Product Purchase

Log in to the Tencent Cloud, choose **Products** > **Container** > **Tencent Kubernetes Engine**, and click **Get Started** to go to the TKE console. When logging in to this page for the first time, you need to perform the following steps to complete service authorization before you can purchase TKE products.

Service Authorization

Note：

Ignore the following procedure if you have completed service authorization.

1. View information in the displayed **Service Authorization** dialog box, and click **Go to Cloud Access Management**, as shown in the following figure.
