringement

Tencent Cloud responds to copyright notifications submitted in accordance with the DMCA. Section 512 of the DMCA outlines the statutory requirements necessary for formally reporting copyright infringement, as well as providing instructions on how an affected party can appeal a removal by submitting a counter-notice.

If you believe that material or content residing on or accessible through Tencent Cloud infringes a copyright, please send a notice of copyright infringement containing the following information to the Designated Agent to Receive Notification of Claimed Infringement ("Designated Agent") at the address listed below:

1. A physical or electronic signature of a person authorized to act on behalf of the owner of the copyright that has been allegedly infringed.
2. Identification of works or materials being infringed; this includes, at a minimum and if applicable, the URL or IP address of the link shown on the site where such material may be found, as well as the reference or link to the material or activity that you claim to be infringing, that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit us to locate that reference or link, including at a minimum, if applicable, the URL or IP address of the link shown on the site where such reference or link may be found.
3. Contact information about the notifier including address, telephone number and, if available, e-mail address.
4. A statement that the notifier has a good faith belief that the material is not authorized by the copyright owner, its agent, or the law; include this statement in the body of the notice:

“I hereby state that I have a good faith belief that the disputed use of the copyrighted material or reference or link to such material is not authorized by the copyright owner, its agent, or the law (e.g., as a fair use).”

5. A statement made under penalty of perjury that the information provided is accurate and the notifying party is authorized to make the complaint on behalf of the copyright owner; include this statement in the body of the notice:

“I hereby state that the information in this notice is accurate and, under penalty of perjury, that I am the owner, or authorized to act on behalf of the owner, of the copyright or of an exclusive right under the copyright that is allegedly infringed.”

Please contact the Designated Agent at cloud_complaint@tencent.com, with a copy to copyrightnotice@tencent.com, or at:

Tencent Cloud

Attention: Legal Department (Copyright Notification)

2747 Park Blvd.

Palo Alto, CA 94306

In addition to the requirements listed above, it may be helpful to include additional information to allow us to identify the work that you claim has been infringed (e.g., a screenshot or copy of the work or the allegedly infringing material). The more details you include in your notification, the easier it will be for Tencent Cloud to respond to your notice.

Consequences of Sending A DMCA Notice

Tencent Cloud will review your notice for accuracy, validity, and completeness. If we find that it satisfies these requirements, we may take appropriate measures consistent with the DMCA. This includes acting expeditiously to forward the notice to the user associated with the allegedly infringing material and removing or disabling access to the allegedly infringing material. If the person who posted the material believes that the notice is incorrect or that they have the right to use the material at issue, they may send a counter-notice under Section 512(g)(3) of the DMCA. If we receive a counter-notice, we will forward it to you and it is up to you to take further legal action. If you do not respond to a valid counter-notice within 10 business days, we may repost or reinstate access to the material.

Please carefully consider any submission of a notice, particularly if you are unsure whether you own (or are lawfully authorized to use) the relevant material. Under 17 U.S.C. § 512(f), you may be liable for any damages, including costs and attorneys' fees incurred by us or our users, if you knowingly materially misrepresent that material or activity is infringing. So before you send a DMCA notice, make sure that you are the actual copyright holder (or are authorized to act on behalf of the owner), that you have a good-faith belief that the material you are identifying is actually infringing (e.g., that it is not a fair use), and that you understand the repercussions of submitting a false claim.

Procedure for Submitting a Counter-Notice

If you are a user who posted allegedly infringing material and who received notification to that effect from Tencent Cloud, you may elect to send us a counter-notice if you dispute the claim of infringement. Your counter-notice must include the following information:

1. A physical or electronic signature from you or a person authorized to act on your behalf.
2. Identification of the disputed material and the location at which the disputed material appears or appeared before it was removed or access to it was disabled.
3. A statement under penalty of perjury that you have a good faith belief that the material was removed, disabled, or identified as infringing as a result of mistake or misidentification.

4. Your contact information, including your name, address, and telephone number, and a statement that you consent to the jurisdiction of Federal District Court for the judicial district in which the address is located, or if your address is outside of the United States, for any judicial district in which Tencent Cloud may be found, and that you will accept service of process from the person who provided the initial copyright notification or an agent of such person.

Such written notice should be sent to our Designated Agent at cloud_complaint@tencent.com, with a copy to copyrightnotice@tencent.com, or at:

Tencent Cloud

Attention: Legal Department (Copyright Notification)

2747 Park Blvd.

Palo Alto, CA 94306

[Repeat Infringer Policy](#).

Consistent with the requirements of the DMCA and in appropriate circumstances, Tencent Cloud will promptly terminate the accounts of subscribers who repeatedly infringe the copyrights of others.

Short Message Service Terms of Service

To the extent you wish to receive Short Message Service, such Short Message Service shall be subject to these Short Message Service Terms of Service and the [Tencent Cloud Terms of Service](#).

Capitalized terms used but not defined herein shall have the respective meanings given to them in the Tencent Cloud Terms of Service.

PLEASE READ THE FOLLOWING TERMS CAREFULLY.

BY CLICKING “I ACCEPT,” OR BY DOWNLOADING, INSTALLING, OR OTHERWISE ACCESSING OR USING THE SHORT MESSAGE SERVICE, YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD AND AGREED TO BE BOUND BY THE FOLLOWING TERMS.

1. You shall:

(a) obtain and maintain throughout the Term relevant licences, approvals, permits and certificates and complete all relevant registrations and filings required in connection with your and/or your End User's use of the Short Message Service;

(b) utilize the Short Message Service only in compliance with laws regulating marketing, solicitation, business practices, or telecommunications or electronic communications (“**Telemarketing Laws**”) such as the United States Telephone Consumer Protection Act of 1991 (“**TCPA**”), including as applicable to the use of automatic dialing systems and transmission of SMS text messages;

(c) comply, and cause your End Users to comply, with all applicable laws, regulations, industry codes and practices; and

(d) comply, and cause your End Users to comply, with Tencent's policies, instructions and guidelines in respect of the use of the Short Message Service.

2. You shall not transmit or disseminate, or permit that your End Users transmit or disseminate, any SMS messages or content that is obscene, vulgar, menacing, defamatory, abusive, false, inaccurate, misleading, unlawful, invasive of any person's privacy, hateful, harassing, harmful, or otherwise offensive, inappropriate or violates any rights.

3. You shall not send, or permit your End Users to send any commercial or marketing SMS messages without the recipient's explicit consent. Tencent will, in accordance with the Data Processing and Security Agreement, notify you, upon becoming aware, of any instruction received from you in relation to Personal Data processed on your behalf, which in the discretion of Tencent may breach any applicable laws, including any Data Protection Laws. Tencent shall

have the right to suspend processing, including the right to stop or refuse delivery or receipt of any commercial or marketing SMS messages, under these circumstances.

4. You acknowledge that:

(a) you are solely responsible for any messages transmitted or disseminated through the Short Message Service by you or your End Users;

(b) Tencent does not have any obligation to review, edit or amend any SMS messages or content before it is transmitted or disseminated through the Short Message Service; and

(c) you are solely responsible for compliance with Telemarketing Laws such as the TCPA including, but not limited to, responsibility for obtaining and maintaining such prior consent(s) as may be necessary for the sending of SMS messages in the United States or elsewhere as applicable. Without regard to any caps on liability in the Tencent Cloud Terms of Service, you agree to indemnify and hold harmless Tencent for any claimed or actual violations of Telemarketing Laws such as the TCPA.

(d) Notwithstanding the foregoing, Tencent may, in its discretion, audit any SMS messages transmitted through the Short Message Service by you or your End Users and Tencent may edit, remove or refuse any SMS message or content that, in its discretion, violates these Short Message Service Terms of Service, the Tencent Cloud Terms of Service or applicable laws, regulations, industry codes and practices.

1. INTRODUCTION

1.1 This General Service Level Agreement, including the relevant [Service specific Service Level Agreements](#), (collectively, "**SLA**") is incorporated into, and forms part of, the Tencent Cloud [Terms of Service](#) or the Tencent Cloud Master Services Agreement, as applicable, entered into between Tencent and you ("**Agreement**"). This SLA applies separately to each Account using the Services.

1.2 Capitalised terms used but not defined in the SLA will have the meaning given to them in the Agreement.

1.3 Tencent may amend the SLA in accordance with the Agreement.

1.4 If there are any discrepancies between this General Service Level Agreement and the relevant Service specific Service Level Agreement(s), the relevant Service specific Service Level Agreement(s) shall apply.

1.5 In this General Service Level Agreement:

(a) "**Billing Cycle**" means a monthly billing cycle for the Fees during the Term;

(b) "**Compensation**" means the compensation as set out in the relevant Service specific Service Level Agreement; and

(c) "**Service Levels**" means the service standard or service availability set out in the relevant Service specific Service Level Agreement.

2. SERVICE LEVELS AND SERVICE CREDITS

Unless otherwise stated in a relevant Service specific Service Level Agreement:

2.1 Tencent will use reasonable efforts to make Service available in accordance with the Service specific Service Level Agreement. If Tencent Cloud does not meet a Service Level during the relevant calendar month (an "**Incident**"), then (subject to the terms and conditions of the Agreement and the relevant Service specific Service Level Agreement) you are eligible to receive Compensation.

2.2 All Service Levels will be calculated on a per-account, per-complete calendar month basis. Service Levels will not be calculated, and no Compensation will be due, for any non-complete calendar month (i.e. if you do not purchase a particular Service for a complete calendar month, no Compensation is applicable in relation to that Service for that non-complete calendar month).

2.3 Compensation is calculated as a percentage of the total Fees paid by you to Tencent in respect of the relevant Service provided under the Agreement during the relevant calendar month in which the Service Level was calculated.

2.4 Any Compensation provided to you:

(a) will only be applied against future payments of Fees due from your account to Tencent for the relevant Service that is subject of the relevant Incident;

(b) unless otherwise expressly set out in the Agreement, will be your sole and exclusive remedy for:

(i) Tencent's failure to meet the applicable Service Level; and

(ii) any unavailability of, loss of performance or functionality of, or other failure by Tencent to provide the relevant Services (or any part of Tencent Cloud); and

(c) will not entitle you to any other refund or payment from Tencent or to unilaterally withhold payment of any Fees or other amounts owing to Tencent.

2.5 The Compensation provided to you (pursuant to the relevant Service specific Service Level Agreement and pursuant to all applicable Service Levels) for any particular Service in any given calendar month will not, under any circumstance, exceed the Fees paid and payable by you for that particular Service in that calendar month.

3. COMPENSATION CLAIMS

Unless otherwise stated in the relevant Service specific Service Level Agreement:

3.1 To receive Compensation for an Incident, you must submit a claim to Tencent (a "**Compensation Claim**"). A Compensation Claim can be submitted via your Account (the "**Compensation Claim Form**").

3.2 To be eligible for Compensation, you must submit a Compensation Claim to Tencent within 60 days of the Incident's commencement date, with all information requested on the Compensation Claim Form being completed by you to Tencent's satisfaction (acting reasonably). Failure by you to provide all necessary information in respect of a Compensation Claim within 60 days of the Incident's commencement date will disqualify you from receiving Compensation.

3.3 Tencent will evaluate each Compensation Claim using information reasonable available to it, and (acting reasonably and in good faith) determine whether Compensation is owed to you for that Compensation Claim. Tencent will use reasonable efforts to complete such evaluation within 60 days of Tencent's receipt of a properly completed Compensation Claim.

3.4 If Tencent determines that Compensation is owed to you for a Compensation Claim, Tencent will apply the Compensation as a deduction to the Fees payable by you in the next Billing Cycle after such determination.

3.5 If more than one Service Level is not met because of an Incident, you may choose only one Service Level under which to make a claim based on that Incident. If you fail to make such a choice, Tencent may in its discretion choose which Service Level default forms the basis for any Compensation.

3.6 Tencent's determination in relation to all Compensation Claims is final and binding.

4. EXCLUSIONS

4.1 Under no circumstances will this SLA, Service Levels or Compensation apply to, and under no circumstances will Tencent be liable for, any performance or availability issues relating to the Services that are due to any one or more of the following (collectively, the "**Exclusions**"):

(a) factors outside of Tencent's reasonable control – for example, due to:

(i) any event of force majeure (as defined in the Agreement);

(ii) any equipment, telecommunications or network failure external to Tencent Cloud's data centres, including at your site(s) or in relation to your connections from its site to Tencent Cloud's data centres;

(iii) any security breaches of Tencent Cloud by third parties, provided that Tencent has implemented and followed appropriate security practices;

(iv) substantial increase in user traffic that Tencent had no prior notice of and/or had no reasonable control over; or

(v) any content delivery failure due to non-compliance with local network regulations and/or licensing;

(b) any network, services, hardware or software not provided by Tencent, including:

(i) any third-party hosting or cloud service; or

(ii) any third-party DNS or traffic management service;

(c) your non-compliance with the Agreement or any instructions concerning the use of the Services after being notified of it by Tencent from time to time – including:

(i) any failure to comply with the Agreement, including the Data Processing and Security Agreement, Privacy Policy, Acceptable Use Policy or Copyright Policy; or

(ii) using the Services in a manner inconsistent with its features and functions – for example, performing operations on, configuring or inputting instructions that are not supported by the Services;

(d) your use of a beta or test version of the Services;

(e) your failure to implement and follow appropriate security practices, including by protecting any of your Account login details;

(f) any suspension or termination by Tencent of your use of or access to your Account or the Services in accordance with the Agreement;

(g) planned or unplanned maintenance to the Services; or

(h) any other exclusions for specific Service Levels as set out in the relevant Service specific Service Level Agreement(s).

CVM Service Level Agreement

最近更新时间：2020-11-01 11:08:22

In order to use the Tencent Cloud Virtual Machine (“CVM”) service (the “Service”), you should read and comply with this Cloud Virtual Machine Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Unless otherwise stipulated, this Agreement does not apply to instances and functions of CVM closed beta testing. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Cloud Virtual Machine (CVM)

CVM means computing capabilities that can be scaled up in the cloud provided to you by Tencent Cloud, which saves you from resource projection and upfront investment required in using traditional servers. For details, please refer to the Service you purchase, and the contents of the Service provided by Tencent Cloud.

1.2 Single Instance

Single Instance means one (1) CVM instance, i.e., the unit CVM.

1.3 Total Time of a Single Instance in a Service Month

Total Time of a Single Instance in a Service Month = the total number of days of the Service Month for such Single Instance × 24 (hours) × 60 (minutes).

1.4 Instance Unavailability

When a CVM instance with incoming and outgoing permission rules properly configured fails to communicate with an IP address, neither incoming nor outgoing, via TCP or UDP protocol, and such failure lasts for more than one (1) minute, it will be deemed that the CVM instance is unavailable within such one (1) minute.

1.5 Single Instance Service Downtime Calculated in Minutes

Single Instance Single Service Downtime Calculated in Minutes = the time Instance Unavailability is fixed – the time Instance Unavailability starts. The Single Instance Single Service Downtime is calculated in minutes. (If the operational failure is fixed within one (1) minute, i.e., the Instance Unavailability lasts for less than one (1) minute, such downtime will not be counted.) A period that is longer than one (1) minute but shorter than two (2) minutes will be counted as two (2) minutes. For example, if the Single Instance Single Service Downtime is one (1) minute and one (1) second, the Single Instance Single Service Downtime Calculated in Minutes would be two (2) minutes.

The Single Instance Service Downtime Calculated in Minutes is the total of Single Instance Single Service Downtime Calculated in Minutes of such instance in a Service Month.

1.6 Instance Unavailability Across Availability Zones in A Single Region

If the user deploys CVM instances in at least two (2) availability zones in the same region (referred to as “**Across Availability Zones in A Single Region**” herein), when all CVM instances in any availability zone in such region become unavailable and certain CVM instance(s) in other availability zone(s) in such region also becomes unavailable, such unavailability of CVM instance(s) in other availability zone(s) in such region will be deemed as Instance Unavailability Across Availability Zones in A Single Region. For example, if the user deploys CVM instances in both Availability Zone A and Availability Zone B in the same region, when certain CVM instance in Availability Zone A becomes unavailable and all CVM instances in Availability Zone B become unavailable, the unavailability of instance in Availability Zone A will be deemed as Instance Unavailability Across Availability Zones in A Single Region.

1.7 Service Downtime Across Availability Zones in A Single Region Calculated in Minutes

Single Service Downtime Across Availability Zones in A Single Region Calculated in Minutes = the time Instance Unavailability Across Availability Zones in A Single Region is fixed – the time Instance Unavailability Across Availability Zones in A Single Region starts. The Single Service Downtime Across Availability Zones in A Single Region is calculated in minutes. (If the operational failure is fixed within one (1) minute, i.e., the Instance Unavailability Across Availability Zones in A Single Region lasts for less than one (1) minute, such downtime will not be counted.) A period that is longer than one (1) minute but shorter than two (2) minutes will be counted as two (2) minutes. For example, if the Single Service Downtime Across Availability Zones in A Single Region is one (1) minute and one (1) second, the Single Service Downtime Across Availability Zones in A Single Region would be two (2) minutes.

The Service Downtime Across Availability Zones in A Single Region Calculated in Minutes is the total of Single Service Downtime Across Availability Zones in A Single Region Calculated in Minutes of such instance in a Service Month.

1.8 Service Month(s)

Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated separately for each Service Month.

1.9 Monthly Service Fee

Monthly Service Fee means the aggregate service fees paid by you for a Single Instance in one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Tencent Cloud guarantees two levels of Service Availability for a CVM instance, the **Single Instance Service Availability** and the **Service Availability Across Availability Zones in A Single Region**. Both the Single Instance Service Availability and the Service Availability Across Availability Zones in A Single Region are calculated on the basis of a **single instance**.

(1) Single Instance Service Availability:

Single Instance Service Availability = (Total Minutes of a Single Instance in a Service Month - Single Instance Service Downtime Calculated in Minutes) / Total Minutes of a Single Instance in a Service Month × 100%

(2) Service Availability Across Availability Zones in A Single Region:

Service Availability Across Availability Zones in A Single Region = (Total Minutes of a Single Instance in a Service Month - Service Downtime Across Availability Zones in A Single Region Calculated in Minutes of the Single Instance) / Total Minutes of a Single Instance in a Service Month × 100%

2.2 Service Availability

(1) The Single Instance Service Availability of the Service provided by Tencent Cloud will be **no less than 99.975%**.

You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below. Assuming that a Service Month has thirty (30) days, the total available time of a Single Instance in such month shall be 30 (days) × 24 (hours) × 60 (minutes) × 99.975% = 43189.2 minutes; that is, the Service Downtime of the instance in such month will be 43200 - 43189.2 = 10.8 minutes.

(2) The Service Availability Across Availability Zones in A Single Region of the Service provided by Tencent Cloud will be **no less than 99.995%**. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below. Assuming that a Service Month has thirty (30) days, the total available time of a Single

Instance in such month shall be $30 \text{ (days)} \times 24 \text{ (hours)} \times 60 \text{ (minutes)} \times 99.995\% = 43197.84$ minutes; that is, the Service Downtime Across Availability Zones in A Single Region in such month will be $43200 - 43197.84 = 2.16$ minutes.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the **Single Instance Service Availability** in a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month.**

Single Instance Service Availability in a Service Month	Value of Compensation Voucher
$\geq 99\%$ and $< 99.975\%$	10% of the Monthly Service Fee
$\geq 95\%$ and $< 99\%$	25% of the Monthly Service Fee
$< 95\%$	100% of the Monthly Service Fee

(3) If the **Service Availability Across Availability Zones in A Single Region** in a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month.**

Service Availability Across Availability Zones in A Single Region in a Service Month	Value of Compensation Voucher
$\geq 99\%$ and $< 99.995\%$	10% of the Monthly Service Fee
$\geq 95\%$ and $< 99\%$	25% of the Monthly Service Fee
$< 95\%$	100% of the Monthly Service Fee

(4) If a CVM instance is eligible to compensations according to standards set forth in both Articles 3.1(2) and 3.1(3), whichever is higher shall be applied.

3.2 Time Limit for Compensation Application

(1) If the Single Instance Service Availability or the Service Availability Across Availability Zones in A Single Region in a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any failure or configuration adjustment of any network or equipment that is not Tencent Cloud facility;

4.2 any hacker attack on a user's application;

4.3 any loss or leak of data, pin or password due to improper maintenance or confidentiality measures of a user;

4.4 any negligence of, or operation authorized by, a user;

4.5 any failure by a user to abide by documentation or suggestions for using Tencent Cloud products, for example, shutting down, restarting, or uninstalling cloud storage of a CVM instance via Tencent Cloud control panel, API, CLI or otherwise;

4.6 any start-up dependence on local disk and data stored herein, which data is removed due to system failure;

4.7 any CVM instance error caused by software installed by a user, any other third-party software or configuration not directly operated by Tencent Cloud;

4.8 any event of force majeure including without limitation natural disasters such as earthquake, flood and plague, social events such as war, riot and government action, technology incidents such as disconnection of

telecommunication trunk circuits, hacker attack and network congestion, technological adjustment by telecommunication authorities, and government regulation and control;

4.9 any suspension or termination of servers resulting from any violation by a user of the [Tencent Cloud Service Agreement](#), including without limitation the release of a CVM instance open for bidding when the bidding offer of a user is lower than the closing price, and the suspension of service or release of a CVM instance due to a user's delay in payment;

4.10 any temporary downtime of the Service due to normal maintenance or upgrade of CVM by Tencent Cloud as described in the [Tencent Cloud Service Agreement](#);

4.11 any Service unavailability or failure of the Service to meet the standard due to any reason not attributable to Tencent Cloud;

4.12 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CBM Service Level Agreement

最近更新时间：2023-08-01 16:35:53

In order to use the Tencent Cloud Bare Metal Service (the “Service” or “CBM”), you shall read and comply with this Tencent Cloud Bare Metal Service Level Agreement (this “Agreement”) and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Availability Standard, Compensation Plan and Disclaimer of Liabilities. Unless otherwise stipulated, this Agreement does not apply to instances and functions of CBM closed beta testing. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the Tencent Cloud Service Agreement.

1. Terms and Definitions

1.1 Cloud Bare Metal, CBM

CBM means elastic computing capabilities that can be scaled up in the cloud provided to you by Tencent Cloud, which saves you from resource projection and upfront investment of corresponding infrastructure required in using traditional servers. For details, please refer to the Service you purchase, and the contents of the Service provided by Tencent Cloud.

1.2 Single Instance

Single Instance means one (1) CBM instance, i.e., the unit CBM.

1.3 Total Minutes of a Single Instance in a Service Month

Total Minutes of a Single Instance in a Service Month = the total number of days of the Service Month for such Single Instance × 24 (hours) × 60 (minutes).

1.4 Instance Unavailability

When a CBM instance with incoming and outgoing permission rules properly configured and in the running status fails to communicate with an IP address, neither incoming nor outgoing, via TCP or UDP protocol, and such failure lasts for more than five (5) minutes, it will be deemed that the CBM instance is unavailable within such five (5) minutes.

1.5 Single Instance Service Downtime Calculated in Minutes

Single Instance Single Service Downtime Calculated in Minutes = the time Instance Unavailability is fixed - the time Instance Unavailability starts. The Single Instance Single Service Downtime is calculated in minutes. (If the operational failure is fixed within five (5) minutes, i.e., the Instance Unavailability lasts for less than five (5) minutes, such period will not be counted as Single Instance Service Downtime.) A period that is longer than five (5) minutes but shorter than six (6) minutes will be counted as six (6) minutes. For example, if the Single Instance Single Service Downtime is five (5) minutes and one (1) second, the Single Instance Single Service Downtime Calculated in Minutes would be six (6) minutes.

The Single Instance Service Downtime Calculated in Minutes is the total of Single Instance Single Service Downtime Calculated in Minutes of such instance in a Service Month.

1.6 Instance Unavailability Across Availability Zones in a Single Region

If the user deploys CBM instances in at least two (2) availability zones in the same region (“**Across Availability Zones in a Single Region**”), when **all CBM instances in any availability zone in such region become unavailable** and certain CBM instance(s) in other availability zone(s) in such region also becomes unavailable, such unavailability of CBM instance(s) in other availability zone(s) in such region will be deemed as Instance Unavailability Across Availability Zones in a Single Region. For example, if the user deploys CBM instances in both Availability Zone A and Availability Zone B in the same region, when **certain CBM instance** in Availability Zone A becomes unavailable and **all CBM instances** in Availability Zone B become unavailable, the unavailability of instance in Availability Zone A will be deemed as **Instance Unavailability Across Availability Zones in a Single Region**.

1.7 Service Downtime Across Availability Zones in a Single Region Calculated in Minutes

Single Service Downtime Across Availability Zones in a Single Region Calculated in Minutes = the time Instance Unavailability Across Availability Zones in a Single Region is fixed – the time Instance Unavailability Across Availability Zones in a Single Region starts. The Single Service Downtime Across Availability Zones in a Single Region is calculated in minutes. (If the operational failure is fixed within five (5) minutes, i.e., the Instance Unavailability Across Availability Zones in a Single Region lasts for less than five (5) minutes, such period will not be counted as Service Downtime Across Availability Zones in a Single Region.) A period that is longer than five (5) minutes but shorter than six (6) minutes will be counted as six (6) minutes. For example, if the Single Service Downtime Across Availability Zones in a Single Region is five (5) minutes and one (1) second, the Single Service Downtime Across Availability Zones in a Single Region would be six (6) minutes.

The Service Downtime Across Availability Zones in a Single Region Calculated in Minutes is the total of Single Service Downtime Across Availability Zones in a Single Region Calculated in Minutes of such instance in a Service Month.

1.8 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months until June 16 (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.9 Monthly Service Fee

Monthly Service Fee means the aggregate service fees paid by you for a Single Instance in one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Tencent Cloud guarantees two levels of Service Availability for a CBM instance, **the Single Instance Service Availability and the Service Availability Across Availability Zones in a Single Region**. Both the Single Instance Service Availability and the Service Availability Across Availability Zones in a Single Region are calculated on the basis of **a Single Instance**.

(1) Single Instance Service Availability:

Single Instance Service Availability = (Total Minutes of a Single Instance in a Service Month - Single Instance Service Downtime Calculated in Minutes) / Total Minutes of a Single Instance in a Service Month × 100%

(2) Service Availability Across Availability Zones in a Single Region:

Service Availability Across Availability Zones in a Single Region = (Total Minutes of a Single Instance in a Service Month - Service Downtime Across Availability Zones in a Single Region Calculated in Minutes of the Single Instance) / Total Minutes of a Single Instance in a Service Month × 100%

2.2 Service Availability Standard

(1) **The Single Instance Service Availability of the Service provided by Tencent Cloud shall be no less than 99.9%**. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the Disclaimer of Liabilities provisions below. Assuming that a Service Month has thirty (30) days, the total available time of a Single Instance in such month shall be 30 (days) × 24 (hours) × 60 (minutes) × 99.9% = 43156.8 minutes; that is, the Service Downtime of the instance in such month will be 43200 - 43156.8 = 43.2 minutes.

(2) **The Service Availability Across Availability Zones in a Single Region of the Service provided by Tencent Cloud shall be no less than 99.95%.** You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the Disclaimer of Liabilities provisions below. Assuming that a Service Month has thirty (30) days, the total available time of a Single Instance in such month shall be $30 \text{ (days)} \times 24 \text{ (hours)} \times 60 \text{ (minutes)} \times 99.95\% = 43178.4 \text{ minutes}$; that is, the Service Downtime Across Availability Zones in a Single Region in such month will be $43200 - 43178.4 = 21.6 \text{ minutes}$.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the **Single Instance** Service Availability in a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month.**

Single Instance Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

(3) If the Service Availability **Across Availability Zones in a Single Region** in a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month.**

Service Availability Across Availability Zones in a Single Region in a Service Month	Value of Compensational Voucher
--	---------------------------------

Service Availability Across Availability Zones in a Single Region in a Service Month	Value of Compensational Voucher
Less than 99.95% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

(4) If a CBM instance is eligible to compensations according to standards set forth in both Sections 3.1(2) and 3.1(3), whichever is higher shall be applied.

3.2 Time Limit for Compensation Application

(1) If the Single Instance Service Availability or the Service Availability Across Availability Zones in a Single Region in a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.

(2) **You shall apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding service downtime shall not be counted towards service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 Any failure or configuration adjustment of any network or equipment that is not Tencent Cloud facility.

4.2 Any hacker attack on a customer's application.

4.3 Any loss or leak of data, pin or password due to improper maintenance or confidentiality measures of a customer.

4.4 Any negligence of, or operation authorized by, a customer.

- 4.5 Any failure by a customer to abide by documentation or suggestions for using Tencent Cloud products, for example, shutting down, restarting, or uninstalling cloud storage of a CBM instance via Tencent Cloud control panel, API, CLI or otherwise.
- 4.6 Any start-up dependence on local disk and data stored herein, which data is removed due to system failure.
- 4.7 Any single point of hardware failure in a redundant configuration that does not affect the customer's business, including but not limited to a single NIC failure in multi-NIC bonding, a single disk failure in a disk group with storage redundancy configuration, etc.
- 4.8 Any CBM instance error caused by software installed by a customer, any other third-party software or configuration not directly operated by Tencent Cloud.
- 4.9 Any hardware failure of out-of-service physical servers that the customer has chosen not to upgrade.
- 4.10 Any event of force majeure including without limitation natural disasters such as earthquake, flood and plague, social events such as war, riot and government action, technology incidents such as disconnection of telecommunication trunk circuits, hacker attack and network congestion, technological adjustment by telecommunication authorities, and government regulation and control.
- 4.11 Any suspension or termination of servers resulting from any violation by a customer of the Tencent Cloud Service Agreement, including without limitation the release of a CBM instance open for bidding when the bidding offer of a customer is lower than the closing price, and the suspension of service or release of a CBM instance due to a customer's delay in payment.
- 4.12 Any temporary downtime of the Service due to normal maintenance or upgrade of CBM by Tencent Cloud as described in the Tencent Cloud Service Agreement.
- 4.13 Any Service unavailability or failure of the Service to meet the standard due to any reasons not attributable to Tencent Cloud.
- 4.14 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the

Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End)

TKE Service Level Agreement

最近更新时间：2021-12-24 10:50:40

Note : This Tencent Kubernetes Engine Service Level Agreement will take effect from July 4, 2019.

To use the Tencent Kubernetes Engine (“TKE”) service (the “Service”), you should read and observe this Tencent Kubernetes Engine Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Unless otherwise stipulated, this Agreement does not apply to instances and functions of TKE closed beta testing. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Kubernetes Engine

Tencent Kubernetes Engine (“TKE”) is the Kubernetes cluster management services provided by Tencent Cloud to you (“Client”) via Tencent Cloud platform, including without limitation cluster management, node management and image storage management. For details, please refer to the Service purchased by you and the content of Service provided by Tencent Cloud. You may create and manage Kubernetes cluster by using the Service and deploy your container business in the cluster.

1.2 Service Month(s)

Service Month(s) is the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Service Downtime Calculated in Minutes within a Service Month

When all the attempted operation made by you within one minute via cluster management API or console website fail, such one minute shall count towards the Service downtime of the Service Month. When the attempted operations made by you within one minute via cluster management API or website console succeed in full or in part, such one minute shall not count towards the Service downtime of the Service Month, and the Service within such one minutes shall be deemed available. The sum of the unavailable minutes during a Service Month shall be the Service downtime calculated in minutes for such Service Month.

1.4 Total Time of a Service Period Calculated in Minutes

Total Time of a Service Period Calculated in Minutes = The number of days of the Service Month × 24 (hours) × 60 (minutes).

1.5 Directly Related Tencent Cloud Products

When using container function of the Service, Tencent Cloud products such as CVM, CLB, CBS, CFS and CLS may be involved. The Directly Related Tencent Cloud Products means that if business abnormality is caused by TKE components, only costs for directly affected products, rather than indirectly affected products, shall be compensated, including without limitation the following:

1. If load balance creation is abnormal due to abnormal TKE load balance components, only relevant load balance costs will be compensated. The backend cloud server costs shall be excluded.
2. If block storage is abnormal due to abnormal TKE block storage components, only relevant block storage costs will be compensated. The backend cloud server costs shall be excluded.
3. If cluster node is abnormal due to abnormal TKE node management components, only relevant abnormal node costs will be compensated. The CLB, CBS and other costs shall be excluded.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = $1 - (\text{Service Downtime Calculated in Minutes within a Service Month} / \text{Total Time of a Service Month Calculated in Minutes}) \times 100\%$

2.2 Standards of Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

TKE service provide Standards of Service Availability for following product features:

1. Cluster Management: adding, deleting, modifying and checking clusters, opening or closing API server of cluster access of public network and private network.
2. Node Management: adding, deleting, modifying and checking nodes (for product anomaly due to Tencent Cloud Virtual Machine, please refer to Tencent Cloud Virtual Machine Service Level Agreement).
3. Network Storage Plugin Management: including Kubernetes components expanded from TKE, such as Elastic Network Interface, VPC, CLB, CBS (For product anomaly due to Tencent Cloud Elastic Network Interface, VPC, CLB, CBS, please refer to the service level agreement for the corresponding product).
4. Image Storage Management: adding, deleting, modifying and checking image storage.

3. Compensation Plan

3.1 Scope of Compensation

Tencent Cloud TKE provides compensation for affected product features including without limitation the following:

1. Cloud Virtual Machine anomaly due to TKE node management components.
2. Anomaly in creating or using load balance due to TKE load balance components.
3. Anomaly in creating or using block storage due to TKE block storage components.
4. Anomaly in creating or using document storage due to TKE document storage components.
5. Anomaly in creation or use due to TKE network management components (Global Router, VPC-CNI).

Note: The following features are beyond the scope of compensation for Standards of Service Availability of TKE.

1. Effect caused open source software Kubernetes, Docker and operating system kernel and other open source portions.
2. Effect caused by relevant Tencent Cloud products per se, e.g., failure for TKE to create CLB due to CLB interface anomaly, anomaly for TKE to create resources because the quota has been reached or the resources are sold out.
3. Kubernetes plugins made available to the community as open source software's by TKE.

3.2 Standards of Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

1. For TKE service, Tencent Cloud only compensates for issues caused by Directly Related Tencent Cloud Products, e.g., only relevant costs of load balance will be compensated for anomaly in creating load balance components due to the TKE load balance components.
2. Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.
3. If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, **and the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month** (the monthly service fee referred herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability for a Service Month	Value of Compensation Voucher
≥ 99.0% and < 99.95%	10% of the monthly service fee for Directly Related Tencent Cloud Products
≥ 98.0% and < 99.0%	20% of the monthly service fee for Directly Related Tencent Cloud Products
< 98.0%	50% of the monthly service fee for Directly Related Tencent Cloud Products

3.3 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.

(2) You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard. If you fail to make any application

within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

1. Any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and failure simulation test;
2. Any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility;
3. Any attack on your application interface or data, or any other misconduct;
4. Any loss or leak of data, pin or password due to your improper maintenance or improper confidentiality measures;
5. Any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device;
6. Any failure of you to abide by documentation or suggestions for using Tencent Cloud products;
7. Any Service unavailability or failure of the Service to meet the availability standard not attributable to Tencent Cloud.
8. Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

Before using the TKE service, you should read carefully the relevant service description, technical specification and operation guide, etc. in official documentation of Tencent Cloud, and fully understand the relevant content and potential consequences. You understand and agree that, your use of TKE service is based on your sole independent and prudent judgement, and you shall be responsible for your own judgement or actions, including without limitation:

1. You should decide on your own the compatibility between the Service and the operation system, database and other software and hardware you choose;
2. TKE service does not guarantee the availability of operating system and kernel defects caused by the community;
3. You shall be responsible for your own operations (e.g., health check configuration, resource limitation configuration, container image configuration, code writing and business logic setting);
4. If you use other paid Tencent Cloud products while using TKE service, you shall pay for such products in accordance with the corresponding pricing arrangement and observe corresponding service terms;

5. TKE service only includes relevant technical structure and components for container service, including without limitation TKE API Server, ETCD, CLB, CBS and other Kubernetes Controller components of Tencent Cloud IAAS. TKE service is only responsible for the availability of its own components. For other Tencent Cloud products such as CVM, CLB and CBS, please refer to relevant service level agreements. You shall be solely responsible for your upstream application (business). In addition, it may cause adverse effect such as downtime if you upgrade operation system on your own. Please consider the risk and operate with caution.

5. Miscellaneous

1. The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.
2. Tencent Cloud has the right to amend the terms of this Agreement and notify you as appropriate or necessary in light of changes in due course. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
3. As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy.

TCR Service Level Agreement

最近更新时间：2020-12-14 17:31:11

Tencent Container Registry Enterprise Edition Service Level Agreement

This Tencent Container Registry Enterprise Edition Service Level Agreement shall be effective on December 7, 2020.

In order to use the Tencent Container Registry Enterprise Edition (the “Service”), you shall read and comply with this Tencent Container Registry Enterprise Edition Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service Availability or success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Container Registry (TCR)

Refers to the cloud hosting and distribution service for container images and other cloud-native products provided to you (or the “Client”) by Tencent Cloud through the Tencent Cloud Platform, which includes a free Personal Edition and a paid Enterprise Edition.

1.2 Tencent Container Registry Enterprise Edition (TCR EE)

Refers to the enterprise-level cloud hosting and distribution service for container images and other cloud-native products provided to you (or the “Client”) by Tencent Cloud through the Tencent Cloud Platform, which supports the storage and distribution of Docker images and Helm Chart and security scan of images, and provides enterprise clients with granular access management and network access control. The service offers a paid tier; the user can purchase dedicated Registry Instances from the product console and enjoy the guarantees of this SLA. In this documentation, the Tencent Container Registry or TCR shall by default mean the Enterprise Edition thereof.

1.3 Single Instance

A Container Registry Instance with the unit count of 1.

1.4 Total Minutes of a Single Instance in a Service Month

Calculated by the formula: The total number of days in a Service Month for a Single Instance × 24 (hours) × 60 (minutes).

1.5 Instance Unavailable Minutes

A TCR EE Instance is deemed as unavailable in a minute if, within such minute, the client side attempts to access the given TCR EE Instance but is continuously returned with internal errors or fails to upload or pull images. The Instance Unavailable Minutes are the total number of minutes in which a TCR EE Instance is unavailable in a Service Period.

1.6 Service Month(s)

Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months, with the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16. The Service Availability will be calculated separately for each Service Month.

1.7 The Most Relevant Cloud Product

The use of the Tencent Container Registry feature through this Service involves the use of Tencent Cloud's Cloud Object Storage (COS) product. The Most Relevant Cloud Product refers to the policy that if the malfunction of operation is attributable to a TCR component, the compensation shall be limited to the fees of the directly impacted product and exclude the fees of indirectly impacted products. The applicable circumstances include but not limited to: (1) If the COS interface as the backend of TCR malfunctions, the compensation shall be limited to the fees of the object storage service and exclude the fees of the TCR.

2. Service Availability

2.1 Calculation of Service Availability

The Service Availability shall be calculated on the basis of a Single Instance and with the following formula: Service Availability = (Total number of minutes in a Service Period - Unavailable Minutes of the Service) / Total number of minutes in a Service Period × 100%.

2.2 Service Availability Standard

The Service Availability of the Service provided by Tencent Cloud will be no less than **99.9%**. You are entitled to the compensation as set forth in Section 3 of this Agreement if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided in the Release of Liabilities provisions.

3. Compensation Plan

In respect of the Service (Tencent Container Registry Enterprise Edition), if the Service Availability is less than **99.9%**, you are entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of **voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability in a Service Month fails to meet the abovementioned standard, the amount of compensation shall be calculated for such Service Month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such Service Month** (the Monthly Service Fee referred to herein shall exclude the non-cash fee deducted by a voucher, a promotional coupon, or otherwise).

Service Availability in a Service Month (Av)	Value of Compensational Voucher
$99.9\% > Av \geq 90\%$	10% of the Monthly Service Fee
$90\% > Av$	25% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the abovementioned Service Availability standard, **you may apply for compensation only through the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. **If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the standards of the Service Availability or the service response period, you may apply for compensation within the period of time as stipulated under this Agreement. For the convenience of

verifying the circumstance, you shall at least provide the following information together with your compensation application:

- (1) The date, start time, end time of the failure and a simple description of the failure.
- (2) The screenshot or screencast of the failure or the system log.
- (3) Other relevant information such as the account, device information (such as the models of the device hardware, the operation system, and the browser), the software configurations, and debugging information.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding duration of Service unavailability shall not be considered when calculating the Service unavailability period, shall not be eligible for compensation by Tencent Cloud, and Tencent Cloud shall not be held liable to you:

- 4.1 any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility;
- 4.2 any hacker attack on a user's application;
- 4.3 any loss or leak of data, pin or password due to improper maintenance or confidentiality measures of a user;
- 4.4 any negligence of, or operation authorized by, a user;
- 4.5 any failure by a user to abide by the documentation or suggestions for using Tencent Cloud products; for example, any unavailability resulting from the user's operation to delete a TCR instance via the console, the API, CLI or other methods of control or the deletion or destroy of data of the COS Bucket backend storage with which a TCR instance is associated.
- 4.6 any event of force majeure including but not limited to natural disasters such as earthquake, flood and pandemic, social events such as war, riot and government action, technology incidents such as disconnection of telecommunication trunk circuits, hacker attack and network congestion, technological adjustment by telecommunication authorities, and government regulation and control;
- 4.7 any suspension or termination of service resulting from any violation by a user of the [Tencent Cloud Service Agreement](#), including but not limited to the suspension of service or release of a TCR instance due to a user's delay in payment;
- 4.8 any temporary downtime of the Service due to normal maintenance or upgrade of TCR by Tencent Cloud as described in the [Tencent Cloud Service Agreement](#);
- 4.9 any Service unavailability or failure of the Service to meet the standard due to any reason not attributable to Tencent Cloud;

4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

TDMQ Service Level Agreement

最近更新时间：2023-04-11 14:49:59

In order to use the Message Queue TDMQ service (the "Service"), you should read and observe this Message Queue TDMQ Service Level Agreement (this "Agreement", or this "SLA") and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Message Queue TDMQ: Message Queue TDMQ (Tencent Distributed Message Queue, TDMQ), based on the Apache Pulsar project, is a Tencent Cloud-developed highly reliable distributed cloud message queue. Due to the separated structure of computing and storage, Message Queue TDMQ has good flexibility and malfunction recovery ability, and its open protocol interface supports compatibility with many popular message queues except Pulsar in a plug-in manner.

1.2 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Total Time within a Service Month in Minutes: equals to the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.4 Service Downtime in Minutes: Service Downtime Calculated in Minutes = the time when the Service Unavailability is fixed - the time when the Service Unavailability starts. Service downtime means the time commencing from the malfunction until the recovery of Service, including any unscheduled maintenance time. Service Unavailability

that lasts for more than five (5) minute will be counted in the Service downtime. However, when the Service Unavailability is fixed within five (5) minute, which means that the actual downtime of the Service is less than five (5) minute, such downtime will not be counted in the Service downtime defined herein.

1.5 Monthly Service Fee: means the aggregate service fees paid by you for a Message Queue TDMQ service under certain Tencent Cloud account within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional voucher, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (Total Time within a Service Month in Minutes - Service Downtime within a Service Month in Minutes) / Total Time within a Service Month in Minutes × 100%

2.2 Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 (Service Compensation) below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

If a Service Month has thirty (30) days, the total available time of Service in such month would be 30 (days) × 24 (hours) × 60 (minutes) × 99.95% = 43178.4 minutes; that is, the Service downtime in such month will be 43200 -- 43178.4 = 21.6 minutes.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.95% > Av ≥ 99%	10% of the Monthly Service Fee
99% > Av ≥ 95%	25% of the Monthly Service Fee
95% > Av	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any failure of the Service to meet the availability standard due to reaching or exceeding the limit of the scale of the single business instance purchased by you.

4.2 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test.

4.3 any defects of data flow or management flow resulting from open source community.

4.4 any attack on your application endpoint or data, or any other mal-operation.

4.5 any failure of you to abide by user guide or suggestions for using Tencent Cloud products.

4.6 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.7 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.

4.8 any message delivery delay caused by you, including but not limited to message accumulation due to your low consumption process;

4.9 any message timing error caused by you, including but not limited to server clock inconsistency, time zone inconsistency.

4.10 any circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any terms of service, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 You understand that Tencent Cloud cannot warrant that the Service is error free; however Tencent Cloud will endeavor to continuously improve the quality and level of its services. As such, you hereby agree that Tencent will not be deemed to have breached this Agreement in case of any error of the Service, as long as such error is unavoidable in the context of the then existing technologies in the industry. You agree to cooperate with Tencent to resolve aforementioned error.

5.2 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.3 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.4 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

TCMQ Service Level Agreement

最近更新时间：2023-04-24 14:53:45

In order to use the Message Queue TDMQ service (the "Service"), you should read and observe this Message Queue TDMQ Service Level Agreement (this "Agreement", or this "SLA") and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Message Queue TDMQ: Message Queue TDMQ (Tencent Distributed Message Queue, TDMQ), based on the Apache Pulsar project, is a Tencent Cloud-developed highly reliable distributed cloud message queue. Due to the separated structure of computing and storage, Message Queue TDMQ has good flexibility and malfunction recovery ability, and its open protocol interface supports compatibility with many popular message queues except Pulsar in a plug-in manner.

1.2 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Total Time within a Service Month in Minutes: equals to the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.4 Service Downtime in Minutes: Service Downtime Calculated in Minutes = the time when the Service Unavailability is fixed - the time when the Service Unavailability starts. Service downtime means the time commencing from the malfunction until the recovery of Service, including any unscheduled maintenance time. Service Unavailability that lasts for more than five (5) minute will be counted in the Service downtime. However, when the Service

Unavailability is fixed within five (5) minute, which means that the actual downtime of the Service is less than five (5) minute, such downtime will not be counted in the Service downtime defined herein.

1.5 Monthly Service Fee: means the aggregate service fees paid by you for a Message Queue TDMQ service under certain Tencent Cloud account within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional voucher, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (Total Time within a Service Month in Minutes - Service Downtime within a Service Month in Minutes) / Total Time within a Service Month in Minutes × 100%

2.2 Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 (Service Compensation) below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

If a Service Month has thirty (30) days, the total available time of Service in such month would be 30 (days) × 24 (hours) × 60 (minutes) × 99.95% = 43178.4 minutes; that is, the Service downtime in such month will be 43200 -- 43178.4 = 21.6 minutes.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable**

Monthly Service Fee paid by you for such month (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.95% > Av ≥ 99%	10% of the Monthly Service Fee
99% > Av ≥ 95%	25% of the Monthly Service Fee
95% > Av	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any failure of the Service to meet the availability standard due to reaching or exceeding the limit of the scale of the single business instance purchased by you.
- 4.2 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test.
- 4.3 any defects of data flow or management flow resulting from open source community.
- 4.4 any attack on your application endpoint or data, or any other mal-operation.
- 4.5 any failure of you to abide by user guide or suggestions for using Tencent Cloud products.

