Billing Overview

Last updated : 2022-05-09 13:18:15

An ENI is **free of charge**. For the pricing of more VPC products, see [VPC Billing and Pricing](#).

Note:

When an EIP is unbound, an idle is incurred. Release unused EIPs to avoid unnecessary costs.

Purchasing Method

Last updated : 2020-06-28 14:47:42

You can purchase an ENI directly from [Tencent Cloud](#).

The purchasing process is as follows.

1. Log in to the [ENI Console](#).
2. Select a region and VPC, and then click **+ New**.
3. In the **Create ENI** pop-up window, enter a name for the ENI, select **Network** and **Subnet**, and configure **Assign IP** (select either **Automatic Assignment** or **Enter Manually**). If you want to add a tag, click **Advanced Options**.
