How to Purchase

Last updated : 2020-09-04 16:28:04

You can create CDH instances in the console or using API.

Note :

CDH cannot be returned. Please confirm your configuration and make the payment.

Creating CDH instances in console

1. Log in to [Tencent Cloud Dedicate Host Purchase Page](#).
2. Select the region, availability zone, model, quantity and usage period, and then confirm your order.
3. Pay the order.
4. The CDH you purchased is assigned immediately after the order is paid. You can log in to the console to assign the dedicated CVMs. .

Creating CDH instances using API

Tencent Cloud offers an API to create CDH instances. For details, please refer to [Creating CDH Instances](#).