4.6 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.7 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.

4.8 any message delivery delay caused by you, including but not limited to message accumulation due to your low consumption process;

4.9 any message timing error caused by you, including but not limited to server clock inconsistency, time zone inconsistency.

4.10 any circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any terms of service, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 You understand that Tencent Cloud cannot warrant that the Service is error free; however Tencent Cloud will endeavor to continuously improve the quality and level of its services. As such, you hereby agree that Tencent will not be deemed to have breached this Agreement in case of any error of the Service, as long as such error is unavoidable in the context of the then existing technologies in the industry. You agree to cooperate with Tencent to resolve aforementioned error.

5.2 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.3 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.4 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CMQ Service Level Agreement

最近更新时间：2019-07-12 11:34:10

1. Tencent Cloud Service

Tencent Cloud: means cloud system services consisting of cloud virtual machine, cloud bandwidth, cloud storage space, cloud database, cloud security, cloud monitoring, cloud automated testing, and other different elements to meet different needs of various products including websites and applications. Please refer to the relevant information published by Tencent Cloud for detailed categories of services.

2. Service Guarantee Metrics

Tencent Cloud sets service level metrics for cloud service purchased by you and guarantees data management and business quality to the extent possible. However, Tencent Cloud has the right to adjust certain metrics in due course. Unless otherwise specifically stipulated herein, for the purpose of this agreement, a "month" equals to thirty (30) calendar days, coinciding with a calendar month.

2.1 Cloud Message Queue ("CMQ") Service (the "Service")

2.1.1. Durability of Stored Data

The durability of CMQ you request for each month is 99.999999%.

2.1.2. Data Deletion

Upon your request or prior to disposal or resale of a device, Tencent Cloud will perform low level formatting of disks to completely and irrecoverably delete all your data which cannot be recovered, and the disks will be demagnetized when they are discarded.

2.1.3. Data Confidentiality

CMQ will leverage on the Key Management Service (KMS) to have the body of the messages encrypted to avoid uploading messages in plaintext.

2.1.4. Right to Know

Six data centers are currently deployed for the Service, namely, Shanghai Data Center, Hong Kong Data Center, Guangzhou Data Center, Beijing Data Center, Singapore Data Center, and North America Data Center.

In order to assist a user in selecting the data center with best network conditions for the data storage purpose, the user should specify the region (Shanghai, Hong Kong, Guangzhou, Beijing, Singapore, and North America) when

purchasing cloud virtual machine.

The local laws and relevant laws of the People's Republic of China that a data center known to the user shall comply with.

None of user data will be provided to a third party, unless required by a government regulatory authority for regulatory or audit purposes.

In order to ensure the security of user data, Tencent Cloud will concurrently store three replica sets of the data and will make data cold back-up on a regular basis.

2.1.5. Data Audit

Tencent Cloud may, in accordance with the existing laws and regulations, and provided that the relevant procedural and formality requirements are fully compliant, disclose certain information of cloud virtual machines, including without limitation operation log of key components, operation records of operation and maintenance personnel and operation records of users, for the purposes of cooperating with supervision and administration, evidence collection and investigations of governmental or regulatory authorities or otherwise.

2.1.6. Service Availability

Tencent Cloud guarantees that the availability of the Service will be no lower than 99.95%, which means that the available time of the Service in a month for a user would be no less than 43,178.4 minutes (= 30 (days) × 24 (hours) × 60 (minutes) × 99.95%), and the Service may be unavailable for 21.6 minutes (= 43,200 minutes -- 43,178.4 minutes) in a month. The Service unavailability will be calculated on a single instance basis.

If it takes less than 5 minutes for the malfunction of the Service to recover, such period will not be counted into Service downtime. Service downtime refers to the time period starting from the occurrence of the malfunction and ending upon the recovery of the Service, including the time period for maintenance; provided, however, that only such time period lasting over 5 minutes will be counted into the Service downtime.

2.1.7. Malfunction Recovery Capacity

CMQ has failover capacity, which means that automatic failover to an alternate master server will be triggered, without any action of a user, when any malfunction of a physical server occurs, thus ensuring the continuity of the Service provided to users. In addition, Tencent Cloud's professional teams provide maintenance assistance on a 24/7 basis.

3. Accuracy of Pay-Per-Use

The purchase page and order page will expressly specify the fees for Tencent Cloud services. A user may select specific service category and purchase such service in accordance with the fee so specified. Please refer to the information published on Tencent Cloud official website for fee details. Tencent Cloud will charge service fees based on the category of service purchased by the user and the service period thereof.

4. Compensation

4.1 Scope

If a user is not able to use the cloud virtual machine in a regular way or is completely unable to access such virtual machine or the website (developer service website) is unable to access due to any malfunction attributable to Tencent Cloud, the user may require Tencent Cloud to compensate for such incident/malfunction.

4.2 Compensation Standards

Duration of malfunction = the time when the malfunction is fixed-- the time when the malfunction starts. The duration of malfunction will be calculated in minutes. Where the duration of malfunction, or an unrounded portion thereof, is less than 1 minute, it will be rounded up to 1 minute. For example, if the duration of malfunction is 1 minute and 1 second, it will be calculated as 2 minutes.

One hundred times compensation for CMQ malfunction:

Post-pay: the compensation will be made in the form of cash voucher, the amount of cash voucher = daily fee of the failed CMQ / 24 / 60 × duration of malfunction (calculated in minutes) × 100. However, the amount of such cash voucher shall not exceed the total CMQ service fees.

CKafka Service Level Agreement (Old Version)

最近更新时间：2019-08-22 09:30:43

1. Tencent Cloud CKafka Message Service

CKafka (Cloud Kafka) is a distributed, high-throughput, and highly scalable messaging system, which is compatible with the open-source Kafka API (version 0.9 and 0.10). Based on the publishing/subscription model, Ckafka decouples messages and enables producers and consumers to interact asynchronously without having to wait for each other. Ckafka has many advantages such as data compression and supporting offline and real-time data processing at the same time. It is suitable for log compression collection, monitoring data aggregation and other scenarios.

2. Service Guarantee Indicators

Tencent Cloud will stipulate the customized service level indicators for the cloud service you bought, and will commit itself to providing you with the maximum guarantee in terms of data management and business quality. Meanwhile, Tencent Cloud will reserve the right to make a proper adjustment in any indicators according to changes. Unless otherwise specified, the "month" referred to herein has a length of 30 calendar days, and shall be calculated on the basis of a calendar month.

2.1 CKafka Message Service

2.1.1 Data Storage Persistence

The CKafka you apply for every month has a data storage persistence of '99.999999%'.

2.1.2 Destroyable Data

When you request to delete any data or before you discard or resell any device, Tencent Cloud will perform a complete, permanent deletion on all your data through low-level disk formatting, and degauss the hard disks that are due for scrap.

2.1.3 Right to Know

For now, users' CKafka service is deployed in six data centers, which are Shanghai Data Center, Guangzhou Data Center, Beijing Data Center, Chengdu Data Center, Shanghai Financial Data Center, and Shenzhen Financial Data

Center.

Tencent Cloud helps users choose a data center with the best network condition to store their data. Users can select the region where they belong (Guangzhou, Shanghai, Beijing, Chengdu) when making a CVM purchase.

Those data centers available to users shall comply with local laws and regulations and applicable laws and regulations of the PRC.

Tencent Cloud will not disclose any of users' data to any third party, unless such disclosure is required by regulatory authorities for supervision and auditing purposes.

2.1.4 Data Auditing

In accordance with the applicable laws and regulations and on condition of compliance with relevant process and availability of all necessary documents, Tencent Cloud may provide information regarding CVMs, including operation log of key components, operation records of OPS personnel and operation records of users, if required by regulatory authorities or if it is necessary to do so for other reasons such as collection of evidences during investigation into security incidents.

2.1.5 Service Availability

A service availability of '99.95%' is guaranteed for the CKafka Message Service, which means that the CKafka Message Service should be available for users for at least ' $30 \times 24 \times 60 \times 99.95\% = 43178.4$ minutes' each month, and be unavailable for users for ' $43200 - 43178.4 = 21.6$ minutes' at most each month. Service unavailable time is calculated by the user's single instance.

If the service recovers from failure within `5 minutes`, it will not be counted into service downtime. Unavailability duration refers to the period from the moment the failure occurs to the recovery of service, including maintenance duration. If the service recovers from failure for over 5 minutes, it will be counted into the unavailability duration.

2.1.6 Failure Recovery Capability

Tencent CKafka is designed with the failure recovery capability. When the physical server fails, the service will be automatically migrated to a new parent host without requiring any user intervention, so as to ensure continued service for customers. Meanwhile, Tencent Cloud's professional team provides maintenance support on a `24/7` basis.

3. Service Billing Accuracy

The billing details for Tencent Cloud services are displayed on the customer's purchase and order pages. You can choose the services you need from a variety of service categories and make a purchase at the listed prices. Please refer to the information published on Tencent Cloud website for the actual prices, and the fee will be charged based on the service specifications and the length of usage.

4. Compensation

4.1 Scope

Compensation is applicable to circumstances where a user claims for compensation for incidents/failures caused by Tencent Cloud, such as the user's inability to use services properly or access them and the inability to access any particular website (service site for developers).

4.2 Compensation Standards

Downtime duration = time when the failure is resolved - start time of failure. Downtime duration is calculated in minutes, and the duration less than 1 minute will be counted as 1 minute .

For example, if the downtime duration is 1 minute and 1 second , the duration will be counted as 2 minutes .

Hundred-fold compensation for CKafka Message Service failures:

Postpaid: a cash coupon in an amount equal to the daily fee of the failed instance $\div 24 \div 60 \times \text{downtime duration (in minutes)} \times 100$ will be offered. The upper limit of the cash coupon shall not exceed the total fee of the CKafka service.

CKafka Service Level Agreement (New Version)

最近更新时间：2019-08-22 09:32:12

The Cloud KAFKA Service Level Agreement (New Version) will be available on the official website of Tencent Cloud for the public to comment for thirty (30) days, and will take effect as of August 23, 2019 (Please note that the Cloud Kafka Service Level Agreement (Old Version) is also available on the official website of Tencent Cloud until August 23, 2019). Any service availability issue in relation to the CKafka service on or before August 23, 2019 is governed by the Cloud KAFKA Service Level Agreement (Old Version), while the service availability issue as from August 24, 2019 shall be subject to the Cloud KAFKA Service Level Agreement (New Version).

In order to use the Tencent Cloud Kafka ("CKafka") service (the "Service"), you should read and observe this Cloud Kafka Service Level Agreement (this "Agreement") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Cloud Kafka (CKafka): means a distributed, high-throughput, highly scalable messaging system that is compatible with open-source Apache Kafka API (version 0.9 and version 0.10). Based on the publish/subscribe model, CKafka enables async interaction between the message producer and consumer by decoupling the messages and thereby eliminating wait time. CKafka supports data compression and offline and real-time data processing, making it ideal for collection of compressed logs and aggregation of monitoring data.

1.2 **Single Instance:** means one (1) CKafka instance. The Service Availability will be calculated on a Single Instance basis.

1.3 **Total Time of a Single Instance within a Service Month:** equals to the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.4 **Instance Unavailability:** When a CKafka instance with incoming and outgoing permission rules properly configured fails to communicate with an IP address, neither incoming nor outgoing, and such failure lasts for more than five (5) minutes, it will be deemed that the CKafka instance is unavailable within such five (5) minutes.

1.5 **Single Instance Service Downtime Calculated in Minutes:** Single Instance Service Downtime Calculated in Minutes = the time when the Instance Unavailability is fixed -- the time when the Instance Unavailability starts. Service downtime means the time period starting from the malfunction to the recovery to normal use, including the time period for maintenance. It will not be counted in the Service downtime unless and until the malfunction of the Service lasts for at least five (5) minutes; when the Instance Unavailability is fixed within five (5) minutes, which means that the actual downtime of the Service is less than five (5) minutes, such downtime will not be counted in the Service downtime defined herein.

1.6 **Service Month(s):** means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.7 **Monthly Service Fee:** means the aggregate service fees paid by you in cash for a Single CKafka Instance within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (total time of a Single Instance within a Service Month calculated in minutes - Single Instance Service Downtime Calculated in Minutes) / total time of a Single Instance within a Service Month calculated in minutes × 100%

2.2 Service Availability Standard**

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 (*Service Compensation*) below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

Assuming that the Total Time of a Single Instance within a Service Month is $30 \times 24 \times 60 \times 99.95\% = 43178.4$ minutes, the Service downtime of the instance in such month will be $43200 - 43178.4 = 21.6$ minutes.

Note:

The standard above applies only to the availability of the components of the Service per se; for the service availability of the other relevant Tencent Cloud services, such as COS, EMR and Oceanus, please refer to their respective service level agreement.

None of the additional functionality provided by the Service, including without limitation storing messages via COS, is covered by Service Availability guarantee herein.

The data in the Service is delivered asynchronously, which means, *among others*, that the Service cannot guarantee 100% storage of the data under the circumstance of multiple server malfunction, and therefore, in order to ensure the security of the data, you should make replicas of your instances and be responsible for backing up your data.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
$99.95\% > Av \geq 99\%$	10% of the Monthly Service Fee
$99\% > Av \geq 95\%$	25% of the Monthly Service Fee

Service Availability (Av) for a Service Month	Value of Compensation Voucher
95% > Av	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any failure of the Service to meet the availability standard due to reaching or exceeding the limit of the scale of the single business instance purchased by you.

4.2 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.3 any circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any terms of service, rules or guidelines published by Tencent Cloud separately.

4.4 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test.

4.5 any defects of data flow or management flow resulting from open source community.

4.6 any attack on your application endpoint or data, or any other mal-operation.

4.7 any failure of you to abide by user guide or suggestions for using Tencent Cloud products.

5. Miscellaneous

5.1 You understand that Tencent Cloud cannot warrant that the Service is error free; however Tencent Cloud will endeavor to continuously improve the quality and level of its services. As such, you hereby agree that Tencent will not be deemed to have breached this Agreement in case of any error of the Service, as long as such error is unavoidable in the context of the then existing technologies in the industry. You agree to cooperate with Tencent to resolve aforementioned error.

5.2 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.3 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.4 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

RabbitMQ Service Level Agreement

最近更新时间：2023-04-24 14:56:14

In order to use the Tencent Cloud Distributed Message Queue Service for RabbitMQ (the “Service” or “TDMQ for RabbitMQ”), you shall read and comply with this Tencent Cloud Distributed Message Queue for RabbitMQ Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Uptime Metrics, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 TDMQ for RabbitMQ

TDMQ for RabbitMQ refers to a distributed, highly available message queue service that provides a reliable, message-based asynchronous communication mechanism that allows messages to be transmitted between different applications (or different components of the same application) in a distributed deployment, to be stored in a reliable and efficient queue to prevent message loss. TDMQ for RabbitMQ supports simultaneous reading and writing of multiple processes, achieve non-interference between sending and receiving, and doesn't need each application or component to be running at all times.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of service days in Service Month(s) for a certain Tencent Cloud account × 24 (hours) × 60 (minutes).

1.4 Service Unavailability

In a given minute, if the requests by the customer to call the API specified by the Service for message production/publishing, message consumption, and message acknowledgement all fail, the Service is deemed as unavailable (the “**Service Unavailability**”) in such minute.

1.5 Service Downtime Calculated in Minutes

Service Downtime Calculated in Minutes = the time the Service Unavailability is fixed – the time the Service Unavailability starts. Service Downtime refers to the time from the start of a service failure to the time the services are back to normal.

If the duration of a service failure exceeds 5 minutes, such duration would be counted as Service Downtime Calculated in Minutes. If the duration of a service failure is less than 5 minutes (i.e., the duration of the instance unavailability does not exceed 5 minutes), such duration wouldn't be counted as Service Downtime Calculated in Minutes.

1.6 Service Downtime Calculated in Minutes within Service Month(s)

Refers to the sum of Service Downtime Calculated in Minutes generated by the client in a Service Month for a certain Tencent Cloud account.

1.7 Monthly Service Fee

The Monthly Service Fee refers to the accumulated cash service fee you pay for the Service of a certain Tencent Cloud account within a Service Month, excluding the portion that has been purchased but not consumed yet, and the fees deducted with vouchers, coupons, service fee reductions, etc.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (Total Number of Minutes within a Service Month - Service Downtime Calculated in Minutes within such Service Month) / Total Number of Minutes within such Service Month × 100%.

2.2 Service Availability Standard

The Service Availability for the Service **shall be no less than 99.95%** (“Service Availability Standard”). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of Liabilities), you may claim compensation in accordance with Article 3 of this Agreement (Compensation Plan).

Assuming that the Total Number of Minutes within a Service Month is 43,200 minutes ($=30 \times 24 \times 60$), the Service Downtime Calculated in Minutes within such Service Month will be less than 21.6 minutes ($=43,200 - 43,200 \times 99.95\%$).

3. Compensation Plan

In respect of the Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and after receiving the voucher, you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability Standard is not met for any Service Month, **the amount of compensation will be calculated for each such Service Month independently, and the aggregate amount shall be no more than the Monthly Service Fee you pay for the Service in the Service Month in which the Service Availability fails to meet the Service Availability Standard** (the Monthly Service Fee referred to herein shall exclude the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.95% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard. If**

you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable or fails to meet the Service Availability Standard due to any of the following reasons, Tencent Cloud will not be held liable to you:

4.1 Any Service Unavailability due to reaching or exceeding the limits of the purchased single service instance size.

4.2 Any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test.

4.3 Any Service Unavailability due to flaws at the data flow or management flow level caused by the open-source community.

4.4 Any attack on your application interface or data or other misconducts where Tencent Cloud has taken reasonable technical and organizational measures.

4.5 Any Service Unavailability due to your failure to follow the Tencent Cloud product documentation or usage recommendations.

4.6 Any Service Unavailability due to any reason not attributable to Tencent Cloud.

4.7 Any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.

4.8 Any message delivery delay caused by you, including but not limited to message accumulation due to your slow message processing.

4.9 Any timed message errors caused by you, including but not limited to errors caused by inconsistent server clocks and inconsistent time zones.

4.10 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant term of services, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End)

Serverless

SCF Service Level Agreement

最近更新时间：2019-08-21 17:33:40

In order to use the Tencent Cloud Serverless Cloud Function ("SCF") service (the "Service"), you should read and observe this Serverless Cloud Function Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Serverless Cloud Function (SCF): means the online hosting and operation service for serverless cloud function provided by Tencent Cloud.

1.2 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Service Downtime: If the Error Rate of the Service is higher than 5% within one unit time (each five (5) minutes as one calculation time unit), it shall be deemed that the Service is unavailable within such unit time. Service Downtime will be calculated based on the Error Rate on the server end.

1.4 Error Rate: means the percentage of the number of failed requests returned of the Service out of the total number of valid requests within unit time.

1.5 Failed Request: means internal errors of the Service, including return value "-1" for "InvokeResult" in the running of a cloud function, and HTTP request status code "5xx".

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = 1 -- (Service Downtime / total time within a Service Month) × 100%

2.2 Standard of Service Availability

The Service Availability for the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month** (the monthly service fee referred to herein shall exclude the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.95% > Av ≥ 99%	10% of the monthly service fee
99% > Av ≥ 95%	25% of the monthly service fee
95% > Av	100% of the monthly service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standard specified herein, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

- (1) description of the Service unavailability incident and when it occurred.
- (2) the specific cloud function affected.
- (3) the record of Service interruption in the request log.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud to you.
- 4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.
- 4.3 any attack on your application endpoint or data, or any other mal-operation.
- 4.4 any loss or leak of any data, passcode, password due to your improper maintenance or improper confidentiality measures.
- 4.5 any mal-operation due to your negligence, or any operation authorized by you.
- 4.6 any failure of you to abide by user guide or suggestions for using Tencent Cloud products.
- 4.7 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.
- 4.8 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation

or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

API Gateway Service Level Agreement

最近更新时间：2023-04-24 15:02:31

In order to use the Tencent Cloud API Gateway service (the “Service”), you should read and observe this Tencent Cloud API Gateway Service Level Agreement (this “Agreement”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service availability, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Unless otherwise agreed, this Agreement does not apply to features of the Service for closed beta testing. Tencent Cloud does not make any warranties as to the availability and quality of such features.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 API Gateway Service

API Gateway Service refers to API Gateway service provided by Tencent Cloud which covers the full lifecycle API management, including creation, maintenance, release, operation, and deactivation, etc. For details, please refer to the information of the Service publicly released by Tencent Cloud.

1.2 Service Month(s)

Service Months refer to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). **The availability of the Service will be calculated independently for each Service Month.**

1.3 Valid Request

Valid Requests refer to all requests received by API Gateway.

1.4 Failed Request

A Failed Request refers to an API calling failure due to malfunction of the Service per se. Any API calling failure caused by any other reasons, including but not limited to network malfunction, user-end service malfunction or user configuration error, does not constitute a Failed Request.

1.5 Service Downtime within a Service Month Calculated in Minutes

If all your requests to access API Gateway Service within a territory within one (1) uninterrupted minute are Failed Requests, such one (1) minute shall be counted into Service Downtime, while any duration of such failure for less than one (1) interrupted minute will not be counted into Service Downtime. Service Downtime within a Service Month Calculated in Minutes means the accumulated Service Downtime calculated in minutes within a Service Month.

1.6 Total Time within a Service Month Calculated in Minutes

Total Time within a Service Month Calculated in Minutes = the number of days within a Service Month × 24 (hours) × 60 (minutes)

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = $(1 - \text{Service Downtime within a Service Month Calculated in Minutes} / \text{Total Time within a Service Month Calculated in Minutes}) \times 100\%$

2.2 Standard of Service Availability

The Service Availability of the Service will be no less than 99.90%. You are entitled to the compensation as set forth in Section 3 (Service Compensation) below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

The log feature made available by the Service is for the log of the components of the gateway per se in order to facilitate your troubleshooting. Such log feature is provided beyond the scope of the business data of this Service. Tencent Cloud does not make any warranties as to the availability, quality and storage security with respect to such log feature, neither does this Agreement apply to such log feature.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). **You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.**

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly Service fee paid by you for such month** (the monthly Service fee referred to herein shall exclude the fee deducted by a voucher or promotional coupon, Service fee discounted or waived, or fees otherwise deductible).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.9% > Av ≥ 99%	10% of the monthly Service fee
99% > Av ≥ 95%	25% of the monthly Service fee
95% > Av	100% of the monthly Service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) ****You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.**** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

-
- 4.1 your failure to follow development rules or user guide set forth in the documentation of the Service in application development, or your mal-operation.
- 4.2 any abnormal or instable operation of back-end service directed by any back-end address or path set up by you in the Service.
- 4.3 any system maintenance with prior notice by Tencent Cloud to you, including but not limited to system cutover, maintenance, upgrade and malfunction simulation test.
- 4.4 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.
- 4.5 any loss or leak of data, passcode or password due to your improper maintenance .
- 4.6 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud, or any event of force majeure.
- 4.7 any attack or other misconduct targeting your API or data;
- 4.8 block or shutdown of your back-end service due to involvement in pornography, gambling, drug abuse and any other service or information in violation of laws or regulations.
- 4.9 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or terms of service, rules, or any rules or guidelines published by Tencent Cloud separately.
- 4.10 Prior to your use of the Service, you should carefully read and understand the relevant description, technical specification and use procedure, etc. of the Service, and potential consequences. You understand and agree that you elect to use the Service by exercising your independent and prudent judgment, and that you are solely responsible for your judgement or operation as well as any consequence thereof, and that Tencent Cloud will not be held liable to you for failure of the Service to meet the availability standards under circumstances including but not limited to the following:**
- (1) You should exercise your own judgement as to the compatibility of the Service with your technical architecture and other software and hardware.
- (2) You should be responsible for your own operation such as health check configuration and filter configuration.
- (3) If you are using any other product(s) provided by Tencent Cloud concurrently with the Service, you should pay service fees therefor in a timely manner according to the payment terms for such product(s) and should observe relevant terms of service.
- (4) The Service solely covers the technical architecture and components related to API Gateway. If any other product is involved in the Service, such as SCF, TSF, CVM, TKE, CLS and domain name (subject to your selection), the service level agreement of such other product will apply. Any duration of unavailability of the Service due to such other product will not be counted into the Service Downtime of this API Gateway Service. You should be solely responsible for your back-end service application.
- (5) Any API calling failure due to certificate configuration error, domain configuration or security group/firewall configuration and other reasons attributable to you or the requesting party does not constitute the Failed Request herein. Any unavailability of the Service due to your use of the Service beyond the use limit of the Service does not constitute the Failed Request under this Agreement.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate amount of compensation payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy.

5.4 This Agreement applies to direct and online use of the Service through the official website of Tencent Cloud only. If you intend to use the API Gateway Service in any other form such as private deployment, the service availability and other standards of the Service will be separately agreed upon by you and Tencent Cloud, and this Agreement does not apply in such case. COS Service Level Agreement

最近更新时间：2019-12-06 14:19:20

In order to use the Tencent Cloud Object Storage (“COS”) service (the “Service”), you should read and observe this Cloud Object Storage Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

Cloud Object Storage (COS): Object storage means a storage service that enables a user to store massive amounts of data using a Web interface. A user may upload, download and manage data via the HTTP REST API of the COS. COS supports automatic expansion, and the payment for the Service may be made in advance or in arrears.

Service Month(s): Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

Error Rate Per Five Minutes: Error Rate Per Five Minutes means the rate of the number of Failed Requests returned by COS within five (5) minutes to the total number of user requests within such five (5) minutes, calculated as follows:

$$\text{Error Rate Per Five Minutes} = \frac{\text{number of Failed Requests per five minutes}}{\text{total number of user requests per five minutes}} * 100\%$$

Failed Request: Failed Request means a request with a server internal error code (including “Internal Error” (500 error) and “Service Unavailable” (503 error)) returned by COS, excluding any traffic restriction request due to the triggering of frequency control and any Failed Request due to the upgrade, alteration or shutdown of COS. User request means a request sent by a user and received by a COS server, excluding that sent by a user whose identity has not been authenticated, whose authentication fails, or for whom the Service is suspended or terminated due to unpaid overdue payment. Any request received by a COS server in a hacker attack, or any request asynchronously executed on back end with the configuration of cross-regional replication or life cycle rules, will not be deemed an effective or a Failed Request.

COS Service Monthly Fee: COS Service Monthly Fee means the fee for storing capacity, flow, request, data retrieval and other storage management fee incurred under a certain Tencent Cloud account of a user within a calendar month for using the COS Service.

2. Service Availability

2.1 Calculation of Service Availability

The Service Availability of the COS is calculated by the category of storage as follows:

$$\text{Service Availability} = \left(1 - \frac{\text{the sum of all Error Rates Per Five Minutes within a Service Month}}{\text{the total number of unit time (i. e. five minutes) within a Service Month}} \right) * 100\%$$

2.2 Standards of Service Availability

You may upload, download and manage data via the API, SDK, control panel or user tools provided by the COS. In respect of different categories of storage, Tencent Cloud guarantees that **the Service Availability of the standard storage service will be no less than 99.95%**, and **the Service Availability of the low frequency storage will be no less than 99.9%**. If the Service Availability fails to meet aforementioned standard in a Service Month (other than circumstances set forth in the Release of Liabilities Section below), you may submit a support ticket to make an application to Tencent Cloud in accordance with Section 3 below.

3. Service Compensation

In respect of this Service, if the Service Availability of the standard storage service is lower than 99.95%, or the Service Availability of the low frequency storage is lower than 99.9%, compensations will be made as follows:

3.1 Standards of Compensation

1) Compensations will be made **in the form of coupon** by Tencent Cloud, and you should follow the rules for using the coupon (including the valid term; for details, please refer to the rules of coupons published on Tencent Cloud’s official website). You cannot redeem such coupon for cash or request to issue an invoice for such coupon. Such coupon can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the coupon

to purchase other services of Tencent Cloud, nor should you give the coupon to a third party for consideration or for free.

2) If the Service Availability in a Service Month fails to meet the standard, the amount of compensation shall be calculated for such month independently, and **the aggregate amount will be no more than the applicable COS Service Monthly Fee paid by you for such month** (for the purpose of this provision, COS Service Monthly Fee shall exclude the portion deducted by a coupon or promotional voucher, due to discounted service fee or otherwise deducted).

Storage Category	Service Availability in a Service Month	Value of Compensation Coupon
Standard Storage	≥ 99% and < 99.95%	20% of the COS Service Monthly Fee
	< 99%	50% of the COS Service Monthly Fee
Low Frequency Storage	≥ 98% and < 99.9%	20% of the COS Service Monthly Fee
	< 98%	50% of the COS Service Monthly Fee

3.2 Time Limit for Compensation Application

1) If the Service Availability in a Service Month fails to meet the aforementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

2) You should apply for such compensation no later than sixty (60) calendar days following the expiry of the Service Month in which the Service Availability fails to meet the standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service unavailable time shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any system maintenance or unavailability with at least seven (7) days prior notice from Tencent Cloud to users.

4.2 any failure due to any network, equipment or configuration that is not Tencent Cloud facility.

4.3 any failure of the application interface or data of a user due to attack or other misconducts.

4.4 any failure due to negligence in authorization or mal-operation by a user, or due to any equipment of user, or third-party software or device.

4.5 any failure due to any force majeure event or accident.

4.6 any Service unavailability or failure to meet Service Availability standard due to any reason not attributable to Tencent Cloud.

4.7 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CFS Service Level Agreement

最近更新时间：2019-05-10 15:24:24

In order to use the Tencent Cloud File Storage (“CFS”) service (the “Service”), you should read and observe this Cloud File Storage Service Level Agreement (this “Agreement”, or this “SLA”) and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud File Storage (CFS): means the network attached storage service provided to you by Tencent Cloud that supports file access protocols such as NFS. You may write or read data via a file access protocol such as NFS. **CFS** is scalable on an automatic basis. For details, please refer to the Service you purchase and the contents of the Service provided by Tencent Cloud.

1.2 File System Instance: The Service Availability shall be calculated on a single File System Instance basis.

1.3 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16).

1.4 Total Time of a Single File System Instance within a Service Month: the total number of days of the Service Month for such signal File System Instance × 24 (hours) × 60 (minutes).

1.5 Single File System Instance Service Downtime within a Service Month: If (and only if) all your continuous attempts to connect a specific single File System Instance fail within one (1) minute, it shall be deemed that the Service is unavailable within such one (1) minute. If the continuous attempts that have failed last less than one (1) minute, such time will not be counted into the Service downtime. The accumulated Service downtime so calculated in

minutes of a single File System Instance within a Service Month is the Single File System Instance Service Downtime for such Service Month.

1.6 CFS Monthly Service Fee: CFS Monthly Service Fee means the total service fees under a Tencent Cloud account of a client during one calendar month for a single File System Instance (including without limitation storage capacity, bandwidth or other storage management fees), excluding the portion paid but yet to be consumed and the portion deducted by a coupon or promotional voucher, due to discounted service fee or otherwise deducted.

2. Service Availability/ Service Success Rate

2.1 Calculation of Service Availability

The Service Availability of the Tencent Cloud File Storage service will be calculated on a single File System Instance basis as follows:

$$\text{Service Availability} = \left(\frac{\text{Total Time of a Single File System Instance within a Service Month} - \text{Single File System Instance Service Downtime within a Service Month}}{\text{Total Time of a Single File System Instance within a Service Month}} \right) * 100\%$$

2.2 Service Availability/ Standard Indicator

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.9%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of coupon** by Tencent Cloud, and you should follow the rules for using the coupon (including the valid term; for details, please refer to the rules of coupons published on Tencent Cloud's official website). You cannot redeem such coupon for cash or request to issue an invoice for such coupon. Such coupon can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the coupon to purchase other services of Tencent Cloud, nor should you give the coupon to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable**

Monthly Service Fee paid by you for such month (the Monthly Service Fee referred herein shall exclude the portion deducted by a coupon or promotional voucher, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Coupon
99.9% > Av ≥ 99.0%	10% of the Monthly Service Fee
99.0% > Av ≥ 98.0%	20% of the Monthly Service Fee
98.0% > Av	50% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1** any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and failure simulation test;
- 4.2** any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility;
- 4.3** any attack on your application interface or data, or any other misconduct;
- 4.4** any loss or leak of data, pin or password due to your improper maintenance or improper confidentiality measures;

- 4.5 any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device;
- 4.6 any failure of you to abide by documentation or suggestions for using Tencent Cloud products;
- 4.7 any exceeding of the upper limit of the Service capacity corresponding to the version of the Service you purchase, resulting in delay in, or failure of, the delivery of the Service;
- 4.8 any Service unavailability or failure of the Service to meet the availability standard not attributable to Tencent Cloud.
- 4.9 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

- 5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.**
- 5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
- 5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CBS Service Level Agreement

最近更新时间：2019-07-12 11:35:05

In order to use the Tencent Cloud Block Storage ("CBS") service (the "Service"), you should read and observe this Cloud Block Storage Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Cloud Block Storage (CBS): means a persistent block storage service provided by Tencent Cloud for cloud servers. You may access reading and writing operations by mounting CBS to CVM cloud servers. For details, please refer to the Service you purchase, and the contents of the Service provided by Tencent Cloud.

1.2 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Total Time of a Single CBS Instance within a Service Month: the total number of days of the Service Month for a Single CBS Instance × 24 (hours) × 60 (minutes).

1.4 Single CBS Instance Service Downtime within a Service Month: If (and only if) the access to a single CBS instance continuously fails within one (1) minute, it shall be deemed that the Service with respect to such instance is unavailable within such one (1) minute. If the duration of inaccessibility is less than one (1) minute, such period will not be counted into the Service downtime. The accumulated Service downtime so calculated in minutes of a single CBS instance within a Service Month is the Single CBS Instance Service Downtime within a Service Month.

1.5 **CBS Monthly Service Fee**: means the aggregate service fees paid by a user for a single CBS instance under a Tencent Cloud account within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional voucher, due to discounted service fee or otherwise deducted.

2. Service Availability / Service Uptime Metrics

2.1 Calculation of Service Availability

Service Availability of CBS service is calculated on a single CBS instance basis as follows:

Service Availability = (Total Time of a Single CBS Instance within a Service Month - Single CBS Instance Service Downtime within a Service Month) / Total Time of a Single CBS Instance within a Service Month × 100%

2.2 Standard of Service Availability/ Service Metrics

The Service Availability of the Service will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

If a Service Month has thirty (30) days, the total available time of a single CBS instance in such month will be 43,178.4 minutes (= 30 (days) × 24 (hours) × 60 (minutes) × 99.95%); that is, there may be 21.6 minutes (= 43,200 minutes -- 43,178.4 minutes) Service downtime of the instance in such month.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable**

Monthly Service Fee paid by you for such month (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.95% > Av ≥ 99%	10% of the Monthly Service Fee
99% > Av ≥ 95%	25% of the Monthly Service Fee
95% > Av	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test.

4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.

4.3 any attack on any of your application endpoints or data, or any other mal-operation.

4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.

4.5 any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device.

4.6 any failure of you to abide by documentation or suggestions for using Tencent Cloud products.

4.7 any malfunction resulting from an event of force majeure or accident.

4.8 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.9 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CLS Service Level Agreement

最近更新时间：2020-10-16 16:58:19

Tencent Cloud Log Service Level Agreement

In order to use the Tencent Cloud Log Service (the “Service”), you shall read and comply with this Tencent Cloud Log Service Level Agreement (this “Agreement”, or this “SLA”) and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service Availability or success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud Log Service

The Cloud Log Service is a one-stop log service platform offered by Tencent Cloud that provides multiple services such as log collection, log storage, log search and analysis, real-time consumption and log delivery, assisting the user in business operations, security monitoring, log audition, and log analysis with logs.

1.2 Service Month(s)

Service Month(s) is the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 User Request and Failed Request

A User Request is a request that is sent by the user and received by the server end of the Cloud Log Service. A Failed Request refers only to such request that is returned with an error code of internal error of the server (5xx errors). None of the following requests shall be deemed as a Failed Request or a User Request:

(1) any request that fails the authentication due to, including but not limited to, the mismatch of calculated signatures and lack of request authorization;

(2) any request that lacks required parameters or contains illegal parameters due to noncompliance with the documentations of Tencent Cloud products.

1.4 Error Rate Per 5 Minutes

The Error Rate Per 5 Minutes is the ratio of the count of Failed Requests returned by the Tencent Cloud Log Service to the count of User Requests in the 5-minute period, which shall be calculated as follows:

$$\frac{\text{Count of Failed Requests per 5 minutes}}{\text{Count of User Requests per 5 minutes}} \times 100\%$$

Error Rate Per 5 Minutes =

1.5 Monthly Service Fee

The Monthly Service Fee is the aggregated amount of fees arising from the usage of the Tencent Cloud Log Service in a Service Month under the user's Tencent Cloud Account. The Monthly Service Fee shall exclude any amount deducted by vouchers, coupons, or service fee waivers.

2. Service Availability

2.1 Calculation of the Service Availability

$$1 - \frac{\text{The sum of Error Rate Per 5 Minutes in a Service Month}}{\text{The total number of 5-minute periods in a Service Month}} \times 100\%$$

Service Availability =

where the total number of 5-minute periods in a Service Month = 12 × 24 × number of days in that Service Month.

2.2 Service Indicator Standard

Tencent Cloud promises that **the Service Availability of the Cloud Log Service will be no less than 99.9%**. If the Service Availability of a Service Month fails to meet the abovementioned standard (other than in any circumstance as provided in the Release of Liabilities provisions), you may open a support ticket with Tencent Cloud for compensations according to the Compensation Plan set forth in this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including, among others, the valid term; for details, please refer to the relevant rules of voucher published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability in a Service Month fails to meet the standard, the amount of compensation shall be calculated for such Service Month separately, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such Service Month.**

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99.0%	15% of the Monthly Service Fee
Less than 99.0% but is or higher than 95.0%	30% of the Monthly Service Fee
Less than 95.0%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may **apply for compensation only through the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding period of Service unavailability shall not be counted toward Service downtime, is not eligible for compensation by Tencent Cloud, and Tencent Cloud shall not be held liable to you^{.**}**

4.1 any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test;

-
- 4.2 any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility;
 - 4.3 any attack on your application interface or data, or any other misconduct;
 - 4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;
 - 4.5 any negligence in authorization or incorrect operation by you, or any of your own equipment, or third-party software or device;
 - 4.6 any failure of you to abide by documentation or instructions for using Tencent Cloud products;
 - 4.7 any unavailability of the Service or failure to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;
 - 4.8 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

TencentDB Service Level Agreement(New Version)

最近更新时间：2019-10-25 10:01:28

1. General

(1) Tencent Cloud database service (the "**Service**") is the public cloud database service provided by Tencent Cloud based on relational database, distributed database, time series database, document database, etc. to meet different needs of various products including websites and applications. This agreement applies only to master - slave (master - backup) instances.

(2) This Tencent Cloud Database Service Level Agreement (SLA) is supplemental to the Tencent Cloud Service Agreement and the Tencent Cloud Privacy Policy.

(3) Tencent Cloud has the right to amend its terms of service at any time and will announce such amendment via a notice on its website, an email notice or a text message notice, without obtaining additional consent of you.

(4) Unless otherwise specifically stipulated herein, for the purpose of this agreement, a "month" equals to thirty (30) calendar days which shall commence on the date when the Service is activated.

2. Service Guarantee Metrics

2.1 Service Availability

(1) Tencent Cloud guarantees that the availability of the Service will be no lower than 99.95%, which means that the available time of the Service in a month for your instances would be no less than 43,178.4 minutes (= 30 (day) × 24 (hour) × 60 (minute) × 99.95%), provided that the Service within a month may be unavailable for 21.6 minutes (= 43,200 minutes -- 43,178.4 minutes).

(2) The Service downtime due to any of the following reasons will not be counted into the Service downtime:

- any scheduled downtime due to any system maintenance with prior notice by Tencent Cloud, including system cutover, upgrade and malfunction simulation test.
- any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.

- any Service unavailability attributable to any person other than Tencent Cloud, such as hacker attack or negligence of your third-party supplier.
- any slow or no responding of any cloud database instance under ultra-high performance pressure; or duration of log re-do or recovery practices.
- any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.
- any mal-operation due to your negligence, or any operation authorized by you.
- any event of force majeure.

2.2 Data Deletion

Upon your request or prior to disposal or resale of a device, Tencent Cloud will perform low level formatting of disks to completely and irrecoverably delete all your data, and the disks will be demagnetized when they are discarded.

Upon destruction of a database, no data therein can be recovered.

2.3 Data Migration

Tencent Cloud will provide data in a standard database file format to enable you to save such data as a standard "sql" file by import/export tools, by means of which you may transfer such data into a cloud database or export such data onto your own server.

2.4 Data Confidentiality

Tencent Cloud adopts reasonable technical measures, including without limitation network isolation and access control, to ensure the isolation and invisibility of data and resources of different users.

2.5 Right to Know

- (1) The location of data center where data is stored (users may query this by submitting a ticket).
- (2) The number of data backups and the location of data center where the backup data is stored (users may query this by submitting a ticket).
- (3) Tencent Cloud will assist you in choosing a data center with proper network conditions for data storage, and data backup will be allocated dynamically according to the utilization of resources. You, by default, is not required to choose a data center and a cold backup center. If you intend to choose a data center and/or a cold backup center, you may query this by submitting a ticket.
- (4) The local laws and relevant laws of the People's Republic of China that a data center shall comply with.

(5) None of your data will be provided to any third party unless required by a government regulatory authority for regulation or audit purposes. The database instance behavior log will be used for data analysis of the database operation, but no user data will be presented externally.

2.6 Data Audit

Tencent Cloud may, in accordance with the current laws and regulations, and provided that the relevant procedural and formality requirements are fully compliant, disclose certain information, including without limitation operation log of key components, operation records of operation and maintenance personnel and operation records of users, for the purposes of cooperating with supervision and administration, evidence collection and investigations of governmental or regulatory authorities or otherwise.

2.7 Malfunction Recovery Capacity

Tencent Cloud database has failover capacity by default, which means that automatic failover will be triggered, without any action of a user, when any malfunction of a master server occurs, thus ensuring the continuity of the Service provided to you. You may submit a ticket or call customer service for support when necessary.

2.8 Due and Late Payments

With respect to database instances with payments to be settled on a pre-pay basis (annual or monthly plan), Tencent Cloud will provide you with a 7-day service period upon expiry of the term of the database, and will then terminate the Service upon expiry of such 7-day period. You should bear all cloud service fees (if any) incurred during such 7-day period, settle all your payments prior to the expiry of the 7-day period and complete the migration of all your data. Tencent Cloud database system will automatically delete all your data fourteen (14) days following such expiry or termination.

With respect to database instances with payments to be settled on a post-pay basis (pay-per-use), Tencent Cloud will provide you with a 2-hour service period when any payment of your account is overdue and will then terminate the Service upon expiry of such 2-hour period. You should bear all cloud service fees (if any) incurred during such 2-hour period and should timely top up your account to ensure the balance remains more than RMB0. Tencent Cloud database system will automatically delete all your data when the balance of your account remains less than RMB0 for twenty-four (24) hours.

3. Service Compensation

3.1 Scope

If a user is not able to use Tencent Cloud database in a regular way or is completely unable to access the database due to any malfunction attributable to Tencent Cloud, the user has the right to require Tencent Cloud to compensate for such incident/malfunction. The application for such compensation must be submitted within three (3) months

following the month for which the availability of the underlying Tencent Cloud database instance fails to meet the relevant standard, and any application submitted thereafter will not be accepted by Tencent Cloud.

3.2 Standards for Compensation

Duration of malfunction = the time when the malfunction is fixed-- the time when the malfunction starts. The duration of malfunction will be calculated in minutes. Where the duration of malfunction, or an unrounded portion thereof, is less than 1 minute, it will be rounded up to 1 minute. For example, if the duration of malfunction is 1 minute and 1 second, it will be calculated as 2 minutes.

One hundred times compensation for Tencent Cloud database malfunction:

(1) Pre-pay: the compensation will be made by extending the use period of the failed database, extended time = duration of malfunction × 100.

(2) Post-pay: the compensation will be made in the form of voucher, the amount of voucher = daily fee of the failed database / 24 / 60 × duration of malfunction × 100.

TencentDB Service Level Agreements(Old Version)

最近更新时间：2019-10-25 10:00:38

1. INTRODUCTION

This agreement forms part of, and is incorporated into, the Tencent Cloud Service Level Agreement between you and us, in relation to your use of Tencent Cloud.

2. SERVICE LEVELS

2.1 Introduction

The following Service Levels apply to Tencent Cloud's Cloud Database service.

Service Credits are calculated in accordance with the Tencent Cloud Service Level Agreement. As set out in Sections 2.2 and 2.3 of that Agreement:

- (a) All Service Levels will be calculated on a per-account, per-complete calendar month basis.
- (b) except for the Database Expansion Support Service Level, Service Credits are calculated as a percentage of the total Charges paid by Organisation to Tencent in respect of the Cloud Database service provided during the relevant calendar month in which the Service Level was calculated.

