Service Notice

This document provides an overview of the as-is details of Tencent Cloud's products and services in their entirety or part. The descriptions of certain products and services may be subject to adjustments from time to time.

The commercial contract concluded by you and Tencent Cloud will provide the specific types of Tencent Cloud products and services you purchase and the service standards. Unless otherwise agreed upon by both parties, Tencent Cloud does not make any explicit or implied commitments or warranties regarding the content of this document.

Contact Us

We are committed to providing personalized pre-sales consultation and technical after-sale support. Don't hesitate to contact us at 4009100100 or 95716 for any inquiries or concerns.

Integration Guide

Last updated: 2023-09-04 10:28:31

Step 1. Sign up

Access the [official Tencent Cloud website](#) . If you do not have an account, please refer to [Register for Tencent Cloud](#) .

Step 2: Complete Identity Verification

The entity interfacing with the risk control platform must complete [corporate identity verification](#) for the cloud account. If the cloud service account verification has already been completed, you can skip this step.

Step 3: Online Application

Click [Apply Now](#) , fill out the application form, and click **Submit Application** to complete the online application.

Step 4: Service Integration

Once approved, the Tencent Cloud team will reach out to you to confirm preliminary requirements and discuss business matters. After the requirement discussion is completed, the Tencent Cloud team will interface with you and provide access to services.