2.2 Data Storage Persistence Service Level

Service Level	At least 99.9996% Persistence for Organisation's data storage on Tencent Cloud.							
Requirements/conditions for this Service Level	For the purposes of this Service Level, " Persistence " means a maximum of four storage volume will experience data loss each month if Organisation has requested 1,000,000 data storage instances during that complete calendar month.							
Service Credit	<table border="1"> <thead> <tr> <th>Persistence</th> <th>Service Credit</th> </tr> </thead> <tbody> <tr> <td>99.0% to < 99.9996%</td> <td>10%</td> </tr> <tr> <td>95.0% to < 99.0%</td> <td>25%</td> </tr> </tbody> </table>		Persistence	Service Credit	99.0% to < 99.9996%	10%	95.0% to < 99.0%	25%
Persistence	Service Credit							
99.0% to < 99.9996%	10%							
95.0% to < 99.0%	25%							

	Persistence	Service Credit
	< 95.0%	50%

2.3 Service Availability Service Level

Service Level	At least 99.95% Service Availability for Cloud Databases.									
Requirements/conditions for this Service Level	<p>For the purposes of this Service Level, "Service Availability" means the availability of one or more specific Cloud Databases (based on the total number of active instances running at that time) to the Organisation per-complete calendar month.</p> <p>A service failure that returns to normal within less than 5 minutes will not be counted as service unavailability. The service unavailable time is a period of time from when the service failure begins through to when the service returns to normal, including the maintenance time.</p>									
Service Credit	<table border="1"> <tr> <td>Persistence</td> <td>Service Credit</td> </tr> <tr> <td>99.0% to < 99.95%</td> <td>10%</td> </tr> <tr> <td>95.0% to < 99.0%</td> <td>25%</td> </tr> <tr> <td>< 95.0%</td> <td>50%</td> </tr> </table>	Persistence	Service Credit	99.0% to < 99.95%	10%	95.0% to < 99.0%	25%	< 95.0%	50%	
Persistence	Service Credit									
99.0% to < 99.95%	10%									
95.0% to < 99.0%	25%									
< 95.0%	50%									

2.4 Database Expansion Support Service Level

Service Level	Completing all requests from Organisation for expanded resource in accordance with the Service Availability Request metric below.	
Requirements/conditions for this Service Level	<p>"Service Availability Request" means where the actual resource is being expanded by:</p> <ul style="list-style-type: none"> • less than 10 Cloud Databases, the application process will be completed within one working hour from the time that the relevant request was submitted by the Organisation and registered in Tencent's system; • between 10 to 30 Cloud Database, the application process will be completed within 24 working hours from the time that the relevant request was submitted by the Organisation and registered in Tencent's system; and 	

	<ul style="list-style-type: none"> • more than 30 Cloud Databases, the timeframe for completing the application process will be subject to Tencent’s prior approval. Such expansion requests will not be used to calculate this Service Level, and no Service Credits apply to such expansion requests. <p>This Service Level only applies where: (a) the original capacity of the Cloud Database service is 50% or less of the expanded resource (following fulfilment of the relevant request); and (b) the maximum expanded resource capacity is 600GB.</p> <p>This Service Level only applies where the request for expansion will be manually performed.</p> <p>In the above Service Levels, a "working hour" means a working hour between 9am to 6pm, Monday to Friday, China Standard Time (CST), excluding any national holidays in China. Any time outside such working hours will not be used to calculate this Service Level.</p>		
Service Credit	<p>The below Service Credit will be payable against the specific database resource being expanded, where all Tencent application expansion processes related to that action fail to complete (in accordance with the corresponding Service Level) in any complete calendar month.</p> <table border="1" data-bbox="517 1223 1485 1458"> <tr> <td data-bbox="517 1223 1485 1301"> Service Credit </td> </tr> <tr> <td data-bbox="517 1301 1485 1458"> 10% of the Charges payable (during the relevant calendar month in which the Service Level was calculated) for the specific database resource being expanded. </td> </tr> </table>	Service Credit	10% of the Charges payable (during the relevant calendar month in which the Service Level was calculated) for the specific database resource being expanded.
Service Credit			
10% of the Charges payable (during the relevant calendar month in which the Service Level was calculated) for the specific database resource being expanded.			

Redis Service Level Agreement

最近更新时间：2019-09-17 15:52:39

In order to use the Tencent Cloud Elastic Cache service (the "Service"), you should read and observe this Elastic Cache Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud Elastic Cache Service

means the database service provided by Tencent Cloud used to satisfy your business needs in caching or other scenarios, which is compatible with the Redis protocols. For details, please refer to the Service you purchased, and the contents of the Service provided by Tencent Cloud.

1.2 Service Month(s)

means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Service Unavailability

If all the attempted connections with a specific elastic cache instance fail, and such status lasts for more than one (1) minute, it will be deemed that this specific elastic cache instance is unavailable within such one (1) minute.

1.4 Single Instance Service Downtime Calculated in Minutes

Single Instance Service Downtime Calculated in Minutes = the time when the Service Unavailability of an instance is fixed - the time when the Service Unavailability of the instance starts. Such downtime will be

calculated in minutes, and when the downtime, or an unrounded portion thereof, is less than sixty (60) seconds, it will be rounded up to one (1) minute. For example, if the actual downtime of a single instance is one (1) minute and one (1) second, the Single Instance Service Downtime Calculated in Minutes would be two (2) minutes. However, when the Service Unavailability of an instance is fixed within one (1) minute, which means that the actual downtime of the instance is less than one (1) minute, such downtime will not be counted in the Service downtime defined herein.

1.5 Single Instance Service Downtime within a Service Month

means the sum of the Single Instance Service Downtime Calculated in Minutes within a Service Month.

1.6 Total Service Time within a Service Month

equals to the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.7 Monthly Service Fee

means the aggregate service fees paid by you for a single instance within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability is calculated on a single instance basis as follows:

Service Availability = (1 - Single Instance Service Downtime within a Service Month / Total Service Time within a Service Month of the single instance) × 100%

2.2 Service Availability Standard

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's

official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, **and the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
$99.95\% > Av \geq 99\%$	10% of the Monthly Service Fee
$99\% > Av \geq 95\%$	30% of the Monthly Service Fee
$95\% > Av$	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standard specified herein, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

(1) the ID of the instance for such Service Unavailability.

(2) the duration of the Service Unavailability and evidence thereof (it's advisable to provide a screenshot of the cloud monitoring traffic metrics).

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test.
- 4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.
- 4.3 any Service Unavailability attributable to any person other than Tencent Cloud, such as hacker attack or negligence of your third-party suppliers.
- 4.4 any slow or no responding of any elastic cache instance under ultra-high performance pressure.
- 4.5 any Service Unavailability due to your use of the Service in a manner exceeding the designed specifications of the product (such as the maximum number of network connections and memory capacity).
- 4.6 any system inaccessibility due to the block of the Service resulting from unpaid overdue payment.
- 4.7 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.
- 4.8 any negligence of or operation authorized by you.
- 4.9 any Service Unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.
- 4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.
- 4.11 any event of force majeure.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of

Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

MongoDB Service Level Agreement

最近更新时间：2019-06-19 16:57:34

1. Service Content

TencentDB for MongoDB is a professional high-performance distributed data storage service developed based on MongoDB, the world's most promising open source NoSQL database. It is 100% compatible with MongoDB protocol, and well suited for non-relational database use cases.

Additionally, TencentDB for MongoDB offers high-performance, reliable and user-friendly MongoDB cluster services. Each instance is either a replica set of at least one (1) master and two (2) slaves or a sharding cluster of multiple replica sets, ensuring high availability of user data.

2. Data Durability

Tencent Cloud guarantees that the monthly durability of data storage with respect to the instances applied for by a user within the service period (i.e., the service period of MongoDB purchased by the user) is 99.9996%. That is, for each 1,000,000 instances applied for by a user each month, only 4 instances are exposed to data loss.

3. Data Deletion

If a user voluntarily deletes the data or when the data needs to be deleted upon expiration of the service period for a user, Tencent Cloud will perform low level formatting of disks to completely and irrecoverably delete all data of the user prior to disposal or resale of the devices, and the disks will be demagnetized when they are discarded.

4. Right to Know

- A. The location of data center where data is stored (users may query this by submitting a ticket).
- B. The number of data backups and the location of data center where the backup data is stored (users may query this by submitting a ticket).
- C. Tencent Cloud can help users choose a data center with proper network conditions for data storage. Cold backup is dynamically allocated according to the utilization of resources. Users, by default, do not need to choose the data center and cold backup center. Users may submit a ticket if they wish to choose a data center and/or a cold backup center.
- D. The local laws and relevant laws of the People's Republic of China that a data center shall comply with (users may query this by submitting a ticket).
- E. No data of a user will be provided to any third party unless required by a government regulatory authority for supervision, administration or audit purposes. The user behavior log will be used for data analysis of the database operation, but no personal data would be presented externally.

5. Data Confidentiality

Tencent Cloud achieves network isolation by configuring firewalls and adopting white-list filtering mechanism, and ensures the invisibility of data of different users in the same resource pool via authorization control of user names and passwords of MongoDB instances.

6. Data Audit

Tencent Cloud may, in accordance with the existing laws and regulations, and provided that the relevant procedural and formality requirements are fully compliant, disclose certain information, including without limitation operation log of key components, operation records of operation and maintenance personnel and operation records of users, for the purposes of cooperating with supervision and administration, evidence collection and investigations of governmental or regulatory authorities or otherwise.

7. Service Availability

A. TencentDB for MongoDB guarantees a service availability of 99.95%, that is, for each month, the service is available for 43,178.4 minutes (i.e., $30 \text{ (days)} \times 24 \text{ (hours)} \times 60 \text{ (minutes)} \times 99.95\%$) and there may be 21.6 minutes (i.e., 43,200 -- 43,178.4) downtime, which is calculated on a single database instance basis.

B. Service downtime does not include any time period when the service is unavailable due to regular system maintenance, force majeure event, or any reason attributable to a user or a third party.

8. Recovery Capacity

Tencent Cloud's professional teams provide maintenance assistance 24/7.

Cross-region Interconnection Service Terms

最近更新时间：2023-11-21 17:48:31

Welcome to Tencent Cloud Cross-region Connection Service!

To use Tencent Cloud Cross-region Connection Service (hereinafter referred to as "Service"), you must read and abide by Tencent Cloud Cross-region Connection Service Agreement (hereinafter referred to as "Agreement"). Please make sure to carefully read and fully understand the terms and conditions herein, especially the restrictive or liability exemption terms, as well as any separate agreement or rules on the activation or use of a certain service. Restrictive or liability exemption terms may be highlighted in bold or with underlines for your attention.

Only after you have read and accepted all the terms and conditions of this Agreement as well as related agreements and rules can you use the Service. You agree to be subject to the terms and conditions of this Agreement as well as related agreements and rules by selecting "I have read the agreement" to go to the creation process or using the Service in any manner.

In the event of your violation of this Agreement, in any manner or by any means whatsoever, Tencent Cloud has the right to unilaterally take actions to restrict, suspend or terminate the provision of this Service to you depending on the severity of your violation, and to hold you liable for such violation.

1. Definition of Service

The "Service" herein refers to the Tencent Cloud Cross-region Connection Service as well as related technical and network support services.

2. Service Fee

The billing method and standard (in USD) are subject to the price published on Tencent Cloud official website, unless otherwise agreed by both parties.

3. Customer's Rights and Obligations

3.1 You have the right to use the Service you purchase as well as the technical support and after-sales services provided by Tencent Cloud in accordance with this Agreement.

3.2 During the use of the Service, you shall abide by any applicable laws or regulations, and maintain the order and security of the Internet, and shall not engage in or facilitate any activity in violation of such laws or regulations, including but not limited to the following activities:

- Any Illegal activities involving lottery, gambling, "private server", "plug-in", etc.;
- Fraud or false or misleading behaviors or any behavior that infringes on any legitimate rights and interests of others such as intellectual property right;
- Release and dissemination of SPAM or reactionary, superstitious, obscene, pornographic, vulgar contents or illegal information;
- Any activities in violation of the operational rules of network, device or service linked with Tencent Cloud network;
- **Any activities that take up much of the cross-region connection resources and result in a heavy and unreasonable load on Tencent Cloud cross-region connection products or other users, or prevent Tencent Cloud network from running normally;**
- Any illegal or unauthorized interception, theft, interference or surveillance;
- Any activities that undermine or attempt to undermine the network security, including but not limited to malicious scanning over website and server, intrusion into a system and illegal acquisition of data by means of viruses, Trojan-horse programs, malicious codes, phishing and other methods;
- Any activities that change or attempt to change the system configuration provided by Tencent Cloud Cross-Region Connection Service or that compromise the system security;
- Any activities that prevent or disrupt the operation of Tencent Cloud Cross-region Connection Service or the use of such service by others by technical or other means;
- Any activities that disturb or attempt to disturb the normal operation of any of Tencent Cloud products, services and features in any way, or creation, release, dissemination of any tools and methods for such purposes;
- Any activities (including but not limited to "DNS resolution", "security service", "domain reselling" reverse proxy") that lead to frequent exposure of your business to such attacks as DDoS attack and affect Tencent Cloud service platform or others due to your failure to correct such activities in a timely manner or eliminate the effect of such activities as required by Tencent Cloud.

You shall not install or use any pirated software on Tencent Cloud service, and shall take effective measures to protect the security of your computer information system according to applicable national regulations, including but not limited to the installation of approved products specially designed for the security of computer information system.

You shall make payments on time. In the event of a late payment for a post-payment service, in addition to the fees due under the Agreement, you shall be liable to pay a late penalty to Tencent Cloud at a rate equal to 0.3% per day on the unpaid amount from the time due until the time the full outstanding amount including the penalty is paid. If you fail to make such payment within 15 days after the payment becomes due under this Agreement, Tencent Cloud has the right to unilaterally terminate this Agreement. If you have purchased pre-payment service at the same time, the paid amount for the unused service period will be owned by Tencent Cloud as such late penalty.

4. Tencent Cloud's Rights and Obligations

4.1 Tencent Cloud shall provide you with Tencent Cloud services and after-sale support according to this Agreement.

4.2 Tencent Cloud is only responsible for the operation and maintenance of Tencent Cloud services. It is your responsibility to ensure the security and stability of your network and devices. In the event of any of the following situations, you shall deal with the problem immediately and avoid the effect of such problem on Tencent Cloud services:

- Any problem with your internal network, including but not limited to overload;
- A failure of your self-owned device or a third-party device;
- Network interruption caused by your detach of devices or other operations without the content of Tencent Cloud;
- Any failure or network interruption on account of you.

4.3 If Tencent Cloud finds by itself or based on the information provided by competent authorities and the complaint filed by any right owner that you have violated any applicable laws or regulations or this Agreement, Tencent Cloud has the right to unilaterally take one or more of the following actions at its discretion:

- Request you to remove or modify any violating content immediately;
- Directly remove or block any violating content or disconnect the link;
- Restrict or suspend the provision of Tencent Cloud services to you (including but not limited to directly making some of your services offline and taking back related resources, setting restrictions on the operations of your Tencent Cloud account);
- In serious cases, Tencent Cloud has the right to terminate the provision of Tencent Cloud services to you or terminate this Agreement (including but not limited to directly making all of your services offline and taking back related resources). The amount paid by you for the unused service period will be owned by Tencent Cloud as the liquidated damages paid by you for the breach of the Agreement.

4.4 Tencent Cloud has the right to transfer the rights and obligations under this Agreement to a third party, in part or in whole, by giving a prior written notice of at least 90 days to you. Both parties agree to sign all the reasonably necessary documents and take all the reasonably necessary measures to bring this provision into effect.

CLB Service Level Agreement

最近更新时间：2019-10-10 17:59:54

In order to use the Tencent Cloud Load Balancer ("CLB") service (the "Service"), you should read and observe this Cloud Load Balancer Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Cloud Load Balancer (CLB): means a traffic distribution service provided by Tencent Cloud to expand the system's service capacity and to eliminate single node malfunction by load balancer. For details, please refer to the Service you purchase, and the contents of the Service provided by Tencent Cloud.

1.2 Single Instance: means one (1) CLB instance. The Service Availability will be calculated on a Single Instance basis.

1.3 Total Time of a Single Instance within a Service Month: equals to the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.4 Instance Unavailability: If all the attempted connection with a CLB instance with incoming and outgoing permission rules fails, and such status lasts for more than one (1) minute, it will be deemed that the CLB instance is unavailable within such one (1) minute.

1.5 Single Instance Service Downtime Calculated in Minutes: Single Instance Service Downtime Calculated in Minutes = the time when the Instance Unavailability is fixed -- the time when the Instance Unavailability starts. Such downtime will be calculated in minutes, and when the downtime, or a portion thereof, is less than sixty (60) seconds, it will be rounded up to one (1) minute. For example, if the actual downtime of a Single Instance is one (1) minute and one (1) second, the Single Instance Service Downtime Calculated in Minutes would be two (2) minutes. However,

when the Instance Unavailability is fixed within one (1) minute, which means that the actual downtime of the Service is less than one (1) minute, such downtime will not be counted in the Service downtime defined herein.

1.6 Single Instance Service Downtime within a Service Month: means the sum of the Single Instance Service Downtime Calculated in Minutes within a Service Month.

1.7 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.8. Monthly Service Fee: means the aggregate service fees paid by you for a Single CLB Instance within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional voucher, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (total time of a Single Instance within a Service Month calculated in minutes - Single Instance Service Downtime within a Service Month) / total time of a Single Instance within a Service Month calculated in minutes × 100%

2.2 Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

If a Service Month has thirty (30) days, the total available time of a Single Instance in such month would be 30 (days) × 24 (hours) × 60 (minutes) × 99.95% = 43178.4 minutes; that is, the Service downtime of the instance in such month will be 43200 -- 43178.4 = 21.6 minutes.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
$99.95\% > Av \geq 99\%$	10% of the Monthly Service Fee
$99\% > Av \geq 95\%$	25% of the Monthly Service Fee
$95\% > Av$	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by

Tencent Cloud, and Tencent Cloud will not be held liable to you:

1. any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility;
2. any hacker attack on a user's application;
3. any loss or leak of data, passcode or password due to improper maintenance or improper confidentiality measures of a user;
4. any negligence of or operation authorized by a user;
5. any failure by a user to configure a back-end server, or any anomaly of a back-end server;
6. any failure of a user to abide by user guide or suggestions for using Tencent Cloud products;
7. any event of force majeure including without limitation natural disasters such as earthquake, flood and plague, social events such as war, riot and government action, technology incidents such as disconnection of telecommunication trunk circuits, hacker attack, network congestion, technological adjustment by telecommunication authorities, and government regulation and control;
8. any suspension or termination of servers resulting from any violation by a user of the [Tencent Cloud Service Agreement](#), including without limitation the suspension of service or release of a CLB instance due to a user's delay in payment;
9. any temporary downtime of the Service due to normal maintenance or upgrade of CLB by Tencent Cloud as described in the [Tencent Cloud Service Agreement](https://www.tencentcloud.com/document/product/301/9248);
0. any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud;
1. any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant

terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

NAT Gateway Service Level Agreement

最近更新时间：2019-07-11 12:09:51

In order to use the Tencent Cloud NAT Gateway service (the "Service"), you should read and observe this NAT Gateway Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud NAT Gateway Service: is a network cloud service that supports IP address translation and enables high-performance Internet access for resources in Tencent Cloud. For details, please refer to the Service purchase by you and the contents of the Service provided by Tencent Cloud.

1.2 Total Time within a Service Month Calculated in Minutes: equals to the total number of days of the Service Month for NAT instances × 24 (hours) × 60 (minutes).

1.3 Service Unavailability: When all incoming and outgoing data packets of NAT Gateway instances within one minute have been discarded by the NAT Gateway (subject to the monitoring data of Tencent Cloud), it shall be deemed that the Service is unavailable for such NAT instance within such one minute.

1.4. Service Downtime Calculated in Minutes: With respect to a NAT Gateway instance, Service Downtime Calculated in Minutes = the time when the Service Unavailability is fixed -- the time when the Service Unavailability starts. Such downtime will be calculated in minutes, and when the downtime, or an unrounded portion thereof, is less than sixty (60) seconds, it will be rounded up to one (1) minute. For example, if the actual downtime of a NAT Gateway instance is one (1) minute and one (1) second, the Service Downtime Calculated in Minutes of such instance would be two (2) minutes. However, when the Service Unavailability is fixed within one (1) minute, which means that the actual downtime of the Service is less than one (1) minute, such downtime will not be counted in the Service downtime defined herein.

1.5 **Service Month(s)**: means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.6 **Monthly Service Fee**: means the aggregate service fees paid by you for a single NAT Gateway instance within one (1) calendar month, excluding the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability is calculated for each Service Month with respect to each instance as follows:

Service Availability = (Total Time within a Service Month Calculated in Minutes – Service Downtime Calculated in Minutes) / Total Time within a Service Month Calculated in Minutes * 100%

2.2 Standard of Service Availability

**The Service Availability of the Service will be no less than 99.99%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below. **

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) **Compensations will be made in the form of couponvoucher by Tencent Cloud**, and you should follow the rules for using the couponvoucher (including the valid term; for details, please refer to the rules of couponvouchers published on Tencent Cloud's official website). You cannot redeem such couponvoucher for cash or request to issue an invoice for such couponvoucher. Such couponvoucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the couponvoucher to purchase other services of Tencent Cloud, nor should you give the couponvoucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and the aggregate amount shall be no more than the applicable Monthly

Service Fee paid by you for such month (the Monthly Service Fee referred to herein shall exclude the portion deducted by a couponvoucher or promotional couponvoucher, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation CouponVoucher
99.99% > Av ≥ 99.95%	10% of the Monthly Service Fee
99.95% > Av ≥ 99.50%	25% of the Monthly Service Fee
99.50% > Av	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. **If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test;
- 4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility, such as any malfunction on the part of any operator;
- 4.3 any hacker attack on your application or data;
- 4.4 any improper policy configuration including that of a route or firewall;

4.5 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;

4.6 any of your applications or the installation;

4.7 any negligence on your part or any operation authorized by you;

4.8 any event of force majeure or accident;

4.9 any Service Unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud;

4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any terms of service, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CCN Service Level Agreement

最近更新时间：2020-04-14 11:56:45

Tencent Cloud Cloud Connect Network Service Level Agreement

In order to use the Tencent Cloud Cloud Connect Network (“CCN”) service (the “Service”), you should read and observe this Tencent Cloud Cloud Connect Network Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Cloud Connect Network (CCN)

Cloud Connect Network refer to multi-point interconnection services provided by Tencent Cloud connecting cloud VPC, VPC and local data centers. You may access the entire network resources through a single point connect by adding VPC and direct gateway instance to CCN, thus easily establishing a simple, intelligent, secure and flexible hybrid cloud and worldwide Internet. For details, please refer to the Service you purchase and the Service provided by Tencent Cloud.

1.2 Service Unavailability

When all your attempts to establish communication connecting two territories through designated cloud connect network within one (1) minute fail (i.e., the packet loss rate between such two territories of the CCN instance within one (1) minute is 100%, which is subject to the monitoring data of Tencent Cloud) due to any reason attributable to Tencent Cloud, it should be deemed that the CCN instance between these two territories within such one (1) minute is unavailable.

1.3 Service Downtime

Service Downtime within a Service Month between two territories refers to the accumulated duration of Service Unavailability calculated in minutes between such two territories within such month.

1.4 Service Month(s)

Service Month(s) refer to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16).

1.5 Monthly Service Fee

The total service fees paid by you within one (1) Service Month for the Service between two territories.

2. Service Availability

2.1 Calculation of Service Availability

The Service Availability is calculated on an instance basis between designated territories as follows: Service Availability = $(\text{total time calculated in minutes within a Service period} - \text{Service Downtime calculated in minutes} / \text{total time of a Service period calculated in minutes}) \times 100\%$

2.2 Standard of Service Availability

The Service has **three categories of Service levels, namely, Platinum, Gold and Silver**, and the standard of Service Availability for each tier is set forth in the chart below. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

Service Level (QOS)	Service Availability
Platinum	99.99%
Gold	99.95%
Silver	99.50%

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the fee deducted by a voucher or promotional coupon, Service fee discounted or waived, or fees otherwise deductible).

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any system maintenance with prior notice by Tencent Cloud to a client, including system cutover, maintenance, upgrade and failure simulation test.

4.2 any malfunction or configuration adjustment of network or equipment that is not Tencent Cloud facility.

4.3 any hacker attack targeting the application or data information of a client.

4.4 any improper route configuration of a client.

4.5 any loss or leak of any data, pin or password due to improper maintenance or improper confidentiality measures of a client.

4.6 any upgrade of the operation system by a client on its own.

4.7 any application of a client or the installation.

4.8 any negligence of a client or any operation authorized by a client.

4.9 any force majeure event or accident.

4.10 any Service Unavailability or failure of the Service to meet the availability standards due to any reason not attributable to Tencent Cloud.

4.11 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate amount of compensation payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

Peer Connection SLA

最近更新时间：2019-05-10 15:30:54

1. Tencent Cloud Peering Connection Service

Tencent Cloud Peering Connection is a cloud-resource interconnection service featuring large bandwidth and high quality, allowing you to connect resource communication links on Tencent Cloud, details of which shall be subject to the introduction on the official website of Tencent Cloud.

2. Guaranteed Indicators of Service

Tencent Cloud sets up the service level indicators for the service purchased by you, and has the right to adjust certain indicators in response to the change of situations in due course.

2.1 Service Availability

Service Availability of Peering Connection is calculated based on each Service Period from the perspective of a single instance as follows:

Service Availability = ((Total Time of a Service Period Calculated in Minutes – Service Downtime Calculated in Minutes) / Total Time of a Service Period Calculated in Minutes) * 100%

Peering Connection availability at the level of Platinum, Gold and Silver is set forth in the chart below. You are entitled to the compensation set forth in Section 3 hereunder if the guaranteed availability is not met.

QOS	Service Availability
Platinum	99.95% (0.36 h)
Gold	99.50% (3.6 h)
Silver	99.00% (7.2 h)

Relevant Explanations:

- Service Period: One calendar month will be counted as one service period.
- Total Time of a Service Period Calculated in Minutes: the number of days of the Service Period × 24 (hours) × 60 (minutes).

- Service Downtime Calculated in Minutes: When all the continuous attempted communication made by a client within one minute via designated Peering Connection fail, the Peering Connection instance service during such one minute shall be deemed unavailable. The sum of the unavailable minutes of the Peering Connection instance during a Service Period shall be the service downtime calculated in minutes for such Service Period. The guaranteed Service Availability indicator requires Peering Connection packet loss rate data, of which the original data shall be subject to Network Detection & Tencent Cloud backend monitoring data. Please enable the Network Detection service.
- Monthly Service Fee: the total service fee paid by a client in one calendar month for a single Peering Connection instance.
- The service downtime due to any of the following reasons is not eligible for compensation:
 - any system maintenance with prior notice by Tencent Cloud to a client, including system cutover, maintenance, upgrade and failure simulation test;
 - any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility;
 - any hacker attack targeting the application or data information of a client;
 - any improper route configuration of a client;
 - any loss or leak of any data, pin or password due to improper maintenance or improper confidentiality measures of a client;
 - any upgrade of the operation system by a client on its own;
 - any application of a client or the installation;
 - any negligence of a client or any operation authorized by a client;
 - any force majeure event or accident;
 - any other reason not attributable to Tencent Cloud.

2.2 Privacy of Service

Clients may control and segregate external access by configuring access authentication settings in accordance with actual needs to ensure data privacy.

2.3 Review of Service

In accordance with the current laws and regulations, and provided that procedure and formality requirements are fully satisfied, Tencent Cloud may provide certain information (including operation log of key components, operation records of operation and maintenance personnel, operation records of the client, etc.) of the Peering Connection service, due to the need to cooperate with the supervision by the governmental supervisory authority or security evidence collection and investigation or otherwise.

3. Service Compensation

3.1 Scope of Compensation

Compensation is applicable when the guaranteed Service Availability of Peering Connection for a client is not met by the end of a month due to malfunction of Tencent Cloud.

3.2 Standards and Principles of Compensation

The compensation amount shall be calculated according to the standards set forth in the chart below based on monthly Service Availability of a single Peering Connection instance. The compensation will be made in the form of coupon only, and the total amount of the compensation shall not exceed the Monthly Service Fee (excluding the portion deductible by the coupon) paid by the client for such Peering Connection instance for such month of which the guaranteed Service Availability is not met.

QOS	Service Availability	Compensation Ratio
Platinum	99.95% > Av ≥ 99.00%	10%
	99.00% > Av ≥ 98.00%	25%
	98.00% > Av	100%
Gold	99.50% > Av ≥ 99.00%	10%
	99.00% > Av ≥ 95.00%	25%
	95.00% > Av	100%
Silver	99.00% > Av ≥ 98.00%	10%
	98.00% > Av ≥ 95.00%	25%
	95.00% > Av	100%

3.3 Application for Compensation

-
- If a client believes that Tencent Cloud fails to meet certain guaranteed service indicator set forth under the service level agreement (SLA), the client shall notify the customer manager in writing / by e-mail within twenty (20) business days following the occurrence of such failure.
 - Upon verification and confirmation by Tencent Cloud of such failure to meet the indicator under the SLA, Tencent Cloud shall make corresponding compensation to the client according to the terms of the SLA.
 - The coupon of an amount equivalent to the confirmed deductible fee will be accounted to the client during the following billing circle.

4. Miscellaneous

Tencent Cloud shall have the right to amend any provision of this SLA in response to the change of situations in due course, and such amendment will be concurrently published on the official website.

VPN Connection Service Level Agreement

最近更新时间：2019-07-11 12:11:10

In order to use the Tencent Cloud VPN Connection service (the "Service"), you should read and observe this VPN Connection Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability, compensation plan and release of liabilities. Unless otherwise stipulated, this Agreement does not apply to instances and functions of closed beta testing of VPN gateway. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

- 1. Tencent Cloud VPN Connection:** means a network-based tunneling technology provided by Tencent Cloud to you that enables data transfer between customer's local internet data centers and Tencent Cloud resources. For details, please refer to the Service you purchase, and the contents of the Service provided by Tencent Cloud.
- 2. Single VPN Gateway Instance:** means one (1) VPN gateway instance. The Service Availability will be calculated on a Single VPN Gateway Instance basis.
- 3. Service Month(s) of a Single VPN Gateway Instance:** means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.
- 4. Total Time of a Single VPN Gateway Instance within a Service Month:** the total number of days of the Service Month × 24 (hours) × 60 (minutes).

5. **Single VPN Gateway Instance Service Downtime Calculated in Minutes:** If (and only if) all your continuous attempts to connect a specific Single VPN Gateway Instance fail within one (1) minute, it shall be deemed that the Service with respect to such instance is unavailable within such one (1) minute. If the continuous attempts that have failed last less than one (1) minute, such period will not be counted into the Service downtime. The accumulated Service downtime so calculated in minutes of a Single VPN Gateway Instance within a Service Month is the Single VPN Gateway Instance Service Downtime for such Service Month.
6. **Monthly Service Fee:** means the aggregate service fees paid by you for a Single VPN Gateway Instance within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (Total Time of a Single VPN Gateway Instance within a Service Month - Single VPN Gateway Instance Service Downtime Calculated in Minutes) / Total Time of a Single VPN Gateway Instance within a Service Month × 100%

2.2 Service Availability Standard

The Service Availability of the Service will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

Assuming that a Service Month has thirty (30) days, the total available time of a Single VPN Gateway Instance in such month would be 30 (days) × 24 (hours) × 60 (minutes) × 99.95% = 43,178.4 minutes; that is, the Service downtime of the instance in such month will be 43,200 – 43,178.4 = 21.6 minutes.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for

free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.95% > Av ≥ 99%	10% of the Monthly Service Fee
99% > Av ≥ 95%	25% of the Monthly Service Fee
95% > Av	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test;
- 4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility;
- 4.3 any disconnection with the VPN tunnel due to any of your configuration errors;

- 4.4 any issue arising out of your back-end server anomaly;
- 4.5 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;
- 4.6 any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device;
- 4.7 any failure of you to abide by user guide or suggestions for using Tencent Cloud products;
- 4.8 any delayed or discarded packet resulting from using Service capacity exceeding the capacity limit indicated for the current paid version of the Service;
- 4.9 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud;
- 4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any terms of service, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

- 5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.**
- 5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
- 5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

GAAP Service Level Agreement

最近更新时间：2019-09-23 15:27:11

To use the **Global Application Acceleration Platform service** (the "Service"), you should read and observe this **Global Application Acceleration Platform Service Level Agreement** (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#) . This Agreement contains, *among others*, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1. Global Application Acceleration Platform Service provided by Tencent Cloud: means the service enables users to access the origin server through a high-speed connection with the aid of the nearest node by leveraging Tencent Cloud's high-speed connections, forwarding clusters and intelligent routing technology for global nodes, which helps eliminate the stutters and latency experienced by global users when accessing businesses.

1.2. Service Unavailable: When all attempted communications made by you within one minute via accelerated connection fail within the accelerated connection for reasons attributable to Tencent Cloud (i.e., the packet loss rate is 100% within such one minute for such accelerated connection, which data shall be subject to monitoring data of Tencent Cloud), the accelerated connection service during such one minute shall be deemed unavailable.

1.3 Service Downtime: The sum of the unavailable minutes of the accelerated connection during a Service Month shall be the service downtime for such Service Month.

1.4. Service Month(s): Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from

May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.5. **Monthly Service Fee:** the total Service fee paid by you in one Service Month for the Service.

2. Service Availability

2.1. Calculation of Service Availability

Service Availability = time period of normal connection accessing Service / total time of connection accessing Service

2.2. Standards of Service Availability

The standards of the Service Availability provided by Tencent Cloud in different regions are set forth in the chart below. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

Region	Mainland China	Hong Kong (China), South Korea, and Japan	Singapore, Thailand, and India ^①	North America ^② , Germany, and Russia	Others ^③
Mainland China	99.95%	99.95%	99.95%	99.95%	/
Hong Kong (China), South Korea, Japan	99.95%	99.95%	99.95%	99.95%	/
Singapore, Thailand, India ^①	99.95%	99.95%	99.95%	99.95%	/
North America ^② , Germany, Russia	99.95%	99.95%	99.95%	99.95%	/
Others ^③	/	/	/	/	/

① India: Mumbai.

② North America: Canada, Silicon Valley (US West), Virginia (US East).

③ Others: Taiwan (China), Sydney (Australia), London (UK), San Paulo (Brazil), Dallas (Central United States), Jakarta (Indonesia), and Chennai (Eastern India).

3. Service Compensation

If the Service Availability fails to meet the abovementioned standard for this Service, you will be entitled to compensations in accordance with the following terms:

3.1. Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month (the Monthly Service Fee referred herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability for a Service Month	Value of Compensation Voucher
≥ 99% and < 99.95%	10% of the Monthly Service Fee
≥ 95% and < 99%	25% of the Monthly Service Fee
< 95%	100% of the Monthly Service Fee

3.2. Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.

(2) You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any failure due to source server's failure of the client;
- 4.2 any error due to a ban on or block of a domain name due to any non-compliant content of a client or otherwise;
- 4.3 any loss or leak of any data, pin or password due to improper maintenance or improper confidentiality measures of a client;
- 4.4 any upgrade of the operation system by a client on its own;
- 4.5 any hacker attack targeting the source server of a client;
- 4.6 any system maintenance with prior notice by Tencent Cloud to a client, including system cutover, maintenance, upgrade and failure simulation test;
- 4.7 any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility;
- 4.8. any force majeure event or accident;
- 4.9. any other reason not attributable to Tencent Cloud;
- 4.10 any of your failure to abide by documentation or suggestions for using Tencent Cloud products;
- 4.11 any failure due to unpaid overdue payment of Tencent Cloud account;
- 4.12 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CDN Service Level Agreement(New Version)

最近更新时间：2019-12-31 17:20:55

In order to use the Tencent Cloud Content Delivery Network ("CDN") service (the "Service"), you should read and observe this Content Delivery Network Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

Content Delivery Network (CDN): means the network architecture provided by Tencent Cloud that delivers contents on clients' websites to a huge number of cache nodes worldwide, which enables end users to get access to contents from the closest node, thus improving user experience.

Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, the first Service Month will be from March 17 to March 31, and each calendar month thereafter (e.g., from April 1 to April 30) will be a Service Month. The availability of the Service will be calculated independently for each Service Month. **Regional Monthly Service Fee for a Single Accelerated Domain:** will be calculated for each Service Month by allocating the regional monthly service fee pro rata to the actual consumption of the single accelerated domain, which actual consumption shall be calculated based on the regions activated by you.

Aggregate Monthly Service Fee for a Single Accelerated Domain: means the sum of the monthly service fee of such accelerated domain in all Service regions within a Service Month.

Unit Time: For measuring the Service, each 5 minutes will be deemed as one measurement unit, resulting in 288 measurement points each day. The measurement point of 00:00:00 represents the time slot from 00:00:00 to 00:04:59, and the rest can be deduced by analogy.

Error Rate within Unit Time: means the percentage of the number of failed requests returned within one Unit Time in relation to a single accelerated domain due to any reason attributable to Tencent Cloud out of the total number of

requests within such Unit Time, in which failed requests refer to requests with return status code 5xx or connection timeout. Error Rate within Unit Time = the number of failed requests within one Unit Time / the total number of requests within such Unit Time. The Error Rate within Unit Time will be calculated independently based on the number of accelerated domains metrics involved in the Service purchased by you.

Service Downtime within a Service Month Calculated in Minutes: When the Error Rate within Unit Time of a single accelerated domain is over 0.05%, it will be deemed that anomaly occurs within such Unit Time; when such anomaly occurs twice in a row, such two Unit Time (i.e. ten minutes) will be counted into Service downtime. Unless such anomaly occurs at least twice in a row, no single Unit Time with anomaly occurring will be counted into Service downtime. Service Downtime within a Service Month Calculated in Minutes will be the sum of such Unit Time counted into Service downtime within the Service Month.

Total Time of a Service Month Calculated in Minutes: the number of days of such Service Month × 24 (hour) × 60 (minute).

2. Service Availability / Service Uptime Metrics

2.1 Calculation of Service Availability / Service Metrics

Service Availability = $1 - (\text{Service Downtime within a Service Month Calculated in Minutes} / \text{Total Time of the Service within a Service Month Calculated in Minutes}) \times 100\%$

The Service Availability will be calculated independently for each accelerated domain involved in the Service you use.

2.2 Standard of Service Availability / Service Metrics

The Service Availability for each accelerated domain involved in the Service will be no less than 99.9%.

You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher

to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) CDN provides services to multiple domains simultaneously, and compensations will be made only to the domains of which the global Service Availability fails to meet the standard within a Service Month. The amount of compensation will be calculated for each such month independently, and **the aggregate amount shall be no more than the aggregate monthly service fee for domains of which the Service Availability fails to meet the standard** (such monthly service fee shall exclude the portion deducted by a voucher or promotional credit or due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.9% > Av ≥ 99.0%	10% of the aggregate monthly service fee for domains of which the Service Availability fails to meet the standard
99.0% > Av ≥ 95.0%	25% of the aggregate monthly service fee for domains of which the Service Availability fails to meet the standard
95.0% > Av	50% of the aggregate monthly service fee for domains of which the Service Availability fails to meet the standard

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any request error due to the malfunction of the client's origin server;
- 4.2 any error due to a ban on or block of a domain name for any non-compliant content of a client or otherwise;
- 4.3 any change to configuration of a origin server or DNS of an accelerated domain by a client without prior notice to Tencent Cloud, resulting in the failure of a Tencent Cloud node server to access the client's origin server;
- 4.4 any loss or leak of data, passcode or password due to improper maintenance or improper confidentiality measures of a client;
- 4.5 any upgrade of the operation system by a client on its own;
- 4.6 any hacker attack on a client's website;
- 4.7 any impromptu increase of traffic of a client (increasing by 30% or more of the billed bandwidth in the preceding month) without at least three (3) business days prior written notice to Tencent Cloud;
- 4.8 any system maintenance with prior notice by Tencent Cloud to a client, including system cutover, maintenance, upgrade and malfunction simulation test;
- 4.9 any malfunction or configuration adjustment of network or equipment that is not Tencent Cloud facility;
- 4.10 any event of force majeure or accident;
- 4.11 any other reason not attributable to Tencent Cloud.

5. Miscellaneous

- 5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.
- 5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
- 5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement

and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

ECDN Service Level Agreement

最近更新时间：2023-04-23 16:10:03

In order to use the Tencent Cloud Enterprise Content Delivery Network Service (the “Service”), you shall read and comply with this Tencent Cloud Enterprise Content Delivery Network Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Uptime Metrics, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent contracting entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Tencent Cloud Enterprise Content Delivery Network Service

Refers to the Tencent Cloud Enterprise Content Delivery Network, through which Tencent Cloud will publish your static content to massive accelerated nodes in countries around the world, so that users of your website can get the content they need nearby. The Service can allocate dynamic content, schedule the optimal return-to-source paths, ensure fast return speed and improve user access experience. The specific content of the Service is subject to the service you have purchased and the service provided by Tencent Cloud.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service you use after you start the Service. For example, if you start the Service on March 17, the first Service Month will be from March 17 to March 31, and each calendar month thereafter (e.g., the second from April 1 to April 30, the third from May 1 to May 31) will be a Service Month. The Service Availability will be calculated separately for each Service Month.

1.3 Service Region(s)

The Service Regions of the Tencent Cloud Enterprise Content Delivery Network Service are divided into service regions within China and outside of China with different service pricing. The Tencent Cloud will bill you separately for the inbound and outbound Service you have activated.

1.4 Monthly Service Fee

The Monthly Service Fee will be calculated for each Service Month by calculating actual consumption based on the actual billing method of the Service Region activated by you, and calculating the monthly service fee you should pay in the Service Region based on the pricing of the Service Region.

1.5 Daily Service Fee

The Daily Service Fee will be calculated for each service day by calculating actual consumption based on the actual billing method of the Service Region activated by you, and calculating the daily service fee you should pay in the Service Region based on the pricing of the Service Region.

1.6 Aggregate Monthly Service Fee

The Aggregate Monthly Service Fee will be calculated for each Service Month by adding up the Monthly Service Fee of each Service Region you use.

1.7 Monthly Service Fee for a Single Accelerated Domain

The Monthly Service Fee for a Single Accelerated Domain will be calculated for each Service Month by allocating the regional Monthly Service Fee pro rata to the actual consumption of the single accelerated domain, which actual consumption shall be calculated based on the Service Regions activated by you.

1.8 Daily Service Fee for a Single Accelerated Domain

The Daily Service Fee for a Single Accelerated Domain will be calculated for each service day by allocating the regional Daily Service Fee pro rata to the actual consumption of the single accelerated domain, which actual consumption shall be calculated based on the Service Regions activated by you.

1.9 Aggregate Monthly Service Fee for a Single Accelerated Domain

The Aggregate Monthly Service Fee for a Single Accelerated Domain will be calculated for each Service Month by adding up the Monthly Service Fee for a Single Accelerated Domain of each Service Region you use.

1.10 Unit Time

For measuring the Service, each 5 minutes will be deemed as one measurement unit, resulting in 288 measurement points each day. The measurement point of 00:00:00 represents the time slot from 00:00:00 to 00:04:59, and the rest can be deduced by analogy.

1.11 Error Rate within Unit Time

Error Rate within Unit Time means the percentage of the number of failed requests returned within one Unit Time in relation to a single accelerated domain due to any reason attributable to Tencent Cloud out of the total number of requests within such Unit Time, in which failed requests refer to requests with return status code 5xx or connection timeout. Error Rate within Unit Time = the number of failed requests within one Unit Time / the total number of requests within such Unit Time. The Error Rate within Unit Time will be calculated independently based on the number of accelerated domains metrics involved in the Service purchased by you.

1.12 Service Downtime within Service Month(s) Calculated in Minutes

The Error Rate within Unit Time for a single accelerated domain greater than 0.05% is considered an abnormality for the Unit Time. If two consecutive Unit Times are abnormal, the 10 minutes is counted as unavailable unit time, and less than two consecutive Unit Times is not counted as Service Downtime. The unavailable unit time in each Service Month is added up to get the Service Downtime within Service Month(s) Calculated in Minutes.

1.13 Monthly Service Fee for Domains of which the Service Availability Fails to Meet the Standard

The Monthly Service Fee for Domains of which the Service Availability Fails to Meet the Standard will be calculated for each Service Month by allocating the Aggregate Monthly Service Fee pro rata to the actual consumption of each single accelerated domain, which actual consumption for the Service Region's all domains of which the Service Availability fails to meet the standard shall be calculated based on the actual billing method.

1.14 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days of the Service Month(s) × 24 (hours) × 60 (minutes).

2. Service Availability / Service Uptime Metrics

2.1 Calculation of Service Availability / Service Uptime Metrics

Service Availability = 1 - (Service Downtime within a Service Month Calculated in Minutes / Total Time of the Service within a Service Month Calculated in Minutes) × 100%

Service Availability = 1 - (Service Downtime within a Service Day Calculated in Minutes / Total Time of the Service within a Service Day Calculated in Minutes) × 100%

The Service Availability will be calculated independently for each accelerated domain involved in the Service you use.

2.2 Service Availability / Service Metrics

The Service Availability for each accelerated domain involved in the Service provided by Tencent Cloud should not be less than 99.9%. If the Service fails to meet the Standard (except under circumstances for disclaimer

of liabilities), you may claim compensation in accordance with Article 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) Enterprise Content Delivery Network provides services to multiple domains simultaneously, and compensations will be made only to the domains of which the global Service Availability fails to meet the standard within a Service Month. The amount of compensation will be calculated for each such Service Month independently, and **the aggregate amount shall be no more than the Aggregate Monthly Service Fee for Domains of which the Service Availability Fails to Meet the Standard** (the Monthly Service Fee referred to herein shall exclude the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

(3) For the domain of which the Service Availability fails to meet the standard, the Monthly Service Fee for Domains of which the Service Availability Fails to Meet the Standard may be calculated and compensation may be made according to the following list:

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99.0%.	10% of the aggregate Monthly Service Fee for Domains of which the Service Availability Fails to Meet the Standard.
Less than 99.0%	25% of the aggregate Monthly Service Fee for Domains of which the Service Availability Fails to Meet the Standard.

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may **apply for compensation only through the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your

application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any request error due to the malfunction of the Customer's origin server;
- 4.2 any error due to a ban on or block of a domain name for any non-compliant content of the Customer or otherwise;
- 4.3 any change to configuration of an origin server or DNS of an accelerated domain by the Customer without prior notice to the Tencent Cloud, resulting in the failure of a Tencent Cloud node server to access the Customer 's origin server;
- 4.4 any loss or leak of data, passcode or password due to improper maintenance or improper confidentiality measures of the Customer;
- 4.5 any upgrade of the operation system by the Customer on its own;
- 4.6 any hacker attack on the Customer 's website;
- 4.7 any impromptu increase of traffic of the Customer (increasing by 30% or more of the billed bandwidth in the preceding month) without at least three (3) business days prior written notice to Tencent Cloud;
- 4.8 any system maintenance with prior notice by Tencent Cloud to the Customer, including system cutover, maintenance, upgrade and malfunction simulation test;
- 4.9 any malfunction or configuration adjustment of network or equipment that is not Tencent Cloud facility;
- 4.10 any event of force majeure or accident;
- 4.11 any other reasons not attributable to Tencent Cloud.

5. Miscellaneous

**5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed. **

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. TRTC Service Level Agreement

最近更新时间：2021-12-24 14:42:34

To use the Tencent Real-Time Communication ("TRTC") service (the "Service"), you should read and observe this Tencent Real-Time Communication Service Level Agreement (this "Agreement", or this "SLA") and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, indicators of the Service availability, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Real-Time Communication (TRTC) Service: the comprehensive real-time audio and video solutions, including without limitation audio communication, video communication, video retouching, relayed live streaming, video recording, and mixing and transcoding, which provide a complete set of functions such as WebRTC support, terminal SDK integration and back-end interface. For details, please refer to the Service purchased by you and the content of the Service provided by Tencent Cloud.

1.2 Service Month: the respective calendar month(s) within the service period for the Service you purchased. For example, if you purchase the Service for a three-month period and the Service is activated on March 17, there are four Service Months (i.e., the first Service Month is from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Monthly Service Fee: the aggregate service fees for the Service actually you consumed within one Service Month. If you make a one-time purchase of multiple pre-paid service packages, the Monthly Service Fee will be

subject to the actual consumption during the then current Service Month, and the portion yet to be consumed will be excluded.

1.4 Communication Success Rate: Your request for entering a room is deemed as a request for initiating communication, and once you make such a request, it will be counted as one request. Once you enter a room, it will be deemed that the communication is successful.

Communication Success Rate = (number of successful communications / total number of communication requests) × 100%

1.5 Service Downtime Calculated in Minutes: If the Communication Success Rate is lower than 99% within one unit time (each 5 minutes as one calculation time unit) due to any reason attributable to Tencent Cloud, it shall be deemed that the Service is unavailable within such unit time; when such situation lasts for five (5) minutes or more, such time shall be counted into the service downtime, while any such situation that lasts less than five (5) minutes will not be counted into the service downtime.

Note :

5 minutes will be deemed as one measurement unit, resulting in 288 measurement points each day. The measurement point of 00:00:00 represents the time slot from 00:00:00 to 00:04:59, and the rest can be deduced by analogy.

1.6 Total Time within a Service Month Calculated in Minutes: the total number of days within such Service Month × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (1 -- Service Downtime within a Service Period Calculated in Minutes / Total Time within a Service Period Calculated in Minutes) × 100%

For example, assuming that the Communication Success Rate from 10:00 a.m. to 10:30 a.m. on a certain day in March 2019 is 98% (i.e., the Communication Success Rate is lower than 99% and the situation lasts for more than five (5) minutes), the Service Downtime Calculated in Minutes would be 30 minutes, and the Service Availability of March 2019 is 99.93% (i.e., $1 - (30 / 31 \times 24 \times 60) \times 100\%$).

2.2 Service Standard Indicator

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.9%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard,

other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability of a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability	Value of Voucher
≥ 99.5% and < 99.9%	10% of the Monthly Service Fee
≥99% and < 99.5%	20% of the Monthly Service Fee
< 99%	50% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability of a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.

(2) You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 Any failure on the part of a user.
- 4.2 Any negligence of a user or any operation authorized by a user.
- 4.3 Any loss or leak of data, pin or password due to improper maintenance or improper confidentiality measures of a user.
- 4.4 Any hacker attack on a user's website, application or data.
- 4.5 Any failure of a user to observe the documentation or guideline for using the TRTC.
- 4.6 Any impromptu increase of traffic of a user (concurrent volatility over 3,000) without five (5) business days prior written notice to Tencent Cloud.
- 4.7 Any use of products, functions and access for trial operation which are not made public by the official website of Tencent Cloud.
- 4.8 Any use by a user of any illegal information relating to pornography, gambling, illegal drugs, political party, politics, military affairs, fraud, etc.
- 4.9 Any significant event or promotion publicly announced by Tencent in advance.
- 4.10 Any system maintenance with prior notice by Tencent Cloud to a client, including system cutover, maintenance, upgrade and failure simulation test.
- 4.11 Any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility.
- 4.12 Any force majeure event or accident.
- 4.13 Any Service unavailability or failure of the Service to meet the availability standard not attributable to Tencent Cloud.
- 4.14 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

- 1. The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.**
2. Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
3. As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy.

CSS Service Level Agreement

最近更新时间：2021-12-24 16:17:29

In order to use the Tencent Cloud Cloud Streaming Services ("CSS") service (the "Service"), you should read and observe this Cloud Streaming Services Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Cloud Streaming Services (CSS) Service: is the low-latency, high-concurrency, stable and smooth audio and video broadcasting service provided by Tencent Cloud. CSS supports functions including but not limited to real-time transcoding, intelligent porn detection, screenshot and recording, and is subject to the Service you purchase and contents of the Service provided by Tencent Cloud.

1.2 Service Period/Month: A calendar month is counted as a Service Period. When the period concerned is less than one full calendar month, the period from the day on which a user starts to use the Service to the very last day of such month will be counted as one Service Period. For example, if one starts to use the Service on March 19, the first Service Period will be from March 19 to March 31. The availability of the Service is calculated independently for each Service Period.

1.3 Unit of Time: For measuring the Service, each 5 minutes will be deemed as one measurement unit, resulting in 288 measurement points each day. The measurement point of 00:00:00 represents the time slot from 00:00:00 to 00:04:59, and the rest can be deduced by analogy.

1.4 Failure Rate of Video Playing within each Unit of Time: the proportion of the number of failed requests of the Service due to reasons attributable to Tencent Cloud within one Unit of Time out of the total number of valid requests within such Unit of Time, i.e., Failure Rate of Video Playing within each Unit of Time = number of failed requests for video loading within one Unit of Time / total number of valid requests within such Unit of Time × 100%. A failed request refers to a valid quest with the return of a 5XX error code or a user request failure due to the unavailability of

any Tencent Cloud Cloud Streaming Services node. A valid request refers to a request received by the server of the Cloud Streaming Services. However, any failure of video playing due to expiration of any anti-leech protection adopted by a user with anti-leech authentication enabled, or block of a domain name caused by any illegal or prohibited live broadcasting content or otherwise, or any anomaly on the push end, will not be deemed a valid request. If the total number of your valid requests within one Unit of Time is less than 250, service availability will not be counted for such Unit of Time. One IP will be deemed as one user, and all repeated failed requests of one IP within the measurement time period will be deemed as one failed request.

1.5 Service Downtime within a Service Period Calculated in Minutes: If the Failure Rate of Video Playing within each Unit of Time of the Cloud Streaming Services service is more than 0.4%, it shall be deemed that the Service is unavailable within such Unit of Time. If such situation lasts for ten (10) minutes or more, such time period shall be counted into the Service downtime. If such situation that lasts less than ten (10) minutes, it will not be counted into the Service downtime. The accumulative total of Service downtime within a Service Period is the Service Downtime within a Service Period Calculated in Minutes.

1.6 Monthly Service Fee for a Service Month: the service fees for CSS under a Tencent Cloud account of a client during one Service Month (including data charges by data volume or by bandwidth, and charges for transcoding, recording, screenshot, porn detection and other value-added services).

1.7 Total Time within a Service Month Calculated in Minutes: the total number of days within such Service Month \times 24 (hours) \times 60 (minutes).

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = $(1 - \text{Service Downtime within a Service Period Calculated in Minutes} / \text{Total Time within a Service Period Calculated in Minutes}) \times 100\%$

2.2 Service Standard Indicator

The Service Availability of the Service provided by Tencent Cloud will be **no less than 99.9%**. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the aforementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of CSS voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability of a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred herein shall exclude the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted).

Service Availability of a Service Month	Value of Compensation Voucher
≥ 95% and < 99.9%	5% of the Monthly Service Fee
< 95%	10% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability of a Service Month fails to meet the aforementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiration of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

-
- 4.1 any error due to the block of a domain name due to any illegal or prohibited content of a client or otherwise.
- 4.2 any loss or leak of data, pin or password due to improper maintenance or improper confidentiality measures of a client.
- 4.3 any hacker attack on a client's website.
- 4.4 any impact on the availability of the Service due to impromptu increase of traffic of a client (impromptu increase by 200% of daily peak of which the bandwidth is greater than 200Gbps) unless the client has provided a three-business day prior written notice to Tencent Cloud and subscribed a CSS escort service.
- 4.5 any system maintenance with prior notice by Tencent Cloud to a client, including system cutover, maintenance, upgrade and failure simulation test.
- 4.6 any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility.
- 4.7 any failure of video playing due to expiration of any anti-leech protection adopted by a client with anti-leech authentication enabled.
- 4.8 any failure of video playing due to block of a domain name caused by any illegal or prohibited content of a client or otherwise.
- 4.9 any failure of video playing due to anomaly on the push end.
- 4.10 any force majeure event or accident.
- 4.11 any other reason not attributable to Tencent Cloud.
- 4.12 any Service unavailability or failure of the Service to meet the availability standard above not attributable to Tencent Cloud.
- 4.13 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

- 5.1 The parties hereto acknowledge and agree that, for your losses during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.
- 5.2 Cloud Streaming Services offer the verification methods, such as using IP, Referer or Authentication Key (“Verification Methods”) to verify the legitimacy of the service access request, which you may choose to use at your sole discretion, but the Verification Methods may be circumvented by counterfeit information, and you shall not solely rely on the Verification Methods for your content protection. Tencent**

Cloud disclaims liability for any loss of the piracy caused by circumvention of the Verification Methods. It is strongly recommended that you remotely verify the legitimacy of Cloud Streaming Services request if you have higher requirements for the content security.

5.3 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.4 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

VOD Service Level Agreement

最近更新时间：2021-12-24 14:42:50

In order to use the Tencent Cloud Video on Demand (“VOD”) service (the “Service”), you should read and observe this Video on Demand Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud Video on Demand (VOD) Service: means the one-stop VPaaS service provided by Tencent Cloud to you, which integrates audio and video storage management, audio and video transcoding and audio and video speed-up playing, with the billing mode of pay per storage, transcoding or traffic usage. For details, please refer to the Service you purchase and the contents of the Service provided by Tencent Cloud.

1.2 Error Rate: Error Rate = (the number of “5xx” errors within unit time + the number of requests made by a user in a regular way that fail to reach the VOD server due to Service malfunction within unit time) / the number of all requests made by a user within unit time.

Note :

5xx: HTTP status code indicating server errors.

1.3 Service Unavailability: If the Error Rate of the Service is higher than 0.05% (exclusive) within one unit time (each five (5) minutes as one calculation time unit), it shall be deemed that the Service is unavailable within such unit time; when such situation lasts for ten (10) minutes or more, such time shall be counted into the Service Downtime, while any such situation that lasts less than ten (10) minutes will not be counted into the Service Downtime.

1.4 Service Downtime: means the aggregate time of Service Unavailability calculated in minutes within a Service Month.

1.5 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.6 Significant Impromptu Increase of Business Scale: The Service is not subject to any storage, transcoding or traffic limitations, and is scalable on a dynamic basis to meet your actual business needs; *provided, however,* that you should notify Tencent Cloud at least 3 business days in advance in writing in case of any significant impromptu increase of business scale, otherwise the availability of the Service may be affected. Tencent Cloud does not make any guarantee to the availability of the Service in case of any significant impromptu increase of business scale that you fail to so notify Tencent Cloud, nor will Tencent Cloud be liable for any impact on the availability of the Service thereof.

Significant Impromptu Increase of Business Scale

- bandwidth: peak requests expected to increase by more than 50Gbps, or peak requests increased by more than 10Gbps with significant concentration in terms of territory and operator.
- storage: the volume of storage expected to increase by more than 100TB.
- transcoding: the output of transcoding expected to increase by more than 100,000 minutes/day.

2. Service Availability/ Service Uptime Metrics

2.1 Calculation of Service Availability

Service Availability = (1 – Service Downtime / total time within a Service Month) × 100%

2.2 Standard of Service Availability/ Service Metrics

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.70%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service (Tencent Cloud VOD service) by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month** (the monthly service fee referred to herein shall exclude the portion deducted by a voucher or promotional voucher, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
$99.7\% > Av \geq 99\%$	10% of the monthly service fee for the applicable month
$99\% > Av \geq 95\%$	25% of the monthly service fee for the applicable month
$95\% > Av$	50% of the monthly service fee for the applicable month

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the third (3rd) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standard specified herein, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

- (1) APP ID of the account;
- (2) The duration of Service Downtime and other supporting materials.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test.
- 4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.
- 4.3 any attack on any of your application endpoints or data, or any other mal-operation.
- 4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.
- 4.5 any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device.
- 4.6 any failure of you to abide by user guide or suggestions for using Tencent Cloud products.
- 4.7 any malfunction due to block of a domain name caused by your illegal or prohibited content or otherwise.
- 4.8 any decline in the availability of the Service due to your impromptu increase of traffic without prior written notice to Tencent Cloud.
- 4.9 any Service Unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.
- 4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.
- 4.11 Tencent Cloud only provides VOD Services. Tencent Cloud shall not be liable if the videos provided by you violate any laws and regulations, government policies, or infringe on the rights of any third party.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course, and will announce such amendment via a notice on its website, an email notice or a text message notice. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended, and no additional consent is required from you therefor.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy.

5.4 These Terms are executed in Nanshan District, Shenzhen, Guangdong Province of the People's Republic of China ("**China**"). The formation, effectiveness, performance, interpretation and dispute resolution of these Terms are governed by laws of the mainland China (excluding conflicts of law rules). For the purpose of this Agreement, the laws of China's Hong Kong, Macau, and Taiwan are not applicable.

5.5 Both parties shall first negotiate to resolve any dispute arising from these Terms or the Service. If the parties fail to resolve such dispute through negotiation, either party may submit the dispute to the people's court at the place where this Agreement is executed (i.e., Nanshan District, Shenzhen, Guangdong). Media Processing Service Level Agreement

In order to use the Tencent Cloud Media Processing Service (the “MPS” or “Service”), you should read and observe this Media Processing Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud Media Processing Service: means the audio and video transcoding, content identification and video moderation service provided by Tencent Cloud. For details, please refer to the Service you purchase and the contents of the Service provided by Tencent Cloud.

1.2 Error Rate = (the number of “5xx” errors within unit time + the number of requests made by a user in a regular way that fail to reach the MPS server due to Service malfunction within unit time) / the number of all requests made by a user within unit time.

5xx: HTTP status code indicating server errors.

1.3 Service Unavailability: If the Error Rate of the Service is higher than 0.5% (exclusive) within one unit time (each five (5) minutes as one calculation time unit), it shall be deemed that the Service is unavailable within such unit time; when such situation lasts for ten (10) minutes or more, such time shall be counted into the Service Downtime, while any such situation that lasts less than ten (10) minutes will not be counted into the Service Downtime. The Service Downtime is calculated based on the Error Rate on the server end.

For example, assuming that the number of total requests for MPS made by user A within five (5) minutes is 10,000, during which period there's no Service malfunction and the number of "5xx" errors returned is 100, then the Error Rate would be calculated as follows: $(100 + 0)/10000 = 1\%$, *i.e.*, higher than 0.5%, and such five (5) minutes will be counted towards the Service Downtime.

1.4 Service Downtime: means the aggregate time of Service Unavailability calculated in minutes within a Service Month.

1.5 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.6 Significant Impromptu Increase of Business Scale: The Service is not subject to any transcoding limitation, and is scalable on a dynamic basis to meet your actual business needs; *provided, however*, that you should notify Tencent Cloud at least three (3) business days in advance in writing in case of any significant impromptu increase of business scale, otherwise the availability of the Service may be affected. Tencent Cloud does not make any guarantee to the availability of the Service in case of any significant impromptu increase of business scale that you fail to so notify Tencent Cloud, nor will Tencent Cloud be liable for any impact on the availability of the Service thereof.

Impromptu Increase Metrics:

- transcoding: the output of transcoding expected to increase by more than 100,000 minutes/day.
- video moderation: the volume of video moderation expected to increase by more than 40,000 minutes/day.
- content identification: the volume of content identification expected to increase by more than 40,000 minutes/day.

2. Service Availability/ Service Uptime Metrics

2.1 Calculation of Service Availability

Service Availability = $(1 - \text{Service Downtime} / \text{total time within a Service Month}) \times 100\%$

2.2 Standard of Service Availability/ Service Metrics

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.70%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service (Tencent Cloud Media Processing Service) by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month** (the monthly Service fee referred to herein shall exclude the fee deducted by a voucher or promotional coupon, Service fee discounted or waived, or fees otherwise deductible).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.70% > Av ≥ 99%	10% of the monthly service fee for the applicable month
99% > Av ≥ 95%	25% of the monthly service fee for the applicable month
95% > Av	50% of the monthly service fee for the applicable month

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the third (3rd) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standards specified hereunder, you may submit the compensation application within the period set forth under this SLA. Your compensation application shall be submitted along with at least the following documents:

- (1) the appid of the account for which the Service is unavailable.
- (2) the duration of the Service Unavailability and other relevant evidence thereof.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test;
- 4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility;
- 4.3 any attack on any of your application endpoints or data, or any other mal-operation;
- 4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;
- 4.5 any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device;
- 4.6 any failure of you to abide by user guide or suggestions for using Tencent Cloud products;
- 4.7 any malfunction due to block of a domain name caused by your illegal or prohibited content or otherwise;
- 4.8 any decline in the availability of the Service due to your impromptu increase of traffic without prior written notice to Tencent Cloud;
- 4.9 any Service Unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud;
- 4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately;
- 4.11 Tencent Cloud provides you with the Service only, and shall under no circumstance be liable for any violation of any law, regulation or government policy, or any infringement upon any right or interest of any third party, by any video provided by you.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course, and will announce such amendment via a notice on its website, an email notice or a text message notice. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended, and no additional consent is required from you therefor.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy.

5.4 This Agreement is executed in Nanshan District, Shenzhen, Guangdong Province, the People's Republic of China (“China”). The formation, effectiveness, performance, interpretation and dispute resolution of this Agreement shall be governed by law of the China (for the purpose of this Agreement only, excluding China's Hong Kong, Macau and Taiwan), without regard to the conflict of law.

5.5 In case of any dispute or claim between you and Tencent Cloud in connection with this Agreement, it shall first be resolved through friendly negotiation. If such dispute or claim cannot be settled amicably, you agree to submit such dispute or claim to a people's court with competent jurisdiction in the place where this Agreement is executed (*i.e.*, Nanshan District, Shenzhen, Guangdong Province). CAR Service Level Agreement

最近更新时间：2022-09-16 16:01:27

In order to use the Tencent Cloud Cloud Application Rendering Service (the “Service”), you shall read and comply with this Tencent Cloud Cloud Application Rendering Service Level Agreement (this “Agreement”, or this “SLA”) and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Uptime Metrics, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the Tencent Cloud Service Agreement.

1. Terms and Definitions

1.1 Cloud Application Rendering, CAR

Refers to the real-time rendering of your application, software, platform and any related contents deployed on the Cloud Application Rendering concurrency, where “concurrency” means a collection of a series of virtual computing resources, including CPU, bandwidth, disk, GPU, etc. The real-time rendering operation is completed on the server-side of Cloud Application Rendering concurrency, and Tencent Cloud will encode the rendered results into audio and video streams for transmission to the user's device through the network, and the device transmits the user's operation information to the cloud server and the application for real-time interaction.

1.2 CAR Concurrent Packet(s)

If you purchase n CAR Concurrent Packets, it means the Service will contain n cloud application rendering concurrency. The Service Availability (as defined below) is calculated by CAR Concurrent Packets.

1.3 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days of the Service Month(s) × 24 (hours) × 60 (minutes).

1.4 Service Unavailability

When the Service is in a non-maintenance state, but the access to the Service with any IP address in both directions (outgoing/incoming) by UDP protocol fails, and such downtime lasts for more than one minute, the Service is deemed as unavailable (“Service Unavailability”) within such minute.

1.5 Service Downtime Calculated in Minutes

Service Downtime Calculated in Minutes = the time the Service Unavailability is fixed – the time the Service Unavailability starts.

The service downtime is calculated in minutes. If the service failure is back to normal within one minute, i.e., if the duration of Service Unavailability of the CAR Concurrent Packet does not exceed one minute, such duration is not counted as Service Downtime Calculated in Minutes. If the duration of Service Unavailability is longer than one minute but less than two minutes, Service Downtime Calculated in Minutes in such duration would be one minute. For example, if the service downtime lasts for one minute and one second, the Service Downtime Calculated in Minutes would be one minute.

1.6 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.7 Monthly Service Fee

The Monthly Service Fee refers to the accumulated service fee you pay for the Service within a Service Month, excluding the portion that has been purchased but not consumed yet, and the fees deducted with vouchers, coupons, service fee reductions, etc.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (Total Number of Minutes within a Service Month - Service Downtime Calculated in Minutes) / Total Number of Minutes within a Service Month × 100%.

2.2 Service Availability Standard

The Service Availability for the Service shall be no less than 99% (“Service Availability Standard”). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of Liabilities), you may claim compensation in accordance with Section 3 of this Agreement.

Assuming that a month contains 30 days, the Total Number of Minutes within such Service Month is 43,200 minutes (=30 days × 24 hours × 60 minutes), the available time shall be no less than 42,768 minutes (=30 days × 24 hours × 60 minutes × 99%), which means the Service Downtime Calculated in Minutes shall be less than 432 minutes (=43,200 – 42,768).

3. Compensation Plan

In respect of the Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability Standard is not met for any Service Month, the amount of compensation will be calculated for each such Service Month independently, and the aggregate amount shall be no more than the Monthly Service Fee you pay for the Service in the Service Month in which the Service Availability fails to meet the Service Availability Standard (the Monthly Service Fee referred to herein shall exclude the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month Value of Compensational Voucher

Less than 99% but is or higher than 97% 5% of the Monthly Service Fee

Less than 97% but is or higher than 95% 10% of the Monthly Service Fee

Less than 95% 20% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may apply for compensation only through the Tencent Cloud ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.

(2) You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other

than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 Any attack on your application program by hackers.

4.2 Any loss or leak of data, passcode or password due to your improper maintenance and improper confidentiality measures.

4.3 Any negligence of you or any operation authorized by you.

4.4 Any network instability of your devices, including but not limited to network jitter, network disconnection, insufficient network signal.

4.5 Any compatibility issues of the applications deployed by you, including but not limited to hardware incompatibility, peripheral incompatibility, operating system incompatibility, GPU incompatibility.

4.6 Any Service Unavailability due to your own operation or maintenance of the applications deployed by you, including but not limited to application updates, maintenance.

4.7 Any Service Unavailability due to your failure to follow the Tencent Cloud product documentation or usage recommendations, including but not limited to the Service Unavailability caused by your refund/destruction operation of the Service in the console and by the usage operation of SDK and API interfaces.

4.8 Any error of the Service due to the applications or software installed by you, or other third-party software or configuration that are not directly operated by Tencent Cloud.

4.9 Any request to stop the service due to your or your applications' violation of laws, regulations, policies and norms, including but not limited to the use of pirated, non-copyrighted, Trojan horse viruses, pornography and other acts.

4.10 Any Service Unavailability due to force majeure including but not limited to natural disasters such as earthquakes, floods, plague epidemics, etc., as well as social events such as war, unrest, government actions, telecommunications backbone line disruptions, hackers, network congestion, technical adjustments in telecommunications departments and government controls.

4.11 Any suspension or termination due to your violation of Tencent Cloud Service Agreement, including the suspension or termination of the Service due to the unpaid or overdue service fees, etc.

4.12 Any temporary service interruption arising from routine maintenance and upgrade to the Service by Tencent Cloud as described in the Tencent Cloud Service Agreement.

4.13 Any Service Unavailability due to any reason not attributable to Tencent Cloud.

4.14 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End)

LCIC Service Level Agreement

最近更新时间：2023-03-20 17:39:17

In order to use the Tencent Cloud Low-code Interactive Classroom Service (the “Service” or “Lcic”), you shall read and comply with this Tencent Cloud Low-code Interactive Classroom Service Level Agreement (this “Agreement”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Availability Standard, Compensation Plan and Disclaimer of Liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Low-code Interactive Classroom, Lcic

Low-code Interactive Classroom provided by Tencent Cloud refers to comprehensive interactive classroom solutions, including without limitation real-time audio and video, instant messaging IM, interactive whiteboard, recording and course playback, which provide complete terminal SDK access, backend interface and other functions. The specific content of the Service is subject to the services actually purchased by you and provided by Tencent Cloud.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months until June 16 (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Monthly Service Fee

The Monthly Service Fee refers to the aggregate service fees actually consumed by you for the Service within one Service Month. If you make a one-time purchase of multiple pre-paid service packages, the Monthly Service Fee will be subject to the actual consumption during the then current Service Month, and the portion yet to be consumed will be excluded.

1.4 Classroom Entry Success Rate

Once you make a request for entering a classroom, it will be counted as one request. Once you enter a classroom, it will be deemed that the classroom entry is successful.

Classroom Entry Success Rate = (number of successful classroom entries / total number of classroom entry requests) × 100%

1.5 Service Downtime Calculated in Minutes

If the Classroom Entry Success Rate is lower than 99% within one unit time (each 5 minutes as one calculation time unit) due to any reason attributable to Tencent Cloud, it shall be deemed that the Service is unavailable within such unit time; when such situation lasts for five (5) minutes or more, such time shall be counted into the service downtime, while any such situation that lasts less than five (5) minutes will not be counted into the service downtime.

Note:

5 minutes will be deemed as one measurement unit, resulting in 288 measurement points each day. The measurement point of 00:00:00 represents the time slot from 00:00:00 to 00:04:59, and the rest can be deduced by analogy.

1.6 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days in such Service Month(s) × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (1 - Service Downtime Calculated in Minutes within a Service Month / Total Number of Minutes within such Service Month) × 100%

For example, assuming that the Classroom Entry Success Rate from 10:00 a.m. to 10:30 a.m. on a certain day in March 2019 is 98% (i.e., the Classroom Entry Success Rate is lower than 99% and the situation lasts for more than five (5) minutes), the Service Downtime Calculated in Minutes would be 30 minutes, and the Service Availability of March 2019 is 99.93% (i.e., $1 - (30 / 31 \times 24 \times 60) \times 100\%$).

2.2 Service Availability Standard

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.9%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the Disclaimer of Liabilities provisions below.

3. Compensation Plan

In respect of the Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and after receiving the voucher, you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in any Service Month, the amount of compensation shall be calculated for such Service Month independently, and the aggregate amount shall be no more than the Monthly Service Fee you pay for the Service in the Service Month in which the Service fails to meet the Service Availability Standard (the Monthly Service Fee excludes the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99.5%	10% of the Monthly Service Fee
Less than 99.5% but is or higher than 99%	20% of the Monthly Service Fee
Less than 99%	50% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may apply for compensation only through the Tencent Cloud ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.

(2) You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the Service Month in which the Service fails to meet the Service Availability Standard. If you fail to make any application within

such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 Any failure attributable to Customer.

4.2 Any negligence of Customer or any operation authorized by Customer.

4.3 Any loss or leak of data, pin or password due to improper maintenance or improper confidentiality measures of Customer.

4.4 Any hacker attack on Customer's website, application or data.

4.5 Any failure of Customer to observe the documentation or guideline for using the Lcic.

4.6 Any impromptu increase of traffic of Customer (the number of users in a single room exceeds 3,000 or the number of new concurrent users exceeds 10,000) without five (5) business days prior written notice to Tencent Cloud (through the Tencent Cloud ticket system or contacting business managers).

4.7 Any use of products, functions and access for trial operation which are not launched on the official website of Tencent Cloud.

4.8 Any use by Customer in connection with any illegal content, including but without limitation to pornography, gambling, illegal drugs, fraud, etc.

4.9 Any significant event or promotion publicly announced by Tencent Cloud in advance.

4.10 Any system maintenance with prior notice by Tencent Cloud to Customer, including system cutover, maintenance, upgrade and failure simulation test.

4.11 Any failure or configuration adjustment of network or equipment that is not owned or controlled by Tencent Cloud.

4.12 Any force majeure event or accident.

4.13 Any Service unavailability or failure of the Service to meet the Service Availability standard not attributable to Tencent Cloud.

4.14 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to applicable laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End)

Cloud Workload Protection Platform Service Level Agreement

In order to use the Tencent Cloud Workload Protection Platform service (the “Service”), you should read and observe this Cloud Workload Protection Platform Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/“Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud Workload Protection Platform Service: means the product features (both basic edition and professional edition) provided by Cloud Workload Protection Platform. The Service Availability of professional edition is no less than 99% while the basic edition is free to use with no guarantee of Service level. For details, please refer to the Service you purchase and the contents of the Service provided by Tencent Cloud.

1.2 Service Unavailability: The failure or malfunction of the security function caused by the abnormality of the Cloud Workload Protection Platform Service system (for example, the security feature cannot be used, and the product cannot be started or uninstalled).

1.3 Service Downtime Calculated in Minutes: Service Downtime Calculated in Minutes = the time when the Service Unavailability of the Service is fixed – the time when the Service Unavailability of the Service starts. Such downtime will be calculated in minutes, and when the downtime, or an unrounded portion thereof, is less than sixty (60) seconds, it will be rounded up to one (1) minute. For example, if the actual downtime is one (1) minute and one (1) second, the Service Downtime Calculated in Minutes is two (2) minutes. If the Service Unavailability of the Service

is fixed within one (1) minute, which means that the actual downtime of the Service is less than one (1) minute, such downtime will not be counted towards the Service Downtime.

1.4 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = ((total time of a Service Month calculated in minutes - Service Downtime Calculated in Minutes within a Service Month) / total time of a Service Month calculated in minutes) × 100%.

2.2 Service Availability Standard

The Service Availability of the Service provided by Tencent Cloud will be no less than 99%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly Service fee paid by you for such month** (the monthly Service fee referred to herein shall exclude the fee deducted by a voucher or promotional coupon, Service fee discounted or waived, or fees otherwise deductible). **This section only applies to users of the professional edition of Cloud Workload Protection Platform. Users of**

the free basic edition are not entitled to the compensation specified herein, and the calculation of compensation therefor is based on the number of affected devices.

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99% > Av ≥ 90%	10% of the monthly Service fee
90% > Av ≥ 80%	25% of the monthly Service fee
80% > Av	100% of the monthly Service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standards specified herein, you may submit the compensation application within the period set forth in this SLA. Your compensation application shall be submitted along with at least the following documents:

- (1) a detailed incident description report, including the specific date, time, duration and other details relating to Service unavailability;
- (2) other information reasonably requested by Tencent Cloud.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by

Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 the Service is unavailable or fail to meet the Service Availability standard due to the act of You or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal;

4.2 the Service is unavailable or fail to meet the Service Availability standard due to the device, software or technology of You or any third party (not directly controlled by Tencent Cloud);

4.3 the Service is unavailable or fail to meet the Service Availability standard due to your failure to use the products in accordance with the specification required by Tencent Cloud;

4.4 the Service is unavailable or fail to meet the Service Availability standard due to your violation of any Tencent Cloud products' terms;

4.5 the Service is unavailable or fail to meet the Service Availability standard due to your non-payment or delay in payment;

4.6 the Service is unavailable or fail to meet the Service Availability standard due to a severe malfunction of a network operator;

4.7 the Service is unavailable or fail to meet the Service Availability standard due to your non-compliant or illegal use of Tencent Cloud products;

4.8 the Service is unavailable or fail to meet the Service Availability standard due to the maintenance or upgrade of any network, hardware or service (Tencent Cloud will notify you in advance of the schedule of maintenance in accordance with reasonable business principles);

4.9 the Service is unavailable or fail to meet the Service Availability standard due to any event of force majeure;

4.10 the Service is unavailable or fail to meet the Service Availability standard due to your or your end users' failure to handle the security alerts in a timely manner;

4.11 the Service is unavailable or fail to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;

4.12 the Service is unavailable or fail to meet the Service Availability standard due to compatibility issues caused by your or your end users' installation of Cloud Workload Protection Platform agent in a non-Tencent Cloud Standard System;

4.13 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document).

Captcha Service Level Agreement

最近更新时间：2022-09-27 10:27:12

In order to use the Tencent Cloud Captcha Service (the “Service”), you shall read and comply with this Tencent Cloud Captcha Service Level Agreement (this “Agreement”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Service Month(s)

Refers to the calendar month(s) within the term of the Service purchased by you. For example, if you start the Service on March 17, the first Service Month will be from March 17 to March 31, and each calendar month thereafter (e.g., the second from April 1 to April 30, the third from May 1 to May 31) will be a Service Month. The Service Availability will be calculated separately for each Service Month.

1.2 Total Number of Minutes within a Service Month

Total Number of Minutes within a Service Month = the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.3 Failed Request(s)

A request will be deemed as a Failed Request in the following cases:

(1) The return status code is 5XX or 4XX due to the Captcha system, that is, the return status code starts with 5 or 4.

(2) The normal request does not reach the Captcha server due to the failure of the Captcha system.

1.4 The Total Number of Requests

Refers to the total number of Captcha requests initiated by the Customer.

1.5 Error Rate

Error Rate shall be calculated in minutes. Error Rate = (the number of Failed Requests within one minute / the Total Number of Requests within such minute) × 100%.

1.6 Service Downtime

If the Error Rate of the Service is greater than 0.01% within one minute, such minute is counted as Service Downtime. If the Service is unavailable for more than one minute, it is counted as a failure event (the "Failure Event").

1.7 Service Downtime Calculated in Minutes

Refers to the total number of minutes of Service Downtime in a Service Month.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = ((the total number of minutes within a Service Month - Service Downtime Calculated in Minutes in such Service Month) / the total number of minutes within a Service Month) × 100%

2.2 Service Availability Standard

The Service Availability of the Service **shall be no less than 99.99%** ("**Service Availability Standard**"). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of Liabilities), you may claim compensation in accordance with this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of compensational service times (i.e., Captcha requests) by Tencent Cloud.

(2) Tencent Cloud will compensate you for 10 times the number of Failed Requests in the Failure Event of the Service Month, i.e., the number of compensational service times = the number of Failed Requests × 10. For example, if the

number of Failed Requests in the Failure Event of a Service Month in which the Service fails to meet the Service Availability Standard is 10, Tencent Cloud will compensate you for 100 Captcha requests (=10 * 10).

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation within two (2) months following the end of the applicable Service Month in which the Service Availability fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 the Service is unavailable due to the act of you or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal;
- 4.2 the Service is unavailable due to the device, software or technology of you or any third party;
- 4.3 the Service is unavailable due to your failure to use the products in accordance with the specification required by Tencent Cloud;
- 4.4 the Service is unavailable due to your violation of any Tencent Cloud product policy or documentation;
- 4.5 the Service is unavailable due to your non-payment, delay in payment or refund;
- 4.6 the Service is unavailable due to your illegal use of Tencent Cloud products;
- 4.7 the Service is unavailable due to the maintenance or upgrade of any network, hardware or service, but Tencent Cloud will notify you in advance of the schedule of such maintenance and upgrade;
- 4.8 the Service is unavailable due to any event of force majeure;
- 4.9 the Service is unavailable due to any reason not attributable to Tencent Cloud;

4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to applicable laws, regulations, agreements or rules, or terms of service, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End)

WAF Service Level Agreement

最近更新时间：2023-05-11 15:28:31

In order to use the Tencent Cloud Web Application Firewall Service(the “Service”or WAF”), you shall read and comply with this Tencent Cloud Web Application Firewall Service Level Agreement (this “Agreement” or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability, Compensation Plan and Disclaimer of Liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention. Meanwhile, the Service involves security protection technology and some functions requires you configuration in accordance with the requirements of the Service. Please make sure to read the service rules of the Service carefully (including but not limited to the product documentation on the official website of Tencent Cloud).

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Tencent Cloud Web Application Firewall, WAF

Tencent Cloud Web Application Firewall refers to the web security protection provided by Tencent Cloud to you (“Customer”) through the Web Application Firewall, including website or App service security visualization analysis, OWASP TOP 10 protection, business BOT protection and website compliance protection, etc. The specific services are subject to the services you have purchased and the services provided by Tencent Cloud.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Service Unavailability

The Service is deemed as unavailable (“**Service Unavailability**”) if the following conditions exist within a continuous period of 1 minute or more:

- (1) The service request cannot reach the service server due to WAF’s own reasons; or
- (2) The service server returns 4xx and 5xx status codes due to WAF’s own reasons.

If the Service is unavailable for less than 1 minute (i.e., the duration of service unavailability for a single instance does not exceed 1 minutes), such circumstance shall not be deemed as Service Unavailability. For example, if the Service is continuously unavailable for 59 seconds, such circumstance shall not be deemed as Service Unavailability.

1.4 Service Downtime

Service Downtime = the time Service Unavailability is fixed - the time Service Unavailability starts. The Service Downtime is calculated by minutes, and any time less than 60 seconds is calculated by 1 minute. For example, the Service Unavailability start moment is 14:01:01 on 10 January, the Service Unavailability fixed moment is 15:01:29 on 10 January, the Service Unavailability time is 60 minutes and 28 seconds. 28 seconds is less than 1 minute, and it needs to be calculated by 1 minute, so this Service Downtime is 61 minutes.

1.5 Service Downtime Calculated in Minutes within Service Month(s)

The sum of Service Downtime calculated in minutes in a Service Month is Service Downtime Calculated in Minutes within such Service Month. For example, if the Service is unavailable 3 times in a Service Month and such Service Downtimes last for 10 minutes, 20 minutes and 30 minutes respectively, the Service Downtime Calculated in Minutes within such Service Month would be 60 minutes.

1.6 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days in Service Month(s) × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (1 - Service Downtime Calculated in Minutes within Service Month(s) / Total Number of Minutes within Service Month(s)) × 100%

2.2 Service Availability Standard

The Service Availability of the Service **shall be no less than 99.95%** (“**Service Availability Standard**”). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of

Liabilities), you may claim compensation in accordance with Section 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on the official website of Tencent Cloud). Such voucher cannot be converted into cash, and no invoice will be issued in respect thereof. The voucher may only be used to purchase the Service via your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in a Service Month, the amount of compensation shall be calculated for such Service Month in which the Service fails to meet the Service Availability Standard separately, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for the Service in such Service Month** (the Monthly Service Fee refers to the actual amount you pay in cash, excluding the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.95% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the Service Month in which the Service fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation

and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period and is not eligible for compensation by Tencent Cloud. Tencent Cloud will not be held liable to you for the corresponding Service Unavailability and the unavailability of your business (if any, including but not limited to the interruption and inaccessibility of your business):

4.1 The Service is unavailable or fails to meet the Service Availability Standard due to the illegal or fraudulent act of you or your end users or any other act that poses a security threat to the Service provided by Tencent Cloud.

4.2 The Service is unavailable due to the device, software or technology of you or any third party (not directly controlled by Tencent Cloud).

4.3 The Service is unavailable due to your failure to use the products in accordance with the configuration or service rules (including but not limited to [the product documentation on Tencent Cloud's official website](#), etc.) required by Tencent Cloud.

4.4 The Service is unavailable as the instance goes into the sandbox due to the peak value of your instance requests exceeding the quantity ordered by you (e.g., your business or attack traffic increase causes the instance requests peak value to exceed the quantity ordered).

4.5 The Service is unavailable, or your business is unavailable when the VIP address of the WAF changes because you have bound your business to the VIP address of the WAF instance.

4.6 In the circumstance where you authorize Tencent Cloud to create security group policies for the assets of your business source station on Tencent Cloud, the Service is unavailable, or your business is unavailable due to the failure of the distribution of the security group policy created by Tencent Cloud for reasons not attributable to the Tencent Cloud Web Application Firewall (e.g., your security group or source station instance restricts the issuance of policies for the Service, you change the security group policy by yourself, you cancel or skip the service role authorization to Tencent Cloud Web Application Firewall, etc.).

4.7 The Service is unavailable due to your non-payment or delay in payment.

4.8 The Service is unavailable due to serious failure of network operator.

4.9 The Service is unavailable due to various source station issues at your business side (e.g., source station bandwidth running full, source station IP exposure, source station server room failure, source station link network jitter, etc.).

4.10 Any temporary service interruption arising from routine maintenance and upgrade to the Service by Tencent Cloud as described in the [Tencent Cloud Service Agreement](#).

4.11 The Service is unavailable due to any event of force majeure.

4.12 The Service is unavailable due to any reason not attributable to Tencent Cloud.

4.13 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to applicable laws, regulations, agreements or rules, or rules or guidelines published by Tencent Cloud separately.

5. Special Covenants

5.1 For SaaS-type Web Application Firewall, you should avoid binding your business to the VIP address of the WAF instance as the VIP address of the WAF may change. Otherwise, when the VIP address of the WAF changes, the Service will be unavailable, and your business connected to the WAF cannot be accessed normally.

5.2 For SaaS-type Web Application Firewall, as the back-to-origin EIP address of the WAF may change, you should adjust the security group policy configuration and release the changed back-to-origin EIP address segment of the WAF in time. Otherwise, when the back-to-origin EIP address of the WAF changes, the Service will be unavailable, and your business connected to the WAF cannot be accessed normally.

5.3 Tencent Cloud provides the Customers of SaaS-based Web Application Firewall with the function of automatically releasing the back-to-origin address of the WAF. You may authorize Tencent Cloud to release the back-to-origin EIP address segment of the WAF for the assets of your business source station on Tencent Cloud when the back-to-origin EIP address of the WAF changes, and Tencent Cloud will create a security group policy for the assets of your business source station on Tencent Cloud according to your authorization by calling the authorized interface. However, please note that the security group policies issued by Tencent Cloud are only limited to the back-to-origin EIP address segment after the change of the WAF, and other security group policies still need to be configured and adjusted by you, and you need to ensure that your security group and instance have no restriction on the security group policies issued by Tencent Cloud, otherwise the issuance of the related security group policies may fail.

6. Miscellaneous

6.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the

Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

6.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

6.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End)

CFW Service Level Agreement

最近更新时间：2022-12-06 16:27:42

In order to use the Tencent Cloud Cloud Firewall Service(the “Service”or“CFW”), you shall read and comply with this Tencent Cloud Cloud Firewall Service Level Agreement (this “Agreement” or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability/Service Availability Standard, Compensation Plan and Disclaimer of Liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Cloud Firewall Service, CFW

Cloud Firewall Service refers to the cloud firewall and related technical support services as shown on the official website of Tencent Cloud, subject to the specific services purchased by you and the services provided by Tencent Cloud.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (1 - Service Downtime Calculated in Minutes within Service Month) / Total Number of Minutes within Service Month) × 100%

2.2 Additional Definitions

Total Number of Minutes within Service Month(s) refer to the total cumulative minutes of the Service you purchase in a Service Month.

Service Downtime Calculated in Minutes within Service Month(s) refers to the minutes in which the Service is unavailable in a Service Month. If all attempts to connect to the Service fail in a certain minute, the Service would be deemed as unavailable in such minute.

2.3 Service Availability Standard

The Service Availability of the Service **shall be no less than 99.5%** (“**Service Availability Standard**”). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of Liabilities), you may claim compensation in accordance with Section 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on the official website of Tencent Cloud). Such voucher cannot be converted into cash, and no invoice will be issued in respect thereof. The voucher may only be used to purchase the Service via your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in a Service Month, the amount of compensation shall be calculated for such Service Month in which the Service fails to meet the Service Availability Standard separately, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for the Service in such Service Month** (the Monthly Service Fee in this paragraph shall exclude the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.5% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee

Service Availability in a Service Month	Value of Compensational Voucher
Less than 95%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the Service Month in which the Service fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

- (1) A detailed report describing the scanning process.
- (2) The specified date, time, duration and other details on the service unavailability, and related screenshots.
- (2) Other information Tencent Cloud reasonably requires you to provide.

4. Disclaimer of Liabilities

If the service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 The Service is unavailable or fails to meet the Service Availability Standard due to the act of you or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal.

4.2 The Service is unavailable or fails to meet the Service Availability Standard due to the device, software or technology of you or any third party (not directly controlled by Tencent Cloud).

4.3 The Service is unavailable or fails to meet the Service Availability Standard due to your failure to use the products in accordance with the specification required by Tencent Cloud.

4.4 The Service is unavailable or fails to meet the Service Availability Standard due to your violation of any Tencent Cloud product policy or documentation.

4.5 The Service is unavailable or fails to meet the Service Availability Standard due to your non-payment or delay in payment.

4.6 The Service is unavailable or fails to meet the Service Availability Standard due to serious failure of network operator.

4.7 The Service is unavailable or fails to meet the Service Availability Standard due to your failure to use Tencent Cloud products in accordance with applicable regulations or your illegal use of Tencent Cloud products.

4.8 The Service is unavailable or fails to meet the Service Availability Standard due to any event of force majeure.

4.9 The Service is unavailable or fails to meet the Service Availability Standard due to any reason not attributable to Tencent Cloud.

4.10 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to applicable laws, regulations, agreements or rules, or rules or guidelines published by Tencent Cloud separately.

4.11 The Service shall be used for the normal commerce, scientific research and other businesses in compliance with the applicable laws and regulations, and shall not be used for any illegal businesses, otherwise Tencent has the right to stop providing the Service to you.

4.12 You shall read the guidelines and instructions of the Service carefully, make your own judgement about whether the functions of the Service and related services are suitable for your business, and operate in accordance with the relevant guidelines. You shall be responsible for any losses caused by the strategy failure due to your incorrect operation, so please take the risk and operate carefully.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End)

DSC Service Level Agreement

最近更新时间：2022-02-25 15:11:16

In order to use the Tencent Cloud Data Security Center Service (the “Service”), you shall read and comply with this Tencent Cloud Data Security Center Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud Data Security Center Service

Refers to sensitive data identification, classification and hierarchization, risk detection and other services provided by Tencent Cloud by connecting to your (the “Client”) data assets. The specific content of the services shall be subject to the Service you purchase, and the contents actually provided by Tencent Cloud.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Total Number of Minutes within Service Month

Total Number of Minutes within Service Month(s) = the total number of days of the Service Month(s) × 24 (hours) × 60 (minutes).

1.4 Service Unavailability

Service Unavailability refers to the unavailability of the Service, which includes the following two types:

(1) Unavailability of management function: means that you cannot operate the relevant functional configuration items in the interface by the steps described in the operation guide, despite normal login of the service console within the scope of authorization.

(2) Unavailability of classification and hierarchization function: means that you cannot perform the operations such as data identification, classification and hierarchization to process the supportable data assets as committed in the operation guide through the Service, even though you make correct configuration in full compliance with the operation guide.

1.5 Service Downtime

Service Downtime = the time when the Service Unavailability is fixed – the time when the Service Unavailability starts. Such downtime will be calculated in minutes, and when the downtime, or an unrounded portion thereof, is less than sixty (60) seconds, it will be rounded up to one (1) minute. For example, if the time when the Service Unavailability starts is January 10 at 14:01:01, and the time when the Service Unavailability is fixed is January 10 at 15:01:29, the Service Downtime will be sixty (60) minutes and twenty-eight (28) seconds. Since twenty-eight (28) seconds is less than one (1) minute, it will be rounded up to one (1) minute, so the Service Downtime will be sixty-one (61) minutes.

1.6 Service Downtime within Service Month(s) Calculated in Minutes

Service Downtime within Service Month(s) Calculated in Minutes refers to the total number of minutes of the Service Downtime within Service Month(s). For example, if the Service Unavailability takes places three times within Service Month(s), and the Service Downtime is 10 minutes, 20 minutes, and 30 minutes respectively, the Service Downtime within Service Month(s) Calculated in Minutes will be sixty (60) minutes.

2. Service Availability

2.1 Calculation of the Service Availability

Service Availability = $\{(Total\ number\ of\ minutes\ within\ Service\ Month(s) - Service\ Downtime\ within\ Service\ Month(s)\ Calculated\ in\ Minutes) / Total\ number\ of\ minutes\ within\ Service\ Month(s)\} \times 100\%$.

2.2 Service Availability Standard

The Service Availability of the Service provided by Tencent Cloud should not be less than **99.9%**. If the Service fails to meet the Standard (except under circumstances for disclaimer of liabilities), you may claim compensation in accordance with Article 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made ****in the form of voucher (not cash) ****by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability in a Service Month fails to meet the abovementioned standard, the amount of compensation shall be calculated for such Service Month separately, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such Service Month** (the Monthly Service Fee referred to herein shall be the cash you have actually paid, excluding the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99.0%	10% of the Monthly Service Fee
Less than 99.0% but is or higher than 98.0%	20% of the Monthly Service Fee
Less than 98.0%	50% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may **apply for compensation only through the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, **it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.**

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

- (1) a detailed description of the incident;
- (2) the specific date, time, duration and other details related to the Service Unavailability;
- (3) the database and resources node IP, open port, database table name and other information related to the Service;
- (4) other information Tencent Cloud reasonably requires you to provide.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 the Service is unavailable due to the act of you or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal;**
- 4.2 the Service is unavailable due to the device, software or technology of you or any third party (not directly controlled by Tencent Cloud);**
- 4.3 the Service is unavailable due to your failure to use the products in accordance with the specification required by Tencent Cloud;**
- 4.4 the Service is unavailable due to your violation of any Tencent Cloud products' terms;**
- 4.5 the Service is unavailable due to your non-payment or delay in payment;**
- 4.6 the Service is unavailable due to a severe malfunction of a network operator;**
- 4.7 the Service is unavailable due to your non-compliant or illegal use of Tencent Cloud products;**
- 4.8 the Service is unavailable due to the maintenance or upgrade of any network, hardware or service (Tencent Cloud will notify you in advance of the schedule of maintenance in accordance with reasonable business principles);**
- 4.9 the Service is unavailable due to any event of force majeure;**
- 4.10 the Service is unavailable due to the number of databases exceeding the service specification of the Data Security Center product you purchase;**
- 4.11 the Service is unavailable or fail to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;**
- 4.12 any temporary service interruption arising from routine maintenance and upgrade to the Service by Tencent Cloud as described in the [Tencent Cloud Service Agreement](#);**
- 4.13 any other circumstances in which Tencent Cloud will be exempted or disclaimed from its liabilities**

for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

You understand and agree that the functions of the Service including sensitive data identification, classification and hierarchization and risk detection, only provide you with the relevant mode identifications or detection results (the “Analysis Results”) related to the request you submit, and you should analyze and judge whether the Analysis Results are in compliance with the data you submit. Tencent Cloud does not promise the authenticity, accuracy and applicability of the Analysis Results. The Analysis Results provided by the Service do not constitute any explicit or implicit opinions or promises of Tencent Cloud to any entity, and do not stand for affirmative or negative position of Tencent Cloud. Tencent Cloud shall not be liable for any losses caused by your use or reference to the content or information of the Analysis Results.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed. If you have used the Service for more than 12 months, the maximum liabilities for compensation of Tencent Cloud shall not exceed the total amount of Service Fees that you have paid to Tencent Cloud for the Service in the 12 months prior to the occurrence of the damage (for the avoidance of doubt, the Service Fees refer to the cash you have actually paid for the Service, excluding vouchers and the fees you have prepaid but not actually consumed).

5.2 You agree and acknowledge that, the data you store or upload to the Service, or use the Service to identify, analyze or process by any other means is the data you collect, obtain or produce legally, and you have the full authorization of the relevant information owners and promise to be entitled to process the data through the Service.

5.3 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.4 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

KMS Service Level Agreement

最近更新时间：2021-12-21 15:47:48

In order to use the Tencent Cloud Key Management Service (the "KMS" or the "Service"), you should read and observe this Key Management Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Key Management Service (KMS): means a key service protecting the security of data and keys, by which a higher level of security of your information (including data and keys) will be ensured. For details, please refer to the Service you purchase, and the contents of the Service provided by Tencent Cloud.

1.2 Failed Request: means a request with a returned error code "InternalError", excluding those in any circumstance as provided for in the release of liabilities provisions below.

1.3 Valid Request: means a request received by KMS server, excluding those in any circumstance as provided for in the release of liabilities provisions below.

1.4 Error Rate Per Five Minutes: Error Rate Per Five Minutes = the number of Failed Requests per five minutes / the total number of Valid Requests per five minutes × 100%

1.5 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.6 Monthly Service Fee: means KMS Service fees under your Tencent Cloud account within a Service Month.

2. Service Availability

2.1 Calculation of Service Uptime Rate

Service Availability = $1 - (\text{the sum of the Error Rate Per Five Minutes within a Service Month} / \text{the total number of five-minute measurement units within a Service Month}) \times 100\%$

2.2 Standard of Service Metrics

The Service Availability of the Service will be no less than 99.90%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned guaranteed standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability is less than 99.90%, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by the user for such month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional credit or any other non-cash portion).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
$99.90\% > Av \geq 99\%$	10% of the Monthly Service Fee
$99\% > Av \geq 95\%$	25% of the Monthly Service Fee
$95\% > Av$	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any scheduled downtime due to any system maintenance with prior notice by Tencent Cloud, including system cutover, upgrade and malfunction simulation test.

4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.

4.3 any Service unavailability attributable to any person other than Tencent Cloud, such as hacker attack or negligence of your third-party supplier.

4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.

4.5 any mal-operation due to your negligence, or any operation authorized by you.

4.6 any failure of a user to abide by user guide or suggestions for using Tencent Cloud products, including without limitation:

(1) loss of the key to an account password and envelope encryption, resulting in the decryption failure of underlying data.

(2) failure to clear cache in a timely manner for envelope encryption, resulting in the leak of the plaintext of the key.

(3) deletion of CMK by mal-operation, resulting in the decryption failure of underlying data.

(4) other incorrect operation, resulting in the leak of data or decryption failure.

4.7 any request made by a user who has not yet activated the Service or has any unpaid overdue payment.

4.8 any event of force majeure.

4.9 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

SSM Service Level Agreement

最近更新时间：2021-12-24 14:42:04

Secrets Manager Service Level Agreement

In order to use the Tencent Cloud Secrets Manager Service (the “Service”), you shall read and comply with this Secrets Manager Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service Availability or success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Failed Request

Refers to a request returned with an “InternalError” error code after such request is sent by you during the use of the Service (excluding circumstances covered by provisions of release of liabilities).

1.2 Valid Request

A request received by the server end of the Secrets Manager is deemed as a Valid Request (excluding circumstances covered by provisions of release of liabilities).

1.3 Error Rate Per 5 Minutes

The Error Rate Per 5 Minutes is calculated on the basis of consecutive 5-minute periods. Error Rate Per 5 Minutes = Failed Requests per 5 minutes / Total Valid Requests per 5 minutes x 100%

1.4 Total Number of 5-Minute Periods in A Service Period

The Total Number of 5-Minute Periods in A Service Period = 12 * 24 * Number of Days in that Service Period.

1.5 Service Month(s)

Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first

Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

2. Service Availability/Service Success Rate

2.1 Calculation of Service Availability/Service Success Rate

Service Availability = (1 - The Sum of Error Rate Per 5 Minutes in a Service Month / Total Number of 5-Minute Periods in a Service Month) × 100%

2.2 Service Availability/Service Indicator Standard

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.90%. The customer is entitled to the compensation as set forth in Section 3 of this Agreement if the Service Availability of the Secret Manager Service fails to meet the aforementioned standard, other than in any circumstance as provided in the Release of Liabilities provisions.

2.3 Examples

(1) Presume that the user accesses the Service and sends a total number of 1,000,000 requests in a 5-minute period, during which there is no node failure, and there are 1,000 responses with an “InternalError” error code, then the Error Rate = (1,000 + 0) / 1,000,000 = 0.1%.

(2) Total Number of 5-Minute Periods in A Service Period = 12 × 24 × 30 = 8640 (periods).

(3) If the Service Availability calculated with the aforementioned formula is less than 99.90%, the Service of that month under the SLA is deemed as failed to meet the Standard.

3. Compensation Plan

In respect of the Service, if the Service Availability is less than 99.90%, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher (and not cash)** by Tencent Cloud. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability in a Service Month fails to meet the abovementioned standard, the amount of compensation shall be calculated for such Service Month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such Service Month** (the Monthly Service Fee referred to herein shall exclude the non-cash fee deducted by a voucher, a promotional coupon, or otherwise).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.90% but is or higher than 99%	10% of the Monthly Service Fee

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation only through the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. **Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, **it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.**

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standard, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

- (1) a detailed description of the incident, which shall include the specified date, time, and duration when the Service was unavailable and other details on the Service unavailability.
- (2) other information Tencent Cloud reasonably requires you to provide.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding duration of Service unavailability shall not be considered when calculating the Service unavailability period, shall not be eligible for compensation by Tencent Cloud, and Tencent Cloud shall not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud, e.g., system cutover, maintenance, upgrade, malfunction simulation test, and other planned downtime;
- 4.2 any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility;

- 4.3 any unavailability caused by a third-party other than Tencent Cloud, e.g., any availability caused by an attack by hackers or the negligence of a third-party supplier of yours;
- 4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;
- 4.5 any incorrect operation resulted from your negligence or operation you have authorized;
- 4.6 any failure of you to abide by documentation or instructions for using Tencent Cloud products;
- 4.7 any request sent by the user who has not subscribed to the Service or has overdue service fees;
- 4.8 any force majeure;
- 4.9 any unavailability of the Service or failure to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;
- 4.10 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

Penetration Test Service Level Agreement

In order to use the Penetration Test Service (the “Service”), you shall read and comply with this Penetration Test Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Penetration Test

Refers to a black-box security test method for binary programs on WEB, applets, mobile APP and PC platform, and their back-end servers and associated resources, which conducts security test on the target applications by the means of platforms, tools and human services to discover potential security risks and vulnerabilities.

1.2 Penetration Test Service

Penetration Test Service provided by the Tencent Cloud refers to the penetration test service provided by the Tencent Cloud. You may choose the corresponding service according to your needs. The specific content of the Service is subject to the service you have purchased and the service provided by Tencent Cloud.

1.3 Validity Period of the Service

Validity Period of the Service refers to the validity period of the Service agreed in the contract (for customers who initiate online orders, the formal contract is signed after the needs of both parties have been confirmed).

1.4 Validity Timeout of the Service

Validity Timeout of the Service means that the Service fails to be completed within the time agreed in the contract.

1.5 Service Response Time

Service Response Time refers to the interval between the time you initiate a specified service request by phone or WeChat, and the time the Penetration Test Service team provides you with the expert service implementation plan and schedule by phone or WeChat.

The formula is: Service Response Time = the time the service team responds – the time the user initiates demand

1.6 Service Response Timeout

Service Response Timeout means that the response is not made within the Service Response Time of the specified service.

1.7 Service Availability

Service Availability means that the Service Response Time should meet the Service Response Standard during the Validity Period of the Service.

2. Service Availability

2.1 Service Response Standard

Content of the Service	Service Response Time
Penetration Test Service	Respond within 8 hours (10:00 - 12:00, 14:00 - 17:00 during legal working days)The test report shall be submitted within 5 working days after the Service is completed.

If the above Service Response Standard is not met (except the cases in the Disclaimer of Liabilities clause), you may be compensated in accordance with Section 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the Standard, you will be entitled to compensations in accordance with the following clauses:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability fails to meet the standard under this agreement, or the Validity Timeout of the Service or Service Response Timeout occurs, the compensation shall be made on a pro rata basis (the Service Fee referred to

herein shall be the cash you have actually paid, excluding the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability	Value of Compensational Voucher
Validity Timeout of the Service	10% of the Service Fee
Service Response Timeout	30% of the Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may **apply for compensation only through the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the period of time as stipulated under this SLA. If necessary, Tencent Cloud may require you to provide the following relevant information:

- (1) a detailed description of the incident, including the specific date, time, duration and other details related to the Service Unavailability;
- (2) other information Tencent Cloud reasonably requires you to provide.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 The Service Response Timeout caused by system maintenance after Tencent Cloud's advance notice to you, including but not limited to cutover, repair, upgrade and simulated failure drills.

- 4.2 Your service application lacks relevant key information, including your primary contact information such as phone number, email address and address.
- 4.3 The service timeout occurs for the reason that the engineer fails to contact you within the valid time due to your fault after your service request is initiated.
- 4.4 The Service Response Timeout caused by your failure to follow the service process of Tencent Cloud products.
- 4.5 You understand that Tencent Cloud cannot guarantee that the Services it provides are flawless (for example, Tencent Cloud security products cannot guarantee the absolute security of your hardware or software), but Tencent Cloud promises to continuously improve service quality and service level. Therefore, you agree that even if there are defects in the service provided by Tencent Cloud, the abovementioned defects are unavoidable due to the technical level of the industry at that time and will not be regarded as a breach of contract by Tencent Cloud. You agree to cooperate with Tencent Cloud to solve the abovementioned defects.
- 4.6 You understand and agree that, due to the complexity of computer systems and the special nature of the Internet, the risk of system downtime, business interruption and data loss may occur in the course of providing Penetration Test Service, and you clearly know and accept the risk and should be prepared in advance. Tencent Cloud is not responsible for the consequences and losses of system downtime, business interruption and data loss arising from Penetration Test Service.
- 4.7 The Service is unavailable or fails to meet the standard due to the act of you or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal.
- 4.8 The Service is unavailable or fails to meet the standard due to your failure to use the products in accordance with the specification required by Tencent Cloud, or your failure to use Tencent Cloud products in accordance with regulations or in violation of the law.
- 4.9 The Service is unavailable or fails to meet the standard due to your non-payment or delay in payment.
- 4.10 The Service is unavailable or fails to meet the standard due to a severe malfunction of a network operator.
- 4.11 The Service is unavailable or fails to meet the standard due to the maintenance or upgrade of any network, hardware or service (Tencent Cloud will notify you in advance of the schedule of maintenance in accordance with reasonable business principles).
- 4.12 The Service is unavailable or fails to meet the standard due to any event of force majeure.
- 4.13 The Service is unavailable or fails to meet the standard for the reason that a vulnerability fix plan has been provided in the Service, but the vulnerability is not addressed by you or your end user in a timely manner.
- 4.14 The Service is unavailable or fails to meet the service standard due to your or your end-user's irregularities or misconduct when handling the event.
- 4.15 If the service request fails, the service is suspended or terminated due to your violation of the [Tencent Cloud Service Agreement](#), the service terms and usage rules of the Service, the terms of Tencent Cloud products, etc.

4.16 Any other circumstances in which Tencent Cloud will be exempted or disclaimed from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

4.17 The Service is unavailable or fail to meet the service standard due to any reason not attributable to Tencent Cloud.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed. If you have used the Service for more than 12 months, the maximum liabilities for compensation of Tencent Cloud shall not exceed the total amount of Service Fees that you have paid to Tencent Cloud for the Service in the 12 months prior to the occurrence of the damage (for the avoidance of doubt, the Service Fees refer to the cash you have actually paid for the Service, excluding vouchers and the fees you have prepaid but not actually consumed).

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

Anti-DDoS Pro Service Level Agreement

最近更新时间：2021-12-24 14:41:20

In order to use the Anti-DDoS Pro service (the "Service"), you should read and observe this Anti-DDoS Pro Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Anti-DDoS Pro Service means the anti-DDoS service provided by Tencent Cloud for the anti-DDoS instance you purchased. For details, please refer to the Service purchased by you and the content of Service provided by Tencent Cloud.

1.2 **Service Unavailable**: The packet loss rate is higher than 20% or TCP connection success rate is less than 30% due to Anti-DDoS Pro Service. This does not refer to the availability of the entire service chain. For example, issues such as maxed out bandwidth or server malfunction do not apply.

1.3 **Service Downtime**: The aggregated minutes during which the Service is unavailable within a Service Month. Each minute is considered one measurement point for Anti-DDoS Pro service. The sum of the measurement points of which the Service is unavailable during a Service Month shall be the Service Downtime calculated in minutes for such Service Month.

1.4 **Service Month(s)**: Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

2. Service Availability/ Service Uptime Metrics

2.1 Calculation of Service Availability/Service Uptime Metrics

Service Availability = ((total time of a Service Month calculated in minutes - Service Downtime calculated in minutes within a Service Month) / total time of a Service Month calculated in minutes) × 100%

2.2 Service Availability/ Standard Indicator

The Service Availability of the Service provided by Tencent Cloud will be no less than [99.9]%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month (the monthly service fee referred herein shall exclude the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted).

Service Availability for a Service Month	Value of Compensation Voucher
≥ 99% and < 99.9%	10% of the monthly service fee
≥ 95% and < 99%	25% of the monthly service fee
< 95%	100% of the monthly service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after

the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.

(2) You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Compensation Application Materials

If you believe that the Service fails to meet the Standards of Service Availability, you may submit the compensation application within the period set forth in this SLA. Your compensation application shall be submitted along with the following documents:

- (1) a detailed incident description report;
- (2) specific date, time, duration and other details relating to Service unavailability, cleaning time or portion of normal traffic;
- (3) if your compensation application is based on abnormal portion of normal traffic, the capture document evidencing the existence and amount of abnormal traffic lasting for at least one hour shall be provided;
- (4) other information reasonably requested by Tencent Cloud.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 the Service is unavailable or fail to meet the Service Availability standard due to the act of You or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal;
- 4.2 the Service is unavailable or fail to meet the Service Availability standard due to the device, software or technology of You or any third party (not directly controlled by Tencent Cloud);
- 4.3 the Service is unavailable or fail to meet the Service Availability standard due to your failure to use the products in accordance with the specification required by Tencent Cloud;
- 4.4 the Service is unavailable or fail to meet the Service Availability standard due to your violation of any Tencent Cloud products' terms;

- 4.5 the Service is unavailable or fail to meet the Service Availability standard due to your non-payment or delayed payment;
- 4.6 the Service is unavailable or fail to meet the Service Availability standard due to a severe malfunction of a network operator;
- 4.7 the Service is unavailable or fail to meet the Service Availability standard due to your non-compliant or illegal use of Tencent Cloud products;
- 4.8 the Service is unavailable or fail to meet the Service Availability standard due to various source server problems at the backend of the Anti-DDoS Pro Service, such as fully-occupied bandwidth, IP exposure, machine room malfunction, and chain network jitter of the source server;
- 4.9 the Service is unavailable or fail to meet the Service Availability standard due to the maintenance or upgrade of any network, hardware or service (Tencent Cloud will notify you in advance of the schedule of maintenance in accordance with reasonable business principles);
- 4.10 the Service is unavailable or fail to meet the Service Availability standard due to any event of force majeure;
- 4.11 the Service is unavailable or fail to meet the Service Availability standard due to traffic attacks that exceed the service specification of the Anti-DDoS Pro Service you purchased, resulting in IP being routed into a black hole;
- 4.12 the Service is unavailable or fail to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;
- 4.13 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

- 5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.
- 5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
- 5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant

terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

ANTI-DDOS Service Level Agreement

最近更新时间：2021-12-24 14:41:33

To use the Anti-DDoS Advanced service (the "Service"), you should read and observe this Anti-DDoS Advanced Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Anti-DDoS Advanced Service means the anti-DDoS service provided by Tencent Cloud for the anti-DDoS instance you purchased. For details, please refer to the Service purchased by you and the content of Service provided by Tencent Cloud.

1.2 **Service Unavailable**: The packet loss rate is higher than 20% or TCP connection success rate is less than 30% due to Anti-DDoS Advanced Service per se, which does not refer to the availability of the whole chain (such as client's source server's fully-occupied bandwidth or machine room failure).

1.3 **Service Downtime**: The aggregated minutes during which the Service is unavailable within a Service Month. Each minute is considered as one measurement point for Anti-DDoS Advanced service. The sum of the measurement points of which the Service is unavailable during a Service Month shall be the Service Downtime calculated in minutes for such Service Month.

1.4 **Service Month(s)**: Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

2. Service Availability/ Service Success Rate

2.1 Calculation of Service Availability/Service Success Rate

Service Availability = ((total time of a Service Month calculated in minutes - Service Downtime calculated in minutes within a Service Month) / total time of a Service Month calculated in minutes) × 100%

2.2 Service Availability/ Standard Indicator

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.9 %. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

- Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.
- If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month (the monthly service fee referred herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability for a Service Month	Value of Compensation Voucher
≥ 99% and < 99.9%	10% of the monthly service fee
≥ 95% and < 99%	25% of the monthly service fee
< 95%	100% of the monthly service fee

3.2 Time Limit for Compensation Application

1. If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.
2. You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Compensation Application Materials

If you believe that the Service fails to meet the Standards of Service Availability, you may submit the compensation application within the period set forth in this SLA. Your compensation application shall be submitted along with the following documents:

- 1) A detailed incident description report;
- 2) Specific date, time, duration and other details relating to Service unavailability, cleaning time or portion of normal traffic;
- 3) If your compensation application is based on abnormal portion of normal traffic, the capture document evidencing the existence and amount of abnormal traffic lasting for at least one hour shall be provided;
- 4) Other information reasonably requested by Tencent Cloud.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 The Service is unavailable or fail to meet the Service Availability standard due to the act of You or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal;

- 4.2 The Service is unavailable or fail to meet the Service Availability standard due to the device, software or technology of You or any third party (not directly controlled by Tencent Cloud);
- 4.3 The Service is unavailable or fail to meet the Service Availability standard due to your failure to use the products in accordance with the specification required by Tencent Cloud;
- 4.4 The Service is unavailable or fail to meet the Service Availability standard due to your violation of any Tencent Cloud products' terms;
- 4.5 The Service is unavailable or fail to meet the Service Availability standard due to your non-payment or delayed payment;
- 4.6 The Service is unavailable or fail to meet the Service Availability standard due to a severe failure by a network operator;
- 4.7 The Service is unavailable or fail to meet the Service Availability standard due to your non-compliant or illegal use of Tencent Cloud products;
- 4.8 The Service is unavailable or fail to meet the Service Availability standard due to various source server problems at the backend of the Anti-DDoS Advanced Service, such as fully-occupied bandwidth, IP exposure, machine room failure, and chain network jitter of the source server
- 4.9 The Service is unavailable or fail to meet the Service Availability standard due to the maintenance or upgrade of any network, hardware or service (Tencent Cloud will notify you in advance of the schedule of maintenance in accordance with reasonable business principles);
- 4.10 The Service is unavailable or fail to meet the Service Availability standard due to any event of force majeure;
- 4.11 The Service is unavailable or fail to meet the Service Availability standard due to traffic attacks that exceed the service specification of the Anti-DDoS Advanced Service you purchased, resulting in IP being routed into a black hole;
- 4.12 The Service is unavailable or fail to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;
- 4.13 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

EdgeOne Service Level Agreement

最近更新时间：2023-07-10 17:31:52

In order to use the Tencent Cloud EdgeOne Service (the “Service”), you shall read and comply with this Tencent Cloud EdgeOne Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Uptime Metrics, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Tencent Cloud EdgeOne

Tencent Cloud EdgeOne Service refers to the acceleration and security services for the content and network services based on the edge computing nodes of Tencent Cloud. The SLA described herein applies to the data and request services of a single product (instance) only.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Service Region(s)

The Service Region(s) in which the Tencent Cloud EdgeOne Service is available shall be subject to the information on the Tencent Cloud official website.

1.4 Monthly Service Fee

The Monthly Service Fee refers to the accumulated service fee for the services you use within a Service Month.

1.5 Time Unit

The usage statistics of the Service takes 5 minutes as a time unit, resulting in 288 measurement points each day. The measurement point of 00:00:00 represents the time slot from 00:00:00 to 00:04:59, and the rest can be deduced by analogy.

1.6 Service Downtime within Service Month(s) Calculated in Minutes

Any Time Unit of the Service shall be considered as abnormal if the error rate within such Time Unit in the following situations (error rate within one Time Unit = the number of failed requests within such Time Unit / the total number of requests within such Time Unit) is more than 0.1%:

- (1) The business request of a zone proxy fails to reach the business server due to reasons solely attributable to the Tencent Cloud EdgeOne;
- (2) The business server of a zone proxy returns 4xx and 5xx status codes due to reasons solely attributable to the Tencent Cloud EdgeOne;
- (3) The packet loss rate by the Layer 4 proxy is higher than 20% or the success rate of TCP connections is lower than 30% due to reasons solely attributable to the Tencent Cloud EdgeOne.

The Service Availability is only applicable to the Tencent Cloud EdgeOne Service and does not apply to abnormalities caused by related services other than the Service (including, without limitation, full bandwidth or server room failure of the Customer's source station). If two consecutive Time Units are deemed to be abnormal, the 10 minutes is counted as unavailable unit time; and the abnormal time less than two consecutive Time Units is not counted as Service Downtime. The unavailable unit time in each Service Month is added up to get the Service Downtime within Service Month(s) Calculated in Minutes.

1.7 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days of the Service Month(s) × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = ((Total Time of the Service within a Service Month Calculated in Minutes - Service Downtime within a Service Month Calculated in Minutes) / Total Time of the Service within a Service Month Calculated in Minutes) × 100%. The Service Availability will be calculated separately for each security and acceleration zone (instances) involved in the Service you use.

2.2 Service Availability Standard

The Service Availability for the Service shall be no less than 99.9% ("Service Availability Standard"). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of Liabilities), you may claim compensation in accordance with Article 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability for a single instance of the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability Standard is not met for any Service Month, the amount of compensation will be calculated for each such Service Month independently, and **the aggregate amount shall be no more than the aggregate Monthly Service Fee for the Service Month in which the Service Availability fails to meet the Service Availability Standard** (the Monthly Service Fee referred to herein shall be the cash amount you have actually paid, excluding the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.). Standards of Compensation are as follows.

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99.0%	10% of the Monthly Service Fee
Less than 99.0% but is or higher than 95.0%	25% of the Monthly Service Fee
Less than 95.0%	50% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- Any service unavailability due to the act of You or your end users, which poses a security threat to the Service provided by Tencent Cloud, or is fraudulent or illegal;
- Any service unavailability due to the device, software or technology of You or any third party (not directly controlled by Tencent Cloud);
- Any service unavailability due to your failure to use the products in accordance with the specification required by Tencent Cloud;
- Any service unavailability due to your non-payment or delay in payment;
- Any service unavailability due to a severe malfunction of a network operator;
- Any request error due to the malfunction of the Customer's source station;
- Any error due to a ban on or block of a domain name for any non-compliant content of the Customer or otherwise;
- Any change to configuration of an source station or DNS of an accelerated domain by the Customer without prior notice to the Tencent Cloud, resulting in the failure of a Tencent Cloud node server to access the Customer 's source station;
- Any loss or leak of data, passcode or password due to improper maintenance or improper confidentiality measures of the Customer;
- Any upgrade of the operation system by the Customer on its own;
- Any impromptu increase of traffic of the Customer (increasing by 30% or more of the billed bandwidth in the preceding month) without at least three (3) business days prior written notice to Tencent Cloud;
- Any service unavailability due to various source station issues at your business end (e.g., source station bandwidth running full, source station IP exposure, source station server room failure, source station link network jitter, etc.);

- Any system maintenance with prior notice by Tencent Cloud to the Customer, including system cutover, maintenance, upgrade and malfunction simulation test; or any service unavailability due to the maintenance or upgrade of any network, hardware or service (Tencent Cloud will notify you in advance of the schedule of maintenance in accordance with reasonable business principles);
- Any temporary service interruption arising from routine maintenance and upgrade to the Service by Tencent Cloud as described in the [Tencent Cloud Service Agreement](#);
- Any service unavailability due to any event of force majeure;
- Any service unavailability due to any reason not attributable to Tencent Cloud;
- Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the maximum liability of Tencent Cloud for damages shall not exceed the fees you have paid to Tencent Cloud for the Service in the 12 months immediately preceding the date that event giving rise to the liability first occurred (for the avoidance of doubt, the fees refer to the cash that you have actually paid for your use of the Service, excluding vouchers and fees prepaid but not actually consumed).

Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy.

The Service purchased by you shall be used only for your own business. If you operate without any applicable license or provide the Service to a third party by means of resale, sublease or otherwise, you shall be solely responsible for

the liabilities arising therefrom. If Tencent Cloud suffers from any losses as a result thereof, you shall indemnify and hold Tencent Cloud harmless from such losses arising therefrom. (End)

EMR Service Level Agreement

最近更新时间：2020-05-25 10:10:43

In order to use the Tencent Cloud Elastic MapReduce ("EMR") service (the "Service"), you should read and observe this Elastic MapReduce Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Elastic MapReduce (EMR): means services provided by Tencent Cloud including Hadoop cluster creation, Hadoop installation and deployment, elastically scalable clusters, computing and storage engines, and monitoring, operation and maintenance support. For details, please refer to the Service you purchase and the contents of the Service provided by Tencent Cloud.

1.2 Unit Time: For measuring the Service, each 5 minutes will be deemed as one measurement unit, resulting in 288 measurement points each day. The measurement point of 00:00:00 represents the time slot from 00:00:00 to 00:04:59, and the rest can be deduced by analogy.

1.3 Error Rate within Unit Time: means the percentage of the number of failed requests within Unit Time due to any reason attributable to Tencent Cloud out of the total number of valid requests within Unit Time
$$\text{Error Rate within Unit Time} = \frac{\text{the number of failed requests within Unit Time}}{\text{the total number of valid requests within Unit Time}}$$
Failed requests refer to valid requests with HTTP returned error code of 500 (Internal Error) or 503 (Service Unavailable). Valid requests refer to the calling of any function of the Service via [API](#), excluding any traffic restriction requests due to

the triggering of frequency control and any failed requests due to the upgrade, alteration or shutdown of the Service. Any request of Service via API from a user due to hacker attack shall not be deemed as a valid request.

1.4 Service Unavailability: The Service unavailability will be calculated based on the Error Rate within Unit Time, excluding any circumstance as provided for in the release of liabilities provisions below. If you do not make any request within a Unit Time, it will be deemed that the Service is 100% available within such Unit Time.

1.5 Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.6 Monthly Service Fee: Monthly Service Fee will be calculated based on the use of clusters (i.e., elastic MapReduce clusters) of the Service per Service Month.

2. Service Availability

2.1 Calculation of Service Availability

Error Rate within Unit Time = the number of failed requests within Unit Time / the total number of valid requests within Unit Time

Service Availability = $1 - (\text{the sum of the Error Rate within Unit Time within a Service Month} / \text{the total number of Unit Time measurement units within a Service Month}) \times 100\%$

2.2 Standard of Service Availability / Service Metrics

The Service Availability for the Service provided by Tencent Cloud will be no less than 99.9%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3. Standards of Compensation

(1) Compensations will be made **in the form of coupon** by Tencent Cloud, and you should follow the rules for using the coupon (including the valid term; for details, please refer to the rules of coupons published on Tencent Cloud's

official website). You cannot redeem such coupon for cash or request to issue an invoice for such coupon. Such coupon can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the coupon to purchase other services of Tencent Cloud, nor should you give the coupon to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a coupon or promotional voucher, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Coupon
$99.9\% > Av \geq 99\%$	10% of the Monthly Service Fee
$99\% > Av \geq 95\%$	20% of the Monthly Service Fee
$95\% > Av$	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standard specified herein, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

(1) your account information, including your account ID and APP ID.

(2) explanation of the grounds for the application, specifying the Service Availability calculated by you and the calculation method, and details of each failed request (including the initiation time of the request, the interface name of the request and the return value).

(3) any other information reasonably required by Tencent Cloud.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any malfunction attributable to user mode, including without limitation improper configuration parameters, unreasonable use of resources, and business logic bug.

4.2 any malfunction due to any device, software or other technology of you or any third party (other than any third party directly controlled by the Service).

4.3 any malfunction on user mode due to any bug within the scope of open source community components.

4.4 any malfunction attributable to you or any third-party collaborator (such as CVM resource restriction, COS capacity restriction, CAM role, security group, and VPC configuration).

4.5 any Service Unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.6 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant

terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

ES Service Level Agreement

最近更新时间：2019-05-10 16:23:20

In order to use the Tencent Cloud Elasticsearch service (the "Service"), you should read and observe this Elasticsearch Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Cloud Elasticsearch Service (ES): Elasticsearch service means the Elasticsearch cluster hosting service provided by Tencent Cloud, including Elasticsearch cluster and Kibana service which is compatible with various Elasticsearch standard APIs. You may develop different application services based on Tencent Cloud Elasticsearch service according to your business needs. Tencent Cloud Elasticsearch service provides you with cluster operation, maintenance and management functions, such as cluster monitoring, cluster warning, cluster expansion and configuration modification.

1.2 Service Month(s): Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated separately for each Service Month.

1.3 Service Downtime: If all attempted connections within five (5) minutes to designated Elasticsearch cluster fail, such five (5) minutes shall be deemed Service Downtime.

1.4 Total Time of a Service Month Calculated in Minutes: the number of days of the Service Month × 24 (hours) × 60 (minutes).

1.5 Service Downtime Calculated in Minutes within a Service Month: If the Service is unavailable within five (5) minutes as described in article 1.3 above, such five (5) minutes shall count towards the Service Downtime of the Service Month; if the Service is available, such five (5) minutes shall count towards Service available time of the Service Month.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = $1 - (\text{Service Downtime Calculated in Minutes within a Service Month} / \text{Total Time of a Service Month Calculated in Minutes}) \times 100\%$

2.2 Standards of Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.5%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of coupon** by Tencent Cloud, and you should follow the rules for using the coupon (including the valid term; for details, please refer to the rules of coupons published on Tencent Cloud's official website). You cannot redeem such coupon for cash or request to issue an invoice for such coupon. Such coupon can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the coupon to purchase other services of Tencent Cloud, nor should you give the coupon to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month** (the monthly service fee referred herein shall exclude the portion deducted by a coupon or promotional voucher, due to discounted service fee or otherwise deducted).

Service Availability for a Service Month	Value of Compensation Coupon
≥ 98% and < 99.5%	10% of the monthly service fee

Service Availability for a Service Month	Value of Compensation Coupon
≥ 95% and < 98%	25% of the monthly service fee
< 95%	100% of the monthly service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any failure attributable to grounds beyond reasonable control of Tencent Cloud (e.g., force majeure event, internet access or beyond the scope of the Service product);

4.2 any failure due to your negligence in authorization, loss of password or mal-operation, or due to any of your equipment, third-party software or device;

4.3 any cluster failure due to insufficient physical capacity limit of the storage and computing of your choice to satisfy the de factor demands;

4.4 any possible failure due to noncompliance with the guidelines for using the cluster specified in the Elasticsearch use guidance;

4.5 any failure of data request or other failure due to the potential and undisclosed bug of underlying Elasticsearch software;

- 4.6 any failure due to use non-compliant with the manner of usage, version compatibility, API and other rules supported by Elasticsearch version;
- 4.7 any node for testing which is not advisable for use in production (e.g. 1 core 2G node) is beyond the scope of the agreement;
- 4.8 any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and failure simulation test;
- 4.9 any failure by you to make corresponding modification for using the Service after being advised by Tencent Cloud of such modification;
- 4.10 any possible failure due to the use of informal version (e.g. Alpha version and Beta version) or a version with no more maintenance; or
- 4.11 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any terms of services, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

- 5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.
- 5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
- 5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

CDW Service Level Agreement

最近更新时间：2022-11-10 15:08:13

In order to use the Tencent Cloud Cloud Date Warehouse Service(the “Service”), you shall read and comply with this Tencent Cloud Cloud Date Warehouse Service Level Agreement (this “Agreement”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Availability Standard, Compensation Plan and Disclaimer of Liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Cloud Date Warehouse, CDW

Refers to the easy-to-use, flexible, stable, cost-effective and efficient cloud data warehouse hosting services provided by Tencent Cloud, which are mainly applied to business analysis and decision-making, log analysis, user behavior insight, business operations and management and other scenarios, subject to the services actually purchased by you and provided by Tencent Cloud.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months until June 16 (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Service Unavailability

In a certain minute, if all your continuous requests to establish a connection to a specified Cloud Data Warehouse Cluster (“Cluster”) fail attributable to Tencent Cloud, the Service is deemed as unavailable (“Service Unavailability”) in

such minute, except under the circumstances as set forth in Article 4 of this Agreement.

1.4 Service Downtime Calculated in Minutes within Service Month(s)

The sum of unavailable unit time in a Service Month is Service Downtime Calculated in Minutes within such Service Month.

1.5 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days in such Service Month(s) × 24 (hours) × 60 (minutes).

1.6 Monthly Service Fee

Each Cluster calculates the Monthly Service Fee separately based on the actual consumption in a Service Month. If you purchase a Cluster on October 20, even if you pay for services in multiple months in a lump sum, the Monthly Service Fee for October only refers to the fee incurred for using such Cluster from October 20 to October 31.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability is calculated **on a single Cluster basis** as follows:

Service Availability = (Total Number of Minutes within a Service Month - Service Downtime Calculated in Minutes within such Service Month) / Total Number of Minutes within such Service Month × 100%.

2.2 Service Availability Standard

The Service Availability for the Service **shall be no less than 99.9%** (“**Service Availability Standard**”), which means that the Service Availability for a single Cluster **shall be no less than 99.9% in each Service Month.**

3. Compensation Plan

In respect of the Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and after receiving the voucher, you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud

account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in any Service Month, the amount of compensation shall be calculated for such Service Month independently, and **the aggregate amount shall be no more than the Monthly Service Fee you pay for the Service in the Service Month in which the Service fails to meet the Service Availability Standard** (the Monthly Service Fee excludes the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the Service Month in which the Service fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the time period as stipulated under this Agreement. Tencent Cloud may request you to provide the following materials and you shall cooperate to provide the appropriate materials.

(1) Account information, including Account ID and APPID.

(2) Reasons for the application, the information of the Cluster in an abnormal status and the specific time period of the Service Unavailability.

(3) Any other information that Tencent Cloud reasonably requests you to provide.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 Any failure due to your customized code or configuration files, including but not limited to failures due to improper configuration parameters, improper resource usage and business logic bug.

4.2 Any failure due to the device, software or other technology of you or any other third party (except the third parties directly controlled by the Service).

4.3 Any system maintenance with prior notice by Tencent Cloud, including system cutover, upgrade, malfunction simulation test and any other planned downtime.

4.4 Any slow response and system hang under ultra-high performance pressure.

4.5 Any Service Unavailability due to the attack on your application program or data information by hackers.

4.6 Any Service Unavailability during the process of the node type change, expansion and reduction of capacity of the Service.

4.7 Any Service Unavailability due to the unavoidable insert operations in the process of expanding the capacity of the Service.

4.8 Any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.

4.9 Any negligence of you or any operation authorized by you.

4.10 Any Service Unavailability due to your configuration of the Cluster as “Non-High-Availability” mode or you configuration of data copy as a single copy.

4.11 Any force majeure event and any Service Unavailability or failure to meet the Service Availability Standard due to reasons not attributable to Tencent Cloud.

4.12 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to applicable laws, regulations, agreements or rules, or rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End)

DLC Service Level Agreement

最近更新时间：2022-12-02 11:43:47

In order to use the Tencent Cloud Data Lake Compute Service (the “Service”), you shall read and comply with this Tencent Cloud Data Lake Compute Service Level Agreement (this “Agreement”) and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Availability Standard, Compensation Plan and Disclaimer of Liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the Tencent Cloud Service Agreement.

1. Terms and Definitions

1.1 Data Lake Compute, DLC

Refers to agile and efficient data lake analysis and computation services provided by Tencent Cloud. The users do not need to carry out traditional data hierarchical modeling with the Service, which significantly reduces the preparation time for massive data analysis. Instead, users can use standard SQL to complete the analysis and computation of object storage services (COS) and other cloud data facilities.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months until June 16 (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Service Unavailability

If all your requests to establish a connection to the Service fail for five consecutive minutes attributable to Tencent Cloud, the Service is deemed as unavailable (“**Service Unavailability**”) for such five-minute period, except under the circumstances as set forth in Section 4 of this Agreement.

1.4 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days in such Service Month(s) × 24 (hours) × 60 (minutes).

1.5 Service Downtime Calculated in Minutes within Service Month(s)

If Service Unavailability lasts for a certain five-minute period as set forth in Section 1.3, such five minutes will be counted as Service Downtime Calculated in Minutes within such Service Month. If the Service is once running normally within a certain five-minute period, such five minutes will be counted as available minutes with such Service Month.

1.6 Monthly Service Fee

Refers to the accumulated service fees you pay for the Service within a Service Month, excluding the portion that has been purchased but not consumed yet, and the fees deducted with vouchers, coupons, service fee reductions, etc.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (1 - Service Downtime Calculated in Minutes within a Service Month / Total Number of Minutes within such Service Month) × 100%.

2.2 Service Availability Standard

The Service Availability for the Service shall be no less than 99.5% (“**Service Availability Standard**”). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of Liabilities), you may claim compensation in accordance with Section 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and after receiving the voucher, you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in any Service Month, the amount of compensation shall be calculated for such Service Month independently, and **the aggregate amount shall be no more than the Monthly Service Fee you pay for the Service in the Service Month in which the Service fails to meet the**

Service Availability Standard (the Monthly Service Fee excludes the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.5% but is or higher than 98%	10% of the Monthly Service Fee
Less than 98% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the Service Month in which the Service fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the time period as stipulated under this Agreement. Tencent Cloud may request you to provide the following materials and you shall cooperate to provide the appropriate materials.

- (1) Account information, including Account ID and APPID.
- (2) Reasons for the application, the abnormal status information and the specific time period of the Service Unavailability.
- (3) Any other information that Tencent Cloud requests you to provide with reasonable causes.

4. Disclaimer of Liabilities

If the Service is unavailable or fails to meet the Service Availability Standard due to any of the following reasons, the corresponding Service Downtime is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 Any unavailability beyond the reasonable control of Tencent Cloud, including any force majeure event and failures caused by factors such as Internet access or exceeding the boundaries of the Service (**see the Tencent Cloud**

Service Agreement).

4.2 Any user-state unavailability caused by bugs within the scope of open source components.

4.3 Any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test.

4.4 Any unavailability caused by your negligent authorization, loss of password, wrong operation, your own equipment or third-party software or equipment.

4.5 Any unavailability caused by your failure to use the Service according to the usage, version compatibility, API and other specifications supported by the DLC version.

4.6 Any unavailability due to third-party collaborators (e.g., CVM resource limits, EKS resource limits, COS capacity limits, CAM roles, security groups, VPC configuration, etc.).

4.7 Any unavailability caused by your failure to make the appropriate modifications after Tencent Cloud recommends that you modify the use of the Service.

4.8 Any unavailability caused by your choice of the insufficient physical capacity of the storage and computing capacity to cope with actual use demands.

4.9 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to applicable laws, regulations, agreements or rules, or terms of service, rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant

terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End)

TTS Service Level Agreement

最近更新时间：2022-09-23 10:37:38

In order to use the Tencent Cloud Text to Speech Public Cloud Service (the “Service”), you shall read and comply with this Text to Speech Public Cloud Service Level Agreement (this “Agreement”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the Tencent Cloud Service Agreement.

1. Terms and Definitions

1.1 Text to Speech Public Cloud Service

Refers to the public cloud text to speech interface call service provided by Tencent Cloud. You can use the Service to achieve the conversion from text to speech. The specific content of the Service is subject to the service you use.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service you use. For example, if you start the Service on March 17, there will be four (4) Service Months as of June 16 (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 30). The Service Availability will be calculated separately for each Service Month.

1.3 Unavailable Minutes within a Service Month

A minute will be counted towards the Unavailable Minutes within a Service Month only if all your continuous requests to the Service through the API or SDK return with internal errors within that minute. If none of or only a part of your requests to the Service through the API or SDK within a minute return with internal errors, the Service will be deemed to be fully available in that minute and that minute shall not be counted towards the Unavailable Minutes within a Service Month. If you make no requests to the Service in a minute, that minute shall not be counted towards the Unavailable Minutes. The sum of the unavailable minutes of the Service within a Service Month shall be the Unavailable Minutes within a Service Month.

1.4 Internal Error

The Internal Error means the abnormal return of API or SDK due to the malfunction of the Service. The Internal Error can be determined by the error return code of the Service and be identified by the Internal Error return code or 500 return code in the error return code of the Service. Any request return error of API or SDK caused by the problems not attributable to Tencent Cloud, such as a network failure, user request parameter error (for example, an illegal request parameter or an invalid URL) or a format error of an audio input shall not be deemed as an Internal Error.

1.5 Total Number of Minutes within a Service Month

Total Number of Minutes within a Service Month = the total number of days of the Service Month × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (1 – Unavailable Minutes within a Service Month / Total Number of Minutes within a Service Month) × 100%

2.2 Service Availability Standard

The Service Availability of the Service should not be less than 99.9%. If the Service fails to meet the Standard (except under circumstances for disclaimer of liabilities), you may claim compensation in accordance with Article 3 (Compensation Plan) of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the Standard, you will be entitled to compensations in accordance with the following terms:

Service Availability in a Service Month	Value of Compensational Voucher
---	---------------------------------

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	20% of the Monthly Service Fee
Less than 95%	50% of the Monthly Service Fee

3.1 Standards of Compensation

(1) **Compensations will be made in the form of voucher (not cash) by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules** (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). **Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.**

(2) If the Service Availability in a Service Month fails to meet the service availability standard, the amount of compensation shall be calculated for such Service Month separately, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such Service Month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

3.2 Time Limit for Compensation Application

(1) **If the Service Availability in a Service Month fails to meet the Service Availability standard, you may apply for compensation only through the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month.** Tencent Cloud will verify and ascertain your application upon receipt of such application. **If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the period of time as stipulated under this Agreement, and you should at least provide the following information together with your compensation application:

- (1) the AppID and UIN used by the Service;
- (2) the specific time period of the service unavailability, down to the minute.

4. Disclaimer of Liabilities

4.1 If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- (1) any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test;
- (2) any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility;
- (3) any attack on your application interface or data, or any other misconduct;
- (4) any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;
- (5) any negligence in authorization or incorrect operation by you, or any of your own equipment, or third-party software or device;
- (6) any failure of you to abide by documentation or suggestions for using Tencent Cloud products;
- (7) any use exceeding the Service capacity limit indicated for the current version of the Service;
- (8) any unavailability of the Service or failure to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;
- (9) any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

5. Warranties and Covenants

5.1 You undertake that you are the end-user of the Services. If you are an agent procuring the Service for a third party, you shall confirm that you have had the full authority of the end-user to accept and agree to all the terms of this Agreement.

5.2 You undertake that the specific business data identified by the Service (including, without limitation, the voice data submitted by you using the voice replication and the voice customization service, and the contents submitted by you using the text to speech service) have been obtained by you through legal

means and fully authorized by the information owner to use such business data, and undertake that you will not infringe upon the intellectual property rights and other legitimate rights and interests of any third party. Tencent Cloud reminds you to prudently review the legitimacy of the data source and content. You undertake not to use the Service to engage in any acts in violation of laws and regulations or public order and good morals, or to provide assistance for the above acts.

5.3 You undertake that any outputs or results (including, without limitation, AI synthesized audio files) obtained as a result of your use of the Service shall be used for your personal use only and shall be marked as AI-generated works in the course of your use, and shall not be disclosed, provided, forwarded or transmitted to any third party by yourself or through others in any manner or medium.

5.4 If you violate your undertakings, you shall be solely liable for all consequences and liabilities caused thereby and Tencent Cloud shall have the right to take immediate measures, including but not limited to deleting your relevant information and data, suspending or terminating the provision of the Service, restricting or prohibiting your use of some or all functions, freezing or deactivating the account until deregistration, or unilaterally terminating or rescinding this Agreement without any liabilities. If Tencent Cloud suffers any loss or is subject to any penalty as a result thereof, you shall fully indemnify all losses.

6. Miscellaneous

6.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use the Service due to any breach by Tencent Cloud, the total aggregate liability of Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud for damages shall not exceed the total fees you have paid to Tencent Cloud for the Service in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

6.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

6.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy.

ASR Service Level Agreement

最近更新时间：2022-09-23 10:35:55

In order to use the Tencent Cloud Speech Recognition Public Cloud Service (the “Service”), you shall read and comply with this Tencent Cloud Speech Recognition Public Cloud Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability or success rate, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the Tencent Cloud Service Agreement.

1. Terms and Definitions

1.1 Speech Recognition Public Cloud Service

Refers to the public cloud speech recognition interface call service provided by Tencent Cloud, including audio file recognition, one-sentence recognition and real-time speech recognition, etc., subject to the specific services you use. You can use the Service to achieve the conversion from speech to text.

1.2 Service Month(s)

Service Month(s) refers to the full calendar month(s) within the term of the Service you use. For example, if you start the Service on March 17, there will be four (4) Service Months as of June 16 (the first Service Month from March 1 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 30). The Service Availability will be calculated separately for each Service Month.

1.3 Unavailable Minutes within a Service Month

A minute will be counted towards the Unavailable Minutes within a Service Month only if all your continuous requests to the Service through the API or SDK return with internal errors within that minute. If none of or only a part of your requests to the Service through the API or SDK within a minute return with internal errors, the Service will be deemed to be fully available in that minute and that minute shall not be counted towards the Unavailable Minutes within a

Service Month. If you make no requests to the Service in a minute, that minute shall not be counted towards the Unavailable Minutes. The sum of the unavailable minutes of the Service within a Service Month shall be the Unavailable Minutes within a Service Month.

1.4 Internal Error

The Internal Error means the abnormal return of API or SDK due to the malfunction of the Tencent Cloud Speech Recognition Service. The Internal Error can be determined by the error return code of the Service and be identified by the Internal Error return code, negative error return code or 500 return code in the error return code of the Service. Any request return error of API or SDK caused by the users' problems such as a network failure, user request parameter error (for example, an illegal request parameter or an invalid URL) or a format error of an audio input shall not be deemed as an Internal Error.

1.5 Total Number of Minutes within a Service Month

Total Number of Minutes within a Service Month = the total number of days of the Service Month × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of the Service Success Rate

Service Availability = (1 - Unavailable Minutes within a Service Month / Total Number of Minutes within a Service Month) × 100%

2.2 Service Indicator Standard

The Service Availability of the Service provided by Tencent Cloud should not be less than **99.9%**. If the Service fails to meet the Standard (except under circumstances for disclaimer of liabilities), you may claim compensation in accordance with Article 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher (not cash)** by Tencent Cloud, and you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be

issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability in a Service Month fails to meet the service availability standard, the amount of compensation shall be calculated for such Service Month separately, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such Service Month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	20% of the Monthly Service Fee
Less than 95%	50% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability standard, you may **apply for compensation only through the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

- (1) the AppID and UIN used by the Service;
- (2) the specific time period of the service unavailability, down to the minute.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test;
- 4.2 any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility;
- 4.3 any attack on your application interface or data, or any other misconduct;
- 4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;
- 4.5 any negligence in authorization or incorrect operation by you, or any of your own equipment, or third-party software or device;
- 4.6 any failure of you to abide by documentation or suggestions for using Tencent Cloud products;
- 4.7 any use exceeding the Service capacity limit indicated for the current version of the Service;
- 4.8 any unavailability of the Service or failure to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;
- 4.9 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately;
- 4.10 you understand and agree that the Service provided by Tencent Cloud is provided based on the current technology and conditions. Due to the limitation of current technology and conditions, or changes of relevant information, data, etc. provided by you or other circumstances that are not Tencent Cloud's fault, or beyond Tencent Cloud's control or reasonable foreseeability, Tencent Cloud cannot guarantee that the Services it provides are flawless and that the identification results are completely accurate. In this case, it will not be regarded as a breach of contract by Tencent Cloud, and Tencent Cloud can be exempted from liability, while both parties should work together in good faith to solve the problem;
- 4.11 you shall ensure the legitimacy of the voice source you submit for speech recognition. If your voice audio comes from a third party, you shall ensure that you have obtained the appropriate permission of the third party to use the voice audio, otherwise, you shall be solely responsible for the liabilities arising therefrom.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the total aggregate liability of Tencent Cloud for damages

shall not exceed the total fees you have paid to Tencent Cloud for the Service in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy.

TMT Service Level Agreement

最近更新时间：2022-11-01 13:34:28

In order to use the Tencent Cloud Tencent Machine Translation Service (the “Service”), you shall read and comply with this Tencent Cloud Tencent Machine Translation Service Level Agreement (this “Agreement”) and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Availability Standard, Compensation Plan and Disclaimer of Liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the Tencent Cloud Service Agreement.

1. Terms and Definitions

1.1 Tencent Machine Translation Service provided by Tencent Cloud (TMT)

Refers to the public cloud translation interface calling services provided by Tencent Cloud, including text translation, voice translation, picture translation, language identification and other types of translation services provided by Tencent Machine Translation products, subject to the services you actually use. You can use the Service to realize text, voice and picture translation.

1.2 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you activate the Service from March 17, there will be four (4) Service Months until June 16 (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Service Downtime Calculated in Minutes within Service Month(s)

In a certain minute, only if all your constant requests via the Service’s API (at least 100 requests in such minute) fail, such minute will be counted as Service Downtime Calculated in Minutes within the Service Month. If all or some of your requests via the Service’s API in a certain minute succeed, the Service will be deemed available in such minute and such minute will not be counted as Service Downtime Calculated in Minutes within the Service Month. The sum of Service Downtime Calculated in Minutes in a Service Month is Service Downtime Calculated in Minutes within such Service Month.

1.4 Total Number of Minutes within Service Month(s)

Total Number of Minutes within Service Month(s) = the total number of days in such Service Month(s) × 24 (hours) × 60 (minutes).

2. Service Availability / Service Availability Standard

2.1 Calculation of Service Availability

Service Availability = (1- Service Downtime Calculated in Minutes within a Service Month / Total Number of Minutes within such Service Month) × 100%.

2.2 Service Availability Standard

The Service Availability for the Service provided by Tencent Cloud ****shall be no less than 99.9% ****(“Service Availability Standard”). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Disclaimer of Liabilities), you may claim compensation in accordance with Article 3 of this Agreement.

3. Compensation Plan

In respect of the Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and after receiving the voucher, you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in any Service Month, the amount of compensation shall be calculated for such Service Month independently, **and the aggregate amount shall be no more than the Monthly Service Fee you pay for the Service in the Service Month in which the Service fails to meet the Service Availability Standard** (the Monthly Service Fee excludes the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	50% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the Service Month in which the Service fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability Standard, you may apply for compensation within the time period as stipulated under this Agreement, and you should at least provide the following information together with your compensation application:

- (1) the AppID and UIN used by the Service;
- (2) the specific time period of the service unavailability, down to the minute.

4. Disclaimer of Liabilities

If the service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 Any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test.
- 4.2 Any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility.
- 4.3 Any attack on your application interface or data or any other misconduct.
- 4.4 Any loss or leakage of data, passcode or password due to your improper maintenance or confidentiality.
- 4.5 Any authorization due to your negligence, any maloperation or any of your own equipment, or third-party software or device.
- 4.6 Any failure of you to abide by documentation or suggestions for using Tencent Cloud products.
- 4.7 Any use exceeding the service capability limitation marked in the current paid version.
- 4.8 The Service is unavailable or fails to meet the Service Availability Standard due to any reason not attributable to Tencent Cloud.

4.9 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to applicable laws, regulations, agreements or rules, or rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End)

1.5 Service Area Applicable to the Service

Refers to all area covered by the Service.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = $1 - (\text{Service Downtime Calculated in Minutes within a Service Month} / \text{Total Time of a Service Month Calculated in Minutes}) \times 100\%$

2.2 Standards of Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.9%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the disclaimer of liabilities provisions below.

3. Compensation Plan

3.1 Scope of Compensation

Tencent Cloud TI Platform TIONE provides compensation for affected product features including without limitation the following:

- (1) Data loss or data access anomalies due to the Tencent Cloud TI Platform TIONE services.
- (2) Training task anomalies due to model training components of Tencent Cloud TI Platform TIONE.
- (3) Anomalies of service publishing function and service access function due to online service components of Tencent Cloud TI Platform TIONE.

Note :

The following features are beyond the scope of compensation for Standards of Service Availability of the Service.

- Effect caused open-source software Kubernetes, Docker, operating system kernel, TensorFlow, Pytorch and other open-source portions.
- Effect caused by relevant Tencent Cloud products per se, e.g., failure for online service publishing and access due to CLB interface anomaly, anomaly for the platform to create resources because the quota has

been reached or the resources are sold out.

- Data, tasks and service anomalies due the user's failure to use the platform reasonably in accordance with its operating rules.

3.2 Standards of Compensation

The Service Availability for each TI Service is calculated separately and the compensation amount is calculated according to the criteria in the table below. The compensation shall be limited to vouchers used to purchase the TI products and the total amount of compensation shall not exceed the monthly service fee paid by the user for the TI Service during the month in which the Service Availability is not reached (excluding the offset with vouchers).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.90% but is or higher than 95.00%	10% of the Monthly Service Fee
Less than 95.00%	30% of the Monthly Service Fee

3.3 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.

(2) You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 Any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and failure simulation test;

4.2 Any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility;

- 4.3 Any attack on your application interface or data, or any other misconduct;
- 4.4 Any loss or leak of data, pin or password due to your improper maintenance or improper confidentiality measures;
- 4.5 Any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device;
- 4.6 Any failure of you to abide by documentation or suggestions for using Tencent Cloud products;
- 4.7 Any Service unavailability or failure of the Service to meet the availability standard not attributable to Tencent Cloud;
- 4.8 Any other circumstances in which Tencent Cloud will be exempted or disclaimed from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

Before using the Tencent Cloud TI Platform TIONE, you should read carefully the relevant service description, technical specification and operation guide, etc. in official documentation of Tencent Cloud, and fully understand the relevant content and potential consequences. You understand and agree that, your use of the Tencent Cloud TI Platform TIONE is based on your sole independent and prudent judgement, and you shall be responsible for your own judgement or actions, including without limitation:

- (1) You should decide on your own the compatibility between the model training, inference and other related services, and the frame mirror and hardware computing power you choose;
- (2) The TI Platform TIONE Service does not guarantee the availability of operating system and kernel defects caused by the community;
- (3) You shall be responsible for your own operations (e.g., resource limitation configuration, container image configuration, code writing and business logic setting);
- (4) If you use other paid Tencent Cloud products while using the Service, you shall pay for such products in accordance with the corresponding pricing arrangement and observe corresponding service terms;
- (5) The Service is only responsible for the availability of its own service module of the machine learning platform, including training tasks, notebook and service publishing, etc. For other Tencent Cloud products such as TKE, CLB, CBS and API Gateway, please refer to relevant service level agreements. You shall be solely responsible for correctness and usability of custom parts (e.g. inference code, training code, training data, model files, etc.).

5. Miscellaneous

- 5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total Service Fees you have paid for the relevant Service which is not performed.
- 5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary with notice in light of changes in due course. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the

right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

Private DNS Service Level Agreement

最近更新时间：2021-09-14 10:31:42

In order to use the Tencent Cloud Private DNS service (the “Service”), you should read and observe this Private DNS Service Level Agreement (this “Agreement”, or this “SLA”) and the Tencent Cloud Service Agreement. This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

Tencent Cloud Private DNS: Private DNS means a private DNS management service based on Tencent Cloud Virtual Private Cloud (VPC) provided by Tencent Cloud.

Service Month(s): Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

2. Service Availability

2.1 Calculation of Service Availability

Unavailability means malfunction of the Services due to causes other than system maintenance.

Service Availability = (1 - Service Downtime within the Service period of Private DNS service / total time within the Service period of Private DNS service) × 100%

If we guarantee a Service Availability of 99.99%. Then, for example, the Service available period of Private DNS service is 43,195.68 minutes (= 30 (day) × 24 (hour) × 60 (minute) × 99.99%). That is, the Service Downtime is 4.32 minutes (= 43,200 minutes – 43,195.68 minutes).

Explanations:

(1) Duration of Malfunction = the time when the malfunction is resolved – the time when the malfunction starts. The duration of malfunction will be calculated in minutes. Where the duration of malfunction, or an unrounded portion thereof, is less than 1 minute, it will be rounded up to 1 minute. For example, if the duration of malfunction is 11 minutes and 1 second, it will be calculated as 12 minutes.

(2) Only the users who have purchased Private DNS service and have incurred fees are eligible to compensations.

2.2 Standards of Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.99%. If the Service Availability fails to meet the aforementioned standard (other than circumstances set forth in the Release of Liabilities Section below), you are entitled to the compensation as set forth in Section 3 below.

3. Service Compensation

In respect of this Service, if the Service Availability is lower than the aforementioned standard, compensations will be made as follows:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of coupon** by Tencent Cloud, and you should follow the rules for using the coupon (including the valid term; for details, please refer to the rules of coupons published on Tencent Cloud's official website). You cannot redeem such coupon for cash or request to issue an invoice for such coupon. Such coupon can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the coupon to purchase other services of Tencent Cloud, nor should you give the coupon to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly Service fee paid by you for such month** (the monthly Service fee referred to herein shall exclude the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.99% > Av ≥ 99.00%	10% of the monthly Service fee
99% > Av ≥ 95%	25% of the monthly Service fee
95% > Av	100% of the monthly Service fee

3.2 Time Limit for Compensation Application

1) If the Service Availability in a Service Month fails to meet the aforementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service unavailable time shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any system maintenance or update with prior notice by Tencent Cloud to users.

4.2 any failure of a user to follow the relevant guidelines in using the Service.

4.3 any malfunction of a user's network or application.

4.4 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.5 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

SSL Service Level Agreement

最近更新时间：2019-07-11 17:58:42

In order to use the Tencent Cloud SSL Certificate service (the "Service"), you should read and observe this SSL Certificate Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, Service availability and Service uptime level metrics, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 The SSL Certificate service provided by Tencent Cloud means an SSL certificate with a fixed valid term issued by a digital certificate authority provided to you by Tencent Cloud.

1.2 Service Month(s): Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Service Downtime: If the digital certificate CRL/OCSP service remains unavailable for 5 minutes or more, such duration will be counted into Service Downtime. Any period less than 5 minutes during which such Service is unavailable does not count towards the Service Downtime.

1.4 Definition of "Unavailable": The duration of unavailability of the Service due to TrustAsia (certificates provider), server room issue, product functionality issue or improper operation should be counted toward the Service Downtime.

2. Service Availability

2.1 *Calculation of Service Availability/ Service Uptime Level *

Service Availability = (1 - Service Downtime within the Service period of SSL certificate CRL/OCSP service / total time within the Service period of SSL certificate CRL/OCSP service) × 100%

If we guarantee a Service Availability of 99.99%. Then, for example, for June, the Service available period of SSL CRL/OCSP service is 43,195.68 minutes (= 30 (day) × 24 (hour) × 60 (minute) × 99.99%). That is, the Service Downtime is 4.32 minutes (= 43,200 minutes – 43,195.68 minutes).

Explanations:

(1) Duration of Malfunction = the time when the malfunction is resolved – the time when the malfunction starts. The duration of malfunction will be calculated in minutes. Where the duration of malfunction, or an unrounded portion thereof, is less than 1 minute, it will be rounded up to 1 minute. For example, if the duration of malfunction is 11 minutes and 1 second, it will be calculated as 12 minutes.

(2) Only the users who have purchased an SSL paid certificate and have incurred fees are eligible to compensations.

2.2 Service Availability/ Service Metrics Standard

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.99%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly Service fee paid by you for such month** (the monthly Service fee referred to herein shall exclude the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99.99% > Av ≥ 99.00%	10% of the monthly Service fee

Service Availability (Av) for a Service Month	Value of Compensation Voucher
99% > Av ≥ 95%	25% of the monthly Service fee
95% > Av	100% of the monthly Service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3.3 Application Materials for Compensation

If you believe that the Service fails to meet the Service Availability standard specified above, you may apply for compensation within the period of time as stipulated under this SLA, and you should at least provide the following information together with your compensation application:

- 1) a statement of malfunction of the CRL/OCSP service issued by an SSL certificate provider
- 2) order information of the SSL certificate

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1 any system maintenance or update with prior notice by Tencent Cloud to users.
- 4.2 any failure of a user to follow the relevant guidelines in using the Service.
- 4.3 any malfunction of a user's network or application.
- 4.4 any event of force majeure (please refer to the relevant provision in the master contract).

4.5 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.6 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

SMS Service Level Agreement

最近更新时间：2022-02-10 19:04:35

In order to use the Tencent Cloud messaging service (the "Service"), you should read and observe this Tencent Cloud Messaging Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#). This Agreement contains, *among others*, the terms and definitions of the Service, level indicators of the Service availability and Service success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next", or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Cloud provides messaging service, which includes domestic and international verification code message, industry notification message, member marketing message, voice verification code, voice notification and other functions, and provides you with APIs and gateways for sending message, gateway operation support and other services. For details, please refer to the Service you purchase and the content of the Service provided by Tencent Cloud.

1.2 Apparent Failure: means the failure to submit the messages sent from the APIs or control penal provided by Tencent Cloud to the Valid Number terminal due to reasons attributable to Tencent Cloud.

1.3 Effective Number of Sent Messages: means the total number of the messages sent to Valid Number via the APIs or control penal provided by Tencent Cloud. The messages sent to invalid number shall not be count towards the Effective Number of Sent Messages.

1.4 Valid Number: means the number you submitted that can be used normally, excluding:

(1) numbers identified by telecom operators as being used abnormally, including non-existing numbers, numbers linked to a switched-off device or a device with suspended service;

(2) numbers which cannot receive messages normally due to reasons attributable to user terminal, including without limitation overdue payments, power off, out of coverage area, non-subscription of messaging service, terminal network connection, mobile phone interception and other unstable situations; and

(3) blocked number defined by Tencent Cloud and telecom operators.

1.5. Service Month(s): Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated separately for each Service Month.

1.6 Monthly Service Fee: Monthly Service Fee means the aggregate service fee for cloud messages actually consumed by you in one (1) Service Month, excluding paid but unconsumed portion.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = $1 - (\text{number of Apparent Failures out of Effective Number of Sent Messages within a Service Month} / \text{Effective Number of Sent Messages within a Service Month}) \times 100\%$

2.2 Standards of Service Indicator

The Service Availability of this Service provided by Tencent Cloud will be no less than 95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of messages in a number corresponding to the compensation amount** by Tencent Cloud. The price of a single message is subject to the official rate card price published by Tencent Cloud messaging service. You should follow the rules for using the messaging service (including the valid term; for details, please refer to the rules of the messaging service published on Tencent Cloud's official website). You cannot redeem such number of messages for cash or request to issue an invoice. Such number of messages can only

be used through your Tencent Cloud account. You cannot give such number of messages to a third party for consideration or for free.

(2) If the Service Availability in a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (excluding the portion deducted by a coupon or promotional voucher, due to discounted service fee or otherwise deducted).

Service Availability(Av)	Number of Messages Compensated
95% > Av ≥ 90%	Number of messages corresponding to 10% of the Monthly Service Fee
90% > Av	Number of messages corresponding to 30% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any failure attributable to the user;

4.2 any loss or leak of data, pin, password, etc. due to improper maintenance or improper confidentiality measures of a user, or faking views using verification code;

4.3 any hacker attack on a user's application;

-
- 4.4** any failure by a user to abide by documentation or suggestions for using Tencent Cloud messaging service;
- 4.5** any negligence of, or operation authorized by, a user;
- 4.6** any violation of platform rules such as information control, flow control, information security (e.g. sensitive word) control;
- 4.7** any business deemed as harassment business by terminal recipient;
- 4.8** any control by the Ministry of Industry and Information Technology, bureau of communication administration and telecom operators;
- 4.9** any illegal information relating to pornography, gambling, illegal drugs, political party, politics, military affairs, fraud, etc.;
- 4.10** any soaring business needs without prior notification, millions of messages per day per account for normal messaging service users, hundreds of millions of messages per day per account for gateway messaging service users;
- 4.11** any use of number extension, number with fixed ending digits, three-network-in-one number, fixed number, designated number configuration and other products, functions and access for trial operation which are not made public by the official website of Tencent Cloud;
- 4.12** any announcement with prior notice by Tencent Cloud due to significant activity or promotion;
- 4.13** any system maintenance with prior notice by Tencent Cloud to the user, including system cutover, maintenance, upgrade and failure simulation test;
- 4.14** any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility;
- 4.15** any force majeure event or accident;
- 4.16** any Service unavailability or failure of the Service to meet the standard due to any reason not attributable to Tencent Cloud;
- 4.17** any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

- 5.1** The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

Tencent Push Notification Service Service Level Agreement

最近更新时间：2023-02-09 12:15:20

In order to use the Tencent Push Notification Service (Basic Version, not including any trial version)(the "Service"), you should read and observe this Tencent Push Notification Service Level Agreement (this "Agreement", or this "SLA") and the [Tencent Cloud Service Agreement](#) . This Agreement contains, among others, the terms and definitions of the Service, Service availability/Service uptime metrics, compensation plan and disclaimer of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking "Agree"/ "Next" or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Tencent Push Notification Service (Basic Version, not including any trial version) Service: refers to the push notification service provided by Tencent Cloud to you through Tencent Cloud Tencent Push Notification Service platform, including without limitations to iOS push, Android push (including third party push channels), REST API push, push statistics and other categories of push services provided by Tencent Cloud. For details, please refer to the Service purchased by you and the content of Service provided by Tencent Cloud. You can integrate the mobile push functions, manage push notifications, and promptly push notifications or messages to users of your application to interact with the users.

1.2 Service Month(s): Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months until June 16 (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated separately and independently for each Service Month.

1.3 Service Downtime Calculated in Minutes within a Service Month: If (and only if) all your continuous attempts within one (1) minute to push information by calling Push API or through the management platform fail, it shall be deemed that the Service is unavailable within such one (1) minute. If your attempts within one (1) minute to

push information by calling Push API or through the management platform succeed in whole or in part, the Service shall be deemed available within such one (1) minute. The accumulated Service downtime so calculated in minutes within a Service Month is the Service Downtime Calculated in Minutes for such Service Month.

1.4 Total Time within a Service Month Calculated in Minutes: the total number of days within such Service Month × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (1 - Service Downtime calculated in minutes within a Service Month / total time of the Service within a Service Month calculated in minutes) × 100%

2.2 Service Availability Standard

The Service Availability of the Service provided by Tencent Cloud will be **no less than 99.9%** (“**Service Availability Standard**”). You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as set forth in the disclaimer of liabilities provisions.

3. Service Compensation

In respect of this Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in any Service Month, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month** (the monthly service fee referred herein shall exclude the portion deducted by a voucher or promotional credit, due to discounted service fee or otherwise deducted).

Service Availability for a Service Month (Av)	Value of Compensation Voucher
99.9% > Av ≥ 99.0%	10% of the monthly service fee

Service Availability for a Service Month (Av)	Value of Compensation Voucher
99.0% > Av ≥ 98.0%	20% of the monthly service fee
98.0% > Av	50% of the monthly service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability Standard, you may apply for compensation **through (and only through) the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.

(2) **You shall apply for such compensation no later than the sixtieth day following the end of the applicable Service Month in which the Service fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Disclaimer of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1** any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and malfunction simulation test and any other scheduled downtime;
- 4.2** any malfunction or configuration adjustment of network or equipment that is not Tencent Cloud facility;
- 4.3** any attack on your application endpoint or data, or any other mal-operation;
- 4.4** any loss or leak of any data, passcode, password due to your improper maintenance or improper confidentiality measures;
- 4.5** any negligence in authorization or mal-operation by you, or any of your equipment, or third-party software or device;
- 4.6** any failure of you to abide by user guide or suggestions for using Tencent Cloud products;

4.7 any delayed or discarded push resulting from exceeding the Service capacity limit indicated for the current Paid version of the Service;

4.8 any Service unavailability or failure of the Service to meet the Service Availability Standard not attributable to Tencent Cloud;

4.9 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document.)

IM Service Level Agreement

Tencent Cloud Instant Messaging Service Level Agreement

In order to use the Tencent Cloud Instant Messaging (“IM”) service (the “Service”), you should read and observe this Tencent Cloud Instant Messaging Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service availability and Service uptime metrics**, compensation plan** and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, may be in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 Instant Messaging (IM): means a comprehensive instant messaging solution provided by Tencent Cloud featuring international access, one-to-one chat, group chat, push notification, profile and Web SDK hosting, account authentication, etc., with requisite capacities of APP integration and back-end management interface. For details, please refer to the Service you purchase and the contents of the Service provided by Tencent Cloud.

1.2 Service Month(s): means the effective term within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be three (3) Service Months (the first Service Month from March 17 to April 16, the second from April 17 to May 16, and the third from May 17 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Monthly Service Fee: means the aggregate service fees actually consumed by you within one (1) Service Month, excluding the portion paid yet to be consumed.

1.4 Apparent Failure: If all continuous attempts of a user to log in or send a message (including one-to-one messages and group chat messages) when using an APP or conducting back-end management through an interface of the Service fail within one (1) minute, it shall be deemed an Apparent Failure of the Service. However, if the log-in attempts succeed or the messages are successfully sent, in full or in part, when a user uses an APP or conducts back-end management through an interface of the Service, it will be deemed that the Service is available within such one (1) minute.

1.5 Apparent Failure Calculated in Minutes: means the accumulated Apparent Failure calculated in minutes within a Service Month.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = $1 - (\text{Apparent Failure Calculated in Minutes within a Service period} / \text{total time of a Service period calculated in minutes}) \times 100\%$

2.2 Standard of Service Metrics

The Service Availability of the Service provided by Tencent Cloud will be no less than 99%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such month** (the Monthly Service Fee referred to herein shall exclude the fee deducted by a voucher or promotional coupon, Service fee discounted or waived, or fees otherwise deductible).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
$99\% > Av \geq 95\%$	10% of the Monthly Service Fee
$95\% > Av \geq 90\%$	20% of the Monthly Service Fee
$90\% > Av$	30% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any malfunction on the part of a user.

4.2 any loss or leak of data, passcode or password due to improper maintenance or improper confidentiality measures of a user.

4.3 any hacker attack on a user's application or data.

4.4 any failure of a user to abide by user guide or suggestions for using IM products.

4.5 any negligence of a user or any operation authorized by a user.

4.6 any use by a user of any illegal information relating to pornography, gambling, illegal drugs, political party, politics, military affairs, fraud, etc.

4.7 any impromptu increase of the needs to use the audio-visual chatroom functions by a user without prior notification.

4.8 Any use of products, functions and access for trial operation which are not made public by the official website of Tencent Cloud.

4.9 any significant event or promotion publicly announced by Tencent Cloud in advance.

4.10 any system maintenance with prior notice by Tencent Cloud to users, including system cutover, maintenance, upgrade and malfunction simulation test.

4.11 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.

4.12 any event of force majeure or accident.

4.13 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.14 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate amount of compensation payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

Tencent Cloud Enterprise Drive Service Level Agreement

最近更新时间：2024-01-11 14:58:54

To use the Tencent Cloud Enterprise Drive Service (the “Service(s)”), you shall read and comply with this Enterprise Drive Service Level Agreement (the “Agreement” or the “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains the terms and definitions of the Services, service availability, compensation plans, disclaimers, and other relevant contents, please be sure to read and fully understand the terms and conditions of this Agreement. Limitation of liability clause, disclaimer clause, and other terms involving your material rights and interests may be highlighted in bold, underlined, etc. Please do not purchase or use the Services unless you have thoroughly read, fully understood, and accepted all the terms of this Agreement. By clicking “Agree”、 “Next”, or purchasing or using the Services, or accepting this Agreement in any other explicit or implicit manner, you are deemed to have read and agreed to be bound by this Agreement. This Agreement shall have legal effect between you and Tencent Cloud and shall become a legally binding document for both parties.

1. TERMS AND DEFINITIONS

1.1 Tencent Cloud Enterprise Drive

“Tencent Cloud Enterprise Drive” is a one-stop cloud content management platform that helps enterprises, universities, governments, and other types of enterprise-level customers to improve their data management efficiency, enjoy a smarter collaborative office experience, and tap the business value of their data to a greater extent.

1.2 Service Month

Service Month(s): means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.3 Total Minutes within the Service Month

“Total Minutes within the Service Month” = the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.4 Unavailability Minutes within the Service Month

Within a certain minute, if all consecutive attempts to establish a connection with the Services fail, it will be considered that the Services are unavailable within that minute. If the consecutive attempt fails for less than 1 minute, it will not be counted as unavailable time. The sum of the unavailability minutes of the Services within the Service Month is the “Unavailability Minutes within the Service Month”.

1.5 Monthly Service Fee

“Monthly Service Fee” means the fees incurred for the actual use of the Services under a particular Tencent Cloud account of the user in a Service Month, excluding the unused portion.

2. SERVICE AVAILABILITY

2.1 Calculation of Service Availability

Service Availability is calculated on a monthly basis as follows: $\text{Service Availability} = ((\text{Total Minutes within the Service Month} - \text{Unavailability Minutes within the Service Month}) / \text{Total Minutes within the Service Month}) \times 100\%$.

2.2 Service Availability Standard

The Service Availability shall not be less than 99.9% (the “Service Availability Standard”). If the Service Availability is lower than the Service Availability Standard (excluding cases covered by disclaimers), you shall be entitled to compensation through a work order claim to Tencent Cloud in accordance with Article 3 of this Agreement.

3. COMPENSATION

3.1 Compensation Method

(1) Compensation will be provided in the form of **voucher** issued by Tencent Cloud, and you must comply with vouchers usage rules (including usage period, etc., subject to the voucher-related rules published on the website of Tencent Cloud). The vouchers issued cannot be exchanged for cash, or be accompanied by invoices. Such vouchers can only be used to purchase the Services through your corresponding cloud account, and cannot be used to purchase other services provided by Tencent Cloud. The vouchers can not be transferred or gifted, etc.

(2) If the Service Availability Standard in this Agreement is not met in a Service Month, the compensation will be calculated separately according to the corresponding Service Month, **and the total amount of compensation shall not exceed the corresponding Monthly Service Fee paid by you for the Services for that respective month** (excludes non-cash fees offset by vouchers, service fee deductions, etc.).

3.2 Compensation Standard

Service Availability in a Service Month (the “AV”)	Compensation Voucher Amount
99.9% > AV ≥ 99.0%	10% of the Monthly Service Fee

99.0% > AV ≥ 95.0%	20% of the Monthly Service Fee
95.0% > AV	50% of the Monthly Service Fee

3.3 Time Limit for Claims

(1) If the Service Availability Standard is not met in a Service Month, you may claim for compensation **only through the work order system of your corresponding account** after the fifth (5th) business day of the following month after the end of the corresponding Service Month in which the Service Availability Standard is not met. Tencent Cloud will conduct verification after you have filed the claim for compensation. In case of a dispute between the parties regarding the calculation of the Service Availability in the Service Month, both parties agree that Tencent Cloud's backend records shall ultimately prevail.

(2) **The latest deadline for you to file a claim for compensation shall not exceed sixty (60) calendar days after the end of the corresponding Service Month that the Service Availability Standard is not met.** If you fail to file a claim for compensation within the aforesaid period, or file a claim in a manner other than that agreed in this Agreement, it shall be deemed that you have automatically waived your right to demand compensation and any other claims against Tencent Cloud, and Tencent Cloud reserves the right to decline your claim for compensation and shall not be liable for any compensation or indemnification to you.

4. DISCLAIMER

For Service Unavailability caused by the following reasons, the corresponding service unavailability time does not fall within the scope of the calculation of Service Unavailability and Tencent Cloud's compensation, and Tencent Cloud shall not be responsible for you:

- 4.1 Unavailability due to system maintenance after Tencent Cloud notifies you in advance, including cutover, repair, upgrade, and simulated failure drills.
- 4.2 Unavailability due to network, device failure or configuration adjustments other than Tencent Cloud devices.
- 4.3 Unavailability due to attacks or other misconduct on your application interfaces or data.
- 4.4 Unavailability due to the loss or leakage of data, passwords, codes, etc. because of your improper maintenance or improper confidentiality.
- 4.5 Unavailability due to your negligent authorization, incorrect operation, your own equipment or third party software or equipment.
- 4.6 Unavailability due to your failure to follow the Tencent Cloud solution usage documentation or usage recommendations.
- 4.7 Push delays or drops caused by using more than the upper limit of the service capacity calibrated for the current paid version.
- 4.8 Unavailability due to force majeure, including but not limited to, natural disasters such as earthquakes, floods, plague epidemics, etc. and social events such as wars, unrest, governmental actions, interruption of

telecommunication backbone lines, hacking, network blocking, technical adjustments by telecommunication departments and governmental controls.

4.9 Suspension or termination of servers due to the customer's violation of the [Tencent Cloud Service Agreement](#) , including but not limited to suspension of the Services or deletion of data due to non-payment of fees.

4.10 Unavailability or failure to meet the Service Availability Standard not attributed to Tencent Cloud.

4.11 The circumstances described in relevant laws and regulations, related agreements, applicable rules or relevant rules and instructions separately issued by Tencent Cloud that Tencent Cloud can exempt from any liability or release of compensation liability, etc.

5. MISCELLANEOUS

5.1 Both parties acknowledge and hereby agree that under no circumstances shall Tencent Cloud's compensation liability for breach of contract in aggregate exceed the corresponding service fees you have paid for the defaulted Services if you suffer damages due to Tencent Cloud's breach of contract during your use of the Services.

5.2 Tencent Cloud reserves the right to modify this Agreement when appropriate or necessary according to any changes. You can refer to the relevant contents in the latest version on the website of Tencent Cloud. If you do not agree with Tencent Cloud's modification to this Agreement, you have the right to stop using the Services. If you continue to use the Services, you shall be deemed to have accepted the modified Agreement.

5.3 This Agreement, as a subsidiary agreement of Tencent Cloud Service Agreement, shall have the same legal effect as Tencent Cloud Service Agreement. You shall comply with the provisions in Tencent Cloud Service Agreement for matters not specified in this Agreement. In the event of a conflict or inconsistency between the terms of this Agreement and Tencent Cloud Service Agreement, the Tencent Cloud Service Agreement shall prevail, but only to the extent of such conflict or inconsistency. GME Service Level Agreement

最近更新时间：2019-11-05 16:40:16

In order to use the Game Multimedia Engine (GME) service (the “Service”), you should read and observe this Game Multimedia Engine (GME) Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

Game Multimedia Engine (GME) Service provided by Tencent Cloud means the voice platform service provided by Tencent Cloud to you (“Client”), including without limitation real-time voice chat, voice messaging, audio-text conversion, audio filtering and other categories of audio services provided by Tencent Cloud Game Multimedia Engine. For details, please refer to the Service purchased by you and the content of Service provided by Tencent Cloud. You may achieve various voice features in an application through integrating SDKs provided by the Service.

Service Month(s): Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

Service Unavailable: For each one minute, if the number of users which are not able to use voice functions in the application within which you uses GME to achieve various voice functions exceeds 5% of the number of total users, the Service within such one minute shall be deemed unavailable.

Service Downtime: The aggregated minutes during which the Service is unavailable within a Service Month. Each minute is considered as one measurement point for GME service. The sum of the measurement points of which the Service is unavailable during a Service Month shall be the Service Downtime calculated in minutes for such Service Month.

2. Service Availability/ Service Success Rate

2.1. Calculation of Service Availability

Service Availability = (1 - Service Downtime calculated in minutes within a Service Month / total time of a Service Month calculated in minutes) × 100%

2.2. Service Availability/ Standard Indicator

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

If it takes less than 5 minutes for the Service to recover from malfunction, such period shall not be counted into Service Downtime. Service Downtime means the time period starting from the malfunction to the recovery back to normal use, which shall include the time period for maintenance.

3. Service Compensation

In respect of this Service, if the Service Availability fails to meet the aforementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1. Standards of Compensation

3.1.1. Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including the valid term; for details, please refer to the rules of vouchers published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

3.1.2. If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and the aggregate amount shall be no more than the applicable monthly service fee paid by you for such month (the monthly service fee referred herein shall exclude the portion deducted by a voucher or promotional credits, due to discounted service fee or otherwise deducted).

Service Availability for a Service Month	Value of Compensation Voucher
≥ 99% and < 99.95%	10% of the monthly service fee
≥ 95% and < 99%	25% of the monthly service fee
≥ 90% and < 95%	30% of the monthly service fee
< 90%	50% of the monthly service fee

3.2 Time Limit for Compensation Application

3.2.1. If the Service Availability for a Service Month fails to meet the aforementioned Service Availability standard, you may apply for compensation through (and only through) the support ticket system under your relevant account after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud will prevail.

3.2.2. You should apply for such compensation no later than sixty (60) calendar days following the expiration of the applicable Service Month in which the Service Availability fails to meet the standard. If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

- 4.1. any system maintenance with prior notice by Tencent Cloud to you, including system cutover, maintenance, upgrade and failure simulation test;
- 4.2. any failure or configuration adjustment of network or equipment that is not Tencent Cloud facility;
- 4.3. any attack on your application interface or data, or any other misconduct;
- 4.4. any loss or leak of any data or key due to your improper maintenance or improper confidentiality measures;
- 4.5. any negligence in authorization or maloperation by you, or any of your equipment, or third-party software or device;

- 4.6. any failure of you to abide by documentation or suggestions for using Tencent Cloud products;
- 4.7. any failure due to unpaid overdue payment of Tencent Cloud account;
- 4.8. any failure due to use of products, functions and access for trial operation which are not made public by the official website of Tencent Cloud;
- 4.9. any Service unavailability or failure of the Service to meet the availability standard not attributable to Tencent Cloud;
- 4.10. any failure due to a ban on or block of application or Service caused by non-compliant voice content or otherwise;
- 4.11. any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

5. Information Storage

5.1. In the GME voice messaging and audio-text conversion service, the audio data uploaded by you through the SDK interface will be temporarily stored for 90 day before being completely deleted by Tencent Cloud. If you need a longer storage time, you shall transfer the storage of the audio data on your own.

6. Miscellaneous

- 6.1. The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.
- 6.2. Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.
- 6.3. As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

GSE Service Level Agreement

最近更新时间：2021-04-20 15:20:22

In order to use the Tencent Cloud Game Server Elastic-scaling (GSE) (hereinafter referred to as the “Service”), you shall read and comply with this Tencent Cloud Game Server Elastic-scaling (GSE) Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service Availability or the Service Success Rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.

1. Terms and Definitions

1.1 The Game Server Elastic-scaling (GSE) provided by Tencent Cloud

Refers to the services provided by the Tencent Cloud Game Server Elastic-scaling (GSE) to you (also referred to as the “customer”), which includes, among others, the management of servers and the management and allocation of game servers.

1.2 Service Month(s)

Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.3 Unavailable Minutes within a Service Month

A minute will be counted towards the Unavailable Minutes within a Service Month only if all of your continual use of the SDK API of the Service fails within that minute. If all or a part of your use of the SDK API of the Service within a minute succeeds, the Service will be deemed to be fully available in that minute and that minute shall not be counted towards the Unavailable Minutes within a Service Month. The Unavailable Minutes within a Service Month are the total number of minutes in which the Service is unavailable within a Service Month.

1.4 Total Minutes of Service within a Service Month

Calculated by the number of dates in a Service Month × 24 (hours) × 60 (minutes).

2. Service Availability

2.1 Calculation of the Service Success Rate

Service Availability = (1 - Unavailable Minutes within a Service Month / Total Minutes of Service within a Service Month) × 100%

2.2 Service Indicator Standard

The Service Availability of the Service provided by Tencent Cloud will be **no less than 99.9%**. You are entitled to the compensation as set forth in Section 3 of this Agreement if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided in the Release of Liabilities provisions.

3. Compensation Plan

In respect of the Service, if the Service Availability fails to meet the abovementioned standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made in the form of voucher by Tencent Cloud, and you should follow the rules for using the voucher (including, among others, the valid term; for details, please refer to the relevant rules of voucher published on Tencent Cloud's official website). You cannot redeem such voucher for cash or request to issue an invoice for such voucher. Such voucher can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service Availability in a Service Month fails to meet the abovementioned standard, the amount of compensation shall be calculated for such Service Month independently, and **the aggregate amount shall be no more than the applicable Monthly Service Fee paid by you for such Service Month** (the Monthly Service Fee referred to herein shall exclude the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.9% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee

Less than 95%

100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the abovementioned Service Availability standard, you may **apply for compensation only through the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, both parties agree that the back-end record of Tencent Cloud shall prevail.

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the applicable Service Month in which the Service Availability fails to meet the abovementioned standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding period of Service unavailability shall not be counted toward Service downtime, is not eligible for compensation by Tencent Cloud, and Tencent Cloud shall not be held liable to you:

- 4.1 any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test;
- 4.2 any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility;
- 4.3 any attack on your application interface or data, or any other misconduct;
- 4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures;
- 4.5 any negligence in authorization or incorrect operation by you, or any of your own equipment, or third-party software or device;
- 4.6 any failure of you to abide by documentation or suggestions for using Tencent Cloud products;
- 4.7 any delay or drop of push messages resulted from the use in a manner exceeding the maximum service capacity as specified by the current version for sale;
- 4.8 any circumstance where the Service was unavailable or failed to meet the Service Availability standard due to any reason not attributable to Tencent Cloud;
- 4.9 any other circumstance where Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to relevant laws, regulations, agreements or rules, or any relevant rules or guidelines published by Tencent Cloud separately.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as amended.

5.3 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

weiling Service Level Agreement

最近更新时间：2022-03-05 18:56:52

To use the Tencent Cloud Weiling service (hereinafter referred to as the "Service"), you must read and comply with the Service Level Agreement for Tencent Cloud Weiling (hereinafter referred to as this "Agreement" or "SLA") and the Tencent Cloud Service Agreement. This Agreement contains the terms associated with the Service and their definitions, metrics for service availability and service success rate level, compensation, and disclaimer. Please be sure to carefully read and fully understand the provisions hereof. The limitation of liability and disclaimer clauses or other clauses which relate to your major rights and interests may be highlighted in bold or underlined for emphasis.

Unless you have fully read and completely understand and accept all of the provisions hereof, do not purchase the Service. By clicking "Agree" or "Next", purchasing or using the Service, or accepting this Agreement otherwise expressly or implicitly, you acknowledge that you have read this Agreement and agree to be bound by it, and this Agreement will enter into force between you and Tencent Cloud (each a "Party" and collectively the "Parties") and become a legal instrument that is binding upon the Parties.

1. Terms and Definitions

1.1 Tencent Cloud Weiling: Tencent Cloud Weiling provided by Tencent Cloud is an IoT building operating system well adapted to smart building scenarios. It provides connection, management, and digital operations services for various resources in buildings, such as hardware devices, applications, and services.

1.2 Service cycle: a service cycle is a natural month. The service availability is determined on a service cycle basis. The service cycle is calculated monthly, and any period of less than one natural month will not be counted as a service cycle, nor the service availability will be determined for that period.

1.3 Failed request: Tencent Cloud Weiling regards requests that return an error code of "internal error" and normal user requests that fail to arrive at its server due to any failure in it as failed requests. However, failed requests shall not include the following types of request: (1) requests that are made failed by Tencent Cloud Weiling due to excess of its QPS (queries per second) caused by the use of inappropriate access modes; (2) failed requests or service unavailability caused by reasonable upgrades, changes, or shutdowns initiated by Tencent Cloud Weiling; (3) requests made failed by Tencent Cloud Weiling due to hacker attacks against your applications; and (4) requests not successfully sent to your devices by Tencent Cloud Weiling or not successfully reported to it by your devices due to ISP network failures.

1.4 Valid requests: all requests received by the Tencent Cloud Weiling server are regarded as valid requests, **excluding the following types of request:** (1) requests that are initiated to the service before it is activated and authorized, fail to be authenticated, or are initiated with an incorrect key; (2) requests initiated by your applications after they are attacked by hackers; (3) requests to platform server APIs that are throttled due to excessive call

frequency or return an error due to network disconnections; (4) requests that are throttled due to excessive device reporting frequency (the limit is 1 QPS per device); (5) requests sent to your devices by the platform that are throttled (the limit is 1 QPS per device); and (6) requests that are discarded due to noncompliance with the data format requirements of Tencent Cloud Weiling.

5-minute error rate: (number of failed requests per 5 minutes/total number of requests per 5 minutes) * 100%

1.5 Monthly service fees: it refers to the total service fees paid for Tencent Cloud Weiling by you in a natural month. If you pay service fees for multiple months at a time, the monthly service fees will be calculated by apportioning the total service fees among the number of months purchased.

2. Service Availability

Tencent Cloud Weiling guarantees a 99% service availability. If such guarantee is not honored, you may get compensation as specified in Article 3 of this Agreement.

2.1 Calculation method for service availability

The service availability of Tencent Cloud Weiling is determined on a service cycle basis. It is calculated from the average 5-minute error rate, which is calculated by dividing the sum of 5-minute error rates in a service cycle by the total number of 5-minute periods in the service cycle, i.e., $\text{service availability} = (1 - \text{sum of 5-minute error rates in a service cycle} / \text{total number of 5-minute periods in the service cycle}) * 100\%$.

Note :

Total number of 5-minute periods in a service cycle = $12 * 24 * \text{number of days in the service cycle}$.

2.2 Exclusions from compensation

Any service unavailability caused by the following shall not be entitled to compensation:

- (1) Any system maintenance performed by Tencent Cloud with prior notice to you, including cutover, repair, upgrade, and failure emergency response drill;
- (2) The maintenance of or failure in any external objects that the Service depends on;
- (3) Any causes attributable to you or a third party or force majeure;
- (4) Any failures in your own networks, systems, software, or devices;
- (5) Any loss or leakage of your data or passwords due to any breaches of security by you;
- (6) Hacking of your devices or applications;
- (7) Any failure to follow the user guide or usage recommendations for Tencent Cloud Weiling by you;
- (8) Your negligence or any operations authorized by you;
- (9) Any controls implemented by regulatory authorities such as the MIIT and communications administration bureaus

or ISPs;

(10) Any failures or configuration adjustments in any networks or devices other than Tencent Cloud networks and devices;

(11) Force majeure or accidents;

(12) The unavailability of the Service or the failure of the Service to reach the specified standard caused by any other reasons not attributable to Tencent Cloud.

(13) Any circumstances in which Tencent Cloud shall not be liable under applicable laws, regulations, agreements, or rules, or applicable terms of service, rules, or instructions that are issued by Tencent Cloud separately.

3. Compensation

If the service availability of the Service is lower than 99%, you may get compensation as specified below:

3.1 Compensation standard

(1) Tencent Cloud will compensate you by **issuing vouchers (non-cash)**, which may only be used by you for purchasing the Service rather than other Tencent Cloud services and may not be transferred or gifted to any third parties.

(2) If the Service fails to reach the service availability standard in a certain service month, you will be compensated as calculated for such service month, **and the aggregate liability of Tencent Cloud to you shall not exceed the service fees paid by you for the Service for such service month** (the monthly service fees herein shall not include non-cash deductions made to the service fees through vouchers or coupons).

Note :

For the purposes of this Agreement, a service month shall refer to each natural month included in the term for which you purchase the Service. For example, if you purchase the Service for two months, and the Service is activated on March 17, then the 1st service month will refer to the period from March 17 to March 31, the 2nd from April 1 to April 30, and the 3rd from May 1 to May 16.

Service Availability for Service Month	Amount of Voucher Issued as Compensation
Lower than 99% but equal to or higher than 95%	10% of the monthly service fees.
Lower than 95% but equal to or higher than 90%	25% of the monthly service fees
Below 90%	100% of the monthly service fees

3.2 Time limit for submitting a compensation claim

3.2.1. If the Service fails to reach the service availability standard in a certain service month, you may submit a claim for compensation **only by contacting your Tencent Cloud rep by email** after the fifth (5) business day of the month following such service month. Tencent Cloud will review your claim for compensation. In case of any dispute over the calculation of the service availability for a certain service month, **the Parties agree that the records on the backend of Tencent Cloud shall apply.**

3.2.2. **You shall submit any claim for compensation no later than sixty (60) natural days after the end of the service month in which the Service fails to reach the service availability standard.** If you fail to submit a claim for compensation within such period, or if you submit a claim for compensation after such period, or if you submit a claim for compensation not pursuant to this Agreement, you will be deemed to have waived your claim for compensation and your other claims against Tencent Cloud, and Tencent Cloud shall have the right not to accept your claim for compensation or compensate you.

4. Legality Requirements

If you use Tencent Cloud Weiling, before you submit the information of the entity that needs to be verified by Tencent Cloud, you must warrant the following:

4.1 Such information has been legally obtained;

4.2 You shall have included the following or similar provision in the relevant service agreement provided to the public: "The User authorizes XX (i.e. "you" in this Agreement) to offer the information provided to XX by the User and the information generated from the use of the services provided by XX (including the information provided or generated before the signing of this authorization provision) to XX and its partners which are necessary for the provision of its services (including the service providers necessary for its partners) in order to provide services, recommend products, and conduct market research and information and data analysis for users. XX undertakes to maintain and request its partners (including their necessary service providers) to maintain strict confidence of such information and take measures to protect the information security.", have submitted the authorization agreement entered into by and between you and users to Tencent Cloud for the record, and have informed the entity of the legal consequences of such authorization.

4.3 The entity's authorization can meet Tencent Cloud's needs for identification and legal and reasonable use of its information.

4.4 Otherwise, Tencent Cloud may terminate the Service, and you shall compensate Tencent Cloud for all the losses thus incurred.

5. Service Auditability

Tencent Cloud may provide relevant information, including the execution logs of key components and the operation records of OPS personnel and customers, as necessary to assist regulatory authorities with regulation, evidence collection, or investigation under the existing system of laws and regulations and after completing all the necessary formalities.

6. Service Measurement Accuracy

The fees for Tencent Cloud services are clearly indicated in the business contract and on the order page. You can select the specific service types and purchase them at the indicated price.

7. Miscellaneous

Tencent Cloud shall have the right to amend the provisions of this Agreement in due course or as necessary, and you can check the latest version of this Agreement on Tencent Cloud's official website.

If you do not agree to such amendments, you shall have the right to stop using the Service. By continuing to use the Service, you acknowledge that you agree to the amended Agreement.

This Agreement shall constitute a supplementary agreement to and have the same legal force and effect as the Tencent Cloud Service Agreement. Any issues not covered by this Agreement shall be governed by the Tencent Cloud Service Agreement. In case of any conflict or inconsistency between the provisions hereof and those of the Tencent Cloud Service Agreement, this Agreement shall prevail, but only to the extent of such conflict or inconsistency.

Service Level Agreement

最近更新时间：2022-10-10 11:34:34

In order to use the Tencent Cloud Managed Service for Prometheus (the “Service”), you should read and observe this Managed Service for Prometheus Service Level Agreement (this “Agreement”, or this “SLA”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, level indicators of the Service availability and success rate, compensation plan and release of liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or releasing certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties.。

1. Terms and Definitions

1.1 Tencent Cloud Managed Service for Prometheus:

Managed Service for Prometheus means a lightweight, secure and high-performance management service for Prometheus. In addition to maintaining the monitoring function of the open source Prometheus, Managed Service for Prometheus provides high-performance Prometheus management service, self-serving data source configuration, open source Grafana and cloud monitoring alert ability, which will save your user development and maintenance costs.

1.2 Single Instance:

means one (1) Prometheus instance. The Service Availability will be calculated on a Single Instance basis.

1.3 Total Time of a Single Instance within a Service Month:

equals to the total number of days of the Service Month × 24 (hours) × 60 (minutes).

1.4 Instance Unavailability:

If Prometheus fails to collect or query data due to the causes of the platform, it will be deemed that the instance is unavailable.

1.5 Single Instance Service Downtime Calculated in Minutes:

Single Instance Service Downtime Calculated in Minutes = the time when the Instance Unavailability is fixed -- the time when the Instance Unavailability starts. Service downtime means the time commencing from the malfunction until the recovery of Service, including any unscheduled maintenance time. Instance Unavailability that lasts for more than five (5) minute will be counted in the Service downtime. However, when the Instance Unavailability is fixed within five (5) minute, which means that the actual downtime of the Service is less than five (5) minute, such downtime will not be counted in the Service downtime defined herein.

1.6 Service Month(s):

Service Month(s) means the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The availability of the Service will be calculated independently for each Service Month.

1.7 Monthly Service Fee:

means the aggregate service fees in cash paid by you for a Single Prometheus Instance within one (1) Service Month, excluding the portion paid yet to be consumed, and the portion deducted by a voucher or promotional voucher, due to discounted service fee or otherwise deducted.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (total time of a Single Instance within a Service Month calculated in minutes - Single Instance Service Downtime) / total time of a Single Instance within a Service Month calculated in minutes × 100%

2.2 Service Availability

The Service Availability of the Service provided by Tencent Cloud will be no less than 99.95%. You are entitled to the compensation as set forth in Section 3 (Service Compensation) below if the Service Availability fails to meet the aforementioned standard, other than in any circumstance as provided for in the release of liabilities provisions below.

If the total available time of a Single Instance in a Service Month is 30 (days) × 24 (hours) × 60 (minutes) × 99.95% = 43178.4 minutes; that is, the Service downtime of the instance in such month would be 43200 -- 43178.4 = 21.6 minutes.

3. Service Compensation

In respect of this Service, if the Service Availability is lower than the aforementioned standard, compensations will be made as follows:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of coupon** by Tencent Cloud, and you should follow the rules for using the coupon (including the valid term; for details, please refer to the rules of coupons published on Tencent Cloud's official website). You cannot redeem such coupon for cash or request to issue an invoice for such coupon. Such coupon can only be used to purchase the Service by using your Tencent Cloud account. You cannot use the coupon to purchase other services of Tencent Cloud, nor should you give the coupon to a third party for consideration or for free.

(2) If the Service Availability for a Service Month fails to meet the standard, the amount of compensation will be calculated for such month independently, and **the aggregate amount shall be no more than the applicable monthly Service fee paid by you for such month** (the monthly Service fee referred to herein shall exclude the portion deducted by a voucher or promotional coupon, due to discounted service fee or otherwise deducted).

Service Availability (Av) for a Service Month	Value of Compensation Voucher
$99.95\% > Av \geq 99\%$	10% of the monthly Service fee
$99\% > Av \geq 95\%$	25% of the monthly Service fee
$\leq 95\%$	100% of the monthly Service fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability for a Service Month fails to meet the abovementioned Service Availability standard, you may apply for compensation **through (and only through) the support ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud will prevail.**

(2) **You should apply for such compensation no later than sixty (60) calendar days following the expiry of the applicable Service Month in which the Service Availability fails to meet the standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

4. Release of Liabilities

If the Service is unavailable due to any of the following reasons, the corresponding Service downtime shall not be counted towards Service unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you:

4.1 any scheduled downtime due to any system maintenance with prior notice by Tencent Cloud, including system cutover, upgrade and malfunction simulation test.

4.2 any malfunction or configuration adjustment of any network or equipment that is not Tencent Cloud facility.

4.3 any Service unavailability attributable to any person other than Tencent Cloud, such as hacker attack or negligence of your third-party supplier.

4.4 any loss or leak of data, passcode or password due to your improper maintenance or improper confidentiality measures.

4.5 any mal-operation due to your negligence, or any operation authorized by you, such as active reconstruction by the user.

4.6 any failure by you to abide by user guide or suggestions for using Tencent Cloud products.

4.7 any Service unavailability or failure of the Service to meet the availability standard due to any reason not attributable to Tencent Cloud.

4.8 any other circumstances in which Tencent Cloud will be exempted or released from its liabilities (for compensation or otherwise) according to relevant laws, regulations, agreements or rules, or any rules or guidelines published by Tencent Cloud separately.

4.9 any event of force majeure.

5. Miscellaneous

5.1 You understand that Tencent Cloud cannot warrant that the Service is error free; however Tencent Cloud will endeavor to continuously improve the quality and level of its services. As such, you hereby agree that Tencent will not be deemed to have breached this Agreement in case of any error of the Service, as long as such error is unavoidable in the context of the then existing technologies in the industry. You agree to cooperate with Tencent to resolve aforementioned error.

5.2 The parties hereto acknowledge and agree that, for any losses incurred by you during the course of using the Service due to any breach by Tencent Cloud, the aggregate compensation amount payable by Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which is not performed.

5.3 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the official website of Tencent Cloud. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease using the Service; by continuing to use the Service, you shall be deemed to have accepted the Agreement as

amended.

5.4 As an ancillary agreement to the Tencent Cloud Service Agreement, this Agreement is of the same legal effect as the Tencent Cloud Service Agreement. In respect of any matter not agreed herein, you shall comply with relevant terms under the Tencent Cloud Service Agreement. In case of any conflict or discrepancy between this Agreement and the Tencent Cloud Service Agreement, this Agreement prevails to the extent of such conflict or discrepancy. (End of Document)

TCMG Service Level Agreements

最近更新时间：2022-10-10 11:38:13

In order to use the Tencent Cloud Managed Service for Grafana (the “Service”), you shall read and comply with this Tencent Cloud Managed Service for Grafana Service Level Agreement (this “Agreement”) and the [Tencent Cloud Service Agreement](#). This Agreement contains, among others, the terms and definitions of the Service, Service Availability and Service Availability Standard, Compensation Plan and Disclaimer of Liabilities. Please carefully read and fully understand each and every provision hereof, and the provisions restricting or disclaiming certain liabilities, or otherwise related to your material rights and interests, are in bold font or underlined or otherwise brought to your special attention.

Please do not purchase or use the Service unless and until you have fully read, and completely understood and accepted all the terms hereof. By clicking “Agree”/ “Next”, or by purchasing or using the Service, or by otherwise accepting this Agreement, whether express or implied, you are deemed to have read, and agreed to be bound by, this Agreement. This Agreement shall then have legal effect on both you and Tencent Cloud, constituting a binding legal document on both parties. For the purposes of these Terms of Service, “Tencent Cloud” refers to the applicable Tencent entity as set forth in the [Tencent Cloud Service Agreement](#).

1. Terms and Definitions

1.1 Tencent Cloud Managed Service for Grafana (TCMG)

Refers to a managed service developed by Tencent Cloud in collaboration with Grafana Lab, based on a popular open-source visualization project, Grafana. TCMG provides secure, operation-and-maintenance-free Grafana capabilities and built-in Tencent Cloud plug-ins for various data sources, such as Managed Service for Prometheus, Container Service, Logging Service, Graphite and InfluxDB, to achieve unified visualization of data. The specific services are subject to the services you have purchased and the service content provided by Tencent Cloud.

1.2 A Single Instance

Refers to a Grafana instance whose unit number is 1. The Service Availability (as defined below) shall be calculated based on a Single Instance.

1.3 Total Number of Minutes within Service Month(s) for a Single Instance

Total Number of Minutes within Service Month(s) for a Single Instance = the total number of days in Service Month(s) for a Single Instance × 24 (hours) × 60 (minutes).

1.4 Service Unavailability for a Single Instance

Grafana's failure to display visualized data properly for reasons attributable to Tencent Cloud shall be deemed as Service Unavailability for a Single Instance.

1.5 Service Downtime Calculated in Minutes for a Single Instance

Service Downtime Calculated in Minutes for a Single Instance = the time when Service Unavailability for a Single Instance is fixed - the time when Service Unavailability for a Single Instance starts.

Service Downtime refers to the time period from the start of a service failure to the time the services are back to normal, including system maintenance time without prior notice. If the duration of a service failure lasts for more than 5 minutes, such duration would be counted as Service Downtime Calculated in Minutes. If the duration of a service failure lasts for less than 5 minutes (i.e., the duration of Service Unavailability for a Single Instance does not exceed 5 minutes), such duration wouldn't be counted as Service Downtime Calculated in Minutes.

1.6 Service Month(s)

Service Month(s) refers to the calendar month(s) within the term of the Service purchased by you. For example, if you purchase the Service for a term of three months starting from March 17, there will be four (4) Service Months (the first Service Month from March 17 to March 31, the second from April 1 to April 30, the third from May 1 to May 31, and the fourth from June 1 to June 16). The Service Availability will be calculated separately for each Service Month.

1.7 Monthly Service Fee

The Monthly Service Fee refers to the accumulated cash service fee you pay for a Single Instance within a Service Month, excluding the portion that has been purchased but not consumed yet, and the fees deducted by vouchers, coupons, service fee reduction or exemption, etc.

2. Service Availability

2.1 Calculation of Service Availability

Service Availability = (Total Number of Minutes within a Service Month for a Single Instance - Service Downtime Calculated in Minutes for a Single Instance) / Total Number of Minutes within a Service Month for a Single Instance × 100%.

2.2 Service Availability Standard

The Service Availability for the Service **shall be no less than 99.95%** ("Service Availability Standard"). If the Service fails to meet the Service Availability Standard (except under circumstances as set forth in the Article 4 (Disclaimer of Liabilities)), you may claim compensation in accordance with Article 3 of this Agreement (Compensation Plan).

Assuming that Total Number of Minutes within a Service Month for a Single Instance is 43,200 minutes (=30 × 24 × 60), Service Downtime Calculated in Minutes for a Single Instance shall be less than 21.6 minutes (=43,200 - 43,200 × 99.95%).

3. Compensation Plan

In respect of the Service, if the Service fails to meet the Service Availability Standard, you will be entitled to compensations in accordance with the following terms:

3.1 Standards of Compensation

(1) Compensations will be made **in the form of voucher** by Tencent Cloud, and after receiving the voucher, you should use the voucher by abiding the voucher usage rules (including usage period, etc., subject to the voucher usage rules published on Tencent Cloud official website). Such voucher cannot be converted into cash, and no invoice will be issued with respect thereof. The voucher may only be used to purchase the Service by using your Tencent Cloud account, and you cannot use the voucher to purchase other services of Tencent Cloud, nor should you give the voucher to a third party for consideration or for free.

(2) If the Service fails to meet the Service Availability Standard in any Service Month, the amount of compensation shall be calculated for such Service Month independently, and **the aggregate amount shall be no more than the Monthly Service Fee you pay for the Service in the Service Month in which the Service fails to meet the Service Availability Standard** (the Monthly Service Fee refers to the actual amount you pay in cash, excluding the portion deducted by vouchers, coupons, service fee reduction or exemption, etc.).

Service Availability in a Service Month	Value of Compensational Voucher
Less than 99.95% but is or higher than 99%	10% of the Monthly Service Fee
Less than 99% but is or higher than 95%	25% of the Monthly Service Fee
Less than 95%	100% of the Monthly Service Fee

3.2 Time Limit for Compensation Application

(1) If the Service Availability in a Service Month fails to meet the Service Availability Standard, you may **apply for compensation only through the Tencent Cloud ticket system under your relevant account** after the fifth (5th) business day of the month immediately following such Service Month. Tencent Cloud will verify and ascertain your application upon receipt of such application. If there is any dispute over the calculation of the Service Availability for a Service Month, **both parties agree that the back-end record of Tencent Cloud shall prevail.**

(2) **You shall apply for compensation no later than the sixtieth (60th) calendar day following the end of the Service Month in which the Service fails to meet the Service Availability Standard.** If you fail to make any application within such period, or make the application after such period, or make the application by any means other than that agreed herein, it shall be deemed that you have voluntarily waived your right to apply for such compensation and any other rights you may have against Tencent Cloud, in which case Tencent Cloud has the right to reject your application for compensation and not to make any compensation to you.

3. Disclaimer of Liabilities

If the service is unavailable due to any of the following reasons, the corresponding Service Downtime shall not be counted towards Service Unavailability period, and is not eligible for compensation by Tencent Cloud, and Tencent Cloud will not be held liable to you.****

- 4.1 Any system maintenance with prior notice by Tencent Cloud, including system cutover, maintenance, upgrade and malfunction simulation test and other planned downtime.
- 4.2 Any failure or configuration adjustment of any network or equipment that is not a Tencent Cloud facility.
- 4.3 Any Service Unavailability caused by a third party other than Tencent Cloud, such as any Service Unavailability due to an attack by hackers or negligence of your third-party supplier.
- 4.4 Any loss or leakage of data, passcode or password due to your improper maintenance or confidentiality.
- 4.5 Any maloperation due to your negligence or any operation authorized by you, such as user-initiated reconstruction.
- 4.6 Any failure of you to abide by documentation or suggestions for using Tencent Cloud products.
- 4.7 The Service is unavailable or fails to meet the Service Availability Standard due to any reason not attributable to Tencent Cloud.
- 4.8 Any other circumstances in which Tencent Cloud will be exempted or released from its liabilities for compensation or otherwise according to applicable laws, regulations, agreements or rules, or rules or guidelines published by Tencent Cloud separately.
- 4.9 Any event of force majeure or accidents.

5. Miscellaneous

5.1 The parties hereto acknowledge and agree that, for any losses incurred by you for the use of the Service due to any breach by Tencent Cloud, the aggregate liability of Tencent Cloud shall under no circumstance exceed the total service fees you have paid for the relevant Service which fails to meet the Service Availability Standard. If you have used the Service for more than 12 months, the total aggregate liability of Tencent Cloud shall not exceed the total service fees you have paid to Tencent Cloud for the Service which fails to meet the Service Availability Standard in the 12 months immediately preceding the date that event giving rise to the liability first occurred.

5.2 Tencent Cloud has the right to amend the terms of this Agreement as appropriate or necessary in light of changes in due course. You may review the most updated version of relevant Agreement terms on the Tencent Cloud official website. If you disagree with such revisions made by Tencent Cloud to this Agreement, you have the right to cease

using the Service; by continuing to use the Service, you shall be deemed to have accepted this Agreement as amended.

5.3 As an ancillary agreement to the [Tencent Cloud Service Agreement](#), this Agreement is of the same legal effect as the [Tencent Cloud Service Agreement](#). In respect of any matter not agreed herein, you shall comply with relevant terms under the [Tencent Cloud Service Agreement](#). In case of any conflict or discrepancy between this Agreement and the [Tencent Cloud Service Agreement](#), this Agreement prevails to the extent of such conflict or discrepancy. (End)

Law Enforcement Data Request Guidelines

Europe

最近更新时间：2021-07-30 15:11:36

INTRODUCTION

These operational guidelines are for any law enforcement authority or other government authority (the **Requesting Authority**) making a request to Tencent Cloud Europe B.V. or any other Tencent group company (**we, our, us** or **Tencent Cloud Group Europe**) that operates cloud services in the European Economic Area, the United Kingdom and Switzerland (**Tencent Cloud Europe Services**), for disclosure of data about our users of Tencent Cloud Europe Services (a **Request**).

We respond to Requests made by a Requesting Authority in accordance with these guidelines, subject always to applicable laws and regulations and our internal guidelines.

We provide (access to) user information in response to Requests when legally required to do so. We will scrutinize all requests to make sure they comply with the applicable laws and regulations. Where permitted, relevant or necessary, we may require appropriate legal and/or supporting documentation to be furnished by the Requesting Authority before we can provide the relevant user information requested. Such documents may include a court order, subpoena, search warrant, authorization document(s) and/or other valid legal process, as the case may be.

We may amend this Policy at any time without notice. We encourage you to check back regularly on this page for updates. These guidelines are applicable to Requests from Requesting Authorities only. Nothing in these guidelines shall be used to create any legal obligations or any enforceable rights against Tencent Cloud Group Europe or any other member of the Tencent group.

Disclaimer on Requests for data not held by Tencent Cloud Group Europe: From time to time, we receive Requests for disclosure of data which do not belong to and/or are not held by Tencent Cloud Group Europe but a separate entity.

The responsibility is on the Requesting Authority to make the appropriate request(s) to such other entities and/or affiliates as necessary.

WHAT KINDS OF REQUESTS DO WE RESPOND TO?

We respond to the following types of Requests:

Preservation Requests

We accept Requests issued in accordance with applicable laws and regulations from Requesting Authorities to preserve specified records or data, pending the issuance of valid legal process. Please complete this form to make a Preservation Request. If we do not receive formal legal request in accordance with applicable laws and regulations for the preserved information before the end of the preservation period, the preserved information may be deleted when the preservation period expires where permitted by applicable laws and regulations. In addition to the information described below (in "Form of Request"), Preservation Requests must, to the extent permitted by applicable laws and

regulations, be sent on law enforcement letterhead, signed, and must include a statement with details about steps that are being taken to obtain legal process for the data sought to be preserved. In specific cases, we may need further supporting and/or legal documentation before we can respond to a Preservation Request. All our rights in this regard are fully and expressly reserved.

Emergency Requests

Requests from Requesting Authorities that give us a good faith belief regarding an imminent emergency involving risk of death, serious physical injury to a person or any risk of harm to a child. Please note that we evaluate Emergency Requests on a case-by-case basis in compliance with applicable laws and regulations. Where permitted, appropriate and/or necessary, we may require the Requesting Authority to furnish relevant legal and/or supporting documentation confirming their authorization and/or legal basis for making the Request, without unnecessarily jeopardizing or delaying our response(s) to the Requests. Please complete this form to make an Emergency Request.

Legal Process Requests

All other Requests made by a Requesting Authority in accordance with applicable laws and regulations. This may include Requests arising from valid search warrants and subpoenas and other valid legal process, or valid Requests made in accordance with applicable mutual legal assistance arrangements and channels. Where permitted, appropriate and/or necessary, we may require the Requesting Authority to furnish relevant legal and/or supporting documentation confirming their authorization and/or legal basis for making the Request. Please complete this form to make a Legal Process Request.

RETAINING AND DISCLOSING OF DATA

We will only retain and disclose data in accordance with our [Terms of Service](#) and [Privacy Policy](#), subject always to applicable laws and regulations.

FORM OF REQUEST

To the extent permitted by applicable laws and regulations, we require that each Request contains the following information, and any other information as required by applicable laws and regulations, in order to process such Request:

the Requesting Authority's identity;

the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the "Request Contact"), including their rank, badge/identification number and identification documents;

the relevant authorisation document(s) of the specific officer and/or agent of the Requesting Authority, if applicable; contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;

a reasonable date that we should respond to the Request by;

if applicable, the IP address, Uniform Resource Locator, or user of the Tencent Cloud Europe Services to which the Request relates, including all known information pertaining to the relevant user - including users' identification, account details and/or email addresses. This will help us to identify the data subject and/or other information requested;

list and specific type of data being requested;

purpose for which each type of data is to be used in relation to the Request;

why is the requested type of data considered necessary for the purpose; and the basis of the Request, including the provisions of any laws and/or regulations being relied upon for the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being carried out by the Requesting Authority.

Please note that we may be unable to respond to any vague or incomplete Requests.

The form to be used to make an Emergency Request, certifying the truthfulness and correctness of the Request, can be found [here](#).

NOTIFICATION OF OUR USERS

We respect our users' rights and privacy. We may therefore notify the relevant user about any Requests for their data prior to disclosure, unless we are prohibited from doing so under applicable laws or regulations, by the terms of any legal process (such as a confidentiality order), or where we reasonably believe that such disclosure may create imminent serious danger or risk for us or any third party.

A Requesting Authority that believes that notification would jeopardize a law enforcement investigation should obtain an appropriate legal process that specifically prohibits member notification. It is the Requesting Authority's responsibility to request that we do not notify a user of your Request because it would jeopardize a law enforcement investigation, including but not limited to providing the appropriate court order or legal process prohibiting such notification. We will carefully consider your Request and our compliance with the same will be subject to applicable laws or regulations. All our rights in this regard are expressly reserved. If your Request draws attention to an ongoing violation of our Terms and Policies, we will – to the extent permitted by applicable laws and regulations – take action to prevent further abuse, including actions that may notify the user that we are aware of their misconduct.

MUTUAL LEGAL ASSISTANCE TREATY REQUESTS

We respond to requests of an international nature made pursuant to a Mutual Legal Assistance Treaty ("MLAT") and other applicable conventions, treaties, protocols or documents of a similar nature entered into between the Netherlands and other countries. The MLAT and other applicable conventions, treaties, protocols, or documents of a similar nature will usually determine how the Netherlands and these other countries can assist one another in legal matters such as criminal investigations or enforcement proceedings. Through an MLAT or other request, a foreign government can request the Dutch government for assistance in procuring evidence from Tencent Cloud Europe B.V.. If the Dutch government approves the MLAT or other request from the foreign government, and such documentation of approval is provided to us, we will give our best endeavors to render our support in accordance with applicable laws and regulations.

Also, a Requesting Authority may be able to rely on MLAT or other applicable conventions to request data, not held by Tencent Cloud Group Europe, in the country of the relevant Tencent entity.

REIMBURSEMENT OF COSTS

To the extent permitted by applicable laws and regulations, we may seek reimbursement of our costs in responding to a Request.

TESTIMONY SUPPORT

We do not provide expert testimony support, except to the extent required by applicable laws and regulations.

WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be sent to the following contact details:

emailed to CloudLE_TCE@tencent.com with the subject "Law Enforcement Agency Disclosure Request".

Please note that:

we may take longer to respond to any Requests not sent to the above contact details;

we will not review correspondences sent by anyone other than Law Enforcement Authorities to the above contact details; and

if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

QUESTIONS

For general questions regarding these guidelines not related to specific Request(s), please contact us by email at CloudPolicy@tencent.com. Please note this email does not receive service of legal documents and will not be responsive to unrelated enquiries.

Government Request Policy Europe

最近更新时间：2021-07-30 15:11:47

1.INTRODUCTION

We receive various requests from governmental authorities in relation to the cloud services we provide in the European Economic Area (**EEA**), the United Kingdom and Switzerland (**Tencent Cloud Europe Services**). Where such request is made:

(a) by any law enforcement authority or other governmental authority regarding disclosure of data about users of our Tencent Cloud Europe Services and in accordance with legal processes (e.g. court injunction, court orders, subpoenas, police investigations), we will treat such request in accordance with our Law Enforcement Data Request Guidelines; and

(b) in any manner and by any law enforcement authority or other governmental authority other than pursuant to paragraph (a), we will treat such request in accordance with this Governmental Request Policy (**Policy**) (all such request under this paragraph (b) being a **Request**).

Requests that fall under paragraph (b) include but are not limited to:

(a) take down requests;

(b) general information requests; and

(c) requests to engage in discussions with governmental authorities.

This Policy applies to Requesting Authorities (as defined below) making a Request. If you do not observe the requirements of this Policy in making your Request, we may not be able to comply with or respond to your Request.

1.2 The Tencent Cloud Group Europe complies with the laws and regulations pertaining to the individual entities that control our data and we provide details and/or take steps as legally required in relation to Requests.

1.3 We may amend this Policy at any time without notice. We encourage you to check back regularly on this page for updates. This Policy is applicable to requests from Requesting Authorities only. Nothing in this Policy shall be used to create any legal obligations or any enforceable rights against the Tencent Cloud Group Europe or any other member of the Tencent group.

1.4 In addition to the terms defined above, in this Policy:

(a) **we, us, our** or **Tencent Cloud Group Europe** means Tencent Cloud Europe B.V. and its affiliates that operate the Tencent Cloud Europe Services.

(b) **Request** means any request pursuant to Section 1.1 (b) that this Policy applies to.

(c) **Requesting Authority** or **you** means the law enforcement authority or other governmental authority making the relevant Request.

2.our relationship with other third parties

2.1 From time to time, we receive requests for disclosure of data which do not belong to and/or are not held by us. To clarify: We cannot assist on requests relating to any platform or service other than Tencent Cloud Europe Services (including any data that is held by or regarding such other platforms or services). It is the Requesting Authority's responsibility to make the appropriate request(s) to such other platforms or services (and their operators) as necessary.

3.general principles of this policy

We apply this Policy in accordance with the following principles. Further details are set out in the remainder of this Policy.

3.1 **We act in accordance with Requests when legally required to do so.** The basis for the Requests that we comply with may be pursuant to specific laws and regulations. Such actions may include the removal or disabling of certain content in one or more jurisdictions.

3.2 **We do not retain all user information and content, and such information and content may be deleted, de-personalised and/or revised from time to time.** Our end users maintain the right to treat their information, and we will treat their information, in accordance with our Terms of Service and Privacy Policy. This means that we do not retain all such information, and they may from time to time be revised or deleted. Further information regarding our data handling practice is set out in Terms of Service and Privacy Policy.

3.3 **We aim to apply this Policy consistently and fairly across all jurisdictions where we operate Tencent Cloud Europe Services, and in accordance with all applicable laws and regulations and our interpretation of potential differences between jurisdictions.** Tencent Cloud Europe Services are available in the EEA, the United Kingdom and Switzerland, and to that end we aim to apply all of our terms (including this Policy) fairly and consistently across those jurisdictions.

3.4 **Further to Section 3.3, we may depart from this Policy from time to time for various reasons,** including for instance, due to applicable laws and regulations or pursuant to professional advice we have received on the matter.

3.5 **We aim to be transparent with our users in the actions that we take.** Before and/or after we comply with a Request (depending on the Request and applicable laws and regulations), we reserve the right to notify our users of the Request (including the actions being sought by the Request) unless we are explicitly requested by the Requesting Authority or prohibited from doing so by applicable laws and regulations and subject to Section 7. This is to ensure that our users have a right to respond to the Request. In addition, where the Request is in relation to actions that may affect other users, we may also notify other users of the relevant Request that we have complied with, subject to applicable laws and regulations.

3.6 We do not automatically comply with all Requests. We will always carefully review all Requests to ensure that we comply with all applicable laws and regulations in our response, while respecting our users' rights. That may include taking appropriate internal and third-party professional advice.

4. HOW WE APPLY THIS POLICY

As above, we aim to apply this Policy fairly and consistently in the EEA, the United Kingdom and Switzerland. We note the following in relation to how we apply this Policy:

(a) **In certain circumstances, we may not be able to remove information and/or content due to a conflict of legal requirements in different jurisdictions.** In those cases, we may treat such information and/or content differently for different jurisdictions.

(b) **We will carefully review all Requests to make sure they comply with the applicable laws and regulations.** Where relevant or necessary, we may require appropriate legal and/or supporting documentation to be provided by the Requesting Authority before we comply with the Request.

(c) **Nothing in this Policy waives or limits any of our rights under all applicable laws and regulations – we expressly reserve all such rights and may respond to any Requests at our sole discretion.** We may, as appropriate, question any Requests – including requesting governmental/judicial review of, and third-party legal advice regarding, any Requests.

5. an overview of how we deal with requests

5.1 When we receive a Request, we will generally deal with such Request in accordance with the following (and always subject to applicable laws and regulations):

(a) Review of the Request, to ensure that it meets all relevant legal and our requirements.

(b) Whether it is permitted, necessary and/or appropriate to notify the affected user(s) (also see Sections 3.6 and 7).

(c) Responding to the Requesting Authority regarding the outcome of the Request.

6. WHAT KINDS OF REQUESTS DO WE RESPOND TO?

6.1 General requirements

To the extent permitted by applicable laws and regulations, all Requests must:

(a) be typed and in PDF file format;

(b) be sent on the Requesting Authority's letterhead and signed by an appropriate and authorised representative of the Requesting Authority - see Section 6.2;

(c) include all information as set out in Section 6.3;

(d) be sent in accordance with Section 9;

(e) be drafted in, or translated to, **English**; and

(f) comply with all applicable laws and regulations. We expect all Requesting Authorities to have already obtained legal advice on whether a Request meets this requirement.

Note that we may not respond to any Requests that do not meet the above requirements.

6.2 Who can send Requests?

Appropriate Requesting Authorities may be different in different jurisdictions. Depending on the jurisdiction, legitimate Requests may be submitted by several types of government agencies, such as telecommunication authorities, consumer protection authorities.

The power of many of these authorities will differ depending on the jurisdiction in question. As above, we will review all Requests in accordance with applicable laws and regulations.

6.3 Form of Request

To the extent permitted by applicable laws and regulations, we require that each Request contains the following information, and any other information as required by applicable laws and regulations, in order to process such Request:

- (a) the Requesting Authority's identity;
- (b) the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the **Request Contact**), including their rank, badge/identification number and identification documents;
- (c) the relevant authorisation document(s) of the specific officer and/or agent of the Requesting Authority, if applicable;
- (d) contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;
- (e) a reasonable date that we should respond to the Request by;
- (f) if applicable, the IP address, Uniform Resource Locator, or user of the Tencent Cloud Europe Services to which the Request relates, including all known information pertaining to the relevant user - including users' identification, account details and/or email addresses. This will help us to identify the data subject and/or other information requested;
- (g) list and specific type of data and actions being requested;
- (h) purpose for which each type of requested data is to be used in relation to the Request;
- (i) why is the requested type of data considered necessary for the purpose; and
- (j) the basis of the Request, including the provisions of any laws and/or regulations being relied upon for the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being carried out by the Requesting Authority.

Please note that we may be unable to respond to any vague or incomplete Requests.

7. NOTIFICATION OF OUR USERS

Further to Section 3.5, we respect our users' rights and privacy. We may notify the relevant user about any Requests prior to acting on them, unless we are explicitly requested by the Requesting Authority or prohibited from doing so under applicable laws or regulations, by the terms of any legal process (such as a confidentiality order), or where we reasonably believe that such actions may create imminent danger or risk for us or any third party. This notification may allow the end user to seek appropriate protective relief.

Requesting Authorities who believe that notification would jeopardize an ongoing legal investigation should obtain an appropriate court order or legal process that specifically prohibits notification of our users or otherwise substantiate its Request on the basis of the applicable laws and regulations. It is the Requesting Authority's responsibility to Request and substantiate in conformance with by applicable laws and regulations that we do not notify a user of the Request.

If your Request is in relation to an ongoing or prior violation of our Terms of Service and Privacy Policy, we will take action to prevent further abuse, including actions that may notify the user that we are aware of their misconduct, all subject to and in conformance with by applicable laws and regulations. If you believe in good faith that such actions will jeopardize an ongoing investigation, it is your responsibility to request that we defer such action, whenever possible pursuant to applicable laws and regulations including providing to us the appropriate court order or legal process prohibiting such notification.

We reserve the right to challenge any non-disclosure requests or orders, pursuant to applicable laws and regulations.

8. REIMBURSEMENT OF COSTS

To the extent permitted by applicable laws and regulations, we may seek reimbursement of our costs in responding to a Request.

9. WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be emailed to CloudLE_TCE@tencent.com with the subject "Governmental Request".

Please note that:

- (a) we may not, or take longer to, respond to any Requests not sent to the assigned contact details above;
- (b) we will not review correspondences sent by anyone other than Requesting Authorities to the above contact details;
and
- (c) if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

10. QUESTIONS

For general questions regarding this policy not related to specific Request(s), please contact us by email at CloudPolicy@tencent.com. Please note that we will not be responsive to unrelated enquiries.

Law Enforcement Data Request Guidelines

North-America

最近更新时间：2021-07-30 15:11:57

INTRODUCTION

These guidelines are for any law enforcement or other federal, state or local government authority (the “**Requesting Authority**”) making a request to Tencent Cloud LLC or any other Tencent group company (“**we**”, “**our**”, “**us**” or “**Tencent Cloud NA**”) that operates cloud services in North America (“**Tencent Cloud Services - NA**”), for disclosure of data about our users of Tencent Cloud Services - NA (a “**Request**”).

We respond to Requests made by a Requesting Authority in accordance with these guidelines, subject always to applicable laws and regulations and our internal guidelines. Applicable laws include, but are not limited to, the Electronic Communications Privacy Act, Title 18 U.S. Code, § 2510, *et seq.* (“**ECPA**”), the Stored Communications Act, Title 18 U.S. Code, § 2701 *et seq.* (“**SCA**”), and the California Electronic Communications Privacy Act, Cal. Penal Code §§ 1546 – 1546.4 (“**CalECPA**”).

Except in emergency circumstances as described in these Guidelines, Tencent Cloud NA will not release customer information without valid legal process properly served on us. Depending on the customer information being requested, the required legal process may include a court order, subpoena, or search warrant, as described in these Guidelines.

We may amend these guidelines at any time without notice. We encourage you to check back regularly on this page for updates. These guidelines are applicable to Requests from Requesting Authorities only. Nothing in these guidelines shall be used to create any legal obligations or any enforceable rights against Tencent Cloud LLC or any other member of the Tencent group.

Disclaimer on Requests for data not held by Tencent Cloud LLC: From time to time, we receive Requests for disclosure of data which do not belong to and/or are not held by Tencent Cloud LLC but a separate entity. The responsibility is on the Requesting Authority to make the appropriate request(s) to such other entities and/or affiliates as necessary.

WHAT KINDS OF REQUESTS DO WE RESPOND TO?

We respond to the following types of Requests:

Preservation Requests

We accept Requests issued in accordance with SCA § 2703(f) from Requesting Authorities to preserve specified records or data, pending the issuance of valid legal process. Please complete this [form](#) to make a Preservation

Request. In compliance with SCA § 2703(f), we will preserve requested information for up to 90 days, and upon receipt of a preservation extension request, one additional 90 day period. If we do not receive formal legal request for the preserved information before the end of the initial or extended preservation period, the preserved information may be deleted when the preservation period expires. In addition to the information described below (in “Form of Request”), Preservation Requests must be sent on law enforcement letterhead and signed by a representative of the Requesting Authority.

Legal Process Requests

Depending on the type of information sought, we may provide user information in response to a subpoena, administrative summons, court order or search warrant issued by a U.S. governmental entity or court of competent jurisdiction as those terms are defined in the SCA.

Tencent Cloud NA requires a judicially issued search warrant for all Requests for user content. Content includes the substantive content of data stored in a user’s account, which may include documents, media files or other data that the user stores or processes on Tencent Cloud NA.

Tencent Cloud NA requires a subpoena to produce user information in response to a Request for basic subscriber information, such as the customer’s name, contact information, billing information, types of services used or purchased and dates of account creation and termination. Tencent Cloud NA may also provide this information in response to a court order or search warrant.

For Requests submitted by a California state Requesting Authority (e.g., a county sheriff’s department, city or state police or district attorney’s office) Tencent Cloud NA requires a search warrant to produce all information about a user.

Emergency Disclosure Requests

We may provide information in response to an urgent law enforcement request without receipt of formal legal process where information provided by the Requesting Authority gives us a good faith belief that an emergency involving danger of death or serious physical injury to a person requires disclosure without delay. Please note that we evaluate Emergency Requests on a case-by-case basis and in our sole discretion. Please complete this [form](#) to make an Emergency Request.

INFORMATION TO BE INCLUDED IN REQUESTS

In order to process any Request, we require that each Request clearly specify the following in writing:

- the Requesting Authority;
- the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the “**Request Contact**”) and his or her rank, badge/identification number and identification documents;

- contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;
- a Request response date;
- the IP address, Uniform Resource Locator or user of the Tencent Cloud Services - NA to which the Request relates (including users' identification, account details and/or email address);
- list and specific type of data being requested from us regarding the relevant user/account and its relationship to the investigation to which the Request relates;
- purpose of which each type of data is to be used in relation to the Request;
- why is the request type of data considered necessary for the purpose; and
- the basis of the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being carried out by the Requesting Authority.

NOTIFICATION OF OUR USERS

We respect our users' rights and privacy. We may therefore notify the relevant user about any Requests for their data prior to disclosure, unless we are prohibited from doing so under applicable laws or regulations, by the terms of any legal process (such as a court issued confidentiality order), or where we reasonably believe that such disclosure may create imminent danger or risk for us or any third party.

A Requesting Authority that believes that notification would jeopardize a law enforcement investigation should obtain an appropriate legal process that specifically prohibits member notification. If your Request draws attention to an ongoing violation of our Terms and Policies, we will – to the extent permitted by applicable laws and regulations – take action to prevent further abuse, including actions that may notify the user that we are aware of their misconduct.

INTERNATIONAL REQUESTS

We respond to requests of an international nature made pursuant to a Mutual Legal Assistance Treaty ("**MLAT**") or an Executive Agreement entered between the United States and a foreign government pursuant to the CLOUD Act and other applicable conventions, treaties, protocols or documents of a similar nature. Such requests should be made to the U.S. Department of Justice's Office of International Affairs.

REIMBURSEMENT OF COSTS

We may seek reimbursement of our costs in responding to a Request in accordance with SCA § 2706 or other applicable law.

WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be sent to the following contact details:

emailed to CloudLE_TCL@tencent.com with the subject “Law Enforcement Agency Disclosure Request”.

Please note that:

- we may take longer to respond to any Requests not sent to the above contact details;
- we will not review correspondences sent by anyone other than Requesting Authorities to the above contact details;
and
- if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

QUESTIONS

For general questions regarding these guidelines not related to specific Request(s), please contact us by email at CloudPolicy@tencent.com. Please note this email does not receive service of legal documents and will not be responsive to unrelated enquiries.

Government Request Policy North-America

最近更新时间：2021-07-30 15:12:05

1. INTRODUCTION

We receive various requests from governmental authorities in relation to the cloud services we provide in North America (“**Tencent Cloud Services - NA**”). Where such request is made:

(a) by any federal, state or local law enforcement authority or other governmental authority regarding disclosure of information about users of our Tencent Cloud Services - NA and in accordance with legal processes (e.g. court injunction, court orders, subpoenas, police investigations), we will treat such request in accordance with our [Law Enforcement Data Request Guidelines](#); and

(b) in any manner and by any law enforcement authority or other governmental authority other than pursuant to paragraph (a), we will treat such request in accordance with this Governmental Request Policy (“**Policy**”) (all such request under this paragraph (b) being a “**Request**”).

Requests that fall under paragraph (b) and this Policy include but are not limited to:

- (i) Subpoenas, civil investigative demands, court orders or search warrants for Tencent company information, not including user data;
- (ii) general information requests;
- (iii) requests to engage in discussions with governmental authorities; and
- (iv) content removal requests.

This Policy applies to Requesting Authorities (as defined below) making a Request. If you do not observe the requirements of this Policy in making your Request, we may not be able to comply with or respond to your Request.

1.1 Tencent Cloud NA complies with the applicable laws and regulations , and we provide details and/or take steps as legally required in relation to Requests.

1.2 We may amend this Policy at any time without notice. We encourage you to check back regularly on this page for updates. This Policy is applicable to requests from Requesting Authorities only. Nothing in this Policy shall be used to create any legal obligations or any enforceable rights against the Tencent Cloud NA or any other member of the Tencent group.

1.3 In addition to the terms defined above, in this Policy:

- (a) “**we**”, “**us**”, “**our**” or “**Tencent Cloud NA**” means Tencent Cloud LLC.
- (b) “**Request**” means any request pursuant to Section 1.1(b) that this Policy applies to.

(c) **“Requesting Authority”** or **“you”** means the law enforcement authority or other governmental authority making the relevant Request.

2. our relationship with other third parties

2.1 From time to time, we receive requests for disclosure of data which do not belong to and/or are not held by us. To clarify: We cannot assist on requests relating to any platform or service other than Tencent Cloud Services - NA (including any data that is held by or regarding such other platforms or services).

3. general principles of this policy

We apply this Policy in accordance with the following principles. Further details are set out in the remainder of this Policy.

3.1 **We act in accordance with Requests when legally required to do so.** The basis for the Requests that we comply with may be pursuant to specific laws and regulations. Such actions may include the removal or disabling of certain content.

3.2 **We may depart from this Policy from time to time for various reasons,** including for instance, due to applicable laws and regulations or pursuant to professional advice we have received on the matter.

3.3 **We do not automatically comply with all Requests.** We will always carefully review all Requests to ensure that we comply with all applicable laws and regulations in our response, while respecting our users' rights. That may include taking appropriate internal and third-party professional advice.

4. HOW WE APPLY THIS POLICY

We note the following in relation to how we apply this Policy:

(a) **In certain circumstances, we may not be able to remove information and/or content due to a conflict of legal requirements in different jurisdictions.** In those cases, we may treat such information and/or content differently for different jurisdictions.

(b) **We will carefully review all Requests to make sure they comply with the applicable laws and regulations.** Where relevant or necessary, we may require appropriate legal and/or supporting documentation to be provided by the Requesting Authority before we comply with the Request.

(c) **Nothing in this Policy waives or limits any of our rights under all applicable laws and regulations – we expressly reserve all such rights and may respond to any Requests at our sole discretion.** We may, as appropriate, question any Requests – including requesting governmental/judicial review of, and third-party legal advice regarding, any Requests.

5. an overview of how we deal with requests

5.1 When we receive a Request, we will generally deal with such Request in accordance with the following (and always subject to applicable laws and regulations):

- (a) Review of the Request, to ensure that it meets all relevant legal and our requirements.
- (b) Responding to the Requesting Authority regarding the outcome of the Request.

6. WHAT KINDS OF REQUESTS DO WE RESPOND TO?

6.1 General requirements

To the extent permitted by applicable laws and regulations, all Requests must:

- (a) be typed and in PDF file format;
- (b) be sent on the Requesting Authority's letterhead and signed by an appropriate and authorised representative of the Requesting Authority - see Section 6.2;
- (c) include all information as set out in Section 6.3;
- (d) be sent in accordance with Section 9;
- (e) be drafted in, or translated to, **English**; and
- (f) comply with all applicable laws and regulations. We expect all Requesting Authorities to have already obtained legal advice on whether a Request meets this requirement.

Note that we may not respond to any Requests that do not meet the above requirements.

6.2 Who can send Requests?

Appropriate Requesting Authorities may be different in different jurisdictions. Depending on the jurisdiction, legitimate Requests may be submitted by several types of government agencies, such as telecommunication authorities, law enforcement agencies and consumer protection authorities.

The power of many of these authorities will differ depending on the jurisdiction in question. As above, we will review all Requests in accordance with applicable laws and regulations.

6.3 Form of Request

To the extent permitted by applicable laws and regulations, we require that each Request contains the following information, and any other information as required by applicable laws and regulations, in order to process such Request:

- (a) the Requesting Authority's identity;
- (b) the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the "**Request Contact**"), including their rank, badge/identification number and identification documents;
- (c) the relevant authorisation document(s) of the specific officer and/or agent of the Requesting Authority, if applicable;
- (d) contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;

- (e) a reasonable date that we should respond to the Request by;
- (f) list of specific type of data and actions being requested;
- (g) purpose of which each type of requested data is to be used in relation to the Request;
- (h) why is the requested type of data considered necessary for the purpose; and
- (i) the basis of the Request, including the provisions of any laws and/or regulations being relied upon for the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being carried out by the Requesting Authority.

Please note that we may be unable to respond to any vague or incomplete Requests.

7. REIMBURSEMENT OF COSTS

To the extent permitted by applicable laws and regulations, we may seek reimbursement of our costs in responding to a Request.

8. WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be emailed to CloudLE_TCL@tencent.com with the subject "Governmental Request".

Please note that:

- (a) we may not, or take longer to, respond to any Requests not sent to the assigned contact details above;
- (b) we will not review correspondences sent by anyone other than Requesting Authorities to the above contact details; and
- (c) if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

9. QUESTIONS

Law Enforcement Data Request Guidelines

South-Korea

最近更新时间：2021-07-30 15:23:28

INTRODUCTION

These operational guidelines are for any law enforcement authority or other government authority (the “**Requesting Authority**”) making a request to Tencent Korea Yuhan Hoesa (“**we**”, “**our**”, “**us**” or “**Tencent Cloud Korea**”), which operates cloud services in the Republic of Korea (“**Tencent Cloud Korea Services**”), for disclosure of data about our users of Tencent Cloud Korea Services (a “**Request**”).

We respond to Requests made by a Requesting Authority in accordance with these guidelines, subject always to applicable laws and regulations and our internal guidelines.

We provide (access to) user information in response to Requests when legally required to do so. We will scrutinize all requests to make sure they comply with the applicable laws and regulations. Where permitted, relevant or necessary, we may require appropriate legal and/or supporting documentation to be furnished by the Requesting Authority before we can provide the relevant user information requested. Such documents may include a court order, subpoena, search warrant, authorization document(s) and/or other valid legal process, as the case may be.

We may amend this Policy at any time without notice. We encourage you to check back regularly on this page for updates. These guidelines are applicable to Requests from Requesting Authorities only. Nothing in these guidelines shall be used to create any legal obligations or any enforceable rights against Tencent Cloud Korea or any other member of the Tencent group.

Disclaimer on Requests for data not held by Tencent Cloud Korea: From time to time, we receive Requests for disclosure of data which do not belong to and/or are not held by Tencent Cloud Korea but a separate entity. The responsibility is on the Requesting Authority to make the appropriate request(s) to such other entities and/or affiliates as necessary.

WHAT KINDS OF REQUESTS DO WE RESPOND TO?

We respond to the following types of Requests:

Preservation Requests

We accept Requests issued in accordance with applicable laws and regulations from Requesting Authorities to preserve specified records or data, pending the issuance of valid legal process. Please complete this [form](#) to make a Preservation Request. If we do not receive formal legal request in accordance with applicable laws and regulations for the preserved information before the end of the preservation period, the preserved information may be deleted when

the preservation period expires where permitted by applicable laws and regulations. In addition to the information described below (in "Form of Request"), Preservation Requests must, to the extent permitted by applicable laws and regulations, be sent on law enforcement letterhead, signed or affixed with seal, and must include a statement with details about steps that are being taken to obtain legal process for the data sought to be preserved. In specific cases, we may need further supporting and/or legal documentation before we can respond to a Preservation Request. All our rights in this regard are fully and expressly reserved.

Emergency Requests

Requests from Requesting Authorities that give us a good faith belief regarding an imminent emergency involving risk of death, serious physical injury to a person or any risk of harm to a child. Please note that we evaluate Emergency Requests on a case-by-case basis in compliance with applicable laws and regulations. Where permitted, appropriate and/or necessary, we may require the Requesting Authority to furnish relevant legal and/or supporting documentation confirming their authorization and/or legal basis for making the Request, without unnecessarily jeopardizing or delaying our response(s) to the Requests. Please complete this [form](#) to make an Emergency Request.

Legal Process Requests

All other Requests made by a Requesting Authority in accordance with applicable laws and regulations. This may include Requests arising from valid search warrants and subpoenas and other valid legal process, or valid Requests made in accordance with applicable mutual legal assistance arrangements and channels. Where permitted, appropriate and/or necessary, we may require the Requesting Authority to furnish relevant legal and/or supporting documentation confirming their authorization and/or legal basis for making the Request. Please complete this <https://cloudcache.intl.tencent-cloud.com/document/Legal%20Process%20Request%20-%20Preservation%20Request%20Form.docx> to make a Legal Process Request.

RETAINING AND DISCLOSING OF DATA

We will only retain and disclose data in accordance with our [Terms of Service](#) and [Privacy Policy](#), subject always to applicable laws and regulations.

FORM OF REQUEST

To the extent permitted by applicable laws and regulations, we require that each Request contains the following information, and any other information as required by applicable laws and regulations, in order to process such Request:

- the Requesting Authority's identity;
- the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the "Request Contact"), including their rank, badge/identification number and identification documents;
- the relevant authorisation document(s) of the specific officer and/or agent of the Requesting Authority, if applicable;

- contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;
- a reasonable date that we should respond to the Request by;
- if applicable, the IP address, Uniform Resource Locator, or user of the Tencent Cloud Korea Services to which the Request relates, including all known information pertaining to the relevant user - including users' identification, account details and/or email addresses. This will help us to identify the data subject and/or other information requested;
- list and specific type of data being requested;
- purpose for which each type of requested data is to be used in relation to the Request;
- why is the requested type of data considered necessary for the purpose and
- the basis of the Request, including the provisions of any laws and/or regulations being relied upon for the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being carried out by the Requesting Authority.

Please note that we may be unable to respond to any vague or incomplete Requests.

The form to be used to make an Emergency Request, certifying the truthfulness and correctness of the Request, can be found [here](#).

NOTIFICATION OF OUR USERS

We respect our users' rights and privacy. We may therefore notify (and in certain cases, obtain consent from) the relevant user about any Requests for their data prior to disclosure, unless we are prohibited from doing so under applicable laws or regulations, by the terms of any legal process (such as a confidentiality order), or where we reasonably believe that such disclosure may create imminent serious danger or risk for us or any third party.

If we are required or choose to legally provide a Requesting Authority with our users' data, to the extent such data contains personal information, in compliance with applicable laws and regulations, we will request the Requesting Authority to limit the purpose and method of use and other necessary matters, or to prepare necessary safeguards to ensure the safety of the personal information.

A Requesting Authority that believes that notification would jeopardize a law enforcement investigation should obtain an appropriate legal process that specifically prohibits member notification. It is the Requesting Authority's responsibility to request that we do not notify a user of your Request because it would jeopardize a law enforcement investigation, including but not limited to providing the appropriate court order or legal process prohibiting such

notification. We will carefully consider your Request and our compliance with the same will be subject to applicable laws or regulations. All our rights in this regard are expressly reserved. If your Request draws attention to an ongoing violation of our Terms and Policies, we will – to the extent permitted by applicable laws and regulations – take action to prevent further abuse, including actions that may notify the user that we are aware of their misconduct.

MUTUAL LEGAL ASSISTANCE TREATY REQUESTS

We respond to requests of an international nature made pursuant to a Mutual Legal Assistance Treaty ("MLAT") and other applicable conventions, treaties, protocols or documents of a similar nature entered into between the Republic of Korea and other countries. The MLAT and other applicable conventions, treaties, protocols, or documents of a similar nature will usually determine how the Republic of Korea and these other countries can assist one another in legal matters such as criminal investigations or enforcement proceedings. Through an MLAT or other request, a foreign government can request the Korean government for assistance in procuring evidence from Tencent Cloud Korea. If the Korean government approves the MLAT or other request from the foreign government, and such documentation of approval is provided to us, we will give our best endeavors to render our support in accordance with applicable laws and regulations.

Also, a Requesting Authority may be able to rely on MLAT or other applicable conventions to request data, not held by Tencent Cloud Korea, in the country of the relevant Tencent entity.

REIMBURSEMENT OF COSTS

To the extent permitted by applicable laws and regulations, we may seek reimbursement of our costs in responding to a Request.

TESTIMONY SUPPORT

We do not provide expert testimony support, except to the extent required by applicable laws and regulations.

WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be sent to the following contact details:

emailed to CloudLE_TKYH@tencent.com with the subject "Law Enforcement Agency Disclosure Request".

Please note that:

- we may take longer to respond to any Requests not sent to the above contact details;
- we will not review correspondences sent by anyone other than Law Enforcement Authorities to the above contact details; and
- if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

QUESTIONS

For general questions regarding these guidelines not related to specific Request(s), please contact us by email at CloudPolicy@tencent.com. Please note this email does not receive service of legal documents and will not be responsive to unrelated enquiries.

Government Request Policy South-Korea

最近更新时间：2021-07-30 15:12:28

1. INTRODUCTION

We receive various requests from governmental authorities in relation to the cloud services we provide in the Republic of Korea ("**Tencent Cloud Korea Services**"). Where such request is made:

(a) by any law enforcement authority or other governmental authority regarding disclosure of data about users of our Tencent Cloud Korea Services and in accordance with legal processes (e.g. court injunction, court orders, subpoenas, police investigations), we will treat such request in accordance with our Law Enforcement Data Request Guidelines; and

(b) in any manner and by any law enforcement authority or other governmental authority other than pursuant to paragraph (a), we will treat such request in accordance with this Governmental Request Policy ("**Policy**") (all such request under this paragraph (b) being a "**Request**").

Requests that fall under paragraph (b) include but are not limited to:

(a) take down requests;

(a) general information requests; and

(c) requests to engage in discussions with governmental authorities.

This Policy applies to Requesting Authorities (as defined below) making a Request. If you do not observe the requirements of this Policy in making your Request, we may not be able to comply with or respond to your Request.

1.1 Tencent Cloud Korea complies with the applicable laws and regulations, and we provide details and/or take steps as legally required in relation to Requests.

1.2 We may amend this Policy at any time without notice. We encourage you to check back regularly on this page for updates. This Policy is applicable to requests from Requesting Authorities only. Nothing in this Policy shall be used to create any legal obligations or any enforceable rights against Tencent Cloud Korea or any other member of the Tencent group.

1.3 In addition to the terms defined above, in this Policy:

(a) "**we**", "**us**", "**our**" or "**Tencent Cloud Korea**" means Tencent Korea Yuhan Hoesa.

(b) "**Request**" means any request pursuant to Section 1.1(b) that this Policy applies to.

(c) "**Requesting Authority**" or "**you**" means the law enforcement authority or other governmental authority making the relevant Request.

2. our relationship with other third parties

2.1 From time to time, we receive requests for disclosure of data which do not belong to and/or are not held by us. To clarify: We cannot assist on requests relating to any platform or service other than Tencent Cloud Korea Services (including any data that is held by or regarding such other platforms or services). It is the Requesting Authority's responsibility to make the appropriate request(s) to such other platforms or services (and their operators) as necessary.

3. general principles of this policy

We apply this Policy in accordance with the following principles. Further details are set out in the remainder of this Policy.

3.1 **We act in accordance with Requests when legally required to do so.** The basis for the Requests that we comply with may be pursuant to specific laws and regulations. Such actions may include the removal or disabling of certain content.

3.2 **We do not retain all user information and content, and such information and content may be deleted, de-personalised and/or revised from time to time.** Our end users maintain the right to treat their information, and we will treat their information, in accordance with our Terms of Service and Privacy Policy. This means that we do not retain all such information, and they may from time to time be revised or deleted. Further information regarding our data handling practice is set out in [Terms of Service](#) and [Privacy Policy](#).

3.3 **We may depart from this Policy from time to time for various reasons,** including for instance, due to applicable laws and regulations or pursuant to professional advice we have received on the matter.

3.4 **We aim to be transparent with our users in the actions that we take.** Before and/or after we comply with a Request (depending on the Request and applicable laws and regulations), we reserve the right to notify (and in certain cases, obtain consent from) our users of the Request (including the actions being sought by the Request) unless we are explicitly requested by the Requesting Authority or prohibited from doing so by applicable laws and regulations and subject to Section 7. This is to ensure that our users have a right to respond to the Request. In addition, where the Request is in relation to actions that may affect other users, we may also notify other users of the relevant Request that we have complied with, subject to applicable laws and regulations.

3.5 **We do not automatically comply with all Requests.** We will always carefully review all Requests to ensure that we comply with all applicable laws and regulations in our response, while respecting our users' rights. That may include taking appropriate internal and third-party professional advice.

4. HOW WE APPLY THIS POLICY

We note the following in relation to how we apply this Policy:

(a) **In certain circumstances, we may not be able to remove information and/or content due to a conflict of legal requirements in different jurisdictions.** In those cases, we may treat such information and/or content

differently for different jurisdictions.

(b) We will carefully review all Requests to make sure they comply with the applicable laws and regulations. Where relevant or necessary, we may require appropriate legal and/or supporting documentation to be provided by the Requesting Authority before we comply with the Request.

(c) Nothing in this Policy waives or limits any of our rights under all applicable laws and regulations – we expressly reserve all such rights and may respond to any Requests at our sole discretion. We may, as appropriate, question any Requests – including requesting governmental/judicial review of, and third-party legal advice regarding, any Requests.

5. an overview of how we deal with requests

5.1 When we receive a Request, we will generally deal with such Request in accordance with the following (and always subject to applicable laws and regulations):

- (a) Review of the Request, to ensure that it meets all relevant legal and our requirements.
- (b) Whether it is permitted, necessary and/or appropriate to notify the affected user(s) (also see Sections 3.6 and 7).
- (c) Responding to the Requesting Authority regarding the outcome of the Request.

6. WHAT KINDS OF REQUESTS DO WE RESPOND TO?

6.1 General requirements

To the extent permitted by applicable laws and regulations, all Requests must:

- (a) be typed and in PDF file format;
- (b) be sent on the Requesting Authority's letterhead and signed or affixed with seal by an appropriate and authorised representative of the Requesting Authority - see Section 6.2;
- (c) include all information as set out in Section 6.3;
- (d) be sent in accordance with Section 9; and
- (e) comply with all applicable laws and regulations. We expect all Requesting Authorities to have already obtained legal advice on whether a Request meets this requirement.

Note that we may not respond to any Requests that do not meet the above requirements.

6.2 Who can send Requests?

Appropriate Requesting Authorities may be different in different jurisdictions. Depending on the jurisdiction, legitimate Requests may be submitted by several types of government agencies, such as telecommunication authorities, consumer protection authorities.

The power of many of these authorities will differ depending on the jurisdiction in question. As above, we will review all Requests in accordance with applicable laws and regulations.

6.3 Form of Request

To the extent permitted by applicable laws and regulations, we require that each Request contains the following information, and any other information as required by applicable laws and regulations, in order to process such Request:

- (a) the Requesting Authority's identity;
- (b) the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the "**Request Contact**"), including their rank, badge/identification number and identification documents;
- (c) the relevant authorisation document(s) of the specific officer and/or agent of the Requesting Authority, if applicable;
- (d) contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;
- (e) a reasonable date that we should respond to the Request by;
- (f) if applicable, the IP address, Uniform Resource Locator, or user of the Tencent Cloud Korea Services to which the Request relates, including all known information pertaining to the relevant user - including users' identification, account details and/or email addresses. This will help us to identify the data subject and/or other information requested;
- (g) list and specific type of data and actions being requested;
- (h) purpose for which each type of requested data is to be used in relation to the Request;
- (i) why is the requested type of data considered necessary for the purpose; and
- (j) the basis of the Request, including the provisions of any laws and/or regulations being relied upon for the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being carried out by the Requesting Authority.

Please note that we may be unable to respond to any vague or incomplete Requests.

7. NOTIFICATION OF OUR USERS

Further to Section 3.4, we respect our users' rights and privacy. We may notify (and in certain cases, obtain consent from) the relevant user about any Requests prior to acting on them, unless we are explicitly requested by the Requesting Authority or prohibited from doing so under applicable laws or regulations, by the terms of any legal process (such as a confidentiality order), or where we reasonably believe that such actions may create imminent danger or risk for us or any third party. This notification may allow the end user to seek appropriate protective relief.

Requesting Authorities who believe that notification would jeopardize an ongoing legal investigation should obtain an appropriate court order or legal process that specifically prohibits notification of our users or otherwise substantiate its Request on the basis of the applicable laws and regulations. It is the Requesting Authority's responsibility to Request and substantiate in conformance with by applicable laws and regulations that we do not notify a user of the Request.

If we are required or choose to legally provide a Requesting Authority with our users' data, to the extent such data contains personal information, in compliance with applicable laws and regulations, we will request the Requesting Authority to limit the purpose and method of use and other necessary matters, or to prepare necessary safeguards to ensure the safety of the personal information. If your Request is in relation to an ongoing or prior violation of our Terms of Service and Privacy Policy, we will take action to prevent further abuse, including actions that may notify the user that we are aware of their misconduct, all subject to and in conformance with by applicable laws and regulations. If you believe in good faith that such actions will jeopardize an ongoing investigation, it is your responsibility to request that we defer such action, whenever possible pursuant to applicable laws and regulations including providing to us the appropriate court order or legal process prohibiting such notification.

We reserve the right to challenge any non-disclosure requests or orders, pursuant to applicable laws and regulations.

8. REIMBURSEMENT OF COSTS

To the extent permitted by applicable laws and regulations, we may seek reimbursement of our costs in responding to a Request.

9. WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be emailed to CloudLE_TKYH@tencent.com with the subject "Governmental Request".

Please note that:

- (a) we may not, or take longer to, respond to any Requests not sent to the assigned contact details above;
- (b) we will not review correspondences sent by anyone other than Requesting Authorities to the above contact details; and
- (c) if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

10. QUESTIONS

For general questions regarding this policy not related to specific Request(s), please contact us by email at CloudPolicy@tencent.com. Please note that we will not be responsive to unrelated enquiries.

Law Enforcement Data Request Guidelines

Rest of the World

最近更新时间：2021-07-30 15:12:48

INTRODUCTION

These operational guidelines are for any law enforcement authority or other government authority (the “**Requesting Authority**”) making a request to Aceville Pte Ltd or any other Tencent group company that operates cloud services outside of the People’s Republic of China, South Korea, North America, the European Economic Area, the United Kingdom and Switzerland (“**we**”, “**our**”, “**us**” or “**Tencent Cloud Group**”), for disclosure of data about our users of the cloud services operated by the Tencent Cloud Group (“**Tencent Cloud International Services**”) (a “**Request**”).

We respond to Requests made by a Requesting Authority in accordance with these guidelines, subject always to applicable laws and regulations and our internal guidelines.

We provide (access to) user information in response to Requests when legally required to do so. We will scrutinize all requests to make sure they comply with the applicable laws and regulations. Where permitted, relevant or necessary, we may require appropriate legal and/or supporting documentation to be furnished by the Requesting Authority before we can provide the relevant user information requested. Such documents may include a court order, written order to produce documents or other things, search warrant, authorization document(s) and/or other valid legal process, as the case may be.

We may amend this Policy at any time without notice. We encourage you to check back regularly on this page for updates. These guidelines are applicable to Requests from Requesting Authorities only. Nothing in these guidelines shall be used to create any legal obligations or any enforceable rights against Tencent Cloud Group or any other member of the Tencent group.

Disclaimer on Requests for data not held by Tencent Cloud Group: From time to time, we receive Requests for disclosure of data which do not belong to and/or are not held by Tencent Cloud Group but a separate entity. The responsibility is on the Requesting Authority to make the appropriate request(s) to such other entities and/or affiliates as necessary.

WHAT KINDS OF REQUESTS DO WE RESPOND TO?

We respond to the following types of Requests:

Preservation Requests

We accept Requests issued in accordance with applicable laws and regulations from Requesting Authorities to preserve specified records or data, pending the issuance of valid legal process. Please complete this [form](#) to make a

Preservation Request. If we do not receive formal legal request in accordance with applicable laws and regulations for the preserved information before the end of the preservation period, the preserved information may be deleted when the preservation period expires where permitted by applicable laws and regulations. In addition to the information described below (in "Form of Request"), Preservation Requests must, to the extent permitted by applicable laws and regulations, be sent on law enforcement letterhead, signed, and must include a statement with details about steps that are being taken to obtain legal process for the data sought to be preserved. In specific cases, we may need further supporting and/or legal documentation before we can respond to a Preservation Request. All our rights in this regard are fully and expressly reserved.

Emergency Requests

Requests from Requesting Authorities that give us a good faith belief regarding an imminent emergency involving risk of death, serious physical injury to a person or any risk of harm to a minor. Please note that we evaluate Emergency Requests on a case-by-case basis in compliance with applicable laws and regulations. Where permitted, appropriate and/or necessary, we may require the Requesting Authority to furnish relevant legal and/or supporting documentation confirming their authorization and/or legal basis for making the Request, without unnecessarily jeopardizing or delaying our response(s) to the Requests. Please complete this [form](#) to make an Emergency Request.

Legal Process Requests

All other Requests made by a Requesting Authority in accordance with applicable laws and regulations. This may include Requests arising from valid search warrants and written orders to produce documents or other things and other valid legal process, or valid Requests made in accordance with applicable mutual legal assistance arrangements and channels. Where permitted, appropriate and/or necessary, we may require the Requesting Authority to furnish relevant legal and/or supporting documentation confirming their authorization and/or legal basis for making the Request. Please complete this [form](#) to make a Legal Process Request.

RETAINING AND DISCLOSING OF DATA

We will only retain and disclose data in accordance with our [Terms of Service](#) and [Privacy Policy](#), subject always to applicable laws and regulations.

FORM OF REQUEST

To the extent permitted by applicable laws and regulations, we require that each Request contains the following information, and any other information as required by applicable laws and regulations, in order to process such Request:

- the Requesting Authority's identity;
- the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the "Request Contact"), including their rank, badge/identification number and identification documents;

- the relevant authorisation document(s) of the specific officer and/or agent of the Requesting Authority, if applicable;
- contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;
- a reasonable date that we should respond to the Request by;
- if applicable, the IP address, Uniform Resource Locator, or user of the Tencent Cloud International Services to which the Request relates, including all known information pertaining to the relevant user - including users' identification, account details and/or email addresses. This will help us to identify the data subject and/or other information requested;
- list and specific type of data being requested;
- purpose of which each type of data is to be used in relation to the Request;
- why is the requested type of data considered necessary for the purpose and
- the basis of the Request, including the provisions of any laws and/or regulations being relied upon for the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being carried out by the Requesting Authority.

Please note that we may be unable to respond to any vague or incomplete Requests.

The form to be used to make an Emergency Request, certifying the truthfulness and correctness of the Request, can be found [here](#).

NOTIFICATION OF OUR USERS

We respect our users' rights and privacy. We may therefore notify the relevant user about any Requests for their data prior to disclosure, unless we are prohibited from doing so under applicable laws or regulations, by the terms of any legal process (such as a confidentiality order), or where we reasonably believe that such disclosure may create imminent serious danger or risk for us or any third party.

A Requesting Authority that believes that notification would jeopardize a law enforcement investigation should obtain an appropriate legal process that specifically prohibits member notification. It is the Requesting Authority's responsibility to request that we do not notify a user of your Request because it would jeopardize a law enforcement investigation, including but not limited to providing the appropriate court order or legal process prohibiting such notification. We will carefully consider your Request and our compliance with the same will be subject to applicable laws or regulations. All our rights in this regard are expressly reserved. If your Request draws attention to an ongoing

violation of our Terms and Policies, we will – to the extent permitted by applicable laws and regulations – take action to prevent further abuse, including actions that may notify the user that we are aware of their misconduct.

MUTUAL LEGAL ASSISTANCE TREATY REQUESTS

We respond to requests of an international nature made pursuant to a Mutual Legal Assistance Treaty ("MLAT") and other applicable conventions, treaties, protocols or documents of a similar nature entered into between Singapore and other countries. The MLAT and other applicable conventions, treaties, protocols, or documents of a similar nature will usually determine how Singapore and these other countries can assist one another in legal matters such as criminal investigations or enforcement proceedings. Through an MLAT or other request, a foreign government can request the Singapore government for assistance in procuring evidence from Aceville Pte Ltd. If the Singapore government approves the MLAT or other request from the foreign government, and such documentation of approval is provided to us, we will give our best endeavors to render our support in accordance with applicable laws and regulations.

Also, a Requesting Authority may be able to rely on MLAT or other applicable conventions to request data, not held by Tencent Cloud Group, in the country of the relevant Tencent entity.

REIMBURSEMENT OF COSTS

To the extent permitted by applicable laws and regulations, we may seek reimbursement of our costs in responding to a Request.

TESTIMONY SUPPORT

We do not provide expert testimony support, except to the extent required by applicable laws and regulations.

WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be sent to the following contact details:

emailed to CloudLE@tencent.com with the subject "Law Enforcement Agency Disclosure Request".

Please note that:

- we may take longer to respond to any Requests not sent to the above contact details;
- we will not review correspondences sent by anyone other than Law Enforcement Authorities to the above contact details; and
- if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

QUESTIONS

For general questions regarding these guidelines not related to specific Request(s), please contact us by email at CloudPolicy@tencent.com. Please note this email does not receive service of legal documents and will not be responsive to unrelated enquiries.

Government Request Policy Rest of the World

最近更新时间：2021-07-30 15:14:30

1. INTRODUCTION

1.1 We receive various requests from governmental authorities in relation to the Tencent Cloud International Services.

Where such request is made:

(a) by any law enforcement authority or other governmental authority regarding disclosure of data about users of our Tencent Cloud International Services and in accordance with legal processes (e.g. court injunction, court orders, written orders to produce information, police investigations), we will treat such request in accordance with our Law Enforcement Data Request Guidelines; and

(b) in any manner and by any law enforcement authority or other governmental authority other than pursuant to paragraph (a), we will treat such request in accordance with this Governmental Request Policy ("**Policy**") (all such request under this paragraph (b) being a "**Request**").

Requests that fall under paragraph (b) include but are not limited to:

(a) take down requests;

(c) general information requests; and

(d) requests to engage in discussions with governmental authorities.

This Policy applies to Requesting Authorities (as defined above) making a Request. If you do not observe the requirements of this Policy in making your Request, we may not be able to comply with or respond to your Request.

1.2 The Tencent Cloud Group complies with the laws and regulations pertaining to the individual entities that control our data and we provide details and/or take steps as legally required in relation to Requests.

1.3 We may amend this Policy at any time without notice. We encourage you to check back regularly on this page for updates. This Policy is applicable to requests from Requesting Authorities only. Nothing in this Policy shall be used to create any legal obligations or any enforceable rights against the Tencent Cloud Group or any other member of the Tencent group.

1.4 In this Government Request Policy ("**Policy**"):

(a) "**we**", "**us**", "**our**" or "**Tencent Cloud Group**" means Aceville Pte Ltd and its affiliates that operate cloud services outside of the People's Republic of China, South Korea, North America, the European Economic Area (EEA), the United Kingdom and Switzerland (for which we have separate Governmental Request Policies);

(b) "**Tencent Cloud International Services**" means the cloud services provided by the Tencent Cloud Group;

(c) **“Request”** means any request pursuant to Section 1.1(b) that this Policy applies to; and

(d) **“Requesting Authority”** or **“you”** means the law enforcement authority or other governmental authority making the relevant Request.

2. our relationship with other third parties

2.1 From time to time, we receive requests for disclosure of data which do not belong to and/or are not held by us. To clarify: We cannot assist on requests relating to any platform or service other than Tencent Cloud International Services (including any data that is held by or regarding such other platforms or services). It is the Requesting Authority's responsibility to make the appropriate request(s) to such other platforms or services (and their operators) as necessary.

3. general principles of this policy

We apply this Policy in accordance with the following principles. Further details are set out in the remainder of this Policy.

3.1 We act in accordance with Requests when legally required to do so. The basis for the Requests that we comply with may be pursuant to specific laws and regulations. Such actions may include the removal or disabling of certain content in one or more jurisdictions.

3.2 We do not retain all user information and content, and such information and content may be deleted, de-personalised and/or revised from time to time. Our end users maintain the right to treat their information, and we will treat their information, in accordance with our Terms of Service and Privacy Policy. This means that we do not retain all such information, and they may from time to time be revised or deleted. Further information regarding our data handling practice is set out in [Terms of Service](#) and [Privacy Policy](#).

3.3 We aim to apply this Policy consistently and fairly across all jurisdictions where we operate Tencent Cloud International Services, and in accordance with all applicable laws and regulations and our interpretation of potential differences between jurisdictions. Tencent Cloud International Services are available outside of the People's Republic of China, South Korea, North America, the EEA, the United Kingdom and Switzerland, and to that end we aim to apply all of our terms (including this Policy) fairly and consistently across those jurisdictions.

3.4 Further to Section 3.3, we may depart from this Policy from time to time for various reasons, including for instance, due to applicable laws and regulations or pursuant to professional advice we have received on the matter.

3.5 We aim to be transparent with our users in the actions that we take. Before and/or after we comply with a Request (depending on the Request and applicable laws and regulations), we reserve the right to notify our users of the Request (including the actions being sought by the Request) unless we are explicitly requested by the Requesting Authority or prohibited from doing so by applicable laws and regulations and subject to Section 7. This is to ensure that our users have a right to respond to the Request. In addition, where the Request is in relation to actions that may

affect other users, we may also notify other users of the relevant Request that we have complied with, subject to applicable laws and regulations.

3.6 We do not automatically comply with all Requests. We will always carefully review all Requests to ensure that we comply with all applicable laws and regulations in our response, while respecting our users' rights. That may include taking appropriate internal and third-party professional advice.

4. HOW WE APPLY THIS POLICY

As above, we aim to apply this Policy fairly and consistently wherever we operate. We note the following in relation to how we apply this Policy:

(a) **In certain circumstances, we may not be able to remove information and/or content due to a conflict of legal requirements in different jurisdictions.** In those cases, we may treat such information and/or content differently for different jurisdictions.

(b) **We will carefully review all Requests to make sure they comply with the applicable laws and regulations.** Where relevant or necessary, we may require appropriate legal and/or supporting documentation to be provided by the Requesting Authority before we comply with the Request.

(c) **Nothing in this Policy waives or limits any of our rights under all applicable laws and regulations – we expressly reserve all such rights and may respond to any Requests at our sole discretion.** We may, as appropriate, question any Requests – including requesting governmental/judicial review of, and third-party legal advice regarding, any Requests.

5. an overview of how we deal with requests

5.1 When we receive a Request, we will generally deal with such Request in accordance with the following (and always subject to applicable laws and regulations):

- (a) Review of the Request, to ensure that it meets all relevant legal and our requirements.
- (b) Whether it is permitted, necessary and/or appropriate to notify the affected user(s) (also see Sections 3.5 and 7).
- (c) Responding to the Requesting Authority regarding the outcome of the Request.

6. WHAT KINDS OF REQUESTS DO WE RESPOND TO?

6.1 General requirements

To the extent permitted by applicable laws and regulations, all Requests must:

- (a) be typed and in PDF file format;
- (b) be sent on the Requesting Authority's letterhead and signed by an appropriate and authorised representative of the Requesting Authority - see Section 6.2;
- (c) include all information as set out in Section 6.3;

(d) be sent in accordance with Section 9;

(e) be drafted in, or translated to, **English**; and

(f) comply with all applicable laws and regulations. We expect all Requesting Authorities to have already obtained legal advice on whether a Request meets this requirement.

Note that we may not respond to any Requests that do not meet the above requirements.

6.2 Who can send Requests?

Appropriate Requesting Authorities may be different in different jurisdictions. Depending on the jurisdiction, legitimate Requests may be submitted by several types of government agencies, such as telecommunication authorities or consumer protection authorities.

The power of many of these authorities will differ depending on the jurisdiction in question. As above, we will review all Requests in accordance with applicable laws and regulations.

6.3 Form of Request

To the extent permitted by applicable laws and regulations, we require that each Request contains the following information, and any other information as required by applicable laws and regulations, in order to process such Request:

(a) the Requesting Authority's identity;

(b) the identity of the specific officer and/or agent of the Requesting Authority responsible for the request (the "**Request Contact**"), including their rank, badge/identification number and identification documents;

(c) the relevant authorisation document(s) of the specific officer and/or agent of the Requesting Authority, if applicable;

(d) contact details for the Request Contact, including phone number, email address (which must be from the Requesting Authority's email domain address) and postal address;

(e) a reasonable date that we should respond to the Request by;

(f) if applicable, the IP address, Uniform Resource Locator, or user of the Tencent Cloud International Services to which the Request relates, including all known information pertaining to the relevant user - including users' identification, account details and/or email addresses. This will help us to identify the data subject and/or other information requested;

(g) list and specific type of data and actions being requested;

(h) purpose for which each type of requested data is to be used in relation to the Request;

(i) why is the requested type of data considered necessary for the purpose; and

(j) the basis of the Request, including the provisions of any laws and/or regulations being relied upon for the Request and, where applicable and/or necessary, details of the nature of the investigation, procedure and/or process being

carried out by the Requesting Authority.

Please note that we may be unable to respond to any vague or incomplete Requests.

7. NOTIFICATION OF OUR USERS

Further to Section 3.5, we respect our users' rights and privacy. We may notify the relevant user about any Requests prior to acting on them, unless we are explicitly requested by the Requesting Authority or prohibited from doing so under applicable laws or regulations, by the terms of any legal process (such as a confidentiality order), or where we reasonably believe that such actions may create imminent danger or risk for us or any third party. This notification may allow the end user to seek appropriate protective relief.

Requesting Authorities who believe that notification would jeopardize an ongoing legal investigation should obtain an appropriate court order or legal process that specifically prohibits notification of our users or otherwise substantiate its Request on the basis of the applicable laws and regulations. It is the Requesting Authority's responsibility to Request and substantiate in conformance with by applicable laws and regulations that we do not notify a user of the Request.

If your Request is in relation to an ongoing or prior violation of our Terms of Service and Privacy Policy, we will take action to prevent further abuse, including actions that may notify the user that we are aware of their misconduct, all subject to and in conformance with by applicable laws and regulations. If you believe in good faith that such actions will jeopardize an ongoing investigation, it is your responsibility to request that we defer such action, whenever possible pursuant to applicable laws and regulations including providing to us the appropriate court order or legal process prohibiting such notification.

We reserve the right to challenge any non-disclosure requests or orders, pursuant to applicable laws and regulations.

8. REIMBURSEMENT OF COSTS

To the extent permitted by applicable laws and regulations, we may seek reimbursement of our costs in responding to a Request.

9. WHERE SHOULD REQUESTS BE SENT TO?

All Requests should be emailed to CloudLE@tencent.com with the subject "Governmental Request".

Please note that:

- (a) we may not, or take longer to, respond to any Requests not sent to the assigned contact details above;
- (b) we will not review correspondences sent by anyone other than Requesting Authorities to the above contact details; and
- (c) if we accept any legal processes via the above contact details, such acceptance is for convenience only and does not waive any of our rights or objections, including for lack of proper service or jurisdiction.

10. QUESTIONS

For general questions regarding this policy not related to specific Request(s), please contact us by email at CloudPolicy@tencent.com. Please note that we will not be responsive to unrelated enquiries.

Privacy FAQs

最近更新时间：2019-09-19 20:45:04

1. Introduction

We take your data privacy and security very seriously. Whether you are an individual user, a small business owner or a large corporation, we take steps to ensure that your content is stored and processed by us in a transparent way and using secure and reliable technology.

We understand that your trust is something we earn. As part of that process, we work to keep you informed of our data security policies and measures, as they may change over time.

These FAQs explain some basic principles that we apply to our provision of Tencent Cloud, particularly for those customers and prospective customers who have questions about how Tencent Cloud meets the requirements of data protection laws and other applicable regulations concerning data privacy and security.

These FAQs are intended to be a general overview and do not constitute legal advice. We urge you to consult with your own legal counsel to familiarise yourself with the requirements that govern your specific circumstances and to take advice as necessary.

For further information regarding Tencent Cloud's data privacy and security practices and these FAQs:

(a) Please review the Tencent Cloud Privacy and Data Processing Policy – which sets out how we collect, store and process your content on Tencent Cloud.

(b) Please contact our Customer Support team via phone at +86 4009 100 100, or online at <https://console.tencentcloud.com/workorder>. We would be pleased to discuss with you how we maintain the privacy and security of your content and answer any questions or concerns you may have.

2. Who owns and controls your content?

You do. All content that you upload to Tencent Cloud remains yours, and you remain in control of it.

We do not access or use your content for any purpose, other than for providing Tencent Cloud to you. For example, Tencent will not use your content for marketing purposes or perform analytics on your content.

You decide who may access your content and how that access is made available – Tencent makes available various security and authentication methods to help you with such efforts. Tencent delivers Tencent Cloud using commercially available internet connections and browser software. You (and any related users you choose to give access to your content) may log into Tencent Cloud using unique usernames and passwords.

3.Does Tencent share your content with third parties?

No. Tencent Cloud is designed to protect the security and confidentiality of your content. We will not share your content with anyone else other than in exceptional circumstances, such as where we believe we are legally required to do so (for example, if we are subject to a court order for disclosure), or where we need to do so in order to enforce or protect your rights, our own rights or the rights of other users.

Please consult our Tencent Cloud Terms of Service for further details of the limited circumstances in which we will disclose your content.

4.Where does Tencent store your content?

We offer you the right to select where your content is stored from a list of potential locations. All of our data centres meet industry-accepted technical and security standards.

If at any time we are no longer able to store your content in your selected location, we will notify you and offer you the alternative storage locations available at that time.

5.Does Tencent comply with data protection laws?

Yes. We have a comprehensive privacy and security programme directed at protecting your content, including your personal data (see below, **Q7. How does Tencent protect your content?**). We comply with our obligations under data protection laws.

Because we only process your content in order to provide Tencent Cloud to you in accordance with your instructions, we are considered a "data processor" (or the equivalent designation under data protection laws in your jurisdiction). While the law varies from jurisdiction to jurisdiction as to the obligations applicable to data processors, we comply with all obligations binding on us in our role as a data processor in providing Tencent Cloud to you.

6.How does Tencent help you comply with data protection laws when you use Tencent Cloud?

Because you maintain ultimate control over the collection and use of your content, you will be considered a "data controller" (or equivalent designation) under data protection laws in respect of your content that contains personal data. This means that you will need to comply with data protection laws when you use Tencent Cloud.

We have designed Tencent Cloud in a way that enables you to comply with your obligations. We do this by:

- (a) allowing you to maintain control over the manner in which your content is accessed and processed (see** Q2. Who owns and controls your content?**) ;
- (b) not sharing your content with third parties, except in accordance with our Terms of Service (see **Q3. Does Tencent share your content with third parties?**) ;
- (c) allowing you to choose the location of storage of your content (see Q4. Where does Tencent store your content?) ;
- (d) complying with applicable data protection laws (see **Q5. Does Tencent comply with data protection laws?**) ;
- and
- (e) maintaining industry-accepted security measures for the purpose of protecting your content (see **Q7. How does Tencent protect your content?**) .

Please note that data protection laws and regulations and how they are interpreted and enforced may change over time, and there may be other laws and regulations that apply to you. You should obtain legal advice to ensure that you are familiar with the requirements governing your use of data and other aspects of your business.

7. How does Tencent protect your content?

We have implemented a comprehensive privacy and security programme for the purpose of protecting your content. This programme includes the following:

7.1 Data security. We have designed and implemented the following measures to protect customer's data against unauthorised access:

- (a) standards for data categorisation and classification;
- (b) a set of authentication and access control capabilities at the physical, network, system and application levels;
- and
- (c) a mechanism for detecting big data-based abnormal behaviour.

**7.2 Network security.* *We implement stringent rules on internal network isolation to achieve access control and border protection for internal networks (including office networks, development networks, testing networks and production networks) by way of physical and logical isolation.

7.3 Physical and environmental security. Stringent infrastructure and environment access controls have been implemented for Tencent Cloud's data centres based on relevant regional security requirements. An access control matrix is established, based on the types of data centre personnel and their respective access privileges, to ensure effective management and control of access and operations by data centre personnel.

7.4 Incident management. We operate active and real-time service monitoring, combined with a rapid response and handling mechanism, that enables prompt detection and handling of security incidents.

7.5 Compliance with standards. We comply with the following standards:

- (a) Information security management system – ISO 27001:2013.
- (b) IT service management – ISO/IEC 20000-1:2011.
- (c) Quality management system – ISO/IEC 9001:2015.

8. How does Tencent respond to regulatory requests for your content?

We may, from time to time, receive regulatory requests to disclose your content to regulators or law enforcement bodies. When we receive these requests, we take reasonable steps to query them and establish whether or not we are legally required to respond to them. When we are required to respond to such a request, we do everything we reasonably can to protect your confidentiality.

9. How can you protect your content?

Tencent Cloud provides a number of features that allow you to enhance the protection of your content. It is your responsibility to carefully select and use the features that are appropriate to you, in accordance with your own security policies. For example:

- (a) you can select the transmission method and transmission protocols for your data (e.g. HTTPS, SSH); and
- (b) you can select enhanced network security protection products such as dedicated access lines and IPSec VPN.

Please take steps to keep your (and your authorised users') account login credentials safe. Please change your Tencent Cloud account passwords regularly to reduce the risk of your account being improperly accessed. Passwords should be unique and be difficult for others to deduce. If you suspect an unauthorised person has accessed your Tencent Cloud account, please notify us immediately – until we disable your account after receiving such notification from you, you are responsible for all acts and omissions within your Tencent Cloud account.

Cookies Policy

最近更新时间：2024-01-10 16:23:58

This Cookies Policy applies to Tencent Cloud International and our website available at <https://www.tencentcloud.com/> (together, the “**Services**”). When you use the Services, we may use cookies log files, pixel tags, web beacons, scripts, eTags and similar files or technologies (collectively, “**cookies**”) to collect and store information we automatically collect about your device and use of the Services. This Cookies Policy explains what cookies are, what kind of cookies may be used in our Services and how you can manage cookies.

For the purposes of this Cookies Policy, “**we**”, “**us**” and “**our**” means Tencent Cloud Europe B.V. (in the case of persons located in the EEA, UK and Switzerland) and the entity you have contracted with as set out in the [Terms of Service](#) (in the case of persons located outside of the EEA, UK and Switzerland). For the purpose of any personal data we collect through cookies, we are the data controller.

Our representative in the EU for the purpose of EU data protection laws is Tencent Cloud Europe B.V., a company incorporated in the Netherlands with the registered address at Buitenveldertselaan 1-5, 1082 VA, Amsterdam, the Netherlands. Our EU representative and our data protection officer can be contacted here.

1. WHAT ARE COOKIES?

Cookies are text files which are placed on your device when a website is loaded on your browser. They are widely used in order to make websites work or work more efficiently, as well as to provide information to the owner of the site or to another site that recognizes that cookie.

First party and third party cookies

Cookies can be first party or third party. A first party cookie is set directly by us to your device, whereas a third party cookie is set by a third party (such as analytics providers and our advertisers and business partners).

Persistent and session cookies

Cookies can be persistent or session cookies depending on the time that they remain on your device. A persistent cookie is stored on your device after your web browser is closed or once your session ends. It can be used by the Services to recognize your device when you open your browser and use the Services again. A session cookie exists temporarily on your device while your browser is open. It is deleted automatically once you leave the website or close your browser.

In the European Economic Area, United Kingdom and Switzerland, we will only use non-essential cookies with your consent.

If you do not accept the use of cookies, please disable them using the instructions below and changing your browser settings so that cookies cannot be placed on your device.

2. WHAT KIND OF COOKIES DO WE USE?

The table(s) below explain the cookies used by us and our partners in connection with the Services.

Strictly Necessary Cookies

These cookies are essential to the functioning of the Services, to provide a service requested by you or to comply with the law (e.g. security requirements of data protection laws). These cookies will be collected once our website is loaded on your browser and cannot be turned off as we cannot provide the Services without them.

3. HOW TO MANAGE OR DELETE COOKIES?

We use cookies when providing our Services to make sure you can use and enjoy our Services easily. Some of the cookies are essential and we cannot provide our Services without them, but there are others that can be turned off. You have the right to choose whether or not to accept non-essential cookies and we have explained how you can exercise this right below. However, please note that if you choose to refuse or, at a later stage, opt-out of certain cookies or other essential locally stored data, you may not be able to use the full functionality of the Services.

Most devices (in the case of mobile applications) and browsers (in the case of web apps and pages) allow you to change your cookie settings. These settings will typically be found in the “options” or “preferences” menu of your browser. This lets you control your cookie settings so that you can:

see what cookies or other locally stored data are used and delete them on an individual basis

- block third party cookies
- block cookies from particular sites
- block all cookies from being set
- delete all cookies when you close your browser

For more information on how to manage popular browsers, please see below:

Cookie settings in Chrome for web and Android

Cookie settings in Safari web and iOS

[Cookie settings in Internet Explorer](#)

Cookie settings in Firefox

You can change the settings for the cookies we use in our Services at any time in our preference center.

How to opt out of third party cookie use

If you want to reduce your settings at any time (for example, if you accept all cookies, but later decide you do not want a certain type of Cookie) you can use your browser settings to remove any third party cookies or similar technologies dropped on your previous visit. To opt out of Google Analytics' use of cookies, a Chrome browser add-on is available.

If you would like to find out more about cookies and their use on the Internet, you may find the following link useful: [All About Cookies](#).

4. CHANGES TO THIS COOKIES POLICY

We will update this Cookies Policy to reflect changes in our practices and services. When we post changes to this Cookies Policy, we will revise the "Last Updated" date at the top of this Cookies Policy. If we make any material changes in the way we collect, use, and/or share information held in cookies, we will notify you by prominently posting notice of the changes when you log in to or use the Services. We recommend that you check this page from time to time to inform yourself of any changes to this Cookies Policy.

5. COOKIES THAT HAVE BEEN SET IN THE PAST

If you have disabled one or more cookies, we may still use information collected from cookies prior to your disabled preference being set, however, we will stop using the disabled cookie to collect any further information.

6. CONTACT US

If you have any questions or comments about this Cookies Policy, please contact us via email at cloudlegalnotices@tencent.com.

Event Registration Instructions

If you choose the following contact methods, it means that you are aware of the following:

SMS

By checking the checkbox, you represent the owner of the phone number provided, and authorize Tencent to send marketing information (as well as service updates and other non-marketing information) to the phone number via SMS. Receiving such information does not necessarily mean purchasing Tencent products or services. SMS fees may be incurred by this subscription service, and are charged according to your phone plan (please contact your telecommunications services provider for more information about SMS rates and services). You can reply "STOP" or follow the instructions in the SMS message to unsubscribe at any time. If you have any questions, please contact us using the contact information in the [Privacy Policy](#).

Email

By checking this checkbox, you agree to provide Tencent with your email address so that we can contact and offer you updates and marketing information on Tencent products and services. You can unsubscribe at any time by clicking the unsubscribing link in the email. If you have any questions, please contact us using the contact information in the [Privacy Policy](#).
